

## Federal Purpose Area 4 Corrections and Community Corrections Programs

### State Purpose Areas:

<b>11A – State Corrections Treatment Program</b>		
11A.01	<p>Provide treatment services through various modalities to a specified number of individuals.</p> <p>Part 1 – During this reporting period, how many clients were provided Modality 1. services?</p> <p>Part 2 – During this reporting period, how many clients were provided Modality 2. services?</p> <p>Part 3 – During this reporting period, how many clients were provided Modality 3. services?</p> <p>Part 4 – During this reporting period, how many clients were provided Modality 3. Track 1. services?</p> <p>Part 5 – During this reporting period, how many clients were provided Modality 3. Track 2. services?</p> <p>Part 6 – During this reporting period, how many clients were provided Modality 3. Track 3. services?</p> <p>Part 7 – During this reporting period, how many clients were provided substance abuse transitional/re-entry program services.</p>	Numeric
11A.02	<p>Provide an array of treatment services.</p> <p>Part 1 – Were most clients provided psychosocial assessments?</p> <p>Part 2 – Were some clients provided diagnostic services?</p> <p>Part 3 – Were most clients provided urinalysis?</p> <p>Part 4 – Were most clients provided counseling services?</p> <p>Part 5 – Were some clients provided rehabilitation services?</p> <p>Part 6 – Were a significant number of clients referred to other Modality program services?</p> <p>Part 7 – Were some clients provided intensive outpatient services?</p> <p>Part 8 – Were some clients provided aftercare services?</p> <p>Part 9 – Were some clients provided re-entry group services?</p> <p>Part 10 – Were some clients provided community work release services?</p>	Y/N
11A.03	<p>Assist a specified number of clients to successfully complete their treatment plan.</p> <p>Part 1 – During this reporting period, how many clients completed the Modality 1. program?</p> <p>Part 2 – During this reporting period, how many clients completed the Modality 2. program?</p> <p>Part 3 – During this reporting period, how many clients completed the Modality 3. program?</p> <p>Part 4 – During this reporting period, how many clients completed the Program Re-entry Center program?</p>	Numeric

## 11B – Corrections Community Treatment

11B.01	<p>Provide treatment services within correctional facilities through various treatment modalities to a specified number of individuals.</p> <p>Part 1 – During this reporting period, how many clients were provided DETOXIFICATION services? [This number should only include those clients who were NEW ADMISSIONS and/or READMISSIONS during this reporting period].</p> <p>Part 2 – During this reporting period, how many clients were provided INTERVENTION services? [This number should only include those clients who were NEW ADMISSIONS and/or READMISSIONS during this reporting period].</p> <p>Part 3 – During this reporting period, how many clients were provided OUTPATIENT services? [This number should only include those clients who were NEW ADMISSIONS and/or READMISSIONS during this reporting period].</p> <p>Part 4 – During this reporting period, how many clients were provided Level 1 RESIDENTIAL services? [This number should only include those clients who were NEW ADMISSIONS and/or READMISSIONS during this reporting period].</p> <p>Part 5 – During this reporting period, how many clients were provided Level 2 RESIDENTIAL services? [This number should only include those clients who were NEW ADMISSIONS and/or READMISSIONS during this reporting period].</p> <p>Part 6 – During this reporting period, how many clients were provided Level 3 RESIDENTIAL services? [This number should only include those clients who were NEW ADMISSIONS and/or READMISSIONS during this reporting period].</p>	Numeric
11B.02	<p>Provide an array of treatment services within correctional facilities.</p> <p>Part 1 – Were most clients provided psychosocial assessments?</p> <p>Part 2 – Were some clients provided diagnostic services?</p> <p>Part 3 – Were most clients provided urinalysis?</p> <p>Part 4 – Were most clients provided case management services?</p> <p>Part 5 – Were most clients provided counseling services?</p> <p>Part 6 – Were some clients provided rehabilitation services?</p> <p>Part 7 – Were some clients provided with court liaison services?</p> <p>Part 8 – Were a significant number of clients referred to outpatient or residential treatment or other community services?</p>	Y/N
11B.03	<p>Assist a specified number of clients within correctional facilities to successfully complete their treatment plan.</p> <p>Part 1 – During this reporting period, how many DETOXIFICATION clients successfully COMPLETED their treatment?</p> <p>Part 2– During this reporting period, how many INTERVENTION clients successfully COMPLETED their treatment?</p> <p>Part 3– During this reporting period, how many OUTPATIENT clients successfully COMPLETED their treatment?</p> <p>Part 4– During this reporting period, how many RESIDENTIAL clients successfully COMPLETED their treatment?</p>	Numeric
11B.04	<p>Provide a specified number of program participants with employability skills training.</p> <p>Part 1 – During this reporting period, how many participants received employability skills training?</p>	Numeric
11B.05	<p>Arrange job interviews for a specified number of program participants.</p> <p>Part 1 – During this reporting period, how many participants received job interviews?</p>	Numeric

