***Land Development Approval is needed for:**

New Tower

Co-Location: New Equipment Building, New &/or additional Slab (existing slab does not require Land Development approval)

**** Submittal Information: (Checklist of items that must be provided)**

1. Three (3) sets of engineer/architect plans and Specs
2. Three (3) site plans showing the type and height of the tower, and the location of any accessory buildings
3. One (1) site plan approved by Land Development, if applicable
4. Acknowledgement letter that engineer will certify the work at the end of the project.
5. Identification of the wireless communication service provider.
6. The owner(s) of the structure, and the land owner upon which the antennas will be located.
7. Lease Agreement, if applicable.

*A completed application for a building permit must be submitted with the necessary documents. If the minimum requirements (documents & plans) have not been met, the review, processing & issuing of this permit will be delayed. All plans and appropriate documents must be in accordance with the requirements of the current Florida Building Code(s). ****This information is intended as a guideline for application submittal and may or may not be all inclusive.**
