

MARINE SCIENCE CENTER

SUMMER CAMP 2013

**100 LIGHTHOUSE DRIVE
PONCE INLET, FL 32127
(MAIN #) 386-304-5545**

**Email or call to reserve your space
Email: mstedu@volusia.org phone: 386.304.5529**

Seine netting, eco walks, exploring the estuary, fishing and canoeing, as well as meeting a live raptor, reptile encounters, feeding stingrays, learning about our bird and turtle rehabilitation center, are just a few of the things your child will get to do at camp.

This year your children are going to have hands-on activities including squid dissection and taking apart owl pellets to discover what is inside them.

They also get to make their own edible aquifer, and at the end of a full week enjoy a BBQ with their family and then show them around the Marine Science Center and share all the interesting things they have learned during their week of camp.

Please make sure your child has closed toed water shoes and is prepared to get wet. (Wearing their bathing suit under their clothes is a great idea). Please bring sunscreen, a packed lunch and water for the day.

We are offering 10 camps for ages 6 through 16, so there is plenty of opportunity for your son or daughter to experience the fun, adventure and learning that they will receive at camp. Our camps listed below are on a first come, first served basis and fill up fast, so please email or phone us to reserve your spot. Contact: Shell Webster at the email or number above. You can call in your credit card number and email your forms for faster reservations, remember your reservations are not confirmed until payment and completed forms are received. We do have a \$35.00 cancellation fee.

Get ready for another exciting summer of exploration and adventure at the Marine Science Center.

Camp starts at 9 am and ends at 4 pm. (Campers can be dropped off from 8:30am onwards)

Summer Camp 2013
