Census Bureau to open 42 assistance centers and 22 pick-up sites in Volusia County March 19

The U.S. Census Bureau will open 42 census Questionnaire Assistance Centers and 22 questionnaire pick-up sites in Volusia County from March 19 through April 19.

The Questionnaire Assistance Centers will be staffed by employees who speak English, and 17 centers will have bilingual or multilingual staff. The staff will be available to help residents fill out their forms. During each location's normal business hours, residents also may pick up and complete a census questionnaire if they did not receive one.

The Be Counted, or questionnaire pick-up, sites will have boxes where residents may pick up a census form if they did not receive one in the mail. Staff will not be available to provide assistance at these sites.

The site list follows.

Residents began receiving their census questionnaires Tuesday. They are required to return them by April 1. If they don't return their questionnaire, they will receive a replacement in April. In May, June and July, census workers will visit the homes of people who did not respond.

Questionnaire Assistance Centers

Questionnaire Assistance Centers will be open from **March 19 through April 19**. All centers will be staffed by Census Bureau employees who speak English. If a foreign language is listed, a bilingual speaker or language assistance guide will be available. During each location's normal business hours, residents also can pick up and complete a census questionnaire if they were not counted elsewhere.
