NEW BUSINESS

1) Approval of Minutes – January 27, 2021 POP Committee Meeting

Loretta Arthur made a motion to approve the minutes of the January 27, 2021 POP Committee meeting as presented; seconded by Larry Saffer. Motion carried unanimously.

2) Consideration of draft amendments to the VGMC Consistency Certification Rules to allow for electronic transmission of VGMC applications, and recommend action on VGMC Resolution #2021-02 authorizing transmittal of the proposed amendments to the Volusia County Council for consideration and action

Ms. Connors stated that many local governments allow documents to be submitted online which creates time and cost savings. She stated the VGMC has the ability to do so as well, and has set up a secure file upload (SFU) site that mirrors the Florida Department of Economic Opportunity portal used by the local governments to submit comprehensive plan amendments to the State.

VGMC Chair Vihlen stated he reached out to the County Manager to determine if he would conceptually support allowing applications to be submitted electronically and received a favorable response. Ms. Smith added that the response from the County Manager’s office indicated the County planning staff supports the efforts as well. She also stated that she worked with the County IT staff to develop an online portal very similar to what the local governments utilize to submit amendments to the State. The portal is currently in test mode and will go live if approved by the VGMC and the County Council.

Several committee members commented in favor of the changes. Ms. Smith read a motion for consideration by the committee if they wished to move the item forward to the commission for approval.

Mary Swiderski made a motion to recommend the VGMC approve Resolution #2021-02 with suggested and proposed amendments to the VGMC Consistency Certification Rules to allow for
application packages to be submitted electronically and to authorize transmittal of Resolution #2021-02 with the proposed amendments to the Volusia County Council for consideration and action. Motion seconded by Loretta Arthur and carried unanimously.

There was brief discussion regarding presentation of the motion to the full commission.

3) Consider modifications to the VGMC application which would be implemented upon final adoption of amendments to the Consistency Certification Rules

Ms. Connors stated the proposed changes to the application are in the agenda package and asked if there were any questions or comments from the members. Ms. Smith commented that changes to the application will only occur if the rules amendments are approved by the County Council.

Ms. Smith read a motion for consideration by the committee if they wished to move the item forward to the commission for approval.

Mary Swiderski made a motion to recommend the VGMC approve the revised application for Comprehensive Plan Amendment Consistency Certification to (i) allow application packages to be submitted electronically, (ii) allow application packages to be signed electronically, and (iii) remove the notary requirement with the condition that the revisions to the application will become effective only if and when the Volusia County Council adopts the amendments to Article II of Chapter 90 of the Volusia County Code to allow for comprehensive plan amendments to be submitted online. Motion seconded by Jack Surrette and carried unanimously.

4) Review VGMC Rules of Procedure for Meetings, Membership, and Operations

Ms. Connors reviewed the proposed changes to the rules of procedure. Ms. Smith pointed out that there is no specific action necessary at this meeting. The rules require that the VGMC Rules of Procedure for Meetings, Membership, and Operations be placed on the VGMC agenda for discussion the meeting prior to any vote on changes. She further stated the item is scheduled for discussion and direction by the full commission in the later meeting, and staff will bring any changes back to the full commission in the form of a resolution at the next meeting.

Ms. Ramos asked if the committee would want to include a change to the rule requiring two meetings to amend the rules. Ms. Smith stated the provision was added a number of years back. Committee member Storke stated he recalled at the time that a member of the commission was unhappy that a change in the rules of procedure was presented for a vote prior to any discussion by the full commission.

RE: Resolution #2021-03, Amendments to the VGMC Rules of Procedure

Attached please VGMC Resolution #2021-03 with proposed amendments to the VGMC Rules of Procedure for Meetings, Membership and Operations. The changes proposed in the attached resolution include those discussed at the June 23, 2021 meeting, along with one additional revision for discussion relating to terms of office.

