HEALTH PARTNERSHIP PLAN MISSION STATEMENT

**Establish a partnership among plan employees,
employers and medical providers that will promote
quality cost-effective health care, informed decisions and
healthful life styles.**

INTRODUCTION

Benefits described in this booklet are effective January 1, 2013. This Plan is an amendment of the HPP originally effective April 1, 1986. In accordance with all applicable provisions of the Summary Plan Description of the County of Volusia Health Partnership Plan, the Health Partnership Plan has been amended as of 12:01 a.m., January 1, 2013, to provide benefits for expenses incurred on and after January 1, 2013, and other Plan provisions as set forth in this Summary Plan Description. Covered expenses incurred prior to January 1, 2013, will be administered in accordance with the terms of the Health Partnership Plan in effect through midnight, December 31, 2012. Your Group Number is 2081.

This manual has been prepared by the County of Volusia to assist you and other members of your insured group in understanding your Health Partnership Plan (*hereinafter referred to as HPP*). It describes all the information you need to know about your health coverage, using a simplified format. It is divided into sections including enrollment, claims filing, benefit coverage, benefit limitations, definitions, and governmental protections. Some of the words used in this booklet begin with a capital letter. These words are defined in the Definitions section. When reading this booklet, it may be helpful to refer to this section.

All the benefits of your Health Plan are fully explained in this manual. These benefits include Medical, Pharmaceutical, Dental and Behavioral Health services. It should be noted that all claims are to be directly filed with MedSave USA, Inc. Pharmaceutical services and claims are handled by Catalyst Rx.

If you receive any information on this Plan and it is contradictory or silent in describing this Plan, this Summary Plan Description will prevail and is the governing document for this Plan.

To keep your medical costs to a minimum, all Hospital admissions and other specified surgical and medical services are to be precertified by KePRO by calling (888) 522-7742. Also, all Inpatient Behavioral Health Services are to be precertified by KePRO by calling (888) 522-7742.

This Plan shall not be construed as a contract, consideration, or inducement of employment, or as affecting in any manner or to any extent whatsoever the rights or obligations of the Employer or any Employee to continue or terminate employment at any time.

Section headings, sub-headings, heading size or typeface are used for convenience of reference only and will not affect the validity, construction or effect of the HPP provisions, and are not meant to convey or imply that any greater or lesser benefits are covered under the HPP.

**THESE PLANS MAY CONTAIN CO-PAYMENTS, CO-INSURANCE, DEDUCTIBLES,
PRE-EXISTING CONDITION AND PENALTY PROVISIONS.
PLEASE READ THIS DOCUMENT CAREFULLY.**

PATIENT PROTECTION AND AFFORDABLE CARE ACT

The County of Volusia believes the Health Partnership Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Health Partnership Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at:

SCHEDULE OF BENEFITS

INDIVIDUAL MAXIMUM LIFETIME BENEFIT

NONE

FERTILITY STUDIES - MAXIMUM CALENDAR YEAR BENEFIT

\$2,000

Expenses incurred by a Non-Network provider will be paid in accordance with the Expanded Network benefits if incurred on a Medical Emergency/Life-Threatening basis. Reasonable and Customary will not apply.

If an In-Network facility is utilized, any ancillary charges incurred by an Expanded-Network or Out-of-Network provider will be paid as In-Network. Reasonable and Customary will not apply.

If an Expanded-Network facility is utilized, any ancillary charges incurred by an Expanded-Network or Out-of-Network provider will be paid in accordance with the Expanded-Network benefits

If an In-Network provider is utilized, any ancillary charges incurred by an Expanded-Network or Out-of-Network provider or facility will be paid in accordance with their respective schedule of benefits. The ancillary charges will not be paid at the In-Network level of benefits. (For example, if a member went to a network doctor and the doctor used a non-network facility to do surgery, the doctor would be paid as network and the facility would be paid as out-of-network. They would not both be paid as network.)

ANNUAL DOLLAR LIMITS ON PLAN BENEFITS

PRE-CERTIFICATION AND AUTHORIZATION OF MEDICAL CARE

KePRO provides utilization management of medical care for the Health Partnership Plan. Utilization management includes pre-certification of selected medical services to establish medical necessity and the appropriate level of care.

Pre-certification of the medical services listed below is mandatory, whether this Plan is providing primary or secondary coverage. It is the Employee's or Covered Person's responsibility to make certain that the compliance procedures of this program are completed. Failure to pre-certify before services are rendered will result in the following penalties (not to exceed Covered Charges):

**Inpatient - \$1,000 per admission
Outpatient - \$250 per occurrence**

The medical services listed below must be pre-certified by calling:

**KePRO
(888)- 522-7742**

--- All Inpatient Medical and Behavioral Care; and

--- The Following Surgical and Medical Services (performed in an outpatient setting):

- Adenoidectomy
- Back Surgery
- Chemotherapy
- Radiation
- Dialysis
- Colonoscopy – under age 50
- Durable Medical Equipment – **over \$250** (Per Item – Per Treatment Plan)
- Endocrinology Services pertaining to Infertility/Reproduction
- Genetic Testing
- Home Health Care
- Hyperbaric Oxygen Treatments
- Hysterectomy
- Video Endoscopy
- Interventional Pain Services
- Mammoplasty; Reduction
- Massage Therapy
- Maternal & Fetal Medicine Specialty Services
- Nasal Surgery
- Occupational Therapy

- Physical Therapy (Must request precertification as of day 1 - no penalty until visit 13)
- Septoplasty
- Sleep Apnea Studies
- Speech Therapy
- TMJ/CMJ Surgery
- Tonsillectomy
- Varicose Vein Excision and Ligation
- Organ or Tissue Transplant

PRE-CERTIFICATION AND AUTHORIZATION OF MEDICAL CARE (Continued)

Scheduled Inpatient care should be pre-certified 7 days prior to admission. Emergency Inpatient admissions must be reported to KePRO within 24-hours or the next Working Day after an emergency admission.

Outpatient surgeries or other medical services should be pre-certified 7 days prior to delivery of medical services, or as soon as possible.

MEDICAL CASE MANAGEMENT. The primary objective of Medical Case Management is to identify and coordinate cost-effective medical care alternatives to help manage the care of patients who have catastrophic or extended care illnesses or injuries.

Medical Case Management also monitors the care of the patient, offers emotional support to the family, and coordinates communications among health care providers, patients, and others. Prior to any final determination, severity of condition and prognosis are taken into consideration.

KePRO assesses the need for alternative care and, when necessary, will refer the case for Medical Case Management.

KePRO provides a 24-hour Nurse Help Line at (877)-582-7061.

The **Utilization Management Program** also includes services for the management of large or potentially large claims. On a case-by-case basis as selected by the HPP Administrator, the Utilization Management Organization will provide an initial assessment of the patient, summarize the patient's continuing medical needs, assess the quality of current treatments, coordinate alternative care when appropriate and approved by the Physician and Plan Administrator, review the progress of alternative treatment after implementation, and make appropriate recommendations to the HPP Administrator.

In conjunction with these services, the HPP Administrator reserves the right to monitor health care and modify Plan benefits to assure that high-quality medical care is provided in the most cost-effective settings.

SPECIAL NOTICES

It is the **Employee's or Covered Person's responsibility** to make certain that the compliance procedures of this program are completed. To minimize the risk of reduced benefits, an Employee must contact the review organization to make certain that the Hospital or attending Physician has initiated the necessary processes.

HPP has the absolute authority to waive the normal provisions of this plan if KePRO submits a written proposed alternative which meets the accepted standards of medical practice without sacrifice of quality of patient care and is no more expensive than regular plan benefits would be.

All Precertification and Utilization Review requirements of the HPP will not apply to Surgical and treatment procedures associated with mastectomies of the Covered Employee or Covered Dependent as required pursuant to the Women's Health and Cancer Rights Act of 1998. Nor shall they apply to Hospital admissions of expectant mothers and newborns that are for periods no longer than 48 hours following a normal vaginal delivery, or 96 hours following a cesarean section delivery as required by the Newborns' and Mothers' Health Protection Act of 1996, however, recommended stays longer than these periods will require you to follow the Precertification and Utilization Review Program of the HPP.

THIS PAGE CONTAINS PENALTY PROVISIONS.

PRE-CERTIFICATION AND AUTHORIZATION OF BEHAVIORAL HEALTH BENEFITS

Inpatient behavioral health care must be pre-certified and authorized for both medical necessity and appropriate level of care before accessing your behavioral health services and benefits.

Contact KePRO at (888) 522-7742 for pre-certification for you and your Counselor to discuss a treatment plan before any services are rendered.

Pre-certification of Inpatient Behavioral Health Services is Mandatory. It is an Employee's or Covered person's responsibility to make certain that the compliance procedures of this program are completed. Failure to pre-certify, before treatment or services rendered, will result in the following penalties (not to exceed Covered Charges):

Inpatient - \$1,000 per admission;

HPP has the absolute authority to waive the normal provisions of this plan if KePRO submits a written proposed alternative which meets the accepted standards of medical practice without sacrifice to quality of patient care and is no more expensive than regular Plan benefits would be.

Corporate Care Works (CCW) provides free Employee Assistance Program (EAP) services 24-hours a day to all employees and their family members, as well as pre-certification and authorization of behavioral health benefits under This Plan.

EAP Services provide free short-term counseling for any problem which affects your well-being or ability to perform at work. Examples include stress, family or marital problems, substance abuse, financial or legal difficulties, or emotional problems. Call CCW at (800) 327-9757 for complete details.

PREVENTIVE CARE BENEFIT

To receive the maximum benefit, follow the steps below:

1. Select a Personal Care Physician from the Preferred Provider Directory under Family Practice, Pediatrician, General Practice, Gynecology, or Internal Medicine.
2. Call for an appointment:
 - a. Identify yourself as a member of the Health Partnership Plan; and
 - b. Tell them the appointment is for an annual physical covered by the HPP under the preventive care benefit.
3. Arrive early for appointment.
4. Present HPP membership card to office receptionist.
5. Present list of covered examination and screenings to Physician. See page 7.
6. Verify that the Physician's office codes the claim as preventive care and forwards the claim to MedSave USA, Inc. No Deductible or Co-Payment is applied.
7. All additional laboratory tests and screenings should be done at participating labs or Hospitals. (Check Provider Directory.)
8. Present HPP membership card at lab and verify that the coding is preventive care benefit. Send claim to MedSave USA, Inc., for processing. No Deductible or Co-Payment is applied.
9. Well woman screenings are covered at 100%.
10. If the Physician finds a health problem that requires additional office visits, additional tests for diagnostic purposes, or treatment, these charges may be applied to your Deductible. These charges may be subject to Precertification and appropriate Co-Payment if applicable.

CATALYST RX PRESCRIPTION DRUG PROGRAM

Catalyst Rx provides the Pharmacy network for the Health Partnership Plan (HPP). Catalyst Rx has a nationwide network with more than 62,000 chain and independent pharmacies in the United States as well as a Mail Service Program for maintenance medications. For a list of Catalyst Rx pharmacies in Volusia County and Catalyst Rx chain pharmacies throughout the United States, please refer to the Health Partnership Plan Preferred Provider Directory or access their website at www.WalgreensHealth.com. ***Important Notice!** Catalyst Rx purchased your pharmacy benefit manager, Walgreens Health Initiatives (WHI). Until further notice, please continue to manage your benefits online through WalgreensHealth.com.

Because WHI pharmacies transmit claim information electronically, you must show your HPP ID Card for eligibility determination when filling a Prescription.

Maintenance drugs should be purchased through Walgreens Mail Service or through the Advantage 90 (TM) Program. Maintenance drugs are covered for up to a 90-day supply.

Mail Order Forms are included in your Catalyst Rx enrollment packet or via the web-site WalgreensHealth.com.

CATALYST RX PRESCRIPTION DRUG PROGRAM (Continued)

To utilize your mail order benefit, please use the order form provided in your enrollment packet, calling the Catalyst Rx Customer Care Center listed on the back of your ID card, or, access forms on the web-site WalgreensHealth.com or mail to the following address:

Walgreens Mail Service
PO Box 628001
Orlando, FL 32862-8001

To access your personal prescription benefit information online go to www.WalgreensHealth.com. If you previously registered with MyWHI.com, then you can sign in to WalgreensHealth.com with the same user ID and password to access your information. By registering with the web-site you can conveniently:

- ❖ look up medications and verify your coverage and copayments;
- ❖ verify if a drug is included in our formulary (preferred medication list);
- ❖ compare copayments between generic and brand-name drugs;
- ❖ access your prescription history;
- ❖ get drug information; and
- ❖ verify eligible family members.

Under emergency circumstances with approval, prescription drugs may be obtained from a non-network Pharmacy. You will be reimbursed by the HPP for 50% of the cost of the Prescription whether the drug was generic or brand. A maximum 31-day supply applies to non-network Pharmacy purchases. Claims must be submitted to Catalyst Rx on a Member Prescription Claim Reimbursement Form available from your Benefits Office or accessing the form at the web-site www.WalgreensHealth.com.

If you have questions about your Prescription drug benefit, Walgreens Mail Service Program, the retail Pharmacy network, or about medications, please call the Catalyst Rx Customer Care Center at 800-207-2568. Catalyst Rx Pharmacists are well informed about Prescription drugs and will address your questions and concerns. If you need a replacement ID Card, please call MedSave USA, Inc., at 863-293-0785 or (800) 226-3155.

Automatic Generic Substitution

This plan automatically substitutes a generic drug for a brand drug when an approved generic drug is available. If you request a brand drug, or the prescribing Physician writes "Dispense As Written" because it is Medically Necessary to have the brand drug instead of the generic, the brand drug will be dispensed; however, you will be responsible for the non-preferred co-payment plus the cost difference between the brand and the generic drug.

For example if the brand name drug costs \$100 and the generic costs \$75, you will be responsible for the \$50 non-preferred co-payment plus the \$25 difference between the cost of the brand and cost of the generic drugs. Your cost will be \$75.

If the cost of the brand name drug is \$100 and the cost of the generic is \$25, the difference would be \$75 plus the non-preferred co-payment of \$50 totaling \$125. This is more than the cost of the non-preferred medication. In this example, you would only then pay the cost of the non-preferred medication which is \$100.

If no approved generic substitute is available, the HPP will dispense and cover the brand drug.

WHI PRESCRIPTION DRUG PROGRAM (Continued)

Covered Medications

Medications covered by This Plan include all generic and brand drugs prescribed by a Physician unless excluded. Compound medications are covered if at least one ingredient is a legend drug. Diabetic supplies, including insulin, syringes, needles, chemical strips and glucose monitors are covered when prescribed by a Physician.

Dispensing Limitations

This Plan covers the amount prescribed by a Physician, but not to exceed a 30-day supply for drugs purchased from the retail Pharmacy or a 90-day supply for drugs purchased from the WHI Mail Service Pharmacy.

ELIGIBILITY

Eligible Participants

All persons in a regularly established position with the County of Volusia classified as full-time or permanent part-time, who are scheduled to work 17-1/2 or more hours per week or on an approved Leave of Absence are eligible to be covered under this Plan after 31-days of employment.

A properly qualified COBRA Beneficiary is also eligible for Coverage in accordance with COBRA continuation provisions.

All eligible Employees who retire while covered by This Plan, and are eligible to receive benefits from the Florida State Retirement System, are eligible for Coverage.

Contracted employees and elected officials as approved by the HPP Administrator are also eligible for Coverage.

An Employee or Dependent cannot be covered if he/she is maintaining a residence outside the Continental U.S.

An Employee cannot be covered as both an Employee and as a Dependent under this Plan.

Eligible Dependents

Your Eligible Dependents, as defined below are eligible for Coverage under this Plan. A newborn child of a covered Dependent child is eligible to participate from birth up to age 18-months.

Dependent means the Covered Employee's spouse and children.

The term "**spouse**" means the legally recognized marital partner, excluding the domestic partner, of a Covered Employee. The term shall exclude such spouse who has divorced the Employee, or who is legally separated from the Employee.

The term "**children**" means natural children, step-children, foster children, or children who have been placed under legal guardianship and legally adopted children from birth to age 26 (whether married or unmarried). This applies to any children regardless of marital status, full-time student status, level of support from employee/parent, or residence.

The Plan may choose to not extend coverage for adult children who are eligible for coverage under another employer-sponsored group health plan (other than another parent's plan), but only for plan years beginning before 1/1/14.

The term "**children**" also means pre-adopted children (i.e., children placed with a Covered Employee in anticipation of adoption.) Such children will be provided Coverage under the same terms and conditions that apply to Dependents who are a Covered Employee's natural children, irrespective of whether the adoption has become final, and with no pre-existing conditions limitations applied provided the Dependent is under age 19 and is enrolled in a timely manner as stated within.

