

# 2024 LEC

## Summer Nature Camps

Campers will learn about Florida scrub habitat and how it connects to other ecosystems. They will be encouraged to develop a lifelong appreciation and stewardship of the environment and be able to express their personal creativity through arts and crafts.

**Guided nature hikes • Live animal encounters • Arts & crafts  
Science experiments • Games • Themed snacks**

**Registration Opens April 1st! • Camp hours: 8:30 a.m. to 3:30 p.m.**