Presently, elected officers serve for a term of one year, with a limit of two consecutive terms in the same office. Since adoption of the changes to the certification rules several years ago, the VGMC does not meet nearly as often as in years past, currently averaging approximately three meetings per year. In order to provide expanded officer opportunity and continuity given the infrequency in which we meet, the commission may want to consider increasing the two term limitation.

Following is a summary of the revisions proposed in Resolution #2021-03:

1) Page 4, Article II., Section 10 – clerical correction;
2) Page 7, Article VII., Section 2 – increase the two-term officer limitation to four
3) Page 8, Article VII., Section 4 – clerical correction; and
4) Page 12, Article IX, Section 7 – clarifies that in-person attendance is necessary to be eligible for travel reimbursement.

The POP Committee will review the proposed amendments and bring forward a recommendation for consideration by the full commission at the regular meeting.

If you have any questions in the meantime, please do not hesitate to contact me.

Merry Chris

Attached please find the proposed renewal contracts from GrayRobinson, S&ME and VHB for legal and planning services for the 2021-22 fiscal year.

The GrayRobinson proposed contract is consistent in both provisions and pricing with the current legal contract.

The SME proposed contract terms are generally consistent with the current approved contract except that it proposes an increase in hourly rate for project manager Chris Dougherty from $125 to $135 per hour.

The VHB proposed contract terms are generally consistent with the current approved contract except that it proposes an increase in hourly rate for project manager Erika Hughes from $135 to $145 per hour, and $115 to $125 per hour for Tyler Johnson who assists Erika in the planning reviews.

The POP Committee will review the contracts and consider a recommendation to bring before the full commission at the September 22nd regular meeting.

If you have any questions in advance of the meeting, please do not hesitate to contact me.

Re: Legal Representation Contract for Services for Fiscal Year 2021/2022

Dear Mr. Vihlen:

This letter is sent in response to your request for a contract letter to be reviewed by the Personnel, Operations and Procedures (POP) Committee. This letter is for the fiscal year 2021/2022 for our firm’s legal representation of the Volusia Growth Management Commission (the “Commission”).

Over the years, it has been our experience that things go more smoothly if we have a clear understanding of your needs and the role we need to play. The purpose of this engagement letter is to confirm an agreement concerning representation and the payment of our fees and expenses. This engagement letter will govern all subsequent matters in which we may become involved on your behalf unless a separate arrangement is made.

We will do our very best to meet your needs in any matters we undertake for you, but as you know, we cannot and do not make any representations or warranties concerning the outcome. We will give you our best advice, render opinions, and seek to obtain the desired result. In this regard, it is most important that we communicate regularly.

As general counsel to the Commission, our duties will include:

(i) Attendance at all meetings of the full Commission (unless our attendance is deemed not necessary by the chairman or his designee) at which we will provide oral reports on legal activities, if any;

(ii) Analysis of and comments on applications to the Commission for consistency certification when a request for comment is received from planning staff;

(iii) Preparation of draft resolutions regarding consistency certification applications for consideration by the Commission;
(iv) Consultations with the Commission Operations Manager and chairman on procedural matters and prepare procedural memorandums as so directed in the Commission’s Rules of Procedure;

(v) Upon prior approval from the chairman, meeting with the local governments and proponents of a comprehensive plan change to discuss and review legal issues on particular applications to the Commission; in the event there are exigent circumstances to attend such a meeting and prior approval from the chairman is not possible, authorization to attend said meeting may be obtained from the vice chairman or the secretary to the Commission;

(vi) Attendance at the Commission’s committee meetings as directed by the committee chair;

(vii) Undertaking special projects and preparing reports as directed by the Commission; and

(viii) Immediately addressing and responding to new litigation matters so as to preserve jurisdiction of the Commission and subsequently present the litigation matter to the full Commission for direction on the litigation position of the Commission and for direction as to whether general counsel shall pursue such litigation on behalf of the Commission.

