## Parent / Player Responsibilities

1. Due to the large number of players and teams, we regret that we are unable to honor requests for your child to play with a specific player, coach, or team.
2. Parents are responsible for transportation of their children to & from practices & games.
3. Parents are responsible for knowing the name of their child's team, the coach's name and telephone number.
4. Parents are responsible for calling the coach if their child cannot make a scheduled practice or game.
5. Volusia County Parks, Recreation and Culture employees are not responsible for children left without adult supervision at our playing sites before and after their scheduled game.
6. Once games begin, players are expected to attend a minimum of one scheduled practice per week.
7. If your child misses a practice it is the parents' responsibility to call the coach to find out when the next practice or game is scheduled.
8. All parents should receive from their child's coach a copy of Volusia County's rules and regulations and a copy of their game schedule. If you do not receive then, ASK the coach for your copies!
9. Continued unexcused absences of your child from scheduled practices and games may result in your child sitting out for one game (for each offense). This will be at the discretion of the league's superintendent, not the child's coach.