11B.06	Assist a specified number of program participants who successfully complete employability skills training. Part 1 – During this reporting period, how many participants successfully completed employability skills training?	Numeric
11B.07	Refer a specified number of program participants to educational classes, i.e., adult basic education (ABE), general education diploma (GED), and English for speakers of other languages (ESOL). Part 1 – During this reporting period, how many participants were referred to educational classes?	Numeric
11B.08	To provide inmate transitional services to a specified number of offenders. Part 1 – During this reporting period, how many offenders received inmate transitional services?	Numeric
<b>11C – Intensive Supervision</b>		
11C.01	Provide intensive probation supervision and case management services to a specified number of offenders. Part 1 – During this reporting period, how many offenders were admitted into the intensive probation supervision and case management program? [This number should represent only those who supervision was INITIATED during the reporting period.]	Numeric
11C.02	Provide case management counseling to a specified number of parents of juvenile offenders. Part 1 – During this reporting period, how many parents of juvenile offenders received case management counseling?	Numeric
11C.03	Establish a specified number of community restoration projects to be completed by juvenile offenders who violate the law. Part 1 – During this reporting period, how many NEW community restoration projects were established? [This number should include only those projects which were INITIATED during this reporting period.]	Numeric
11C.04	Supervise a specified number of juvenile offenders assigned to community restoration project sites. Part 1 – During this reporting period, how many juveniles were assigned to a community restoration project site? [This number should include each juvenile that is assigned to a work site, NOT the number of hours or days worked.]	Numeric
11C.05	Locate and process a specified number of probationers with outstanding pickup orders. Part 1 – During this reporting period, how many probationers with outstanding pickup orders were located and processed?	Numeric
11C.06	Conduct field supervision for sex offenders and post release offenders pursuant to the Minimum Monthly Contact Standards for Close Supervision at an average rate of 7.5 personal contacts per offender per quarter. (State Agency Only) Part 1 – During this reporting period, was field supervision for sex offenders and post release offenders maintained pursuant to Minimum Monthly Contact Standards for Close Supervision at an average rate of 7.5 personal contacts per offender?	Y/N
11C.07	Reduce the average caseloads for all State Correctional Probation Specialists to 50:1 for the supervision of sex offenders and prison release offenders who require close supervision. (State Agency Only) Part 1 – During this reporting period, was the average caseload for all Correction Probation Specialists supervising sex offenders and prison release offenders requiring close supervision maintained at 50:1 or less?	Y/N