GrayRobinson will begin performance of the above services on the date written authorization to proceed is received. The duration of this continuing services Agreement shall be one (1) year. The Commission shall have the option of extending this Agreement for additional one (1) year terms; however, this Agreement will revert to a month-to-month contract under the current terms until such time as a new Agreement is reached.

In the event GrayRobinson elects to withdraw from representation, or if the Commission, by a weighted majority vote of the Commission, elects to terminate the services of GrayRobinson, a minimum of 90 days written notice will be provided to the affected party.

GrayRobinson strives to maintain the highest ethical standards. GrayRobinson is governed by the Florida Bar’s Rules of Professional Conduct, including but not limited to, Rule 4-1.7, Conflict of Interest, Current Clients, and Rule 4-1.9, Conflict of Interest, Former Client, and represents that GrayRobinson will at all times perform any and all services under this Agreement in compliance with the Rules of Professional Conduct.

GrayRobinson agrees that, if changes, including additions, to the facts disclosed by it prior to execution of this Agreement, occur during performance of this Agreement, it shall make an immediate and full disclosure of such changes in writing to the Commission. GrayRobinson shall not undertake any representation of other clients which may result in a conflict of interest, without first obtaining written informed consent from each affected client(s), including the
Commission, prior to commencement of such representation consistent with Rule of Professional Conduct 4-1.7(b).

I am submitting the following arrangements with our firm regarding fees and costs:

1. Our fees will be based on an hourly rate of $225.00 for attorneys and $105.00 for paralegals. As you are aware, this hourly attorney and paralegal rate is considerably below the hourly rates normally charged our clients. I will be primarily responsible for your work, and will be assisted by other legal staff as necessary, including, but not limited to our paralegal, Stephanie Cross, who may also work on matters related to the Commission.

2. Our statement for fees and costs will be submitted on a monthly basis and are normally to be paid within thirty days of receipt of the statement. Included with this letter, please find a copy of our firm’s policy regarding fees and costs and document and file retention. All conditions in that document are incorporated by reference as a part of this fee letter. Please read the document carefully. Also attached is a copy of our current cost recovery rates/charges. We will continue to reduce photocopying costs for the Commission and mileage will be computed at 44.5 cents per mile for all travel related to the Commission per Section 112.061(7)(d)1 of the Florida Statutes.

If the foregoing meets with the approval of you and the Commission, please have the Commission’s authorized representative execute this letter agreement in the space provided, and return it to me. Your acceptance of our representation will include our agreement regarding fees and costs.

Our firm looks forward to continuing to work with you and all the Commissioners in the future. If you have any questions regarding this representation letter or any other matter, do not hesitate to call me.

Sincerely,

GrayRobinson, P.A.

POLICY REGARDING FEES AND EXPENSES

FEES:

Quality legal services and good results require ability and effort. These are our "stock in trade." Our fees are based on our skill, the time expended, and the responsibility involved. Our fees will be solely based on the time devoted to the matter and professional skills involved.

EXPENSES:

You will be charged a reasonable rate for postage, reproduction, couriers, express mail, long-distance telephone, travel costs and other costs. We may also use computerized research services to assist in handling your matters. This service will be used when we believe that it will save you money to do so. Expenses incurred or advanced on your behalf will be itemized on the statement.

BILLING:

You will be billed periodically, usually monthly. There will be a service charge of 1-1/2% per month on all accounts not paid within 30 days of the date the statement is mailed to you. Interest charges will be added on to any outstanding balance and will be reflected in subsequent statements.

In the event you should disagree with or question any amount due under an invoice, you agree to communicate such disagreement to us, in writing, within thirty (30) days of the invoice date. Any disagreement you may have with a bill that is not communicated to us within that period shall be deemed waived.

COMMENCEMENT OF REPRESENTATION:

Our representation will not commence until we receive a signed copy of the letter to which this statement is attached, together with payment of any retainer specified therein.

