### Speakers available for census presentations

Volusia County has partnered with the U.S. Census Bureau to raise awareness about the 2010 Census. In March, every household in the United States will receive a census questionnaire, and residents are required to complete and return the forms by April 1.

Data will affect how more than \$400 billion in federal funds will be distributed to state and local governments each year and will be used to draw state legislative districts and determine the number of seats each state has in the House of Representatives.

Groups and organizations wanting to schedule a census presentation may contact Volusia County Community Information Specialist Pat Kuehn at (386) 822-5062, ext. 2934, or [pkuehn@co.volusia.fl.us](mailto:pkuehn@co.volusia.fl.us); or South Daytona Public Information Officer Jeanne Willard at (386) 334-5634 or [jwillard2009@live.com](mailto:jwillard2009@live.com).
