

Journeyman Plumber-PBE1V
Volusia County

Scope

A Journeyman Plumber is qualified to install, repair, maintain, or extend any plumbing system, including waste drains, vents, water supply and fixtures and also install, maintain or repair gas piping, appliances, lines, laterals, tanks and other appurtenances in connection therewith under the supervision of an Unlimited Master Plumbing Contractor. As regulated under Florida Statute, a person who has passed a competency examination as a Journeyman Plumber may perform these or related tasks or may supervise persons in his employ in the execution of these tasks.

Examination Content Outline

The Journeyman Plumber examination is based on trade-specific information pertaining to materials, tools, equipment, practices, terminology, and relevant laws. The examination is a three half (3) hour, open book exam that consists of 100 questions.
