**Revenue Division
Affidavit for Partial Payments**

Florida Statute 197.374 provides for partial payment of current year taxes and assessments on both real and tangible personal property taxes prior to April 1st. A partial payment is defined as a payment that is less than the full amount of taxes due. Partial payments may not be accepted for accounts participating in the quarterly Installment Plan.

If a taxpayer enters into an agreement with the Tax Collector, they agree to an additional \$10.00 processing fee per payment, forfeit any discounts, maintain a record of the remaining balance due, and make final payment of all taxes by March 31, 2013 to avoid any additional penalties.

Any taxes not paid in full in one of the Revenue Offices by 5:00 P.M. Wednesday, May 30, 2013 will result in a tax certificate (tax lien) being sold on the property.
