

Volusia County Manatee Watch

**Free volunteer training
Tuesday, Nov. 10
2 - 4 p.m.**

The Volusia County Manatee Protection program is looking for volunteers interested in participating in Manatee Watch, a program designed to identify the presence of manatees in local waterways.

Learn how to:

Document sightings

Sketch scar patterns

Photograph individuals

Data used to:

Monitor behavior and habitat use

Track movement patterns

Identify individuals

The Manatee Watch program is open to individuals 16 or older, families, businesses and civic organizations. For more information and/or to register, please contact Kate Shaffer at (386) 736-5927, ext. 2235.
