VCCF West Wing Upgrade – Roof & Air Handler

Corrections Capital FY15-17

- Roof Replacement
 Branch Jail
 - 2 year phased project \$3.0 M
 - (+ \$75,000 for Phase 2 Engineering Carried Forward from FY 14-15)

Branch Jail - Roof Leak – ID/Receiving

Led to burnt electric wires, smoke, and lights out in ID/Receiving on 3/15/14. Lack of lights and computers led to calling VCSO Dispatch to advise law enforcement that the jail was closed to admissions until further notice. Fortunately, jail Maintenance was able to apply a temporary patch that stopped the leak; loss of operations was only 30 mins in duration.

Branch Jail - Roof Leak – Administrative Services

Along same latitude as ID/Receiving, but other side of building

LAST YEAR – April, 2014

TODAY – Sept 23, 2015

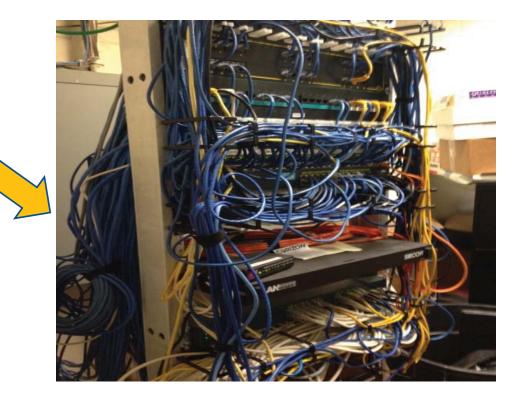

Branch Jail - Roof Leak – Interior

IA Office/ back side of Housing Unit

Here's what's under the leak. The rack for the computer and phone switches and routers for interior of building (Director and Warden's offices Clinic, Housing Units).
