Please send check for **\$25** made payable to “Volusia County Extension Fund” to:

Volusia County Extension Service, 3100 E. New York Ave. DeLand, FL 32724
before Friday, Feb 24, 2012, to assure your seat in class.

This workshop will:

- ✓ Provide training to governmental, environmental and other landscape personnel on lawn and landscape management practices in the new Best Management Practices for lawn and landscape to conserve and protect Florida's water resources.
- ✓ Instructors will explain the impact these practices will have on businesses and cities.
- ✓ Participants attending and passing a post-test will receive a Certificate of Completion for Green Industry BMPs.
- ✓ This certification will put landscape professionals into compliance with SB 494, the new law which requires all commercial fertilizer applicators to have a FDACS license by January 1, 2014. Passing the GI-BMP training, or an approved equivalent, is mandatory to obtain that license.
- ✓ Developed by the pest control industry and endorsed by the Florida Department of Environmental Protection, this training is brought to you by UF-IFAS.

Green Industries Best Management Practices

Educational Program Workshop

February 28, 2012

Volusia County Extension Service – Auditorium

3100 E. New York Ave.

DeLand, FL 32724

This workshop is designed to provide training to corporate, governmental, environmental, and other training personnel in the new Best Management Practices for lawn and landscape. Learn what impact the BMPs will have on your business or municipality. New legislation (SB 494), requires professionals making fertilizer applications in the landscape to have this certification. Developed by the pest control industry and endorsed by the Florida Department of Environmental Protection, this training is brought to you by UF-IFAS

Agenda

- 8:15 am *Introduction and Pre-test*
- 8:45-9:35** Karen Stauderman, Volusia County Residential Horticulture Extension Agent
Overview - Green Industries BMPs for Protection of Water Resources in Florida
History, Background and Overview of the BMP Program and Local Ordinances.
How to use the BMPs to protect water quality.
- 9:35-9:45 *Break*