	Part 2 – During this reporting period, was personal contact made with each offender at least 7.5 times?	
11C.08	Maintain the field supervision caseload of newly arrested sex offenders and post release offenders below 5%of the average supervised population (funded under this subgrant). (State Agency Only). Part 1 – During this reporting period, was the field supervision case load of sex offenders and post release offenders below 5% of the average supervised population under this subgrant?	Numeric
11C.09	Provide a specified number of additional Correctional Probation Specialists to help reduce the caseloads of all Correctional Probation Specialists. Part 1 – During this reporting period, how many NEW Correctional Probation Specialists were hired to help reduce the caseloads of all Correctional Probation Specialists?	Numeric
11C.10	Maintain the number of new felony arrests of high-risk supervision sex offenders and post release offenders below 5% of the average grant population supervised. (State Agency Only). Part 1 – During this reporting period, was the number of new felony arrests of high-risk supervision sex offenders and post release offenders maintained below 5% of the average grant population supervised?	Numeric
<b>11D – Narcotic Detector Canine</b>		
11D.01	Obtain, train and use a specified number of K-9 drug dogs to detect contraband substances within and coming into selected correctional sites. Part 1 – During this reporting period, how many K-9 drug dogs were obtained?	Numeric
11D.02	Use the K-9 drug dogs at a specified number of correctional facilities. Part 1 – During this reporting period, how many correctional facilities used the K-9 drug dogs?	Numeric
11D.03	Terminate the visiting privileges of a specified number of civilians for introducing contraband into correctional facilities. Part 1 – During this reporting period, how many civilians had their visiting privileges terminated for introducing contraband into a correctional facility?	Numeric
11D.04	File criminal charges against a specified number of individuals for introducing illegal contraband into correctional facilities. Part 1 – During this reporting period, how many individuals had criminal charges filed against them for introducing illegal contraband into a correctional facility?	Numeric
11D.05	Terminate the employment of and/or discipline a specified number of employees for substance abuse and/or illegal substance-related violations. Part 1 – During this reporting period, how many employees had their employment terminated for substance abuse and/or illegal substance-related violations? Part 2 – During this reporting period, how many employees were disciplined, short of termination, for substance abuse or illegal substance-related violations?	Numeric
11D.06	Discipline and/or file additional criminal charges against a specified number of inmates for violating the Department of Corrections' unauthorized contraband policy. Part 1 – During this reporting period, how many inmates had criminal charges filed against them or were otherwise disciplined for violating the Department of Corrections unauthorized contraband policy?	Numeric
11D.07	Use the K-9 drug dogs in a specified number of search operations. Part 1 – During this reporting period, how many search operations were conducted using the K-9 drug dogs?	Numeric

11D.08	Seize a specified number of grams of marijuana as a result of the use of the K-9 drug dogs. Part 1 – During this reporting period, how many grams of marijuana were seized as a result of the use of the K-9 drug dogs?	Numeric
11D.09	Seize a specified number of grams of cocaine (including powder and “crack”) as a result of the use of the K-9 drug dogs. Part 1 – During this reporting period, how many grams of cocaine were seized as a result of the use of the K-9 drug dogs?	Numeric
11D.10	Seize a specified number of grams of dangerous drugs (e.g., methamphetamine) as a result of the use of the K-9 drug dog. Part 1 – During this reporting period, how many grams of dangerous drugs were seized as a result of the use of the K-9 drug dogs?	Numeric
11D.11	Seize a specified number of gallons of homemade alcohol as a result of the use of the K-9 drug dogs. Part 1 – During this reporting period, how many gallons of homemade alcohol were seized?	Numeric
<b>11E Prisoner Transportation</b>		
11E.01	Conduct a specified number of one-way trips from local law enforcement holding facilities to the Sheriff’s receiving facility. Part 1 – During this reporting period, was an average error rate at or below a total of 10% in processing police department booking packages maintained? Briefly describe progress in achieving a reduced error rate..	Y/N
11E.02	Transport a specified number of arrestees from local law enforcement custody to the Sheriff’s Receiving Facility. Part 1 – During this reporting period, was the number of arrestees transported from local law enforcement custody to the Sheriff’s receiving facility recorded? Provide any related anecdotal information.	Numeric
11E.03	Provide a total average time an officer/law enforcement agency saves by Deputy Transportation Officers transporting arrestees from local law enforcement facilities or on-scene roadside pickups to the Sheriff’s Receiving Facility. Part 1 – During this reporting period, was time saved in transporting arrestees from local law enforcement holding facilities and roadside pickups to the Sheriff’s Receiving Facility? Indicate how much time was saved.	Y/N
11E.04	Maintain an average error rate at or below a total of 10% in processing police department booking packages (criminal justice information) on arrestees when received by the Sheriff’s Receiving Facility. Part 1 – During this reporting period, was an average error rate at or below a total of 10% in processing police department booking packages maintained? Briefly describe progress in achieving a reduced error rate.	Y/N
<b>012 – Prison Industry</b>		
012.01	Provide a specified number of inmates with daily work experience. Part 1 – During this reporting period, how many inmates were provided with daily work experience? [This number should be an unduplicated count. Count each inmate only one time during the course of his participation in the project whether he participates only one day or for the entire grant period.]	Numeric
012.02	Provide program participants with instruction on the various procedures and processes involved in seeking employment.	Y/N

