

If you love being
outside and
contributing to
the preservation
of Florida scrub jays--
for you!

We have an opportunity

JAY WATCH

A CITIZEN-SCIENCE PROGRAM

For more info contact:
bcary@volusia.org
386-736-5276

**Groups of trained
volunteers count
Florida scrub jay
populations annually,
June 15 - July 15.
This information helps
monitor scrub jay
population success and
helps Volusia County Land
Management monitor the
needs and success of scrub
habitat restoration and
maintenance activities.**
