Welcome to the exciting world of 4-H projects! To select your projects, think about those things you'd like to do and learn. You don't need to submit this sheet to the 4-H office, just let the 4-H secretary know what books you'd like. If you finish your projects before the year (Sept 1st-Aug 31st) is complete, give your completed projects to your leader or 4-H Agent and you may select more projects to complete. You'll receive recognition for participating in projects at 4-H Awards Night. (Project books are usually due in July.)

Books listed in italics are leader's guides.

Note: Notebooks listed are to be "checked-out."