	Part 1 – During this reporting period, were program participants provided instruction on the procedures and processes involved in seeking employment?	
012.03	Assist a specified number of inmates in becoming employed upon completion of their incarceration. Part 1 – During this reporting period, how many inmates were referred to employers for possible employment and or training? Part 2 – During this reporting period, how many inmates were referred to education classes? In the narrative portion of the report, describe the curriculum that participants received and indicate how many completed these classes. Part 3 – During this reporting period, how many inmates and their families were referred to human service providers? In the narrative portion of this report, describe the types of services to which participants or their families were referred and how many received them.	Numeric
012.04	Provide a specified number of program participants with employability skill training. Part 1 – During this reporting period, how many participants received employability skills training? Describe the topics covered in this training.	Numeric
012.05	Arrange job interviews for a specified number of program participants. Part 1 – During this reporting period, how many participants received job interviews? Describe the types of jobs for which participants were interviewed and how many were hired.	Numeric
012.06	Develop a training program that has a completion time consistent with the time of incarceration of the participants. Part 1 – During this reporting period, was a training program developed that has a completion time consistent with the time of incarceration of the participants?	Y/N
012.07	Estimate a specified number of program participants will successfully complete the program. Part 1 – During this reporting period, how many program participants successfully completed the program? Describe your measure(s) of program success. (For example, passed course requirements, low recidivism rates, etc.)	Numeric
<b>016 – Innovative Programs</b>		
016.01	Prior approval from OCJG is required to use this purpose area and requires the use of project specific objectives. Part 1 – Does your contract include project specific objectives?	Y/N
<b>15D – Drug Testing</b>		
15D.01	Provide a specified number of drug tests, including inmates. Part 1 – During this reporting period, how many drug tests were conducted, including those for inmates?	Numeric
15D.02	Provide a specified number of drug tests to probationers. Part 1 – During this reporting period, how many drug tests were conducted for probationers?	Numeric
<b>16A – S.H.O.C.A.P.</b>		
16A.01	Review a specified number of juvenile criminal cases and, using SHOCAP criteria, identify offenders who meet these criteria. Part 1 – During this reporting period, how many juvenile criminal cases were reviewed for possible inclusion as a SHOCAP?	Numeric
16A.02	Investigate, track, and monitor SHOCAP offenders, especially those who are on	Y/N

	community control. Part 1 – During this reporting period, were most SHOCAP offenders investigated, tracked or monitored?	
16A.03	Charge and prosecute a specified number of juveniles as SHOCAP offenders. Part 1 – During this reporting period, how many SHOCAP offenders were charged and prosecuted?	Numeric
16A.04	Meet quarterly with community partners to exchange information on SHOCAP offenders including criminal activity, school attendance, discipline problems, etc. Part 1 – During this reporting period, was a quarterly community partners SHOCAP meeting held?	Y/N
16A.05	Publish a listing of SHOCAP offenders, updated monthly, and disseminate it among community partners. Part 1 – During this reporting period, was an updated listed of SHOCAP offenders published and distributed to community partners?	Y/N
<b>16B – Community Mediation</b>		
16B.01	Serve a specified number of clients in mediation activities. Part 1 – During this reporting period, how many clients initiated their participation in mediation activities?	Numeric
16B.02	Execute, implement and track a specified number of mediation agreements. Part 1 – During this reporting period, how many written agreements were executed?	Numeric
16B.03	Refer a specified number of clients to other community agencies and resources to help meet identified needs. Part 1 – During this reporting period, how many clients were referred to other agencies or resources?	Numeric
16B.04	Train a specified number of volunteer mediators and other mediation program volunteers. Part 1 – During this reporting period, how many volunteer mediators and other mediation program volunteers COMPLETED their training?	Numeric
16B.05	Provide anger management and conflict resolution training. Part 1 – During this reporting period, was anger management and conflict resolution training provided? Details of these training efforts must be provided.	Y/N
16B.06	Serve a specified number of offenders by conducting victim awareness training or presentations. Part 1 – During this reporting period, how many offenders were referred to and participated in a victim awareness panel session?	Numeric
16B.07	Provide Restorative Justice Education to a specified number of offenders to help meet their identified needs. Part 1 – During this reporting period, how many offenders received Restorative Justice Education to help meet their identified needs? Part 2 – During this reporting period, how many Restorative Justice Education Workshops were conducted? Part 3 – During this reporting period, how many Anger Management/Conflict Resolution Workshops were conducted as modules of the Restorative Justice Education Program? Part 4 – During this reporting period, how many offenders sought and/or received mediation as a result of the Restorative Justice Education Program?	Numeric

