

Animal identification form

One of the most important steps you can take to prepare for a disaster is to pre-register your companion animal(s) with the Volusia Animal Preparedness Data Bank. Registration will help return your pet after a disaster and will enable you to find shelter with your companion animal at the VAP shelter at the Volusia County Fairgrounds. Place a copy of this form in plastic, on each animal pet carrier.

Complete this form and mail to:

Volusia County Animal Control Services
Attn: Volusia Animal Preparedness Data Bank
29 Keyton Drive
Daytona Beach, FL 32114