The term "**children**" also means a Covered Member's child who is recognized under a Qualified Medical Child Support Order (QMCSO) as having a right to Coverage under This Plan as an "alternate recipient." The HPP Administrator will communicate the procedures which have been established to determine whether a Medical Child Support Order is qualified under ERISA Sec. 609, and within a reasonable time after receiving an order will determine whether or not the order is qualified, and whether or not the child has been determined to be an "alternate recipient." The Covered Employee and each child who is the subject of the order will be notified of the determination. Such children may designate a representative to receive copies of all such notices.

ELIGIBILITY (Continued)

A child determined to be an **"alternate recipient"** will be provided Coverage under the same terms and conditions that apply to Dependents who are a Covered Employee's natural children, with no pre-existing conditions limitations applied provided the Dependent is under age 19 and is enrolled in a timely manner as stated within.

All children are eligible for Coverage until the end of the year in which the child reaches the age of 26. However a child will remain a Dependent until the end of the calendar year in which the child reaches the age of 30, even after leaving college and home, so long as the young adult meets the following conditions:

- Must either live in Florida or be a full-time or part-time student whose parent resides in Florida;
- Must not be married;
- Must not have a dependent of his or her own;
- Must not be covered by another health plan or policy (group or individual) or by Medicare; and
- If the child was covered under the parent's health insurance policy up to the age 26 and that coverage was subsequently terminated, the child must have been continuously covered by other health insurance without a gap in coverage of more than 63 days in order to re-enroll in the parent's health insurance policy.

Dependent children from age 27 to 30 will incur additional cost for the coverage; see your Benefits Department for details.

If the employee fails to notify the HPP Administrator, in writing within 60 days, of a Dependent's change in eligibility status, the Dependent shall lose the right of Continuation of Coverage under COBRA. (See the COBRA section of this book for further details.)

Special Exception for Medical Necessity (Michelle's Law): Notwithstanding the foregoing a covered Employee's unmarried child will not immediately lose eligibility to participate in the Plan if such child loses his or her required student status as a result of a change in enrollment (included a leave of absence) that (i) is medically necessary and (ii) commences while the child is suffering from a serious illness or injury. This special exception for medical necessity will delay termination of coverage until the earlier of one year from the first day of the medically necessary leave of absence or the date that the Dependent would otherwise lose coverage under the Plan for reasons other than student status (e.g. age limitations), unless the child regains full-time student status prior to such termination date.

The term **Dependent** also includes an Employee's unmarried child while the child is Physically, or Mentally Handicapped and is incapable of earning his own living, and who is actually dependent on either parent for a majority of his maintenance and support, and who is a Covered Member on the date immediately preceding the date his health Coverage would have terminated due to age. Proof of incapacity must be submitted to the HPP Administrator within 31-days of the date his health Coverage would have terminated due to age.

In the event both parents of an eligible Dependent child are Covered Members, then for the purposes of this Coverage, such child is considered as a Dependent of either parent, but not both parents.

No eligible person can be a Covered Employee and a Covered Dependent at the same time. No person can be covered as a Dependent of more than one Employee.

ELIGIBILITY (Continued)

Your Eligible Dependents are eligible for Coverage on the date you become eligible for Coverage or on the date you first acquire a Dependent. There are, however, special rules that apply to newborn children and adopted children. Refer to those specific provisions for further information.

A properly qualified COBRA Beneficiary is also eligible for Coverage in accordance with COBRA continuation provisions.

No person may participate in this Plan as a Dependent of more than one Employee.

Requirements

Coverage will not become effective unless a properly completed and signed enrollment application is submitted. No Coverage will be placed in effect unless the required payroll deductions, if any, are paid to the HPP. As explained under "IRS SECTION 125 - FLEXIBLE BENEFIT PLANS," your employer will deduct your contributions before taxes are calculated and deducted from your paycheck.

You must enroll within the first 14-days of your employment date. If you desire Dependent Coverage, you must also enroll your eligible Dependents at that time. Dependents you acquire after this time must be enrolled within 31-days of the date you acquire them.

As a requirement for enrollment in the Plan, all Eligible Dependents of Covered Employees will be required to provide their social security number to the Plan Administrator. This is necessary to allow the Plan Administrator to comply with any and all reporting requirements imposed under federal CMS guidelines.

Genetic Information Nondiscrimination Act ("Gina").

"GINA" shall mean the Genetic Information Nondiscrimination Act of 2008 (Public Law No. 110-233), which prohibits group health plans, issuers of individual health care policies, and employers from discriminating on the basis of genetic information.

The term "genetic information" means, with respect to any individual, information about:

1. Such individual's genetic tests;
2. The genetic tests of family members of such individual; and
3. The manifestation of a disease or disorder in family members of such individual.

The term "genetic information" includes participating in clinical research involving genetic services. Genetic tests would include analysis of human DNA, RNA, chromosomes, proteins, or metabolite that detect genotypes, mutations, or chromosomal changes. Genetic information is a form of Protected Health Information (PHI) as defined by and in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), and is subject to applicable Privacy and Security Standards.

"Family members" include dependents, plus all relatives to the fourth degree, without regard to whether they are related by blood, marriage, or adoption.

"Underwriting" includes any rules for determining eligibility, computing premiums or contributions, and applying preexisting conditions. Offering reduced premiums or other rewards for providing genetic information would be impermissible underwriting.

GINA will not prohibit a health care provider who is treating an individual from requesting that the patient undergo genetic testing.

ELIGIBILITY (Continued)

The rules permit the Plan to obtain genetic test results and use them to make claims payment determinations when it is necessary to do so to determine whether the treatment provided to the patient was medically advisable and/or necessary.

The Plan may request, but not require, genetic testing in certain very limited circumstances involving research, so long as the results are not used for underwriting, and then only with written notice to the individual that participation is voluntary and will not affect eligibility for benefits, premiums or contributions. In addition, the Plan will notify and describe its activity to the Health and Human Services secretary of its activities falling within this exception.

While the Plan may collect genetic information after initial enrollment, it may not do so in connection with any annual renewal process where the collection of information affects subsequent enrollment. The Plan will not adjust premiums or increase group contributions based upon genetic information, request or require genetic testing or collect genetic information either prior to or in connection with enrollment or for underwriting purposes.

IRS SECTION 125 - FLEXIBLE BENEFIT PLANS

Federal tax law, Section 125 of the Internal Revenue Code, authorizes the establishment of Flexible Benefit Plans, sometimes called FlexPlans. These FlexPlans are set up by employers to assist their Employees in saving money by allowing Employees to pay for certain expenses with pre-tax dollars. This means they are not subject to withholding for federal income tax, social security tax and the income tax of most states.

The Pre-Tax Premium Plan allows Employees to pay for their group health benefit coverage with pre-tax dollars by authorizing their employers to take payroll deductions for the cost of the coverage before taxes are calculated and deducted from the Employee's paycheck.

Participation in the FlexPlan lowers taxes by reducing the amount of taxable income. How much taxes are lowered depends on many things: total taxable income, whether or not an individual or joint return is filed, federal and state tax rates, whether or not deductions are itemized or the standard deduction is taken, the number of exemptions and so forth.

Social Security benefits may be affected for those whose earnings are below the Social Security Taxable Wage Base. Otherwise, there should be no unfavorable consequences to participating in a Flexible Benefit Plan.

Section 125 of the Internal Revenue Code which allows these special tax breaks also imposes the strict requirement that the choices an Employee makes must stay in effect for a full plan year, or through the end of the plan year in which the Employee becomes a participant.

Employees cannot add, drop, or change coverage except during the Annual Choice Period or within 31-days of a Change in Status as described below.

The County of Volusia has established a Pre-Tax Premium Plan and your premium expenses (for yourself and all enrolled eligible Dependents) for medical will be paid with pre-tax dollars.

You are not required to participate in the County of Volusia Health Partnership Plan, but if you do enroll for coverage, participation in the Pre-Tax Premium Plan is mandatory and automatic. Your premium expenses will be deducted from your paycheck before any taxes are calculated and deducted.

If you do not want to participate in the Pre-Tax Premium Plan you must sign a Refusal of Coverage, declining any coverage offered under the HPP and provide proof of other health insurance coverage.

Once you elect to participate in the Pre-Tax Premium Plan, you cannot add, drop or change your coverage until the next Annual Choice Period, which will be the month of November each year, unless there is a Change in Status as described below. In the case of a Change in Status, you have 31-days from the date of the event to make any changes.

IRS SECTION 125 - FLEXIBLE BENEFIT PLANS (Continued)

Make your decision carefully. You will not be able to change your coverage, or stop your contributions during the year unless one of the following changes in status occurs:

1. The marriage, divorce, or legal separation (where legally recognized) of an Employee;
2. The death of the Employee's Spouse, or a Dependent;
3. The birth, or adoption of a child of the Employee;
4. The termination, or commencement of employment of Employee's Spouse;
5. The switching from part-time to full-time employment status, or from full-time to part-time status by the Employee, or the Employee's Spouse;
6. The taking of an unpaid Leave of Absence by the Employee, or Employee's Spouse;
7. A significant change occurs in the health coverage of the Employee, or Spouse attributable to the Spouse's employment; or
8. The loss of coverage related to Medicaid or SCHIP (see page 20).

ENROLLMENT & ENROLLMENT DATES

All New Employees and Dependents Enrolled in a Timely Manner

An Employee may enroll in the HPP for Employee and Dependent coverage on, or before the 14th day following his employment date. Employee and Dependent Coverage begin on the first day of Employee's employment.

New Employees NOT Enrolled in a Timely Manner

If an Employee does not enroll in the HPP in a timely manner or refuses coverage at the time of enrollment, and does not provide proof of other health care coverage to the HPP Administrator, then the Employee will be automatically enrolled in single coverage by the HPP Administrator. (The premium for this coverage is paid for by the employer.)

Enrolling Newly Acquired Dependents

If an Employee does not have an Eligible Dependent when his Coverage first becomes effective and then later acquires an Eligible Dependent for the first time (other than through the birth, or adoption of a child), the Employee may apply for Dependent coverage within 31-days from the date the Eligible Dependent was first acquired. Coverage will begin on the first day of the pay period following the date the application for Coverage was made.

CHANGE IN STATUS

If, as a result of a change in status, an Employee has the right to add additional Coverage, then the Employee will have 31-days after the date of the event that constituted the change in status to notify the HPP of his or her new election. If an Employee fails to notify the HPP within this 31 day period, he would not be eligible to apply for the additional Coverage until the next Annual Enrollment Period.

If, as a result of a change in status, an Employee has the right to reduce Coverage (or if Coverage is automatically reduced under the group health care Plan), the Employee will have 31-days after the date of the Change in Status to notify the HPP of his election to reduce Coverage. If the Employee notifies the HPP within this 31 day period, the change of Coverage will apply the last day of the pay period in which your Status Change is approved, as defined in the Flexible Benefits Plan. (Please see the COBRA section of this book for information regarding the continuation of coverage for members that no longer have coverage.)

SPECIAL ENROLLMENT RULES

If you do not enroll in the HPP within the first 14-days of employment, you may not enroll in the HPP until the next Annual Enrollment Period and you will be subject to a Pre-Existing Condition limitation of up to 18-months from your Enrollment Date (as described under "Pre-Existing Condition Limitation"). However, if you decline enrollment in the HPP for yourself, or your Dependents (including your spouse) because of other health insurance coverage, you may in the future be eligible for "special enrollment", which would allow you to enroll yourself, or your Dependents in the HPP, but only if both:

1. At the time you decline Coverage, you give a written statement to MedSave USA, Inc., that the reason you, and/or your Dependents are declining enrollment is because of coverage under another group health plan, or other health coverage; and
2. You request enrollment within 31-days after the other coverage ends.

If you meet these requirements, your Coverage will be effective retroactive to the date the other coverage ends and an up to 12-month pre-existing condition limitation will apply.

If you are not eligible for this special enrollment, and if you are not eligible to enroll because of a change in status, you may not enroll in the HPP until the next open enrollment period as described above.

To verify your eligibility for this special enrollment, the HPP Administrator may request and obtain information, such as the reasons your prior coverage terminated. Acceptable reasons are termination of an employer's contribution towards the other coverage or loss of eligibility for the other coverage, for example, due to legal separation, divorce, death, termination of employment, reduction in the number of hours worked, and any loss of eligibility after a period that is measured by reference to any of the foregoing. Reasons that are not acceptable are failure to pay premiums on a timely basis or termination of other coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the HPP).

In addition, if you have a new Dependent or Dependents as a result of marriage and you are otherwise eligible for coverage under the HPP, you may enroll yourself and your new Dependent(s) provided that you request enrollment within 31-days after the marriage. If timely application is made, coverage will be effective retroactive to the date of the marriage.

SPECIAL ENROLLMENT RULES (Continued)

If you have a new Dependent as a result of birth, adoption, or placement for adoption, and you are otherwise eligible to be enrolled in the HPP, you may enroll your new Dependent, yourself, and your spouse, provided that you request enrollment within 31-days after the birth, adoption, or placement for adoption. If timely application is made, coverage will be effective as of the date of the birth, adoption, or placement for adoption.

Special Enrollment Related to Medicaid and SCHIP. You or your Dependent may be eligible for Special Enrollment in the HPP if you or your Dependent:

1. lose coverage under a Medicaid or a State Children's Health Insurance Program under titles XIX and XXI of the Social Security Act (referred to, respectively, as "Medicaid Plan" and "State Plan"); or
2. become eligible for group health plan premium assistance under a Medicaid Plan or State Plan; and
3. you request enrollment in the HPP within 60 days after the coverage under the Medicaid or State Plan ends you or your Dependent become eligible for Premium assistance under a Medicaid or State Plan.

If you meet these requirements, your Coverage will be effective on the first day of the month following receipt of the fully completed enrollment form and a Pre-Existing Condition Limitation of up to 12 months may apply.

To verify your eligibility for this Special Enrollment, the HPP Administrator may request and obtain additional information.

NEWBORN CHILDREN

1. If you are a Covered Employee and you notify the Employer, in writing, of the birth of your newborn child within thirty-one (31) days after the date of birth, Coverage for the newborn becomes effective on the date of birth and any additional premium applicable to the newborn will be waived for the thirty-one (31) day notice period.
2. If notice is given after thirty-one (31) days from the date of birth, but within sixty (60) days from the date of birth of the newborn child, Coverage for the newborn becomes effective on the date of birth only if any additional premium applicable to the newborn, from the date of birth, has been paid.
3. If notice is not given within sixty (60) days from the date of birth of the newborn child, the Covered Employee may not enroll the newborn in the HPP until the next Annual Enrollment Period.

CHANGES IN COVERAGE

Changes in Coverage will be effective on the first day of the pay period in which the change occurred. Any changes involving increased Coverage will be subject to the applicable provisions of the Eligibility and Enrollment Dates requirements, and the rules and regulations regarding IRS Section 125 - Flexible Benefits Plans.

For retired Employees, any changes in Coverage based on attaining a stated age will be made in the calendar month in which such birthday occurs.

TERMINATION OF COVERAGE

Employee Termination

The Coverage of an Employee covered under this Plan shall terminate on the earliest of the date:

1. the last day of the pay period in which they terminate employment, or
2. the Group Plan Coverage terminates, or
3. the last day premiums are paid, or
4. the Employee is no longer considered to be an Employee eligible for Coverage, or
5. COBRA Continuation Coverage terminates, if the Employee had elected such Continuation Coverage.
6. Continuation Coverage as set forth in the Uniformed Services Employment and Reemployment Rights Act terminates, if the Employee, who was on duty in the Uniformed Services for more than 31-days, had elected such Continuation Coverage.
7. Plans may not rescind coverage once a member is covered unless the member's act, practice or omission constitutes fraud, or if the member intentionally misrepresented the facts as prohibited by the terms of the plan or coverage

Dependent Termination

The Coverage of any Dependent covered under This Plan shall terminate on the earliest of the date:

1. the Employee's Coverage terminates, or
2. the Group Plan Coverage terminates, or
3. the last day Dependent premiums are paid, or
4. a Dependent no longer qualifies as an eligible Dependent as defined by the HPP, or
5. the Dependent becomes a Full-Time member of the Armed Forces of any Country, or
6. COBRA Continuation Coverage terminates, if the Dependent had elected such Continuation Coverage.
7. Continuation Coverage as set forth in the Uniformed Services Employment and Reemployment Rights Act terminates, if the Dependent of an Employee, who was on duty in the Uniformed Services for more than 31-days, elected such Continuation Coverage.

