

## 2009 Online Results Report

**Thank you in advance for taking the time to collect and send this information to us.** We will assemble examples from the Wrap-Up Reports in a notebook to document the hard work, dedication and commitment of our participating organizations, and the millions of volunteers helping to keep America beautiful from coast-to-coast. The Official Results of the 2009 Great American Cleanup will be published in early fall.

### **IMPORTANT NOTES:**

1. Please enter all quantities as **numerals only** (e.g. always enter "1000" rather than "1,000," "one thousand" or "more than 999")
2. Keep a printed record of your report! Be sure to print each screen before clicking on the "next" button at the bottom of each page. For best results, copy and paste each page into a text document like MS Word.
