

Florida Yards & Neighborhoods

UNIVERSITY OF
FLORIDA
IFAS EXTENSION

Welcome to the University of Florida Volusia County Extension Office - sponsored **Florida Yards and Neighborhoods Learn Online** course. The course is geared to provide basic horticulture information on the nine Florida-Friendly Principles that can create and maintain beautiful yards and gardens. Each lesson will contain written literature to cover topics. There is a test to be taken upon completion of each lesson. If you return your completed quizzes electronically and score 70% or more, you will receive a certificate from the University of Florida. The course is free to our electronic course students.

Also enclosed is a *Florida Yards and Neighborhoods pre-survey* to be completed and returned along with your registration form. Take the electronic course at your leisure by going online to www.volusia.org/extension_service/florida_yards.htm (you need Adobe Acrobat Reader to print).

Forms for all aspects of the course can be completed electronically, in your spare time. If you have any questions about this program, please call the Volusia County Extension Service at
(DeLand) 822-5778 (Daytona) 257-6012 (NSB) 423-3368

The Nine Lesson Topics

- | | |
|------------------------------------|------------------------------|