LEAVES OF ABSENCE

❖ **Approved, Full or Partial, Paid Leave of Absence**

Coverage paid by the County continues during the approved paid Leave of Absence. Dependent and Employee premiums continue to be deducted.

❖ **Family Medical Leave Act**

Approved Leave of Absence for 12-weeks or less. Coverage paid by the County continues as if an active Employee. Dependent and Employee premiums are paid directly to Personnel Services.

❖ **Approved Unpaid Leave of Absence**

Coverage paid by the County terminates, and Employee is eligible to elect COBRA Continuation of Coverage with the Employee paying premiums at the applicable rate.

❖ **Retirement (Florida Retirement System)**

Coverage may be continued indefinitely, subject to timely premium payments. To qualify, normal retirement date is age 62 with six years of vested service or 30 years of service at any age (age 55 with six years of service or 25 years of service for Special Risk).

Dependent coverage for the covered Dependent spouse of a Retiree will not terminate upon the death of the Retiree but shall continue indefinitely, subject to timely premium payments.

National Defense Authorization Act (NDAA)

Regardless of an Employer's established Leave of Absence policy, the HPP will at all times comply with the following regulations:

The **National Defense Authorization Act (NDAA)** which expands Family Medical Leave (FMLA) to include employees caring for an injured service member as well as family members who have a family member called to active duty. The Act permits a "spouse, son, daughter, parent, or next of kin" to take up to 26 workweeks of leave to care for a "member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness." This Act also permits an employee to take FMLA leave for "any qualifying exigency (as the Secretary of Labor shall, by regulation, determine) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation."

Additional information concerning the NDAA can be obtained from your Human Resources Department.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT OF 1994 (USERRA)

Regardless of the Employer's established Leave of Absence policies, This Plan will at all times comply with the regulations of the Uniformed Services Employment and Reemployment Rights Act for Covered Employees going into or returning from military service. These rights include up to 24-months of extended health care coverage upon payment of the entire cost of coverage plus a reasonable administration fee and immediate Coverage in This Plan upon return from service.

Plan exclusions and waiting periods may be imposed for any Illness or Injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, military service.

For additional information concerning the USERRA, including your rights and responsibilities under the Act, please contact Personnel Services.

GENERAL PLAN PROVISIONS

All benefits provided under This Plan are subject to the following basic terms and conditions. A thorough reading and understanding of these terms and conditions will help you maximize your Plan benefits.

Benefit Maximums

Total Plan payments for each Covered Member are limited to certain Benefit Maximums. A Benefit Maximum can apply to a specific benefit or to all benefits. A Benefit Maximum can be a specific dollar limit; a specific limit on services, such as number of visits or days; a specific time period or any other specific limit imposed upon a benefit, or benefits, by This Plan.

The Benefit Maximums that apply are shown in the individual Schedule of Benefits of This Plan.

Deductibles

A Deductible is the amount that must be paid toward Covered Expenses before This Plan will start reimbursement. Deductibles do not track toward Out-of-Pocket Maximum Expenses.

This Plan may contain separate Network and Out-of-Network Deductible amounts as outlined in the Schedule of Benefits. If both types of providers are used, the amount paid toward the Deductible(s) will track towards each other in satisfying the required Deductible(s). Therefore, the amount paid towards the Deductible(s) will not exceed the higher Deductible amount.

◆ Individual Deductible

The individual Calendar Year Deductible amount is shown in the Schedule of Benefits.

◆ Family Deductible

If Dependents are covered under This Plan, separate Deductibles apply until family members accumulate an equivalent amount of a total of three (3) Deductibles during a calendar year.

◆ Carry-Over Deductible

The Deductible is applied each calendar year; however, Covered Expenses incurred during the last three (3) months of a calendar year (October, November, December) that are applied toward meeting that year's Deductible will be carried over and applied toward the satisfaction of the next year's Deductible.

Co-Pay/Co-Payment(s)

A Co-Pay or Co-Payment is the amount that must be paid toward Covered Expenses before the HPP will start reimbursement. The Co-Pay or Co-Payment(s) also track towards the Out-of-Pocket Maximum Expenses.

There will be an additional Co-Payment per occurrence for failure to follow Pre-certification Requirements. Refer to the provision entitled, "PRE-CERTIFICATION AND UTILIZATION REVIEW PROGRAM" for further information.

Co-Insurance Percentage

The Co-Insurance Percentage is the portion you will pay for eligible Covered Expenses, after the Covered Member satisfies any applicable Deductibles or penalties. The Co-Insurance Percentages also track towards the Out-of-Pocket Maximum Expenses.

For Covered Services received from a network Provider, Covered Expenses are limited to the negotiated fees of the Network. The Covered Member is not responsible for payment of charges exceeding the negotiated fees.

GENERAL PLAN PROVISIONS (Continued)

For medical services received outside the Network, Covered Expenses are limited to Usual and Customary, and Reasonable Charges. The Covered Member is responsible for any charges exceeding Usual and Customary, and Reasonable guidelines.

The Co-Insurance Percentages for Covered Expenses are shown in the Schedule of Benefits.

Lifetime

The word "Lifetime" means the period of time a Covered Member is a participant in This Plan, whether in one period of time or in separate periods of time.

Medical Necessity

This Plan may only provide benefits for Covered Services and supplies that are Medically Necessary for the treatment of a covered Illness, or Injury with the exception of Preventive Services.

Out-of-Pocket Maximum Expense

You are responsible for paying any covered expense at the Co-Insurance Percentage(s) shown in the Schedule of Benefits. The remaining portion of the charge is the HPP's Out-of-Pocket Expense.

The Maximum Out-of-Pocket Expense is the total amount that must be paid toward Covered Expenses during a calendar year before the Co-Insurance Percentage of This Plan automatically increases to 100%.

This Plan may contain separate Network and Out-of-Network Out-of-Pocket Maximum Expense amounts as outlined in the Schedule of Benefits. If both types of providers are used, each Out-of-Pocket Maximum Amount must be met.

The following items CANNOT be applied to the Out-of-Pocket Maximum amount: charges above the network negotiated fee schedule(s), charges over Reasonable and Customary Charges, any penalties for failure to pre-certify services and/or ineligible expenses.

❖ Individual Out-of-Pocket Maximum Expense

When a Covered Member has paid, as stated in the Schedule of Medical Benefits, the applicable out-of-pocket amount in a calendar year for Covered Medical and Behavioral Health Expenses incurred from the appropriate Provider, this Plan may pay all Covered Medical and Behavioral Health Expenses incurred from the appropriate Provider for the remainder of the calendar year.

❖ Family Out-of-Pocket Maximum Expense

When Covered family Members, as a unit, have paid as stated in the Schedule of Medical Benefits, the applicable out-of-pocket amount in a calendar year for Covered Medical and Behavioral Health Expenses incurred from the appropriate Provider, this Plan may pay all Covered Medical and Behavioral Health Expenses incurred from the appropriate Provider for the remainder of the calendar year.

Replacement of Another Plan

If This Plan of benefits replaces an Employer's prior plan of group medical benefits, and if an Employee (a) becomes covered by This Plan on its effective date, and (b) has been covered by the Employer's prior plan of group medical benefits on the day before This Plan took effect, the HPP Administrator has full power and authority and absolute discretion to waive or give credit for any amounts applied to the prior plan's calendar year Deductible and out-of-pocket amount(s) or for any time accumulated under the "Pre-Existing Conditions Limitations" of the prior plan toward satisfying the Deductible and out-of-pocket amount(s) and "Pre-Existing Conditions Limitations" of This Plan.

GENERAL PLAN PROVISIONS (Continued)

Usual and Customary, and Reasonable Charges

This Plan may only provide benefits for Covered Expenses that are equal to, or less than the Usual and Customary, and Reasonable Charge in the geographic area where services or supplies are provided. Any amounts that exceed the Usual and Customary, and Reasonable Charges are not covered by This Plan.

Pre-Existing Condition means a condition (whether physical or mental), regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the six-month period ending on the "Enrollment Date" (i.e., for these purposes, means the first day of coverage or, if Eligibility Waiting Period applies, the first day of the Eligibility Waiting Period). Expenses relating to a Pre-Existing Condition are not covered under this Plan until the person has been covered under the HPP for 12-months (18-months for a Late Enrollee) after the Enrollment Date.

This 12-month or 18-month period is reduced by the number of days of Creditable Coverage the individual has, provided the individual does not have more than a 63-day break in coverage. Neither a waiting period nor an HMO affiliation period is taken into account in determining if a break in coverage occurred. Creditable Coverage includes coverage under a group health plan, individual or group health insurance, Medicare, Medicaid, military coverage, and certain other medical coverage.

The HPP's Pre-Existing Condition limitation does not apply to:

1. Pregnancy;
2. A newborn child; or
3. A child adopted, or placed for adoption before attaining age 18, if such newborn child, or child adopted, or placed for adoption:
 - a. Is enrolled in a group health plan or other Creditable Coverage within 31-days after the birth, adoption, or placement, and
 - b. Does not have more than a 63-day break in coverage; or
4. Enrollees up to the age of 19.

These pre-existing condition limitations are intended to comply with at least the minimum requirements of the Health Insurance Portability and Accountability Act of 1996 (H.R. 3103). If they are incomplete or in conflict with the Act in any way, the Act will prevail.

YOUR RIGHT TO DEMONSTRATE CREDITABLE COVERAGE

You are entitled to a certificate from your previous health care provider that will show evidence of your prior health coverage. A plan, or issuer is required to furnish a certificate automatically and without charge at the time the individual loses coverage under the plan, or would have lost coverage in the absence of COBRA or similar coverage. A plan, or issuer is also required to issue a certificate automatically to an individual who has elected COBRA coverage when that coverage ceases. You or your authorized representative may also request a certificate from a prior plan or issuer within 24-months after the coverage ceases. The HPP will assist in obtaining a certificate from any prior plan or issuer, if necessary. Please contact the Personnel Services Department if you need assistance.

COVERED MEDICAL EXPENSES

An expense is considered to be incurred on the date the Covered Member receives the services and supplies for which a charge is made.

Ambulance Charges

This Plan may cover the use of a local professional land or air ambulance service to transport a Covered Member to, but not returning from, the nearest Hospital appropriate for the Covered Member's condition. Trips from the home of the Covered Member or the scene of an Accident to a Hospital or to a Skilled Nursing Facility are also covered, if Medically Necessary. Service is local if the Covered Member is carried no more than 50 miles from the place of pickup to a covered facility.

Emergency transportation charges for a Covered Member for regularly scheduled commercial transportation by train or plane within the continental U.S. to the nearest Hospital that has medical treatment not available locally for special Inpatient treatment are covered when such treatment has been certified as necessary due to the emergency nature of an Accident or Illness.

Anesthesia Charges

Charges for Anesthetics and the administration of Anesthesia by a licensed Anesthesiologist or certified Registered Nurse Anesthetist in connection with a covered Surgical Procedure when these are not covered as Hospital Charges are covered by This Plan.

Birthing Centers

Charges made by a licensed Birthing Center for a covered childbirth and the associated normal services and supplies are covered by This Plan.

Room and Board Charges are not covered. Recuperation must take place outside the Birthing Center.

Chiropractic Services

This Plan covers a spinal manipulation with the diagnosis of subluxation for 12 visits per calendar year. After the initial 12 visits, a Treatment Plan must be approved by the HPP if the Covered Member is to receive Coverage for additional services. The Treatment Plan must be filed with DPSC for the HPP to establish Medical Necessity and appropriate level of care.

Chiropractic treatment to maintain current levels of functioning or to prevent deterioration is not covered.

Colonoscopy

Charges for routine screening and diagnostic colonoscopies for covered members 50 years of age and older will be covered under the outpatient surgery benefit. Routine colonoscopies for covered members under age 50 are not a covered benefit. Diagnostic colonoscopies for covered members under age 50 will be a covered benefit if precertification is obtained and if it is performed in conjunction with treatment of an active condition. This will be payable under the outpatient surgery benefit.

Convalescent/Skilled Nursing Facility

Charges incurred for confinement in a Convalescent or Skilled Nursing Facility may be covered by This Plan at the semi-private room rate, provided the confinement is due to the same or related causes that caused hospitalization. Successive confinements separated by less than three months for the same cause are not covered.

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

Diabetic Supplies

This Plan covers diabetic supplies purchased through the Prescription Drug Program only. Said diabetic supplies are not covered if they are purchased from a Durable Medical Equipment vendor.

Diagnostic X-Ray and Laboratory Benefit

This Plan may cover expenses for x-ray treatments and examination, microscopic tests, or other lab tests or analyses made for diagnosis or treatment.

Doctors' Visits - Inpatient

Charges for Physician visits to the patient while in the Hospital or Extended Care Facility are covered by This Plan.

Doctors' Visits - Outpatient

This Plan covers medical services received in a Physician's office or received from a Physician in the Covered Member's home.

Durable Medical Equipment

Rental of certain Hospital-type equipment, including a wheelchair, a Hospital-type bed, or mechanical equipment for the treatment of respiratory paralysis is covered by This Plan. Total covered expenses for renting or repairing Durable Medical Equipment shall not exceed its purchase price. If rental or repair cost exceeds purchase price, the cost of purchase will be a covered expense. Equipment or devices not specifically designed and intended for the care and treatment of an Injury or Illness are not covered.

External prosthetic and orthopedic appliances such as artificial legs, arms eyes or larynx or accessories, braces, splints, cervical collars or other orthopedic appliances, required to replace a lost natural body part, or are required for support for an injured or deformed part of the body as a result of a disabling congenital condition or illness or injury are covered subject to precertification. Benefits include charges for the fitting, adjusting, repair or maintenance of such prosthetic and orthopedic appliance. Charges for the replacement of the prosthetic appliance will be covered only if the HPP is shown that: (a) it is needed to a change in the person's physical condition; or (b) it is likely to cost less to buy a replacement than to repair the existing appliance; or (c) the existing appliance cannot be repaired. Replacement due to technological advancement only is not covered. Only conventional, body-powered, cable-operated prosthetics will be eligible for loss of a limb or congenitally missing limb(s). A myoelectric or utah arm may be considered only for shoulder disarticulation when a cable-operated prosthetic is totally non-functional.

Elective Sterilization Procedures

Vasectomies and Tubal Ligations are covered by This Plan, but the reversal of those operations is not covered.

Emergency Room/Urgent Care and Walk-In Clinic Facility Services

This Plan may cover emergency services for Injuries and Illnesses and Deductible does not apply. The Emergency Co-Pay will be waived when the visit results in an immediate inpatient admission. Expenses incurred by a Non-Network provider will be paid as an Expanded-Network provider if incurred on an Emergency basis as defined on page 65.

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

Fertility Studies and Diagnostic Procedures

Fertility studies and diagnostic procedures are covered to a Calendar Year maximum of \$2,000.

Home Health Care Benefit

Home Health Care and Medically Necessary therapies are covered by This Plan.

Hospice Care Benefit

This Plan may cover Hospice Care directed by a Physician for a Terminally Ill Covered Member when the attending Physician certifies life expectancy is 6-months or less.

The program must meet standards set by the National Hospice Organization and be recognized as a Hospice Care program by the HPP Administrator. If such a program is required by the state to be licensed, certified, or registered, it must also meet that requirement.

Hospice Care includes Inpatient Care in a Hospice, Hospital, or home and Outpatient services provided by the hospice, including drugs and medical supplies. Instructional services for care of the patient, counseling, and other supportive services for the family of the dying individual are also covered.

Also covered are charges for bereavement counseling incurred within six (6) months of the Covered Member's death for the Covered Member's surviving spouse and Dependent children who were covered under the HPP on the day immediately preceding the death of the Covered Member.

Hospital Services

◆ Room and Board Charges

This Plan may cover daily Room and Board Charges. The room limit for each day of confinement is limited to the semi-private room rate in the Hospital unit where confined. If no semi-private accommodations are available, charges for a private room will be limited to the semi-private room rate in the Hospital where confined. However, if a private room is Medically Necessary due to contagious disease, it will be covered.

If multiple admissions are incurred within 72 hours of the initial admission, only one Co-Payment will apply.

◆ Inpatient Hospital Services and Supplies

Hospital services and supplies and the non-custodial services of a Nurse, when rendered on an Inpatient basis, are covered by This Plan. Any eligible Inpatient Hospital service and supplies when rendered in a Preferred Provider Network facility, will be paid based on the Preferred Provider Network Schedule of Benefits.