WITHDRAWAL FROM REPRESENTATION:

We reserve the right to withdraw as your counsel in the event you fail to honor your agreement with respect to our legal fees or for any just reason as permitted or required under the Florida Code of Professional Responsibility or as permitted by the rules of courts of the State of Florida. In the event of our withdrawal, you will promptly pay for all services rendered by us prior to the date of withdrawal.

DOCUMENT AND FILE RETENTION:

In representing the Volusia Growth Management Commission, our firm could be deemed to be "acting on behalf" of the Commission as contemplated under section 119.0701 of the Florida Statutes. In an abundance of caution, we have always complied in such representations with the
letter and spirit of Florida’s Public Records Act, Chapter 119 of the Florida Statutes including specifically subsection 119.0701(2), which requires the firm to:

a. Keep and maintain public records required by the Commission to perform the services under this Agreement.

b. Upon request from the Commission’s custodian of public records, provide the Commission with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119 of the Florida Statutes or otherwise provided by law.

c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the firm does not transfer the records to the Commission.

d. Upon completion of the Agreement, transfer, at no cost, to the Commission all public records in our possession or keep and maintain public records required by the Commission to perform the services under this Agreement. If the firm transfers all public records to the Commission upon the expiration or termination of this Agreement, the firm shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the firm keeps and maintains public records upon the expiration or termination of this Agreement, the firm shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Commission, upon request from the Commission’s custodian of public records, in a format that is compatible with the information technology systems of the Commission.

If we fail to provide the public records to the Commission within a reasonable time we may be subject to penalties under Section 119.10 of the Florida Statutes. Further, the Commission may exercise any remedies at law or in equity, including, without limitation, the right to (i) impose sanctions and assess financial consequences, (ii) withhold and/or reduce payment, and (iii) terminate the legal representation contract.

IF GRAYROBINSON HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COMMISSION’S CUSTODIAN OF PUBLIC RECORDS AT vgmcc@volusia.org, 386-947-1875, 140 S. Beach St., Suite 305.

You should be aware of our document and file retention policy. If and when representation of the Commission is concluded, the file will be officially closed. Once the file is closed, it may be sent to off-site storage, and there may be costs associated with retrieval of information from the file. The firm retains stored and closed files for a period of ten (10) years after which time they may be destroyed. This period is twice as long as that required under Florida retention laws. Thus, if there are any documents which you need from the documents we possess, we recommend that you obtain them at the termination or expiration of this Agreement.

The scope of services provided to the Commission is more specifically described in the section below.
SCOPE OF SERVICES

VHB agrees that any intended change or substitution in the designated Project Manager or Principal must be approved in advance by the VGMC. To the extent that the billing rates in Exhibit A conflict with the billing rates specified in this Agreement, the billing rates in this Agreement shall prevail.

VHB will perform the Scope of Services contained in this Agreement on an hourly basis consistent with the hourly billing rates listed above.

VHB will provide the VGMC monthly notice identifying the assigned individual(s) and corresponding “labor category” of those staff member(s) performing VGMC-related work.

Terms of Representation

In the event VHB elects to withdraw from representation, or if the VGMC, by a weighted majority vote of the Commission, elects to terminate the services of VHB, a minimum of 30 days written notice will be provided to the affected party.

Conflict of Interest

VHB strives to maintain the highest ethical standards. VHB represents that it will not perform any services that conflict with, or will otherwise impair, its ability to perform to the work under this Agreement.

VHB agrees that, if changes, including additions, to the facts disclosed by it prior to execution of this agreement, occur during performance of this Agreement, it shall make an immediate and full disclosure of such changes in writing to the Client. If VHB transfers public records to the VGMC upon completion of the Agreement, VHB shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VHB keeps and maintains public records upon completion of the Agreement, VHB will meet the applicable requirements for retaining public records. Records stored electronically must be provided to the VGMC, upon request from the VGMC’s custodian of public records, in a format that is compatible with the information technology systems of the VGMC.

STANDARD TERMS AND CONDITIONS. The engagement of VHB by Client is under the following terms and conditions. These terms and conditions are an integral part of the collective Agreement between Client and VHB.

