The Volusia Growth Management Commission received two new small scale comprehensive plan amendment applications, VGMC Case Nos. 20-054 and 20-055, on August 17, 2020, from the City of Oak Hill, Florida. The proposed amendments affect the comprehensive plan as follows:

VGMC #20-055 -- Change the future land use designation of approximately 8.8 acres located at 4799 Maple Lane, from Volusia County Rural to City of Oak Hill Agriculture.

Any substantially affected or aggrieved unit of local government as defined in Article II., Section 90-31 of the Volusia County Code shall have a right pursuant to the Volusia Growth Management Commission Comprehensive Plan Consistency Certification Rules to petition for a public hearing on the applications. The petition must contain the information set forth below and must be received by the commission on or before September 8, 2020, which is 21 days from receipt of the complete application. At the time of filing with the commission, a copy of the petition must also be sent electronically, via U.S. Mail or hand delivered to Kohn Evans, City Clerk/Administrator, City of Oak Hill, 234 South US Highway #1, Oak Hill, FL, 32759.

Any person who believes the unit of local government in which they reside could be substantially affected or aggrieved by the application is directed to address that concern with the elected governing body of the unit of local government in which they reside. Nothing in this section shall be deemed to prohibit or prevent members of the public from being heard at the public hearing required by section 90-35 pursuant to § 286.011 of the Florida Statutes.