◆ Intensive Care

This Plan may cover confinement in an Intensive Care, cardiac care, or neonatal unit.

Intensive Care must be: (a) ordered by a Physician; and (b) due to a condition that requires special medical and nursing treatment not generally provided to other Inpatients of the Hospital.

Massage Therapy

Massage Therapy may be covered by This Plan only when ordered by a Physician and performed by a Licensed Massage Therapist located in a medical provider's office or facility and only when the patient demonstrates significant functional gains. Massage Therapy to maintain current levels of functioning is not covered.

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

Mastectomy Procedures. The HPP shall cover the following procedures in the manner as determined in consultation between the attending Physician and the covered Employee or Dependent:

1. Reconstruction of the breast on which a mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
3. Prostheses and physical complications of all stages of the mastectomy, including lymphedemas.

All Precertification and Utilization Review requirements of the HPP will not apply to Surgical and treatment procedures associated with mastectomies of the covered Employee or Covered Dependent.

Maternity Benefit

This Plan may cover Maternity Benefits on the same basis as any other Illness for Covered Employees or covered spouses only. Maternity Benefits are not covered for other Dependents. Covered Expenses include delivery, cesarean, and pre- and post-natal visits.

Complications of Pregnancy are covered on the same basis as any other Illness for Covered Employees, covered Spouses, and covered Dependents.

All mothers and newborns may have a minimum of a 48 hour hospitalization after a normal birth and a hospitalization of a minimum of 96 hours after a cesarean delivery. Patients may make a decision to leave a Hospital sooner. This decision should be mutually agreed upon between the Physician and the mother. Also the "Precertification and Utilization Review Program" requirements for Inpatient Hospital admissions will **not** apply for this minimum length of stay.

Medical Services and Supplies

This Plan may cover Eligible Charges for: (a) oxygen, and rental of equipment required for its use, not to exceed the purchase price of such equipment; (b) blood and/or plasma, if not replaced, and the equipment for its administration; (c) casts, crutches, catheters, colostomy bags, and surgical dressings; (d) the purchase of orthotic devices to be attached to or placed in shoes (but not the shoes themselves) for a medical condition covered by the HPP; (e) purchase of breast prostheses, and two (2) surgical bras in a calendar year, for a breast surgically removed; (f) one wig for hair loss due to cancer treatment; and (g) the initial purchase of eyeglasses or contact lenses due to cataract Surgery.

Mental or Nervous Disorders

Benefits will be paid as shown in the Schedule of Medical Benefits, Behavioral Health Benefits for treatment of Mental/Nervous Disorders.

A Mental/Nervous Disorder must be classified in the International Classification of Diseases of the U.S. Department of Health and Human Services and must, according to generally accepted professional standards, be amenable to favorable modification. Treatment must not extend beyond the period necessary for evaluation and diagnosis of learning and behavioral disabilities or for mental retardation.

No benefits are provided for court-ordered treatment of Mental/Nervous Disorders or psychiatric disorders unless also medically necessary.

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

Treatment of Mental/Nervous Disorders must be given under the direction of a Physician and the treatment program must be accredited by The Joint Commission or by equal standards.

- ***Inpatient Treatment***

The Plan will pay for eligible charges incurred for room, board, and other usual services while confined as an Inpatient in a Hospital, a Mental/Nervous Treatment Facility, or a Residential Treatment Facility. Physician visits provided during such confinement are also covered.

- ***Outpatient Treatment***

The Plan will pay for eligible charges incurred for treatment or service on an Outpatient basis. Benefits include visits to a licensed Physician, psychologist, or mental health professional in an office, a Hospital, a Mental/Nervous Disorder Treatment Facility or a Substance Abuse Treatment Facility.

Newborn Baby Care

This Plan may cover the charges for the care of a Covered newborn Dependent child. Charges must be incurred while such Covered Dependent is confined in a Hospital or on the day of delivery in a licensed Birthing Center. Nursery charges, attending pediatrician charges for the care of a newborn child, normal services and supplies given to well newborn children following birth, charges for services of a certified Nurse Midwife, and charges related to circumcision of a newborn are also covered.

Circumcision is also covered when performed in the physician's office when such procedure is not performed in the Hospital following birth. An office Co-Pay is appropriate. Coverage for Injury or Illness including care or treatment of congenital defects, birth abnormalities, or Premature Birth will be covered on the same basis as any other eligible expense, provided Dependent Coverage is in force at the time Eligible Expenses are incurred.

The standard Inpatient Hospital Co-Payment for the mother shall include the standard admission fee of a covered newborn Dependent child.

- ♦ ***Transportation***

This Plan may cover the charges incurred in connection with the transportation of a sick or injured newborn infant to the nearest available facility appropriately staffed and equipped to treat an Injury or Illness, including congenital defects, birth abnormalities, or prematurity, when such transportation is certified by the attending Physician as necessary to protect the health and safety of the newborn child.

Occupational Therapy

Occupational Therapy performed by a Licensed Occupational Therapist is covered by This Plan. The Therapy must be ordered by a Physician, and the patient must demonstrate significant functional gains. Occupational Therapy for the sole reason of maintaining current level of functioning, therapy to prevent deterioration, or therapy for vocational rehabilitation (i.e., return-to-work skills) are not covered by This Plan.

Office Surgery

This Plan may cover invasive and non-invasive surgeries and procedures performed in a Physician's office. For example, the following surgeries/procedures would be payable under the Office Surgery benefit of this Plan:

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

- Lesion removals (moles, lipomas, warts, etc.)
- Cauterization of the cervix
- Injection into a joint
- Nasal endoscopies
- Fetal stress tests
- Removal of toenail matrix

Organ or Tissue Transplant Procedures

This Plan covers Eligible Charges incurred by a Covered Member for services and supplies required for the transplant of human solid organs, specifically: heart, heart/lung, lung, double lung, liver, pancreas, kidney, and cornea. Also covered are bone marrow and/or peripheral blood stem cell transplants, transfusion and re-infusion. A transplant must be performed at a transplant facility approved by the American Hospital Association or as approved in writing by the stop-loss carrier.

These benefits are available when a covered person participates in the Special Transplant Program and meets all of the following requirements:

1. Pre-notification of the upcoming transplant must be given by the covered person, their physician or Third Party Administrator as soon as the covered person is identified as a potential transplant candidate.
2. Pre-certification must be obtained from KePRO; and
3. All transplant services must be rendered at a transplant Center of Excellence facility in the preferred transplant network.

If these requirements are not met, Special Transplant Program benefits may be reduced.

• General Provisions

Early precertification to KePro must be made as soon as the covered person is identified as a potential transplant candidate.

Self-Funded Group Health Benefits Plans for Florida residents (in "local governmental unit" which means any county, municipality, community college district, school board or special district or any county officer) in accordance with Section 627.652, of the Florida statutes, may not exclude coverage for bone marrow transplant procedures recommended by the referring physician and the treating physician under a policy exclusion for experimental, clinical, investigative, educational, or similar procedures contained in any individual or group health insurance policy or health maintenance organization contract issued, amended, delivered, or renewed in this state (Florida) that covers treatment for cancer, if the particular use of the bone marrow transplant procedure is determined to be accepted within the appropriate oncological specialty.

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

Outpatient Surgery Charges

Outpatient Surgery performed in a Hospital, a Freestanding Surgical Unit, an Extended Care Facility, 23-hour observation, or a Physician's office is covered by This Plan.

Room and Board Charges are not covered and recuperation must take place outside the facility.

Covered Charges include Physicians' fees, Anesthesia, and miscellaneous services and supplies necessary for the Outpatient Surgery.

Physical Therapy

Physical Therapy may be covered by This Plan only when ordered by a Physician and performed by a Registered Physical Therapist and only when the patient demonstrates significant functional gains. Physical Therapy to maintain current levels of functioning is not covered.

Physical Therapy visits must be precertified beginning with the first visit; however, a precertification penalty will not apply until visit 13.

After the initial 12 visits, a Treatment Plan must be approved by the HPP if the covered member is to receive coverage for additional services. The Treatment Plan must be filed with the Claims Administrator for the HPP to establish medical necessity and appropriate level of care.

Pre-Admission Testing

Tests performed on an Outpatient basis prior to a planned Hospital admission or Outpatient Surgery are covered by This Plan. Such tests must be ordered by the same Physician who ordered the confinement, must be related to the procedure, and must be recent enough to be useful for the planned admission or Surgery.

The Admission to the Hospital or the scheduled Outpatient Surgery must be confirmed in writing by the attending Physician before the testing occurs; and the tests must be performed in a facility acceptable to the Hospital, must be in place of the same tests which would normally be done while confined in the Hospital, and must not be duplicated in the Hospital.

Second Surgical Opinion Benefit (Voluntary)

The Plan will pay for eligible charges incurred by a Covered Person in obtaining a second and/or third surgical opinion, after he or she has decided to undergo a Surgical Procedure which is covered under this Plan. A second opinion regarding cosmetic surgery, normal obstetrical delivery and Surgical Procedures which require only local anesthesia are not covered.

Benefits include the Physician's charges for the physical examination, laboratory work, x-rays and related tests not previously performed by the original surgeon. If the second opinion does not confirm the original recommendation, the Plan will pay for eligible charges incurred by the Covered Person in obtaining a third opinion.

Speech Therapy

This Plan may cover Speech Therapy performed by a Qualified Speech Therapist. The Therapy must be ordered by a Physician, and the patient must demonstrate significant functional gains. Speech Therapy for the sole reason of maintaining current level of functioning or to prevent deterioration is not covered. If the speech loss or impairment is due to a congenital anomaly, Surgery to correct the anomaly must have been performed prior to the therapy.

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

Substance Abuse

Benefits will be paid as shown in the Schedule of Medical Benefits, Behavioral Health Benefits for treatment of Substance Abuse.

No benefits are provided for court-ordered treatment of mental or psychiatric disorders or Substance Abuse.

Treatment of Alcoholism or Drug Abuse must be given under the direction of a Physician and the treatment program must be accredited by The Joint Commission or by equal standards. This includes The Joint Commission or state-approved Alcoholism rehabilitation programs or licensed Drug Abuse rehabilitation programs.

- ***Inpatient Treatment***

The Plan will pay for eligible charges incurred for room, board, and other usual services while confined as an Inpatient in a Hospital, a Substance Abuse Treatment Facility, or a Residential Treatment Facility. Physician visits provided during such confinement are also covered.

- ***Outpatient Treatment***

The Plan will pay for eligible charges incurred for treatment or service on an Outpatient basis. Benefits include visits to a licensed Physician, psychologist, or a Substance Abuse health professional in an office, a Hospital or a Substance Abuse Treatment Facility.

Surgery Benefit - Inpatient

This Plan may cover Surgical Procedures and procedures for correcting fractures and dislocations.

The services of an assistant surgeon, provided the assistance is Medically Necessary, are also covered. Eligible Charges for an assistant surgeon are the lesser of the assistant surgeon's fee or 20% of the primary surgeon's fee.

When a Physician performs multiple Surgical Procedures in one operating period through the same natural body opening, or through the same Incision in the same Operative Field, the primary procedure will be covered at 100% of the allowable benefit, the second procedure at 50%, the third procedure at 50%, the fourth procedure at 50% and the fifth procedure at 50%, provided they are not Incidental Procedures. No additional amount will be allowed for an Incidental Procedure when performed in conjunction with other major Surgical Procedures.

If multiple Surgical Procedures are performed through separate natural body openings, or through Separate Incisions in Separate Operative Fields, each Independent Surgical Procedure will be covered at 100% of the allowable benefit.

Sterile surgical supplies after Surgery are also covered.

The Physician's fee for a procedure is deemed to include all post-operative care.

TO AVOID PRE-CERTIFICATION PENALTIES, SEE PAGE 4 AND PAGE 6

COVERED MEDICAL EXPENSES (Continued)

Teeth, Gums and Alveolar Process

This Plan may cover the services of a licensed Dentist or dental surgeon for the care or treatment of the teeth, gums, or alveolar process but is limited to:

GENERAL DENTAL PROVISIONS

Your benefits will be based on the Covered Expenses you incur while covered by This Plan. It is important to know what expenses are covered and the limitations that apply.

This Plan will pay a percentage of your Covered Expenses that exceed or are not subject to a Deductible amount. The Schedule of Dental Expense Benefits shows what percentage you pay for each type of dental service as well as the maximum benefit for this Coverage. Covered Charges are limited to Usual and Customary, and Reasonable; and you are responsible for charges exceeding UCR guidelines.

Free Choice of Dentist

Any Employee or Dependent covered under this Plan will have free choice of his/her Dentist. However, a discount will be given if a Maverest dentist is utilized.

Deductibles

A Deductible is the amount that must be paid toward Covered Expenses before This Plan will start reimbursement.

◆ Individual Deductible

The individual Calendar Year Deductible amount is shown in the Schedule of Benefits.

◆ Family Deductible

If Dependents are covered under This Plan, separate Deductibles apply until family members as a unit accumulate a total of 3 Deductibles during a calendar year.

PRE-DETERMINATION OF BENEFITS

Covered Members contemplating dental work are strongly urged to submit a copy of the Treatment Plan to the Claims Administrator. The Treatment Plan should include a list of the services and procedures to be done, the itemized charges for each service and procedure, and the estimated length of treatment. Dental X-rays, study models, and anything else needed to evaluate the Treatment Plan should also be sent.

The Treatment Plan will be reviewed and the HPP Administrator will determine the benefits available and advise the patient and/or the Dentist of the benefits available before treatment commences.

If a Treatment Plan for pre-determination of benefits is not submitted, the HPP retains the right to pay the claim on the basis of the amount of benefits which would have been paid had a Treatment Plan been submitted for pre-determination of benefits.

Emergency treatment, oral examination, dental x-rays, and teeth-cleaning are part of a course of treatment, but may be done before the pre-determination review is made.

A Treatment Plan should always be submitted before Orthodontic Treatment starts. Total benefits for the course of treatment will then be determined and disbursed as follows:

1. The initial payment will be made when the bands or active appliance is first placed, but will not exceed one-third (1/3) of the total benefit;
2. Further payments will be made on a monthly basis while treatment is continued and the person remains covered by the HPP.

COVERED DENTAL EXPENSES

Unless otherwise specified, payment for Covered Dental Expenses will be made at the Co-Payment/Co-Insurance Percentages shown in the Schedule of Dental Expense Benefits, subject to any Deductible amounts, any Limitations, the Definitions, and all other provisions of This Plan.

4. Periodontal treatment.
5. Endodontic treatment, including root canals.
6. Sealants (Age limit – up to and including age 17).

**Oral Surgery - See Covered Medical Expenses

❖ Type III -- Replacement Services

1. Dentures to replace teeth extracted while covered.
2. Bridgework, including inlays and crowns to form abutments, to replace teeth extracted while covered.
3. Inlays, gold fillings, and crowns, including attachments for dentures.
4. Installing partial or full dentures for the first time due to the extraction of one or more natural teeth extracted while covered.
5. Repair of dentures, crowns, inlays, or bridgework if:
 - a. unserviceable after 5 years; or
 - b. temporary to permanent within 24 months.
6. Relining of dentures. See Limitations.
7. Implants.

❖ Type IV -- Orthodontic Services

1. Orthodontic Treatment, such as braces, including correction of malocclusion.

DENTAL BENEFIT LIMITATIONS

Dental benefits are limited as follows:

1. An oral exam including prophylaxis will be covered two (2) times each calendar year.
2. Topical application of fluoride for your Covered Dependent child up to the age of 19 will be covered.
3. Relining of dentures will be limited to once each thirty-six (36) months. The relining of dentures is not covered during the first 6-months following the initial installation of appliance.
4. Replacement of an existing partial or full denture, crown, or fixed bridge is covered only if:
 - a. the existing denture or bridge cannot be made serviceable and was installed at least five (5) years before it is replaced; or
 - b. the existing denture is an intermediate denture and must be replaced by a permanent denture, and the replacement is made within twenty-four (24) months from the date the intermediate denture was installed; or
 - c. the replacement or addition of teeth is required to replace one or more natural teeth extracted while covered and after the existing denture or bridge was installed.
5. Bridges are covered only if they are for replacement of one or more natural teeth that were extracted while covered.
6. Orthodontic Treatment is covered only if the Dentist diagnoses one of the following conditions using the technical classification system for measuring the extent of upper or lower jaw malocclusion:
 - a. Angle's Class I, if:
 - (1) the upper teeth protrude over the lower teeth; or
 - (2) there is an open bite; the front upper and lower teeth do not meet; or
 - (3) there is an arch-length discrepancy; the gum area is too large or too small for the teeth; or
 - (4) there is an extreme bucco-lingual version of teeth; and the teeth are in crossbite.
 - b. Angle's Class II or III.
7. Benefits will be payable only upon completion of the treatment, except in the case of Orthodontic Treatment. Benefits for Orthodontic Treatment will be payable in equal monthly amounts during the period that: (a) begins when the first orthodontic appliance is installed; and (b) ends when the last appliance is originally scheduled to be removed. Such monthly installments will terminate on the date the Covered Member's Coverage terminates.