SCOPE OF SERVICES. VHB shall perform the services set forth in the attached Scope of Services. Requests for additional services and any associated fee adjustment must be authorized in writing before additional services can begin.

PERFORMANCE STANDARDS. VHB’s services require decisions that are not based upon science, but rather upon judgmental considerations. In the performance or furnishing of professional services hereunder, VHB, and those it is responsible for, shall exercise the degree of skill and care ordinarily exercised by similarly practicing professionals performing similar services under similar conditions in the same locality (“Standard of Care”). VHB shall be entitled to rely on the accuracy and completeness of data, reports, surveys, requirements, and other information provided by Client.

SCHEDULE. VHB shall perform its services as set forth in the Scope of Services as expeditiously as consistent with the Standard of Care and the orderly progress of the Work. VHB shall not be responsible for failure to perform or for delays in the services arising out of factors beyond the reasonable control or without the fault or negligence of VHB.

PAYMENT. The fee estimate for the proposed Scope of Services is valid for 60 days from the date of Proposal. All schedules set forth in the attached Scope of Services commence upon receipt of a signed Agreement and, if requested, a retainer. Retainers will be applied to the last invoice. A RETAINER OF $[ ] IS REQUIRED BEFORE SERVICES WILL COMMENCE.

Invoices will be rendered monthly and are due upon receipt. Any invoice unpaid more than 30 days after date of invoice will bear interest at 1-1/2 percent per month.

If Client fails to pay any invoice within 45 days of the date of invoice, VHB may, without waiving any other claim or right against Client or incurring any liability for delay, suspend the services until VHB has been paid in full. Sealed plans, final documents, reports, and attendance at meetings/hearings will not be provided unless payment for services is current.

If VHB is performing services for Client under multiple projects, payments must be current on all projects for services hereunder to continue. Client acknowledges VHB’s right to suspend services and withhold plans and documents, as provided above, if any payments are overdue. If services are suspended for 30 days or longer, upon resuming services VHB shall be entitled to expenses incurred in the interruption and resumption of its services. If services are suspended for 90 days or longer, VHB shall be entitled to expenses incurred in the interruption and resumption of its services and fees for remaining services shall be equitably adjusted.

The parties agree to coordinate invoices to assure timely payment. At minimum, VHB’s project manager and Client’s representative will confer as often as necessary about any issues involving invoicing and collections. Client’s representative will contact VHB’s project manager forthwith upon receipt of an invoice about any questions or issues concerning invoiced amounts. If Client’s representative and VHB’s project manager are unable to resolve any questions or issues, Client’s representative will line item any disputed or questionable amount and pay VHB. VHB, at its option, may revise and resubmit disputed amounts at a later date.

Should it become necessary to utilize legal or other resources to collect any or all monies rightfully due for services rendered under this Agreement, VHB shall be entitled to full reimbursement of all such costs, including reasonable attorneys’ fees, as part of this Agreement.

OWNERSHIP OF WORK PRODUCT. All work products (whether in hard or electronic form) prepared by VHB pursuant to the Agreement are instruments of service with respect to the Project and are not authorized, intended or represented to be suitable for reuse by Client or others on extensions of the Project or on any other Project. Any reuse by Client or a third person or entity authorized by Client without written verification or adaptation by VHB for the specific application will be at Client’s sole risk and without liability or legal exposure to VHB. Client shall release, defend, indemnify and hold harmless VHB from all claims, damages, losses and expenses, including attorneys’ fees, arising out of or resulting therefrom. Any such verification or adaptation will entitle VHB to additional compensation at rates to be agreed upon by VHB and Client, third person, or entity seeking to reuse said documents.

Client recognizes that information recorded on or transmitted as electronic media, including CADD documents (“Electronic Documents”) is subject to undetectable alteration, either intentional or unintentional, due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, the Electronic Documents are provided to Client for informational purposes only and are not represented as suitable for any use or purpose.

