To this end, the county council, hereafter referred to as the council, may by ordinance create districts for the purpose of levying ad valorem taxes and special assessments to pay for the furnishing of municipal services, and the tax imposed shall be within the limits of millage set for municipal purposes. Should such services be furnished within a municipality, the total millage levied by the municipality and the county district levy for this municipal purpose shall not exceed the maximum millage set by law for municipal purposes.

The commission may perform such other directly related duties as the commission from time to time deems necessary.

The determination by the commission shall be binding on the submitting government. No plan, element of a plan, or amendment of a plan adopted after the date this article becomes law shall be valid or effective unless and until such plan, element of a plan, or amendment has been reviewed by the commission and has been certified as consistent. The review of any such determination of the commission shall be by certiorari.

The commission shall be composed of voting and nonvoting members. There shall be one voting member from each municipality within the county and five voting members from the unincorporated area of the county. The appointment of each voting representative shall be made by the governing body of each respective jurisdiction. The Volusia County School Board, the St. Johns River Water Management District, and the Volusia County Business Development Corporation shall each designate one nonvoting member to serve on the commission. The term of office of the commission members shall be fixed by the rules of procedures of the commission but shall not exceed four years.

Such minimum standards, procedures, requirements and regulations may include, but shall not be limited to, tree protection, aquifer protection, stormwater management, wastewater management, river and waterway protection, hazardous waste disposal, wetlands protection, beach and dune protection, environmental protection including air pollution, and the protection from destruction of the resources of the county belonging to the general public, and such other environmental standards as the council determines to be necessary for the protection of the public health, safety, and welfare of the citizens throughout Volusia County. The council shall establish such minimum standards, procedures, requirements and regulations shall apply within all the incorporated and unincorporated areas of Volusia County. In the event of a conflict between any standard, procedure, requirement or regulation established by a county ordinance, the county ordinance shall prevail within the municipality to the extent of any conflict; provided, however, the governing body of

each municipality may establish more restrictive standards, procedures, requirements or regulations within the municipality for the protection of the environment.

It is the intent of this article to grant to the charter government full power and authority to exercise all governmental powers necessary for the effective operation and conduct of the affairs of the charter government.

The public has a right of access to the beaches and a right to use the beaches for recreation and other customary purposes. This right of access and use is a public trust, which the council shall by ordinance define, protect, and enforce. Because prohibiting motor vehicle access to the beaches would deny beach use to many, the council shall authorize, as permitted by law, vehicular access to any part of the beach not reasonably accessible from public parking facilities.

(Res. No. 86-136, Amend. No. 4, 9-18-86; Res. No. 96-121, Amend. No. 3, 6-20-96)

The council shall have the exclusive power to impose a uniform, reasonable vehicular beach access fee, but no other fee shall be charged for individual beach access or use. Revenues derived from vehicular access fees and all other revenues derived from the beach shall be expended solely for direct

beach purposes permitted by law. Directly and by grants to municipalities, the council shall expend such revenues to maintain a uniform level of services responsive to use and demand.

(Res. No. 86-136, Amend. No. 4, 9-18-86; renumbered Res. No. 96-121, Amend. No. 2, 6-20-96)

Sec. 205.4. - Delivery of services on the beach.

No function or power relating to services is transferred from any municipality to the county. The municipalities may continue to deliver any services on their beaches, which shall not be duplicated by the county. However, if authorized by a municipality, the county shall assume, at the county's expense, any municipal beach service.

(Res. No. 86-136, Amend. No. 4, 9-18-86; renumbered Res. No. 96-121, Amend. No. 2, 6-20-96)

Sec. 205.5. - Effect of Unified Beach Code.

The county shall have jurisdiction over the coastal beaches and approaches as well as exclusive authority to regulate the beaches and public beach access and use. To the extent sovereign immunity has been waived, the county shall assume any governmental liability arising after the code takes effect for claims in areas controlled by the county under this article, including claims alleging failure to warn of dangers, but unless otherwise agreed, the county will not be liable for any act of a municipality. Any ordinance enacted pursuant to this article shall prevail in the event of conflict with a municipal ordinance.

(Res. No. 86-136, Amend. No. 4, 9-18-86; renumbered Res. No. 96-121, Amend. No. 2, 6-20-96)

All beaches and approaches within and without municipalities are included.

(Res. No. 86-136, Amend. No. 4, 9-18-86; renumbered Res. No. 96-121, Amend. No. 2, 6-20-96)

Sec. 206. - School planning.

The county council shall provide no later than September 30, 2007, by ordinance that any county or municipal comprehensive plan amendment or rezoning allowing increased residential density may be effective only if adequate public schools can be timely planned and constructed to serve the projected increase in student population. Any ordinance implementing this section shall respect the constitutional authority of the school district to operate, control, and supervise its public schools. Any ordinance implementing this section shall prevail over conflicting municipal comprehensive plan, ordinance or resolution provisions.

Editor's note— Resolution No. 94-224 proposed an amendment approved by the voters for nonpartisan election of school board members. The amendment was upheld by the district court of appeal in County of Volusia v. Quinn, 700 So.2d 474 (Fla. 5th DCA 1997), which reversed a circuit court decision that had declared the amendment invalid. During the pending of the litigation, the legislature adopted two special acts which ratified the referendum election on the amendment. Chapter 97-338, Laws of Florida (Sp. Acts) provides for nonpartisan election, but makes no reference to the charter. Chapter 97-353, Laws of Florida (Sp. Acts) is in a form a charter amendment, but deletes the sentence: "All candidates names shall be placed on the ballot without reference to party affiliation." This omission had not been approved by the voters in the referendum which the act ratified. Accordingly, the sentence is not deleted from the text here.