DENTAL BENEFIT EXCLUSIONS

This Plan will not pay for:

1. the replacement of a lost or stolen prosthetic device;
2. charges that are made by someone who is not a Dentist or for treatment not performed by a Dentist. The cleaning and scaling of teeth may be performed by a licensed Dental Hygienist who works under the supervision of a Dentist;
3. the first installation of dentures or bridges if all teeth that will be replaced were extracted prior to the date the Covered Member became covered under This Plan. Bridges include crowns and inlays that form the abutments;
4. prosthetic devices and their fitting, for which treatment began prior to the date the Covered Member became covered under This Plan. This includes bridges and crowns;
5. extra sets of dentures or other appliances;
6. failure to keep an appointment;
7. completion of any forms;
8. appliances, restoration, and procedures to alter vertical dimension or restore occlusion;
9. services for any treatment which is for cosmetic or aesthetic purposes;
10. charges to the extent that payment under This Plan is prohibited by any law of the jurisdiction in which the Covered Member resides at the time expenses are incurred;
11. infection control, such as gloves, masks, or any related services;
12. home fluoride rinses, toothbrushes and other dental items that can be bought without a Prescription;
13. dental services or supplies for which a Covered Member is not required to pay or for which charges are made only because This Plan exists, subject to the right, if any, of the United States government to recover Customary and Reasonable Charges for care provided in a military or veterans' Hospital;
14. any dental services for which benefits are paid or payable under Workers' Compensation, or any occupational disease, or similar law;
15. any act due to war, if declared or not;
16. any dental services covered by extended benefits from another group dental plan;
17. professional medical services and supplies rendered by the Employee, Employee's spouse, or the children, brother, sisters, parents, or grandparents of either the Employee or the Employee's spouse;
18. services and supplies that are in excess of Usual and Customary, and Reasonable Charges;
19. treatment or procedures deemed experimental or investigative by a nationally recognized dental authority such as the CAPTIVA Payment System or the American Dental Association. Where conflicting opinions exist, the nationally recognized agencies will take precedence.

HOW TO FILE A CLAIM

1. Complete the "Employee" portion of the claim form.
2. If payment is to be made directly to the provider, sign the "Authorization To Pay Provider" statement.
3. Have the patient or parent sign the "Authorization To Release Information" statement.
4. For the initial claim, attach the provider's itemized bill to the completed claim form. The itemized bill must include:

*Name and Social Security Number of the Insured	*Diagnosis
*Name of the Patient	*Date of Services
*Name and Address of the Provider	*Charges
*Type of Services Rendered	
5. If the Employee does not have the actual itemized bill, have the Physician, or Dentist complete their respective section on the back of the claim form.
6. If claims are being made for several family members, complete a separate claim form for each individual.
7. Mail completed claim forms and itemized bills to:

**MedSave USA, Inc.
3035 Lakeland Hills Blvd.
Lakeland, FL 33805**

Only one claim form per year for dental needs to be completed for any Covered Member requesting benefit payments. The provider's itemized bill will be sufficient for any additional claims requests, providing it contains the information listed in #4.

A Medical claim form will be requested as required.

All claims should be filed immediately, but **must be filed within 12 months** of the date charges for the service were incurred.

Explanation of Benefits

The Explanation of Benefits explains what expenses This Plan will pay for, and what expenses you must pay for. You will receive an Explanation of Benefits for every claim processed.

CLAIM DENIAL AND HOW TO APPEAL A DENIAL OF BENEFITS

If you believe a claim was improperly settled, in whole or in part, you have the right to appeal the claim settlement by making a written request for review to MedSave USA, Inc., the Claims Administrator, within 180 days of notification.

You have the right to review this Summary Plan Description and other papers affecting the claim. You also have the right to have a representative act on your behalf in the appeal.

The HPP will review the processed claim and inform you in writing as to their decision within:

- ◆ 72 hours for urgent claims;
- ◆ 30 days for pre-service claims;
- ◆ 60 days for post-service claims;

of the receipt of the request for review. In the event a claim is denied the Covered Person will be advised of the reason for the denial with specific reference to the HPP provision(s) on which the denial was based and any additional material or information needed for further review of the claim.

If you are not satisfied with the first review, a written request for a second review may be submitted. You must submit your request for a second review keeping within the 180 days of the initial notification. The request should state, in clear and concise terms, the reason for disagreement with the way the claim was processed.

When the written request is received, the claim will be reviewed again and the results of this review furnished to you in writing keeping within the same timeframes, as stated above, that applied to the initial review of the claim.

If you are not satisfied with that determination and wish to pursue your appeal, you must complete an Authorization Form found in the back of the Summary Plan Description or on the County ENN page, before you can request assistance from the HPP Administrator, Personnel Division Benefits Section.

If you believe the pre-certification of a procedure as outlined on page 4 has been unfairly denied, you have the right to request reconsideration of this decision by making a written request to Preferred KePRO, the utilization management provider, within 30 days of receipt of the denial. If you are not satisfied with their determination and wish to pursue your appeal, you must complete the Authorization Form found in this Summary Plan Description or on the County ENN page, before you can request assistance from the HPP Administrator, Personnel Division Benefits Section.

If you believe that a prescription was improperly filled or you were charged an incorrect co-payment, you have the right to appeal this decision by making a written request to Walgreens Health Initiatives, the prescription benefit manager, within 30 days of the claim. If you are not satisfied with their determination and wish to pursue your appeal, you must complete an Authorization Form found in the back of the Summary Plan Description or on the County ENN page, before you can request assistance from the HPP Administrator, Personnel Division Benefits Section.

Before any member of the Personnel Division Benefits Section can assist a health plan participant which concerns protected health information under the Federal Privacy Rules, the participant must sign the Authorization Form found in the back of the Summary Plan Description or on the County ENN page.

GENERAL CLAIM PROVISIONS

Assignment of Benefits

Under normal conditions, benefits are payable to you, and can only be paid directly to another party upon signed authorization from you. All benefits payable by This Plan may be assigned to the provider of services, or supplies at your option. Payments made in accordance with an assignment are made in good faith and discharge the HPP's obligation to the extent of the payment.

If conditions exist under which a valid release, or assignment cannot be obtained, This Plan may make payment to any individual, or organization that has assumed the care, or principal support for you and is equitably entitled to payment. This Plan may also honor benefit assignments made prior to your death in relation to remaining benefits payable by This Plan. Any payment made by This Plan in accordance with this provision will fully release This Plan of its liability to you.

Clerical Error

If a clerical error is made, it will not affect the Coverage to which the Covered Member is entitled. A fair adjustment of premiums shall be made, from the date the member notifies the HPP Administrator in writing, when a clerical error has occurred, or a delay in making entries in the records pertaining to the Coverage under the HPP is found. Such an error, or delay will neither void Coverage that is otherwise validly in force, nor continue Coverage beyond the date that Coverage would otherwise terminate.

Conformity to Statutes

This Plan will conform to all applicable State and Federal statutes.

Right to Investigate Claims

The HPP Administrator will have the right to request, or release any medical information it deems necessary to properly process a claim.

The HPP Administrator has the right, and opportunity to examine, at its expense, any person whose Illness, or Injury is the basis of any claim, when and as often as reasonably required and, in the event of death, to obtain an autopsy, unless prohibited by law.

Statements not Warranties

In the absence of fraud, all statements made by the Employer or by a Covered Employee are deemed representations, and not warranties. No statement made by the Employer, or by an Employee for the purpose of obtaining Coverage, will be used to avoid such Coverage, or reduce benefits unless the statement is in writing, and is signed by the Employer, or the Employee and a copy is sent to the Employer, the Employee, or their beneficiary.

Time Limit for Submitting Claims

All claims should be submitted as soon as possible after the charges are incurred. In any event, all claims must be submitted within one (1) year of the date charges are incurred to be considered eligible for payment. A charge will be deemed incurred on the date services are actually rendered, or supplies are actually received. Additional information requested on a claim must be received one (1) year from the date requested.

Payment of Claims

Claims for all benefits due under This Plan will be processed promptly after a properly completed claim has been received. Complete "Urgent" claims will be processed as soon as possible after receipt not to exceed 72 hours.

GENERAL CLAIM PROVISIONS (Continued)

Complete "Pre-Service" claims will be processed within 15 days and complete "Post-Service" claims will be processed within 30 days of receipt.

A claim involving "**Urgent**" Care is any claim for medical care or treatment with respect to which the application of the time periods for making non-urgent care determinations:

1. Could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, or
2. In the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

A "**Pre-Service**" claim means any claim for a benefit under the HPP with respect to which the terms of the HPP condition receipt of the benefit, in whole or in part, on approval of the benefit in advance of obtaining medical care.

A "**Post-Service**" claim means any claim for a benefit under the HPP that is not a "Pre-Service" claim.

COORDINATION OF BENEFITS

The benefits that are payable under This Plan for medical, or dental expenses will be coordinated with any other plans that provide the same benefits, so that not more than 100% of the allowable expenses will be covered. The County has the right to gather data, recover sums paid, or repay any party in order to administer the Coordination of Benefits.

General Provision

When a Covered Member, and/or his Dependents are covered under more than one group health plan, the combined benefits payable by This Plan, and all other group plans will not exceed 100% of the eligible expense incurred by the individual. The plan assuming primary payor status will determine benefits first without regard to benefits provided under any other group health plan.

When This Plan is the secondary payor, it will reimburse, subject to all Plan provisions, the balance of remaining Eligible Expenses, not to exceed normal Plan liability.

For purposes of coordination, eligible expense means any usual and customary charge considered in part or full by at least one of the plans. However, any expense denied by the primary carrier because the claimant did not comply with the rules governing the primary plan of benefits will not be considered an eligible expense under This Plan.

Other Group Plans

This Plan coordinates with other plans according to the following rules:

1. Any group health plan which does not contain a coordination of benefits provision will be primary.
2. A plan covering a person as an Employee will be primary over a plan covering the same person as a Dependent.
3. A plan covering a person as an Active Employee will be primary over a plan covering the same person as either a Retiree or terminated individual.
4. When a person is an Active Employee under more than one plan, the plan covering the individual for the longer period of time will be primary.
5. A plan covering a person as a Dependent child of non-divorced or non-separated parents will be primary according to which parent has the earlier birth date (month and day) in the year. If both parents have the same birth date, the plan covering the child for the longer period of time will be primary.

Children of Divorced or Separated Parents

When all plans covering a person as a Dependent child of divorced or separated parents contain a coordination of benefits provision, This Plan coordinates with other plans according to the following rules:

1. If there is a court order establishing which parent has financial responsibility for the child's health care expenses, that parent's plan (assuming it covers the child as a Dependent), will be primary.
2. If there is no court order, and the parent with legal custody has not remarried, that parent's plan is primary (assuming it covers the child as a Dependent).
3. If there is no court order, and the parent with legal custody has remarried, the plans that cover the child as a Dependent will pay benefits in the following order:

COORDINATION OF BENEFITS (Continued)

- a. The plan of the parent with legal custody;
- b. The plan of a stepparent who is the spouse of the natural parent having legal custody;
- c. The plan of the parent without custody.

If none of the rules listed above establish an order of payment, the plan which has covered the person the longest will be primary.

HMO's

There are special coordination of benefit rules that affect Dependents covered under Health Maintenance Organizations (HMOs).

When primary Coverage is through an HMO sponsored by another employer, and This Plan is secondary, This Plan's secondary Coverage will not provide Coverage if you or your Dependents fail to comply with the HMO's regulations regarding providers and services.

The combined benefits from both the HMO plan and This Plan will not total more than the amount This Plan would have paid alone.

Integration of Benefits with Medicare

For an Active Employee who is age 65 or over the benefits payable under This Plan will be his or her primary health coverage unless he or she elects, in writing, to have Medicare as primary coverage. Any Employee who elects Medicare as primary coverage will not be covered for health coverage under This Plan, nor will any of his or her Dependents.

For a Spouse of an Active Employee who is covered as a Dependent under This Plan and who is age 65 or over, the benefits under This Plan will be his or her primary health coverage unless he or she elects, in writing, to have Medicare as primary coverage. Any Dependent Spouse who elects Medicare as primary coverage will not be covered under This Plan.

For an Active Employee who is totally Disabled or a totally disabled Dependent who is under age 65, the benefits under Medicare will be secondary to any benefits payable under This Plan.

For Covered Retirees and their Spouses who are eligible to enroll under Part A or Part B of Medicare, the benefits payable under This Plan will be reduced by the amount of any benefits payable under Medicare, whether or not the Covered Member has enrolled in Part A or Part B of Medicare.

Automobile Insurance

Benefits payable under This Plan will be secondary to benefits which a Covered Member has, or could have, received from any no-fault automobile insurance statute, without regard to the purchase of such insurance or any Deductible. This Plan will pay as if the Covered Member's "No Fault" insurance is in effect without a Deductible.

COBRA Coverage

Cobra coverage is secondary to any other applicable coverage.

COORDINATION OF BENEFITS (Continued)

Right to Receive and Release Needed Information

The HPP Administrator will have the right to obtain or give information needed to administer this Plan or coordinate benefit payments with other plans. This can be from or to any other insurance company, organization or person. Notice or consent will not be needed to do this.

Any person who claims benefits must furnish the information necessary to coordinate benefit payments to the HPP Administrator.

Right to Make Payment

The HPP Administrator reserves the right to pay any other organization as needed to properly carry out this provision. These payments that are made will be made in good faith, and will be considered benefits paid under This Plan. Also, these payments discharge the HPP Administrator from further liability, to the extent the payments are made.

Right of Recovery

If more benefits were paid than should have been paid, the right to recover the excess amount will be exercised. This can be from the person for whom the payments were made, or from an insurance company, or organization to whom the payment was made.

Further, whenever payments have been made based on fraudulent information provided by a Covered Member, This Plan has the right to withhold payment on future benefits until the overpayment is recovered.

EXTENSION OF BENEFITS AFTER PLAN TERMINATION

The benefits payable during any period of extension may be subject to the regular benefit limits of This Plan, but shall provide no lesser benefit limits.

Medical

If This Plan terminates while a Covered Member is Totally Disabled, benefits will be extended for charges incurred after that date. The Covered Member must provide written notice to the HPP of their intention to receive extended benefits within 31-days of the date This Plan terminates. Coverage for the disabling condition will continue without any Employee contribution.

Extended Benefits are payable only for those expenses incurred:

1. for the same Injury or Illness which caused the Covered Member to be Totally Disabled;
2. while the person remains Totally Disabled; and
3. during the first 12-months after the date Coverage terminates under the medical portion of This Plan.

❖ Dental

If This Plan terminates while a Covered Member is receiving dental treatment due to a specific Injury, or Illness which occurred while the Covered Member was covered under This Plan, Covered Dental Expense Benefits will be extended for the first 90-days after the date Coverage terminates under the dental portion of This Plan.

❖ Maternity

If This Plan terminates while a Covered Member is pregnant, Covered Expense Benefits will be extended for the period of the Pregnancy.

SUBROGATION, REIMBURSEMENT & THIRD PARTY RECOVERY PROVISION

This section describes the HPP's right to seek reimbursement of expenses that are paid by the HPP on behalf of you or your Covered Dependents if those expenses are related to the acts of a third party (for example, if you are involved in an automobile accident or are injured in a place of business). The HPP may seek reimbursement of these expenses from any recovery you or your Covered Dependent may receive from the third party or another source, including from any insurance proceeds, settlement amounts or amounts recovered in a lawsuit. Subrogation and reimbursement rights also exist for any claim you or a covered dependent makes seeking any recovery for benefits under an insurance policy providing under-insured or uninsured motorist benefits. The terms of the HPP's reimbursement rights are described below:

If a Covered Person incurs expenses covered by the HPP as a result of the act of a third party (person or entity), the Covered Person may receive benefits pursuant to the terms of the HPP. However, the Covered Person is required to refund to the HPP to the maximum extent provided by law a settlement, judgment, and lawsuit or otherwise as a result of the act). The Covered Person may be required to:

- a) Execute an agreement provided by the County or the Claims Administrator acknowledging the HPP's right of recovery, agreeing to repay any claims paid by the HPP, pledging amounts recovered by the Covered Person from the third party as security for repayment of any claims paid by the HPP, and to the extent provided below, assigning the Covered Person's cause of action or other right of recovery to the HPP. If the Covered Person fails to execute such an agreement, the Covered Person, by filing claims (assigning benefits or having claims filed on his behalf) related to such act of a third party, shall be deemed to have agreed to the terms of this reimbursement provision;
- b) Provide such information as the County, or the Claims Administrator may request;
- c) Notify the Employer and the Claims Administrator, in writing, by copy of the complaint or other pleading, of the commencement of any action by the Covered Person to recover damages from a third party;
- d) Agree to notify the County and/or the Claims Administrator of any recovery.

