

Municipal Elections November 3, 2009 Post-election Certification Voting System Audit

The post-election certification voting system audit will begin immediately following certification of the election after 7:00pm on November 3, 2009. The canvassing board will meet to conduct the audit in Conference Room One, First Floor, Department of Elections, Historic Courthouse, 125 W. New York Avenue, Deland. At such time the random race and precinct selection will be conducted immediately followed by the manual audit.

If the election cannot be certified at this time due to a mandatory recount, the audit will be conducted after the recount and certification at 10:00 am on Wednesday, November 4, 2009. The proceedings will be held in Conference Room One, First Floor, Department of Elections, Historic Courthouse, 125 W. New York Avenue, Deland.