<b>16D – Restitution and Community Service</b>		
16D.01	Provide a specified number of program participants with employability skills training. Part 1 – During this reporting period, how many participants COMPLETED employability skills training?	Numeric
16D.02	Arrange job interviews for a specified number of program participants. Part 1 – During this reporting period, how many program participants were provided with job interviews? Part 2 – During this reporting period, how many unemployed program participants became employed?	Numeric
16D.03	Monitor restitution payments by a specified number of program participants. Part 1 – During this reporting period, how many program participants INITIATED restitution payments? Part 2 – During this reporting period, what was the total of restitution dollars paid?	Numeric
16D.04	Monitor crime fund payments by a specified number of program participants. Part 1 – During this reporting period, how many program participants INITIATED crime fund payments? Part 2 – During this reporting period, what was the total of crime fund dollars paid?	Numeric
16D.05	Have a specified number of program participants successfully exit the program. Part 1 – During this reporting period, how many program participants successfully exited the program?	Numeric
<b>16E – Truancy Interdiction</b>		
16E.01	Pick up and transport to Truancy Centers a specified number of juveniles for truancy violations. Part 1 – During this reporting period, how many juveniles were picked up for truancy violations and transported to Truancy Centers?	Numeric
16E.02	Counsel a specified number of juveniles and their parents concerning truancy issues. Part 1 – During this reporting period, how many juveniles and their family members were counseled concerning truancy issues?	Numeric
16E.03	Refer a specified number of juveniles and their family members to community services providers. Part 1 – During this reporting period, how many juveniles and their family members were referred to community services providers?	Numeric
16E.04	To counsel and/or educate parents of truant juveniles on issues about how to prevent truancy. Will parents of truant juveniles be counseled and/or educated about how to prevent truancy? Part 1 – During this reporting period, were parents of truant juveniles counseled and/or educated about how to prevent truancy?	Y/N

16E.05	To provide a specified number of parent education sessions to parents of truant juveniles. How many parent education sessions will be held for parents of truant juveniles? Part 1 – During this reporting period, how many parent education sessions were held for parents of truant juveniles?	Numeric
<b>20A – Corrections Alternatives – Halfway House</b>		
20A.01	Provide a specified number of offenders with transitional housing. Part 1 – During this reporting period, how many offenders were NEW ADMISSIONS and/or READMISSIONS to transitional housing?	Numeric
20A.02	Provide offenders with case management services and daily structured activities. Part 1 – During this reporting period, were most offenders provided with case management services? Part 2 – During this reporting period, were most offenders provided with daily structured activities?	Y/N
20A.03	Provide offenders with short-term individual and group supportive life skills counseling. Part 1 – During this reporting period, were most offenders provided life counseling?	Y/N
20A.04	Assist a specified number of offenders to become employed upon completion of their transitional housing program. Part 1 – During this reporting period, how many offenders were successfully transferred or discharged? Part 2 – During this reporting period, how many offenders became employed in a paid full or part-time job in the community? Part 3 – During this reporting period, how many offenders contributed towards their room and board? Part 4 – During this reporting period, how many offenders performed facility upkeep and maintenance chores? Part 5 – During this reporting period, how many offenders enrolled in academic education? Part 6 – During this reporting period, how many offenders enrolled in vocational education? Part 7 – During this reporting period, how many offenders received a general equivalency diploma? Part 8 – During this reporting period, how many offenders received a vocational certificate?	Numeric
<b>20B – Alternatives – Community Service</b>		
20B.01	Issue a specified number of civil citations to offenders. Part 1 – During this reporting period, how many civil citations were issued?	Numeric
20B.02	Assign community service work-site hours to a specified number of offenders. Part 1 – During this reporting period, how many offenders were assigned to community service work sites?	Numeric
20B.03	Provide a specified number of offenders with electronic monitoring in lieu of incarceration. Part 1 – During this reporting period, how many offenders BEGAN to be electronically monitored?	Numeric

20B.04	Complete a specified number of hours for community service projects. Part 1 – During this reporting period, how many hours were completed for community services?	Numeric
20B.05	Complete a specified number of community service projects. Part 1 – During this reporting period, how many community service projects were completed?	Numeric
20B.06	Assist a specified number of clients to successfully complete their community service hours. Part 1 – During this reporting period, how many clients successfully completed their community services hours? Part 2 – During this reporting period, how many warrants were issued to clients for non-compliance with their community service hours?	Numeric