The HPP's right to recover the benefits shall apply to the entire proceeds of any recovery by the Covered Person to the extent provided by law. This includes any recovery by judgment, settlement, arbitration award or otherwise.

The HPP shall have a lien against the proceeds of any recovery by the Covered Person and against future benefits due under the HPP in the amount of any claims paid to the maximum extent provided by law. The lien shall attach as soon as any person or entity agrees to pay any money to, or on behalf of, any Covered Person that could be subject to the HPP's right of recovery, if and when, received by the Covered Person. If the Covered Person fails to repay the HPP from the proceeds of any recovery, the HPP Administrator may satisfy the lien by deducting the amount from future claims otherwise payable under the HPP.

SUBROGATION, REIMBURSEMENT & THIRD PARTY RECOVERY PROVISION (Continued)

If the Covered Person fails to take action against a responsible third party to recover damages within one year, or within 30 days after the HPP requests him/her to do so, the HPP shall be deemed to have acquired, by assignment or subrogation, a portion of the Covered Person's claim equal to the amounts the HPP has paid on the Covered Person's behalf. The HPP may thereafter commence proceedings directly against any responsible third party. The HPP shall not be deemed to have waived its rights to commence action against a third party if it fails to act after the expiration of one year, nor shall the HPP's failure to act be deemed a waiver or discharge of the lien described above.

The Covered Person shall cooperate fully with the HPP in asserting claims against a responsible third party, and such cooperation shall include, where requested, the filing of suit by the Covered Person against any responsible third party. The HPP shall not be deemed to have waived its rights to commence action against a third party if it fails to act after the expiration of one year, nor shall the HPP's failure to act be deemed a waiver or discharge of the lien described above.

The Covered Person shall cooperate fully with the HPP in asserting claims against a responsible third party, and such cooperation shall include, where required, the filing of suit by the Covered Person against a responsible third party and the giving of testimony in any action by the HPP. If a Covered Person fails or refuses to cooperate in connection with the assertion of claims against a responsible third party, the HPP Administrator may deny payment of claims and treat prior claims paid as overpayments recoverable by offset against future Plan benefits or by other action of the HPP Administrator.

In addition, the HPP has a right to recover benefits that were paid in error (e.g., benefits paid to/for an ineligible person), or benefits that were obtained through fraudulence, as determined by the Claims Administrator. Benefits may be recovered by either direct payment to the HPP by the Covered Person or a beneficiary (through voluntary payments, legal action, or by an offset of future benefits equal to the amount of the overpayment).

COBRA CONTINUATION COVERAGE

Under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), Covered Employees and/or their Covered Dependents described below (called "Qualified Beneficiaries") are entitled to elect to purchase a temporary continuation of health Coverage (called "Continuation Coverage") at group rates in certain instances (called "qualifying events") when Coverage under the HPP would otherwise end.

An Employee covered by the HPP has a right to elect Continuation Coverage if Coverage is lost because of a termination of employment (for reasons other than fraud or material misrepresentation) or a reduction in hours of employment.

The Covered Dependent who is the spouse of a Covered Employee has a right to elect Continuation Coverage (even if the Employee chooses to decline Continuation Coverage) if the Covered Dependent loses group health Coverage under the HPP for any of the following four reasons:

1. The death of the Employee;
2. A termination of the Employee's employment (for reasons other than fraud or material misrepresentation) or reduction in the Employee's hours of employment;
3. The divorce or legal separation, where recognized, from the Employee; or
4. The Employee becomes entitled to benefits under Medicare.

In the case of a Covered Dependent who is a child of a Covered Employee, such child has the right to elect Continuation Coverage (or the Employee's spouse may elect Continuation Coverage on behalf of the child, even if the Employee chooses to decline Continuation Coverage) if group health Coverage under the HPP is lost for any of the following reasons:

1. The death of the Employee;
2. A termination of the Employee's employment (for reasons other than fraud or material misrepresentation) or a reduction in the Employee's hours of employment;
3. The Employee's divorce or legal separation, where recognized;
4. The Employee becomes entitled to benefits under Medicare; or
5. The child ceases to be a "Dependent child" under the HPP.

Qualified Beneficiaries have the same rights as similarly situated active employees to change Coverage options and Coverage levels during Open Enrollment or if he experiences a Change in Status or Special Enrollment event.

ELECTING CONTINUATION COVERAGE. Provided you or your Covered Dependents have provided any required notice to the HPP Administrator (see below), you or your Covered Dependents will be notified of the right to continue Coverage and provided with the necessary information to complete an election. You and your Covered Dependents will have 60 days from

COBRA CONTINUATION COVERAGE (Continued)

the date the notice of the right to Continuation Coverage is received (or, if later, 60 days from the date coverage is lost) to complete an election of Continuation Coverage. If the election is not completed within the 60-day period, you will not have Continuation Coverage and will have no further rights to elect such coverage.

Each Qualified Beneficiary may purchase Continuation Coverage by completing and returning the appropriate election forms.

ADDING NEW DEPENDENTS. Children born to, adopted by, or placed for adoption with, the Covered Employee during the period of Continuation Coverage will be considered Qualified Beneficiaries and may also receive Continuation Coverage provided they are added within the time required by the HPP after the birth, adoption or placement for adoption.

Other than a child born to, adopted by, or placed for adoption with a Covered Employee during the COBRA period, spouses and dependents added during the COBRA coverage period are not Qualified Beneficiaries, even though the new spouse or dependent may be eligible to be added to the Coverage for the balance of the COBRA coverage period. The Covered Employee must enroll the new spouse and/or dependent within 31 days after the marriage, birth, adoption, or placement for adoption. If COBRA coverage ceases for the Covered Employee before the end of the maximum COBRA coverage period, COBRA coverage also will end for a newly added spouse or dependent child. However, COBRA coverage can continue for a newly added newborn child, adopted child, or child placed with the Covered Employee for adoption until the end of the maximum COBRA coverage period.

If while the Covered Employee is enrolled in Continuation Coverage, his or her spouse or dependent loses coverage under another group health plan, the Covered Employee may add the spouse or dependent to his or her coverage for the balance of the Continuation Coverage period, provided the eligible dependent meets the requirements for special enrollment as described in the "SPECIAL ENROLLMENT" section of this Plan.

Continuation Coverage may also apply to certain covered retirees and their covered dependents in the event of the Employer's bankruptcy under Title 11 of the U.S. Code. Special rules apply for this event.

COVERED PERSON'S NOTICE REQUIREMENTS. Under group health plan rules and COBRA law, the Employee, spouse, or other family member has the responsibility to notify the HPP Administrator (County of Volusia, Personnel Division) at:

County of Volusia
Personnel Division – Benefits Section
230 N. Woodland Blvd., Ste. 262
Deland, FL 32720

386 736-5951 - Deland
386 257-6029 - Daytona Beach
386 423-3300 - New Smyrna

of a divorce, legal separation, where recognized, or a child losing dependent status under the HPP. To protect the Covered Person's Continuation Coverage rights in these situations, this notification must be made within 60 day from whichever date is later, the date of the event or the date on which health plan coverage would be lost under the terms of the HPP because of the event.

COBRA CONTINUATION COVERAGE (Continued)

NOTICE PROCEDURES. Procedures for making proper and timely notice are listed below.

1. Contact the Human Resources Department and request a Qualifying Event Notification Form;
2. Complete the Qualifying Event Notification Form;
3. Make a copy of the form for your records;
4. Attach the required documentation depending upon the qualifying event;
5. Hand deliver or mail the notification form to the address listed on the form and document your mailing; and
6. Call within 10 days to insure the notification form has been received.

If this notification is not completed according to the outlined procedures and within the required 60-day notification period, then rights to Continuation Coverage based on the occurrence of the event will be forfeited. In addition, failure to notify and thereby causing the HPP to continue coverage of an individual who has in fact become ineligible may be considered fraud on the part of the Employee.

The Covered Person must also notify the HPP Administrator of the current address of the individual losing coverage. This is the address where the COBRA notice will be sent. Once it is notified, the Claims Administrator will, in turn, notify the eligible COBRA participant that he or she has the right to elect Continuation Coverage.

EMPLOYER'S NOTICE REQUIREMENTS. If the qualifying event is a termination of employment, reduction in hours, death, enrollment in Medicare (Part A, Part B, or both) or a commencement of a bankruptcy proceeding, the Covered Person will be notified that he or she has the right to elect Continuation Coverage. The eligible COBRA participant has 60 days from the date of the COBRA notice (or, if later, 60 days from the date Coverage is lost because of one of the qualifying events described above) to elect Continuation Coverage.

TRADE ADJUSTMENT ASSISTANCE. An Employee may have the right to a second COBRA election period if the Employee was entitled to elect COBRA coverage and did not do so during the original COBRA election period. To qualify, the Employee must be receiving trade adjustment assistance (eligibility requires a government certification under the 1974 Trade Act) and must have lost his or her Coverage under the HPP because of a job loss that resulted in his or her eligibility for trade adjustment assistance. The Employee's new 60-day COBRA election period will begin the first day of the month in which he or she begins receiving trade adjustment assistance, but it will not extend more than six months after his or her initial loss of Coverage under the HPP. If the Employee elects COBRA coverage during this second election period and after the end of the initial election period, his or her Continuation Coverage will begin on the first day of the second election period. The Employee's Continuation Coverage will not be retroactive to the date of the initial loss of Coverage. The period of time between the Employee's loss of Coverage that resulted in his or her eligibility for trade adjustment assistance and the date he or she began receiving trade adjustment assistance will not be counted in determining whether he or she has a 63-day break in Coverage for purposes of applying any Pre-existing Condition Limitation under the HPP.

TYPE OF COVERAGE. If timely and properly elected and paid, Continuation Coverage will be provided to Qualified Beneficiaries in a manner identical to Coverage provided under the HPP to similarly situated Covered Persons who are not Qualified Beneficiaries.

COBRA CONTINUATION COVERAGE (Continued)

LENGTH OF CONTINUATION COVERAGE. The length of Continuation Coverage depends upon the type of qualifying event and who the Qualified Beneficiary is. If you are on an approved military leave that lasts longer than 30 days, your Continuation Coverage can last up to 24 months. In the case of a loss of coverage due to the end of employment or the reduction in hours of employment, Continuation Coverage can last up to 18 months. In the case of a loss of coverage due to the Covered Employee's death, divorce or legal separation, the Covered Employee's becoming entitled to Medicare or a dependent child ceasing to qualify as a Dependent under the terms of the HPP, Continuation Coverage may last for up to 36 months (provided that the Qualified Beneficiary submitted written notice of divorce, legal separation or dependent child ceasing to be a dependent within 60 days of the later of the date of the event or the date coverage is lost as a result of the event). When the qualifying event is the end of employment or reduction in hours of employment, and the Covered Employee became entitled to Medicare less than 18 months before the qualifying event, COBRA coverage for Qualified Beneficiaries (other than the Employee) who lose coverage as a result of the qualifying event can extend up to 36 months after the date of Medicare entitlement.

SECOND QUALIFYING EVENTS. The maximum duration of Continuation Coverage based on termination of employment or reduction in hours may be extended from 18 months to 36 months if a second event entitling a Covered Dependent to Continuation Coverage (such as a death, divorce, legal separation (where recognized), the Employee's Medicare entitlement or a child losing Dependent status under the HPP) occurs during that 18-month period (or the first 29 months of continuation coverage in the case of a disability extension). To qualify for this extension, the Employee or Covered Dependent must notify the Employer within 60 days after the second event. In providing this notice, you must follow the notice procedures specified above. You are entitled to an extension only if the event would have caused a spouse or dependent child of an active employee to lose coverage under the HPP. If the Employee or Covered Dependent does not notify the Employer within the 60-day period, the Covered Dependent will not be entitled to extend the maximum period from 18 months to 36 months.

DISABILITY DETERMINATION. For certain disabled Qualified Beneficiaries, Continuation Coverage may be available for up to a total of 29 months from the date of the qualifying event. If you or your Covered Dependent elect Continuation Coverage for reasons due to termination of employment or reduction of hours, and are deemed disabled by the Social Security Administration before, on, or within 60 days of the date the Continuation Coverage became effective, you and your Covered Dependents may be eligible for up to an additional 11 months of Continuation Coverage. You must notify the Claims Administrator within 60 days of the date of the Social Security disability determination and before the end of the initial 18-month COBRA period. You must also notify the Claims Administrator within 30 days of the Social Security Administration's determination that you (or your Covered Dependent) are no longer disabled.

If the individual entitled to the disability extension (described in the preceding paragraph) has nondisabled family members who have Continuation Coverage due to the same qualifying event, those nondisabled family members will also be entitled to this 11-month disability extension. If a child is born to or adopted (or placed for adoption) by you while you are continuing coverage and the child is determined to be disabled within the first 60 days of Continuation Coverage, the child and all family members with Continuation Coverage arising from the same qualifying event may be eligible for a total of up to 29 months of Continuation Coverage.

UNIFORMED SERVICES. Pursuant to the Veterans Benefits Improvement Act 2004 (VBIA), Members of the Uniformed Services and their families are entitled to health coverage under TRICARE, the military health program. If a Covered Employee takes a leave of absence to perform services in

COBRA CONTINUATION COVERAGE (Continued)

the Uniformed Services that is expected to last 31 days or more (as addressed in the Uniformed Services Employment and Reemployment Act (USERRA)), employers must offer employees called to active service the right to continue their employer-provided health coverage for themselves and their dependents for a period of up to 24 months.

TERMINATION BEFORE THE END OF MAXIMUM COVERAGE PERIOD. In all cases, Continuation Coverage will end for any of the following reasons:

1. Employer no longer provides group health coverage for any of its Employees;
2. Appropriate payment for Continuation Coverage is not made timely;
3. After the date of the COBRA election, the Employee or Dependent becomes covered under another group health plan that does not contain a pre-existing condition exclusion or limitation which affects them (under the HIPAA portability laws, the time the other health plan can exclude coverage for pre-existing conditions may be reduced by the period of time during which you had coverage for the condition under a previous health plan, including Continuation Coverage);
4. After the date of the COBRA election, the Employee or Dependent becomes entitled to Medicare;
5. The Employee and/or Dependents previously extended continuation coverage beyond 18 months due to a Social Security disability, and a final determination has been made that the Qualified Beneficiary is no longer disabled;
6. A Qualified Beneficiary notifies the Employer he wishes to cancel COBRA Continuation Coverage; or
7. Any other event that would cause a Covered Person who is not on Continuation Coverage to lose Coverage under the HPP.

Written health evidence is not required to elect Continuation Coverage.

PAYING FOR CONTINUATION COVERAGE. Initial payment for Continuation Coverage must be made within 45 days from the date of Continuation Coverage election. This initial payment must pay for all months of coverage from the date of the qualifying event up to and including the month in which the payment is made. Continuation Coverage will not become effective until the full and correct initial payment is made and received. Subsequent payments are due on the first day of each month of Coverage. Premiums are delinquent if not paid by 30 days following the due date, in which event Continuation Coverage will cease, without notice, retroactive to the first day of the month for which payment has not been made. A check that is dishonored for any reason will not be considered payment.

COST OF CONTINUATION COVERAGE. Qualified Beneficiaries must pay the entire cost of Continuation Coverage, including an additional 2% charge to cover administrative expenses. Required contribution for any part of the additional 11 months of Continuation Coverage due to disability may be increased up to 150% of the applicable premium if the disabled Qualified Beneficiary elects the extension. If only non-disabled Qualified Beneficiaries elect the extension, the applicable premium will remain at the 102% rate.

DEFINITIONS

This section defines some of the specific terms used in This Plan. The following definitions should not be interpreted to extend Coverage and are defined for reference only. Not all of the definitions may apply to This Plan.

Whenever a personal pronoun in the masculine gender is used, it will be deemed to include the feminine unless the context clearly indicates the contrary.