VHB retains the copyright in all work products produced in connection with this Agreement, unless otherwise agreed to in writing by an authorized VHB representative. VHB licenses to Client on a non-exclusive basis the use of work products produced solely in connection with this Agreement. The license
may be revoked for any failure of Client to perform under this Agreement.

CERTIFICATIONS. VHB shall not be required to sign any documents, no matter by whom requested, that would result in VHB having to certify, guarantee or warrant the existence of conditions whose existence VHB cannot wholly ascertain. Any certification provided by VHB shall be so provided based on VHB’s knowledge, information, and belief subject to the preceding sentence, and shall reflect no greater certainty than VHB’s professional opinion developed through and consistent with the Standard of Care. VHB shall be compensated for any work necessary to assess project compliance with regulatory standards for purposes of such certification.

INSURANCE. VHB agrees to carry the following insurance during the term of this Agreement:

- Workmen’s Compensation and Employer’s Liability Insurance in compliance with statutory limits
- Comprehensive General Liability Insurance including Products Completed, Contractual, Property, and Personal Injury coverage with combined single limits of $1,000,000 per occurrence and $2,000,000 in the aggregate
- Professional Liability Insurance with a limit of $1,000,000 per claim and in the aggregate
- Automobile Liability Insurance including non-owned and hired automobiles with a combined single limit of $1,000,000 per occurrence

Certificates of insurance will be furnished upon request. If Client requires additional insurance coverage, and it is available, Client agrees to reimburse VHB for such additional expense.

INDEMNITY. Client and VHB shall at all times indemnify and save harmless each other, their officers, and employees on account of damages, losses, expenses, reasonable counsel fees, and compensation arising out of any claims for damages, personal injuries and/or property losses sustained by any person or entity, to the extent caused by the negligent acts, errors or omissions of the indemnifying party, its employees, or subcontractors in connection with the Project, and/or under this Agreement.

Client agrees to the fullest extent permitted by law, to indemnify and hold harmless VHB, its officers, employees and subconsultants from and against any and all claims, suits, demands, liabilities costs including reasonable attorneys’ fees, and defense costs caused by, arising out of, or in any way connected with the detection, presence, handling, removal, abatement, or disposal of any asbestos or hazardous or toxic substances, products, or material that exist on, about, or adjacent to the job site.

LIMITATION ON VHB’S RESPONSIBILITY AND JOBSITE SAFETY. VHB will not be responsible for the acts or omissions of contractors or others at the Site, except for its own subcontractors and employees. Neither the professional activities of VHB nor the presence of VHB or its employees or subconsultants at a project site shall relieve the other parties on this project of their obligations, duties, and, including, but not limited to, construction means, methods, sequence, techniques, or procedures necessary for performing, superintending, and coordinating the Work in accordance with the contract documents and any health or safety precautions required by any regulatory agencies. VHB and its personnel have no authority to exercise any control over any construction contractor or its employees in connection with their work or any health or safety programs or procedures. Client agrees that Contractor shall be solely responsible for job site safety and warrants that this intent shall be carried out in Client’s contract with Contractor.

ALLOCATION OF RISK. In recognition of the relative risks and benefits of the Project to both Client and VHB, the risks have been allocated such that Client agrees that to the fullest extent permitted by law, VHB’s total liability in the aggregate to Client and any persons or entities claiming by, through or under Client, for any and all injuries, claims, losses, expenses, or damages whatsoever arising out of or in any way related to the Project and/or this Agreement from any cause or causes, including, but not limited to, VHB’s negligence, errors, omissions, strict liability, statutory liability, indemnity obligation, breach of contract or breach of warranty shall not exceed the higher of $50,000 (fifty thousand dollars), or ten (10) percent of the compensation actually paid to VHB. Client and VHB may agree to a higher limitation of liability for an increased fee.

