Minimum fee for permit to complete	\$40.74

**Single Building Permit System:**

There shall be one building permit issued to the contractor/builder of record, which shall be deemed the permits for the trade work & secondary work types.

The permit applicant will be required, at time of making application, to list all major subcontractors along w/the sub's certification or registration number.

When a change in subcontractors named on the original building permit is made, it is the responsibility of the permit applicant to notify Volusia County Building Activity and submit a change of subcontractor post card (s) with all pertinent information relative to the new subcontractor (with postage).

Inspections will be suspended until a new subcontractor is assigned.

**Refunds: Application and plan review fees are not refundable.**

**No refund will be granted on any permit with a fee less than \$100.00.**

For permits having a fee in excess of \$100.00, 70% of the amount above \$100.00 may be refunded, provided construction has not commenced. A letter requesting a refund stating the reason and with the original permit placard attached must be submitted. Letters requesting refunds must be received by Building and Zoning Division within ninety days of the permit's date of issuance.

*All of the fees in this resolution shall be adjusted annually on October 1, based upon the percentage change in the United States Department of Commerce Consumer Price Index for the twelve month period ending on June 30 of that year.*
