

Plan an environmental field trip

Thank you for your interest in educational programs at the **Lyonia Environmental Center (LEC)**! By planning a trip to the LEC, you are giving your students an opportunity to learn about a unique ecosystem – the Florida scrub.

The LEC offers a variety of programs that will take students and visitors on a journey inside our classrooms and along the Lyonia Preserve trails. Your group can enjoy interpretive tours of the LEC gallery and Lyonia Preserve, or you can customize your day from a menu

of programs that are linked to FCAT and Sunshine State Standards. Programs generally last 2 to 2.5 hours.

The fee is \$3 per student. For every 10 students, one teacher or chaperone is admitted free. Additional participating adults are charged \$6 each. Tax is included in the program fees.

For more information or to book a reservation, please contact Sandy Falcon at sfalcon@volusia.org or 386-789-7207, ext. 21025.

We look forward to seeing you!

Lyonia Environmental Center
2150 Eustace Ave., Deltona, FL 32725
