## **SBA Stands Ready to Assist Floridians Affected by Tropical Storm Fay**

**WASHINGTON** – Following the announcement of the Presidential disaster declaration in Florida for several counties affected by Tropical Storm Fay August 18, 2008 and continuing, Acting Administrator Sandy K. Baruah of the U. S. Small Business Administration issued the following statement:

“The US Small Business Administration is strongly committed to providing the most effective and customer-focused response possible to assist homeowners, renters, and small businesses with federal disaster loans,” said Acting Administrator Baruah. “Getting our businesses and communities up and running after a disaster is our highest priority at SBA.”

The disaster declaration covers Brevard, Hendry, Okeechobee, Saint Lucie and Volusia counties in Florida which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses and most private, non-profit organizations in the adjacent counties of Broward, Charlotte, Collier, Flagler, Glades, Highlands, Indian River, Lake, Lee, Marion, Martin, Orange, Osceola, Palm Beach, Polk, Putnam and Seminole in the State of Florida are eligible to apply only for SBA Economic Injury Disaster Loans.

Disaster loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible up to \$40,000 to repair or replace damaged or destroyed personal property.

Businesses and non-profit organizations of any size may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. SBA can also lend additional funds to help with the cost of making improvements that protect, prevent or minimize the same type of disaster damage in the future.

For small businesses, and most private, non-profit organizations of all sizes, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Interest rates are as low as 2.875 percent for homeowners and renters and 4 percent for businesses with terms up to 30 years. Loan amounts and terms are set by the SBA and are based upon each applicant’s financial condition.
