

Paver Contractor - RYE1V
Volusia County Version

Scope

Paver Contractor: The scope of work of a Paver Contractor shall include and be limited to preparing the base, providing for proper drainage, and selecting, cutting, and laying pavers. A Paver Contractor shall not pour or finish concrete, except that which is required for the placing of the paver system. This scope of work does not include the installation of pool, spa, or hot tub decks. Separate licensure is required. [Florida Administrative Code 61G4-15.032(b)(e)] A person who has passed a competency examination as a Paver Contractor may perform these or related tasks or may supervise persons in his employ in the execution of these tasks.

Examination Content Outline

The Paver Contractor examination is based on trade-specific information pertaining to materials, tools, equipment, practices, terminology, and relevant laws. The examination is a two (2) hour, open book exam that consists of 50 questions.
