

## Attention: Commercial/Public/Private Pesticide Applicators

### ORNAMENTAL & TURF, PRIVATE APPLICATOR and CORE TRAINING GET UP TO 6 CEUs

**Where:** Volusia County Extension Service – Auditorium  
3100 E. New York Ave.  
DeLand, FL 32724

**When:** Friday October 30, 2009

#### AGENDA

**9:00 am – 11:00 am:**

**Ornamental & Turf** – This certification is good for persons applying pesticides on a golf course, playground, cemetery, park, or athletic field. You will need to take **both** the General Standards (Core) exam and the Ornamental & Turf exam to become certified. The pesticide classes of Commercial and Public allows supervision of up to 15 employees using restricted use pesticides (RUPs). Four Core and 12 O&T CEUs are required for recertification.

**11:00 am to 2:00 pm (includes a catered lunch, one hour)**

**General Standards (Core)** – The core examination is a basic examination that includes general knowledge of proper pesticide use and pesticide safety. This certification is required for the O&T and Private Applicator licenses.

**2:00 pm – 4:00 pm**

**Private Applicator Agricultural** – This certification is issued to applicators or supervisors of up to 15 applicators who apply RUPs for agricultural production such as (nursery, greenhouse, sod farm, cattle farm, fruit and vegetable). **Both** the Core and Private Agricultural Applicator exam are required to become certified. Four Core and four Private CEUs are required for recertification every four years.

**Cost:** A fee of \$30.00 is required for all day training session, which includes a catered lunch. Licensed applicators can get CEUs for recertification:  
2.0 in Private Applicator, 2.0 in Ornamental & Turf and 2.0 in CORE

**Please order the study materials to thoroughly review before scheduling to take the exams.**

**Call Linda Evans at 386-822-5778 to schedule to take the exam.**

Order your study manuals UF/IFAS bookstore –Publications Dept. by calling 1-800-226-1764.