Accident means an unforeseen and unavoidable event resulting in an Injury which is not due to any fault of the Covered Member.

Accidental Injury means a bodily Injury sustained Accidentally, and independently of all other causes by an outside traumatic event or due to exposure to the elements. The term does not include Injury which arises out of or in the course of any employment, or occupation for compensation, or profit. The term also does not include chewing injuries.

Affordable Care Act. The patient Protection and Affordable Care Act (H.R. 3590) was signed into law on March 23, 2010. The companion bill, the Healthcare and Education Reconciliation Act (H.R. 4872), as signed into law on March 30, 2010. Together, these two bills constitute what is referred to as the "Affordable Care Act" or ACA."

Alcohol Abuse Treatment Facility - See Substance Abuse Treatment Facility.

Alcoholism - See Substance Abuse.

Ambulatory Surgical Center - See Freestanding Surgical Unit.

Amendment means a formal document signed by the representatives of This Plan. The Amendment changes the provisions of This Plan and applies to all Covered Persons, including those persons covered before the Amendment becomes effective, unless otherwise specified.

Ancillary means supplemental or secondary services provided in association with a primary service. These services are not usually selected by the member. For example, an anesthesiologist's services are supplemental or ancillary to a surgeon's services when surgical services are being provided. Ancillary services include, but are not limited to, anesthesiologists, radiologists and pathologists.

Anesthesia means the administration of an anesthetic agent by a Physician, Dentist, anesthetist, anesthesiologist, or Registered Nurse when rendered in connection with a covered Surgical, or Dental Procedure.

Annual Open Enrollment Period means the only period of time in which an Employee can enroll for Coverage, or add Dependent Coverage, except for valid Status Changes. Open Enrollment is usually the month of November.

Average Semi-Private Room Rate means the rate that is charged by the Hospital for confinement in most of its semi-private rooms.

Behavioral Health Services means the treatment of Substance Abuse, or a Mental/Nervous Disorder.

Birthing Center means a public or private facility, which meets the free standing Birthing Center requirements of the State Department of Health in the state where the Covered Member receives the

DEFINITIONS (Continued)

services. A Birthing Center does not mean private offices or clinics of Physicians, or a Hospital, or any part of a Hospital which has been designated as a Birthing Center.

Chiropractic Services (Spinal Manipulation) means the detection and correction, by manual manipulation (by use of hands) of the spine to correct a subluxation. Hand held devices may be used.

Claims Administrator is MedSave USA, Inc., 3035 Lakeland Hills Blvd., Lakeland, FL 33805.

COBRA Beneficiary means any Covered Member who is continuing participation under This Plan under the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), and its Amendments.

Complications of Pregnancy means conditions distinct from, but caused, or affected by Pregnancy. As applied to any Covered Member, the word "Illness" includes Complications of Pregnancy. Complications of Pregnancy include: acute nephritis, or nephrosis; cardiac decompensation; missed abortion, or similar conditions as severe as these. Complications of Pregnancy also include a non-elective cesarean section, an ectopic Pregnancy which is terminated, and spontaneous termination of Pregnancy which occurs during a period of gestation when a live birth is not possible, and pernicious vomiting (hyperemesis gravidarum), and toxemia with convulsions (eclampsia of Pregnancy).

Complications of Pregnancy **do not** include: false labor, occasional spotting, doctor prescribed rest; morning Sickness, or similar conditions which, although associated with the management of a difficult Pregnancy, are not medically classified as distinct Complications of Pregnancy.

Continuation Coverage means the Coverage provided under the provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), and its Amendments.

Convalescent Care Facility - see Skilled Nursing Facility.

Co-Pay or Co-Payment means the amount payable by the Covered Person at the time of service for certain Covered Services.

Cosmetic Surgery means a procedure performed primarily to preserve, or improve appearance rather than to restore the anatomy, and/or functions of the body which are lost, or impaired due to an Illness, or Injury.

Coverage means any Coverages provided herein.

Covered Employee; Covered Dependent; Covered Person; Covered Member means an eligible participant whose Coverage became effective and has not terminated, including those eligible participants who elected to continue Coverage through the COBRA Continuation Coverage provision.

Custodial Care means care which is designed essentially to help a person in the activities of daily living, and which does not require the continuous attention of trained medical, or paramedical personnel. Such care may involve preparation of special diets, supervision over medication that can be self-administered, and assistance in getting in, or out of bed, walking, bathing, dressing, eating, and using the toilet.

Deductible means the amount you pay before certain benefits are payable from This Plan.

Dental Hygienist means someone who is currently licensed to practice dental hygiene by the state in which he or she practices, and who is acting under the supervision and direction of a Dentist.

DEFINITIONS (Continued)

Dentist means any dental, or medical Practitioner This Plan is required by law to recognize who is properly licensed, or certified under the laws of the state where he practices and who provides services which are within the scope of his license, or certificate and covered by This Plan.

Dependent means the Covered Employee's spouse and children.

The term "**spouse**" means the legally recognized marital partner, excluding the domestic partner, of a Covered Employee. The term shall exclude such spouse who has divorced the Employee, or who is legally separated from the Employee.

The term "**children**" means natural children, step-children, foster children, or children who have been placed under legal guardianship and legally adopted children from birth to the end of the calendar year in which the child reaches the age of 26 (whether married or unmarried). This applies to any children regardless of marital status, full-time student status, level of support from employee/parent, or residence.

The Plan may choose to not extend coverage for adult children who are eligible for coverage under another employer-sponsored group health plan (other than another parent's plan), but only for plan years beginning before January 1, 2014. This does not apply to stand alone dental and vision plans but Employer may voluntarily extend dependent coverage to adult children in such plans.

The term "**children**" also means pre-adopted children (i.e., children placed with a Covered Employee in anticipation of adoption.) Such children will be provided Coverage under the same terms and conditions that apply to Dependents who are a Covered Employee's natural children, irrespective of whether the adoption has become final, and with no pre-existing conditions limitations applied provided the Dependent is under age 19 and is enrolled in a timely manner as stated within.

The term "**children**" also means a Covered Member's child who is recognized under a Qualified Medical Child Support Order (QMCSO) as having a right to Coverage under This Plan as an "alternate recipient." The HPP Administrator will communicate the procedures which have been established to determine whether a Medical Child Support Order is qualified under ERISA Sec. 609, and within a reasonable time after receiving an order will determine whether or not the order is qualified, and whether or not the child has been determined to be an "alternate recipient." The Covered Employee and each child who is the subject of the order will be notified of the determination. Such children may designate a representative to receive copies of all such notices.

A child determined to be an "**alternate recipient**" will be provided Coverage under the same terms and conditions that apply to Dependents who are a Covered Employee's natural children, with no pre-existing conditions limitations applied provided the Dependent is under age 19 and is enrolled in a timely manner as stated within.

All children are eligible for Coverage until the end of the calendar year in which the child reaches the age of 26. However a child will remain a Dependent until the end of the calendar year in which the child reaches the age of 30, even after leaving college and home, so long as the young adult meets the following conditions:

- Must either live in Florida or be a full-time or part-time student whose parent resides in Florida;
- Must not be married;
- Must not have a dependent of his or her own;
- Must not be covered by another health plan or policy (group or individual) or by Medicare; and
- If the child was covered under the parent's health insurance policy up to the age of 26, and that coverage was subsequently terminated, the child must have been continuously covered by

DEFINITIONS (Continued)

other health insurance without a gap in coverage of more than 63 days in order to re-enroll in the parent's health insurance policy.

Dependent children from age 27 to 30 will incur additional cost for the coverage; see your Benefits Department for details.

If the employee fails to notify the HPP Administrator, in writing within 60 days, of a Dependent's change in eligibility status, the Dependent shall lose the right of Continuation of Coverage under COBRA. (See the COBRA section of this book for further details.)

Special Exception for Medical Necessity (Michelle's Law): Notwithstanding the foregoing a covered Employee's unmarried child will not immediately lose eligibility to participate in the Plan if such child loses his or her required student status as a result of a change in enrollment (included a leave of absence) that (i) is medically necessary and (ii) commences while the child is suffering from a serious illness or injury. This special exception for medical necessity will delay termination of coverage until the earlier of one year from the first day of the medically necessary leave of absence or the date that the Dependent would otherwise lose coverage under the Plan for reasons other than student status (e.g. age limitations), unless the child regains full-time student status prior to such termination date.

The term **Dependent** also includes an Employee's unmarried child while the child is Physically, or Mentally Handicapped and is incapable of earning his own living, and who is actually dependent on either parent for a majority of his maintenance and support, and who is a Covered Member on the date immediately preceding the date his health Coverage would have terminated due to age. Proof of incapacity must be submitted to the HPP Administrator within 31-days of the date his health Coverage would have terminated due to age.

In the event both parents of an eligible Dependent child are Covered Members, then for the purposes of this Coverage, such child is considered as a Dependent of either parent, but not both parents.

No eligible person can be a Covered Employee, and a Covered Dependent at the same time. No person can be covered as a Dependent of more than one Employee.

Diagnostic Charges means the charges for x-rays, or laboratory examinations made or ordered by a Physician in order to detect a medical condition.

Disability - A person is totally disabled if prevented by Illness, or Injury from engaging in the normal duties of the occupation for 36-months, and thereafter unable to perform the duties of any occupation for which they may become qualified based on education, training, or experience. Disability determination will be made by the current Disability insurance carrier for the Employer.

Drug Abuse or Dependency - See Substance Abuse.

Durable Medical Equipment means equipment able to withstand repeated use for the therapeutic treatment of an active Illness, or Injury. Such equipment will not be covered under This Plan if it could be useful to a person in the absence of an Illness, or Injury and could be purchased without a Physician's Prescription.

Elective Hospital Admission means any non-emergency Hospital admission which may be scheduled at the patient's convenience without jeopardizing the patient's life, or causing serious impairment.

DEFINITIONS (Continued)

Elective Surgical Procedure means any non-emergency Surgical Procedure which may be scheduled at the patient's convenience without jeopardizing the patient's life or causing serious impairment.

Eligible Charges; Eligible Expenses; Covered Expenses; Covered Charges; Covered Service means a medical, or dental treatment, or procedure given by, or under the direction of, a licensed Physician, or Practitioner of an approved type usually provided for the condition being treated and for which Coverage is provided under This Plan.

Emergency means an Illness, and/or Injury which occurs suddenly and unexpectedly, requiring immediate medical care and use of the most accessible facility equipped to furnish care to prevent the death, or serious impairment of the Covered Member.

Such conditions include, but are not limited to, suspected heart attack, loss of consciousness, actual or suspected poisoning, acute appendicitis, heat exhaustion, convulsions, emergency medical care rendered to Accident cases, and other potentially life-threatening conditions.

Employee Assistance Plan (EAP) is a completely confidential counseling service to help Employees and family members deal with personal problems that may cause productivity at work to suffer. Short-term counseling is currently provided by Corporate Care Works (CCW).

Employee means a person who is directly employed in the regular business of and compensated for services by the Employer or any subsidiary or affiliate, and who actively expends time and energy in the service of the Employer at the Employer's usual place of business, or some other location which is usual for the Employee's particular duties, other than the Employee's home.

Employer means County of Volusia.

Experimental or Investigational Treatment means a treatment, procedure, service, device or drug (treatment) that has not been approved by the US Food & Drug Administration at the time the treatment is provided or the treatment is in Phase I, II or III clinical trials or under study to determine its maximum tolerated dose, its safety, its efficacy, or its toxicity as compared to the standard means of treatment or diagnosis, except as required by state or federal statutes or laws.

In determining whether benefits should be excluded, the prevailing criteria for consideration will be whether the service is recognized as standard medical care for the condition, disease, illness or injury being treated.

Extended Care Facility - see Skilled Nursing Facility.

Family Status Change or Status Change means a life event which qualifies an Employee to make a change in his Coverage, outside of the Annual Enrollment Period. Below is a list of qualifying events:

1. The marriage, divorce, or legal separation (where legally recognized) of an Employee;
2. The death of the Employee's Spouse, or a Dependent;
3. The birth, or adoption of a child of the Employee;
4. The termination, or commencement of employment of Employee's Spouse;
5. The switching from part-time to full-time employment status, or from full-time to part-time status by the Employee, or the Employee's Spouse;
6. The taking of an unpaid Leave of Absence by the Employee, or Employee's Spouse;
7. A significant change occurs in the health coverage of the Employee, or Spouse attributable to the Spouse's employment; or
8. The loss of coverage related to Medicaid or SCHIP (see page 20).

DEFINITIONS (Continued)

Freestanding Surgical Unit means a public or private facility, licensed and operated according to the law, which does not provide services or accommodations for the patient to stay overnight. The facility must have an organized medical staff of Physicians; maintain permanent facilities equipped and operated primarily for the purpose of performing Surgical Procedures; and supply registered professional nursing services whenever a patient is in the facility. The facility may also be referred to as an Outpatient Surgical Facility, or Ambulatory Surgical Center.

The term does not include a facility for the primary purpose of performing terminations of Pregnancy, an office maintained by a Physician for the practice of medicine, or an office maintained for the practice of dentistry.

Genetic Information Nondiscrimination Act (GINA) – See page 15.

Home Health Services. The HPP will pay up to one visit per day, as shown in the Summary of Medical Benefits. Four (4) hours of service provided by a Nurse, therapist or a home health aid is considered to be one Home Health Care visit. Payment for these services and supplies is limited to the amount that the HPP would have paid if the Covered Person had been confined in the Hospital as a registered bed patient.

Home Health Care services are as follows:

- part-time or intermittent nursing care provided in the patient's home by registered graduate nurses, licensed practical nurses or licensed vocational nurses;
- nutrition counseling;
- medical social services;
- medical supplies provided to the patient by a member of the home health care team;
- prescription drugs provided to the patient by a member of the home health care team;
- laboratory examinations;
- physical, respiratory, inhalation, occupation or speech therapy provided in the patient's home by physical, occupation or speech therapists; and
- home health aide services in the patient's home by home health aides.

No amount will be payable for Home Health Care Covered Expenses unless the following conditions are met:

- Continued confinement in a Hospital or Skilled Nursing Facility would have been required if Home Health Care had not been available.
- The Care at home is Medically Necessary and is not primarily for Custodial Care.
- The treatment at home is for the same Illness or related condition which made the Hospital or Skilled Nursing Facility confinement necessary.
- A Doctor must have given a written order for Home Health Care Services. This order must be renewed every 30 days.

Hospice Care means a program approved by the attending Physician for care rendered in a Hospice Facility, a Hospital, or in the home to a Terminally Ill Covered Member with a medical prognosis that life expectancy is 6-months or less.

DEFINITIONS (Continued)

Hospice Facility means a public or private organization, licensed and operated according to the law, primarily engaged in providing palliative, supportive, and other related care for a Covered Member diagnosed as Terminally Ill with a medical prognosis that life expectancy is 6-months or less.

Hospital means an institution constituted, licensed, and operated as set forth in the laws that apply to Hospitals, if it: (1) provides Room and Board and nursing care for its patients; (2) has a staff with one or more Physicians available at all times; (3) provides 24-hour registered nursing service; (4) maintains on its premises all the facilities needed for the diagnosis and medical care and treatment of Sickness or Injury; and (5) provides organized facilities for major Surgery. This term does not include an institution, or that part of an institution, which is, other than by coincidence, used for: (1) rest care; (2) convalescent care; (3) care of the aged; or (4) Custodial Care.

Illness means any bodily Sickness, disease, or disorder; Pregnancy; Complications of Pregnancy; or Mental and Nervous Disorders.

Injury means a condition which results independently of an Illness and all other causes and is a result of an externally violent force or Accident. In regard to Dental benefits, it means all damage done to a Covered Member's mouth due to an Accident, and all complications resulting from that damage. The term does not include damage to teeth, appliances or prosthetic devices which results from chewing or biting food or other substances.

Inpatient means a person who is confined in an approved facility during the period when he is charged for Room and Board.

Intensive Care Unit means a section, ward, or wing within a Hospital which is operated exclusively for critically ill patients and provides special supplies, equipment, constant observation and care by registered graduate Nurses, or other highly trained personnel. This excludes, however, any Hospital facility maintained for the purpose of providing normal post-operative recovery treatment or service.

The Joint Commission means a commission formerly The Joint Commission on Accreditation of Healthcare Organizations (JCAHO) that operates accreditation programs to subscriber hospitals and other health care organizations. The Joint Commission accreditation has become a condition of licensure and the receipt of Medicaid reimbursement for a majority of state governments.

Leave of Absence means a period of time, of stated duration, during which the Employee does not work but after which time the Employee is expected to return to active work.