DISPUTE RESOLUTION. All questions in dispute under this Agreement shall be submitted to non-binding mediation as a condition precedent to the institution of legal proceedings. On the written notice of either party to the other of the election to submit any dispute under this Agreement to mediation, each party shall designate their representative and shall meet within ten (10) days after the service of the notice. The parties shall then attempt to resolve the dispute within ten (10) days of meeting. Should the parties be unable to agree on a resolution of the dispute, then the parties shall proceed with mediation in accordance with the mediation rules of the American Arbitration Association. The cost of mediation shall be borne equally by both parties. This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts.

LEGAL SUPPORT. To the extent VHB is required to respond to any dispute resolution process, including, but not limited to, requests for document production, discovery or a request to appear in any deposition or legal proceeding, which is related to the Scope of Services but does not arise out of VHB’s negligent
acts, errors or omissions, Client shall compensate VHB for all costs incurred by VHB, including reasonable attorneys’ fees.

DESCRIPTIVE HEADINGS AND COUNTERPARTS. The headings contained in this Agreement are for convenience of reference only and shall not constitute a part hereof, or define, limit or in any way affect the meaning of any of the terms or provisions hereof. This Agreement may be executed in two or more counterparts, and any party hereto may execute any such counterpart, which, when executed and delivered, shall be deemed to be an original and all of such counterparts taken together shall be deemed to be one and the same instrument.

EXCLUSIVE REMEDIES. In the event that any dispute is not remedied through the alternative dispute resolution procedures set forth herein, all claims, actions, and rights of action arising from or relating in any way to this Agreement or the services performed thereunder, whether in contract, tort, indemnity and all other rights of action whatsoever, shall be filed in a court of competent jurisdiction within three years of the completion of such services, or all such claims, actions and rights of action shall be waived. Recovery under this Agreement shall be limited by the parties’ agreement on Allocation of Risk and the remainder of this section.

Notwithstanding any other provision of this Agreement, neither party shall be liable to the other for any liquidated, incidental, special, indirect or other consequential damages incurred, regardless of the nature of the cause or whether caused by Client or VHB, or their employees, subconsultants, or subcontractors. Consequential damages include, without limitation, loss of use, loss of profits, loss of production, or business interruption; however, the same may be caused.

VHB and Client waive all claims against each other arising out of or related to this Agreement or the services to the extent that losses, damages, and liabilities associated with such claims have been compensated by the proceeds of property insurance or any other insurance policy.

VHB makes no warranties or guarantees, express or implied, under this Agreement or any other contract document with respect to its provision of professional services. In entering into this Agreement, Client has relied only upon the representations set forth in this Agreement. No verbal warranties, representations, or statements shall be considered a part of this Agreement or a basis upon which Client relied in entering into this Agreement.

NO THIRD PARTY BENEFICIARIES. Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either Client or VHB. In addition, nothing herein shall be construed as creating a contractual relationship between Client and any VHB employee, representative, or consultant. Client agrees that in the event of a dispute regarding this Agreement or the services rendered by VHB hereunder, Client shall only seek recourse against VHB and waives any right to pursue a claim against VHB’s individual directors, officers or employees.

VHB’s commitments as set forth in this Agreement are based on the expectation that all of the services described in this Agreement will be provided. In the event Client later elects to reduce VHB’s Scope of Services, Client hereby agrees to release, hold harmless, defend, and indemnify VHB from any and all claims, damages, losses or costs associated with or arising out of such reduction in services.

SEVERABILITY. The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

TAXES. Any taxes or fees, enacted by local, state, or federal government and based on gross receipts or revenues, will be invoiced to and payable by Client as an additional amount due under this Agreement.

PROJECT SPECIFIC PROVISIONS. To the extent the Scope of Services involves any of the following services/geographies, the following general provisions apply accordingly:

AMERICANS WITH DISABILITIES ACT (ADA). Client understands and agrees that ADA standards are evolving and subject to varying, potentially contradictory interpretations and applications. VHB will use its reasonable professional efforts and judgment to interpret applicable ADA requirements and other federal, state and local laws, rules, codes, ordinances, and regulations as they apply to the project. VHB cannot and does not warrant or guarantee that Client’s Project will comply with all ADA requirements or ADA interpretations or other applicable regulatory interpretations.

