

County Council Motion as Approved

Transmittal Hearing on October 15, 2009

CPA 09-2-10 (Farmton Local Plan)

- Approve transmittal to DCA and VGMC, with the following conditions:

1. **Revise policy FG 5.13 as recommended by staff in section VIII (1) of the staff report.**
2. **Add policy FG 7.6 as recommended by staff in section II of the staff report.**
3. **Revise and renumber policies FG 6.2 through 6.7 as recommended by staff in section VIII (6) of the staff report.**
4. **Revise the Farmton Local Plan prior to adoption hearing to incorporate appropriate GeoPlan-University of Florida recommendations that were not available by the date of the staff report.**
5. **The applicant shall provide adequate data and analysis regarding utility capacity prior to adoption. It is anticipated that joint planning agreements between affected jurisdictions will be necessary to ensure compliance with the required water supply work plans.**
6. **The applicant shall obtain required approval finding of school adequacy from Volusia County Schools prior to adoption.**
7. **The transportation analysis shall be revised to address reviewing agency comments during the ORC process and before adoption.**
8. **The County shall submit all DRI or DRI equivalent applications to the VGMC for review and determination of consistency per Section 90-37 Code of Ordinances County of Volusia.**