Lifetime means the period of time a Covered Member is a participant in This Plan, whether in one period of time or in separate periods of time.

Medical Emergency - see Emergency.

Medically Necessary (Medical Necessity) means the care and treatment of a Covered Member must meet all of the following conditions: (a) the care and treatment is appropriate given the symptoms and is consistent with the diagnosis (appropriate means that the type, level and length of service and setting are needed to provide safe and adequate care and treatment); (b) the service or supply required for the diagnosis or treatment of an active Illness or Injury is rendered by or under the direct supervision of the attending Physician; (c) the care and treatment is rendered in accordance with generally accepted medical standards; (d) the treatment must not be generally regarded as experimental; (e) the treatment must have been proven safe and effective; (f) the treatment is consistent with current acceptable

DEFINITIONS (Continued)

medical practices and sufficient information must be available for the success rate or risk involved; (g) the treatment is specifically allowed by the licensing statutes which apply to the provider who renders the service; and (h) treatment must not be specifically excluded under the terms of This Plan. The fact that a service is prescribed by a Physician does not necessarily mean that the service is Medically Necessary.

Medicare means Title XVIII (Health Insurance for the aged) of the United States Social Security Act as amended.

Mental/Nervous Disorder (or Illness) means a mental, or emotional disease, or disorder of any kind, including any neurosis, psychoneurosis, psychopathy, psychosis, or personality disorder which requires regular care by a Physician.

Mental/Nervous Treatment Facility means a public or private facility, licensed and operated according to the law, which provides a program for diagnosis, evaluation, and effective treatment of Mental/Nervous Disorders; infirmity-level medical services; supervision by a staff of Physicians; and skilled nursing care by Licensed Practical Nurses who are directed by a full-time R.N. The facility must also prepare and maintain a written plan of treatment for each patient. The plan must be based on medical, psychological and social needs.

Michelle's Law – See page 66.

Network Providers mean a participating Physician, Hospital, Qualified Practitioner, or healthcare facility that has an in force agreement to provide healthcare services for Participants under This Plan.

Newborn Well Baby Care means the charges made by a Hospital for Nursery care, the attending pediatrician's charges for the care of a newborn child, and the Physician's charge for circumcision.

Non-Network Provider means a Physician, Hospital, Skilled Nursing Facility, Home Health Care Agency, any other duly licensed institution, or health Practitioner who is not under contract with the Preferred Provider Network.

Nurse means a Registered Nurse (R.N.), a Licensed Practical Nurse (L.P.N.), or a Licensed Vocational Nurse (L.V.N.).

Nurse Midwife means a Registered Nurse who is certified as a Nurse Midwife by the American County of Nurse-Midwives, and who is authorized to practice as a Nurse Midwife under the state regulations.

Occupational Therapy means a program of self-care designed to restore, develop, and maintain a patient's ability to perform functional daily tasks in order to achieve maximum independence.

Orthodontic Treatment means the movement of one or more teeth by the use of active appliances. It includes diagnostic services; the Treatment Plan; the fitting, making and placement of an Active Appliance; and all related office visits, including post-treatment stabilization.

Out-of-Network Provider means any Physician, Hospital, Qualified Practitioner, or other healthcare facility that does not have an in-force agreement to provide health care services for Participants under This Plan is deemed to be non-participating and outside the scope of Network Providers.

Outpatient means a person who receives care for an Illness, or an Injury but who is not confined as an Inpatient and is not charged for Room and Board.

DEFINITIONS (Continued)

Outpatient Surgical Facility - See Freestanding Surgical Unit.

Personal Care Physician (PCP) means a doctor in family practice, internal medicine, gynecology, or pediatrics.

Pharmacist means a person who is licensed to prepare, compound, and dispense medication and who is practicing within the scope of his or her license.

Pharmacy means a licensed establishment where Prescription medications are dispensed by a Pharmacist.

Physical Therapy means a program of care, including exercises and movements to maximize the patient's motor skills, provided by a Registered Physical Therapist, or Licensed Massage Therapist, designed to return a patient to the highest level of motor functioning possible.

Physically or Mentally Handicapped means the inability of a person to be self-sufficient as the result of a condition such as mental retardation, cerebral palsy, epilepsy, or other neurological disorder and diagnosed by a Physician as a permanent and continuing condition.

Physician means a person acting within the scope of his/her license and who is legally entitled to practice medicine in all its branches under the laws of the state or jurisdiction where the services are rendered. The term includes, but is not limited to, those holding the degree of Doctor of Medicine (M.D.), Doctor of Osteopathy (D.O.), Doctor of Dental Surgery (D.D.S.), Doctor of Dental Medicine (D.M.D.), Doctor of Podiatry Medicine (D.P.M.), Doctor of Chiropractic (D.C.), or a clinical psychologist who has a Ph.D. in Psychology.

Plan Administrator means the person or organization responsible for the day-to-day functions and management of This Plan. The HPP Administrator may employ persons or firms to process claims and perform other Plan-connected services.

The HPP Administrator for This Plan is County of Volusia, 230 N. Woodland Blvd., Ste. 262, DeLand, FL 32720.

Plan; This Plan whenever used herein without qualification will mean the HPP of benefits as contained in this Summary Plan Description and in any agreements, schedules and Amendments endorsed by the Employer.

Practitioner means a person acting within the scope of applicable state licensure/certification requirements and performing a service for which benefits are provided under the HPP.

Preferred Provider means a Physician, Hospital, Skilled Nursing Facility, Home Health Care Agency, any other duly licensed institution, or health Practitioner under contract with the Preferred Provider Network.

Preferred Provider Network (PPN) means the group of Physicians, Hospitals and other health care providers who have an agreement with your Employer to provide services through a PPN (Preferred Provider Network) in order to provide quality care in the most cost effective way.

Pregnancy means Pregnancy and the resulting childbirth, therapeutic abortion, or miscarriage. It does not include any Complications of Pregnancy.

DEFINITIONS (Continued)

Premature Birth means a birth occurring at 37-weeks, or less before full term. It also includes congenital anomalies, or any Injury or Illness existing at birth including any complications from these conditions.

Prescription means a direct order for the preparation and use of a drug, medicine or medication. This order may be given verbally or in writing by a Physician to a Pharmacist for the benefit of and use by a Covered Member. The drug, medicine or medication must be obtainable only by Prescription. The Prescription must include the name and address of the Covered Member for whom the Prescription is intended; the type and quantity of the drug, medicine or medication prescribed; and the directions for its use; the date the Prescription was prescribed; and the name, address and DEA number of the prescribing Physician.

Psychiatric Disorder means neurosis, psychoneurosis, psychopathy or psychosis.

PRIVACY AND SECURITY OF PROTECTED HEALTH INFORMATION

Group Health Plan's Designation of Entity to Act on its Behalf.

The **County of Volusia Health Partnership Plan** (the HPP) has determined that it is a Group Health Plan within the meaning of the HIPAA Privacy Rule, and the HPP designates the HPP Sponsor, **County of Volusia**, to take all actions required to be taken by the Group Health Plan in connection with the HIPAA Privacy Rule.

This Section applies to the HPP solely to the extent it provides medical, dental, vision, and any other benefits that constitute group health plan benefits under 45 C.F.R. §160.103, and does not apply to any non-health benefits or benefits that provide or pay for the cost of excepted benefits that are listed in 42 U.S.C. §300gg 91(c)(1).

A. USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION (PHI)

(1) The HPP will use PHI to the extent of, and in accordance with, the uses and disclosures permitted by HIPAA, including but not limited to health care treatment, payment for health care, health care operations and as required by law. The Privacy Notice will list the specific uses and disclosure of PHI that will be made by the HPP.

(2) Disclosure to the HPP Sponsor. The HPP will disclose PHI to the HPP Sponsor only upon receipt of written certification from the HPP Sponsor that:

- (a) The HPP document has been amended to incorporate the provisions in this Section; and
- (b) The HPP Sponsor agrees to implement the provisions in Subsection B below.

B. CONDITIONS IMPOSED ON PLAN SPONSOR. Notwithstanding any provision of the HPP to the contrary, the HPP Sponsor agrees:

(1) Not to use or disclose PHI other than as permitted or required by this Section or as required by law;

(2) To ensure that any agents, including a subcontractor, to whom the HPP Sponsor provides PHI received from the HPP agree to the same restrictions and conditions that apply to the HPP Sponsor with respect to PHI received or created on behalf of the HPP and ensure that such individuals agree to implement reasonable and appropriate security measures to protect electronic PHI;

(3) Not to use or disclose an individual's PHI for employment-related purposes (including hiring, firing, promotion, assignment or scheduling) unless authorized by the Individual. Notwithstanding this paragraph (3), the HPP Sponsor may use enrollment, disenrollment and eligibility information as permitted by 45 C.F.R. Parts 160-164 to perform enrollment and disenrollment functions.

(4) Not to use or disclose an Individual's PHI in connection with any other non-health benefit program or employee benefit plan of the HPP Sponsor unless authorized by the Individual;

(5) To report to the HPP any use or disclosure of PHI that is inconsistent with this Section or any Security Incident, if it becomes aware of an inconsistent use or disclosure. Security Incident

PRIVACY AND SECURITY OF PROTECTED HEALTH INFORMATION (Continued)

includes reporting for both attempted and successful unauthorized access, use, disclosure, modification, and destruction of information, or interference with system operations. As a result, the HPP Sponsor shall report the aggregate number of unsuccessful, unauthorized attempts to access, use, disclose, modify or destroy electronic Protected Health Information or interfere with systems in operations in an information system containing electronic Protected Health Information. These reports will be provided only as frequently as the HPP and the HPP Sponsor mutually agree, but no more than once per month. For any successful unauthorized, attempts to access, use, disclose, modify or destroy electronic Protected Health Information or interfere with systems in operations in an information system containing electronic Protected Health Information, the HPP Sponsor shall report in writing any such use or disclosure to the HPP as soon as administratively possible;

(6) To provide Individuals with access to PHI in accordance with 45 C.F.R. §164.524;

(7) To make available PHI for amendment and incorporate any amendments to PHI in accordance with 45 C.F.R. §164.526;

(8) To make available the information required to provide an accounting of disclosures in accordance with 45 C.F.R. §164.528;

(9) To make internal practices, books and records relating to the use and disclosure of PHI received from the HPP available to the Secretary of Health and Human Services for purposes of determining the HPP's compliance with HIPAA;

(10) If feasible, to return or destroy all PHI received from the HPP that the HPP Sponsor maintains in any form, and retain no copies of such PHI when no longer needed for the purpose for which disclosure was made. If return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction infeasible;

(11) To ensure adequate separation supported by reasonable and appropriate security measures is implemented between the HPP and the HPP Sponsor as required by 45 C.F.R. §164.504(f)(2)(iii) and described in this Section; and

(12) Implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of electronic PHI that the HPP Sponsor creates, receives, maintains or transmits on behalf of the HPP.

C. DESIGNATED EMPLOYEES WHO MAY RECEIVE PHI. In accordance with the Privacy Rules, only certain, designated Employees who perform Plan administrative functions may be given access to PHI. Those Employees or class of Employees who have access to PHI are as follows (or their equivalents and successors within the HPP Sponsor's workforce):

(1) Benefits Department;

(2) Privacy Official;

(3) Members of the Corporate in-house legal staff who have limited access to Participant's PHI for purposes of assisting with Plan interpretation; and

(4) Members of the Payroll and Information Technology Departments who have limited access to Participant's PHI.

PRIVACY AND SECURITY OF PROTECTED HEALTH INFORMATION (Continued)

D. RESTRICTIONS ON EMPLOYEES WITH ACCESS TO PHI. The Employees who have access to PHI may only use and disclose PHI for Plan administration functions that the HPP Sponsor performs for the HPP, as set forth in the Privacy Notice, including but not limited to, quality assurance, claims processing, auditing, monitoring, and management of the HPP and coordination with other benefits.

E. POLICIES AND PROCEDURES. On or before the effective date of the Privacy Rules, the HPP Sponsor shall have implemented Policies and Procedures setting forth operating rules to implement the provisions hereof.

F. ORGANIZED HEALTH CARE ARRANGEMENT. It is intended that the HPP may form part of an Organized Health Care Arrangement.

G. HYBRID ENTITY DESIGNATION. The HPP Administrator intends the HPP to be a Hybrid Entity in accordance with 45 C.F.R. §164.504(b) and only those benefits that would be a covered health plan under 45 C.F.R. §160.103 (if set forth as a separate plan) will constitute the health care components of the HPP. Any benefit offered by the HPP that would not be a covered health plan under 45 C.F.R. §160.103 if provided through a separate plan is a non-health care component of the Hybrid Entity and is not subject to the Privacy Rules.

H. PRIVACY OFFICIAL. The HPP shall designate a Privacy Official, who will be responsible for the HPP's compliance with the privacy provisions of HIPAA. The Privacy Official may contract with or otherwise utilize the services of attorneys, accountants, brokers, consultants, or other third party experts as the Privacy Official deems necessary or advisable. In addition, and notwithstanding any provision of this Plan to the contrary, the Privacy Official shall have the authority to and be responsible for:

(1) Accepting and verifying the accuracy and completeness of any certification provided by the HPP Sponsor under this Section;

(2) Transmitting the certification to any third parties as may be necessary to permit them to disclose PHI to the HPP Sponsor;

(3) Establishing and implementing policies and procedures with respect to PHI that are designed to ensure compliance by the HPP with the Privacy Rules;

(4) Establishing and overseeing proper training of the HPP, or the HPP Sponsor personnel who will have access to PHI; and

(5) Any other duty or responsibility that the Privacy Official, in his or her sole capacity, deems necessary or appropriate to comply with the Privacy Rules and the purposes of this Section.

I. SECURITY OFFICIAL. The HPP shall designate a Security Official, who will be responsible for the HPP's compliance with the security provisions of HIPAA. The Security Official may contract with or otherwise utilize the services of attorneys, accountants, brokers, consultants, or other third party experts as the Security Official deems necessary or advisable. In addition, and notwithstanding any provision of this Plan to the contrary, the Security Official shall have the authority to and be responsible for:

PRIVACY AND SECURITY OF PROTECTED HEALTH INFORMATION (Continued)

(1) Accepting and verifying the accuracy and completeness of any certification provided by the HPP Sponsor under this Section;

(2) Transmitting the certification to any third parties as may be necessary to permit them to disclose electronic PHI to the HPP Sponsor;

(3) Establishing and implementing policies and procedures with respect to electronic PHI that are designed to ensure compliance by the HPP with the security requirements of HIPAA;

(4) Establishing and overseeing proper training of the HPP, or Plan Sponsor personnel who will have access to electronic PHI; and

(5) Any other duty or responsibility that the Security Official, in his or her sole capacity, deems necessary or appropriate to comply with the security provisions of HIPAA and the purposes of this Section.

J. NONCOMPLIANCE. The HPP Sponsor shall provide a mechanism for resolving issues of noncompliance, including disciplinary sanctions for personnel who do not comply with the provisions of this Section.

K. INTERPRETATION AND LIMITED APPLICABILITY. This Section serves the sole purpose of complying with the requirements of HIPAA and shall be interpreted and construed in a manner to effectuate this purpose. Neither this Section nor the duties, powers, responsibilities, and obligations listed herein shall be taken into account in determining the amount or nature of the benefits provided to any person covered under this Plan, nor shall they inure to the benefit of any third parties. To the extent that any of the provisions of this Section are no longer required by HIPAA, they shall be deemed deleted and shall have no further force or effect.

L. SERVICES PERFORMED FOR THE HPP SPONSOR. Notwithstanding any other provision of this Plan to the contrary, all services performed by a business associate for the HPP in accordance with the applicable service agreement shall be deemed to be performed on behalf of the HPP and subject to the administrative simplification provisions of HIPAA contained in 45 C.F.R. parts 160 through 164, except services that relate to eligibility and enrollment in the HPP. If a business associate of the HPP performs any services that relate to eligibility and enrollment to the HPP, these services shall be deemed to be performed on behalf of the HPP Sponsor in its capacity as Plan sponsor and not on behalf of the HPP.

M. DEFINITIONS. As used in this Section, each of the following capitalized terms shall have the respective meaning given below:

HIPAA means the Health Insurance Portability and Accountability Act of 1996, as amended.

Individual means the person who is the subject of the health information created, received or maintained by the HPP or the HPP Sponsor.

Organized Health Care Arrangement means the relationship of separate legal entities as defined in 45 C.F.R. §160.103.

PRIVACY AND SECURITY OF PROTECTED HEALTH INFORMATION (Continued)
