Re: PUD-09-064 and CPMA 003-09, Carl's Fencing Property

Dear John:

I have been advised by my client, Carl Del Pizzo, the owner of the above referenced property, that he is unable to continue the PUD and comprehensive plan amendment process and that he will cease operating his business. Mr. Del Pizzo is currently negotiating with a potential buyer for the sale of the subject property and the buyer may wish to continue but at this time, I have been directed to cease any further activity. Please accept my thanks for the attitude and help from the staff in this matter. Mr. Del Pizzo wanted to go forward but the economic conditions presently in play simply won't allow him to continue.

With best regards,

JAMES S. MORRIS, P.A.