CLIMATE CHANGE/FLOOD ANALYSIS. Consultant shall not be responsible or liable for any damages, losses, litigation, expenses, counsel fees and compensation arising out of any claims, damages, personal injuries and/or property losses related to flooding conditions whether directly or indirectly due to flood water damage, and Client shall at all times indemnify and hold harmless VHB, its respective officers, agents and employees on account of any related claims, damages, losses, expenses and counsel fees related thereto.

CONSTRUCTION PHASE SERVICES

SITE VISITS. VHB shall make periodic site visits upon the request of Client or as otherwise agreed in writing by Client and VHB for
the limited purpose of determining whether work is in general conformance with VHB’s plans and specifications. Such visits are not intended to be an exhaustive check or a detailed inspection of Contractor’s work. VHB shall not supervise or have control over Contractor’s work nor have any responsibility for construction ways, means, methods, techniques, sequences, or procedures selected by Contractor nor for Contractor’s safety precautions or programs in connection with the Work.

SHOP DRAWINGS. VHB’s review and approval of submittals such as shop drawings, product data, samples, and other data, shall be for the limited purpose of checking for conformance with the design concept and the information in VHB’s documents. This review shall not include review of the accuracy or completeness of details, such as quantities, dimensions, weights or gauges, fabrication processes, construction means or methods, coordination of the work with other trades, or construction safety precautions, all of which are the sole responsibility of Contractor and other unrelated parties. Review of a specific item shall not indicate that VHB has reviewed the entire assembly of which the item is a component. VHB shall not be responsible for any deviations from VHB’s documents or other documents that are not brought to the attention of VHB in writing by Contractor. VHB shall not be required to review partial submissions or those for which submission of correlated items have not been received.

GEOTECHNICAL SERVICES. Client understands that VHB does not perform geotechnical services directly and, if requested, will retain a geotechnical subconsultant on behalf of Client, and VHB shall rely on the accuracy and completeness of data furnished as if the geotechnical services were contracted directly through Client.

TANK INSPECTION. Client will provide VHB with available underground storage tank (UST) documentation as necessary. VHB assumes that the documentation and site plans will be in order, be complete and meet regulatory compliance standards. VHB’s inspection services are to fulfill regulatory requirements and do not include invasive testing or equipment calibration and testing. Accordingly, Client expressly agrees that VHB shall have no liability for equipment functioning or malfunctioning, product releases or spills.

LSP SERVICES – PROJECTS LOCATED IN MASSACHUSETTS. In accordance with the Massachusetts General Laws Chapter 21E, the performance of the services contained in this Agreement may require the engagement of a Licensed Site Professional (LSP) registered with the Commonwealth of Massachusetts under Massachusetts General Law Chapter 21A and the regulations promulgated by the Massachusetts Department of Environmental Protection (MADEP) thereunder (collectively the LSP Program). These laws and regulations place upon the LSP certain professional obligations owed to the public, including in some instances a duty to disclose the existence of certain environmental contaminants to the MADEP. In the event that any site for which VHB has provided LSP services is audited by MADEP pursuant to the provisions of the Massachusetts Contingency Plan, VHB shall be entitled to additional compensation to provide such services as may be necessary to assist Client in its response to MADEP.

Client understands and acknowledges that in the event the LSP’s obligations under the LSP Program conflict in any way with the terms and conditions of this Agreement or the wishes or intentions of Client, the LSP is bound by law to comply with the requirements of the LSP Program. Accordingly, Client recognizes that the LSP shall be immune for all civil liability resulting from any alleged and/or actual conflict with the LSP Program. Client also agrees to hold VHB and its LSP harmless for any claims, losses, damages, fines, or administrative, civil, or criminal penalties resulting from the LSP’s fulfillment of its obligations under the LSP Program.
