REF; CITIZEN RECOMMENDATIONS FOR CHARTER REVIEW.

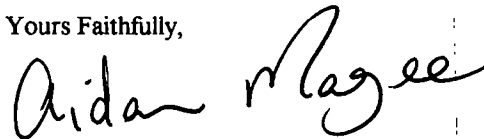

Dear Sir,

I wish to recommend on behalf of the Volusia/Flagler Environmental Committee that the Volusia County Charter not be changed in any way.

The Volusia County Charter has served the electorate well and any change would diminish the intent of the electorate who voted for it.

We as a Committee pray that the Volusia County Commissioners receive the wisdom to implement the current Volusia County Charter as it is written and the courage to invoke it when necessary.

Yours Faithfully,
