# Sprinkler Prescription

Some zones need only 1 time/wk,  
and others need no irrigation  
except in drought. Reduce all zones  
to 1 time/wk or less in winter.

Timer is calibrated to apply  
1/2 - 3/4" water per application.

Zone 1  mins  times / wk

Zone 2  mins  times / wk

Zone 3  mins  times / wk

Zone 4  mins  times / wk

Zone 5  mins  times / wk

Zone 6  mins  times / wk

**Important:** Check periodically  
for leaking or misdirected sprinklers.
