Volusia County Organizational Chart

VOLUSIA COUNTY, FLORIDA AN INTRODUCTION

VOLUSIA COUNTY OVERVIEW

Volusia County Overview

From the 1500s to the mid-1800s the entire east coast of Florida, which includes the present area of Volusia County, was known as “Los Musquitos” — or Mosquito County. In 1844, Mosquito County was cut in half, and the northern half was renamed Orange County. In 1854, Volusia County was carved from Orange County by the Florida Legislature; it became the 30th of 67 counties in the state. Geographically, it is located in the eastern part of Florida, bordered by the Atlantic Ocean on the east, Flagler and Putnam counties to the north, Marion and Lake counties to the west, and Seminole and Brevard counties to the south.

Volusia County’s historic places reveal a rich and exciting past. The remnants of massive shell heaps along the Atlantic coast and the St. Johns River tell of numerous bountiful harvests by native people for more than 40 centuries. The name “Volusia” is associated with the community that began as a trading post in the early 1800’s and developed into an important military supply depot during the Second Seminole Indian War. The community grew into a prosperous steamboat landing until the introduction of the regional railroad system in the 1880’s bypassed the town and ended its era of prosperity.

The county’s most recognizable city is Daytona Beach, known for its beaches, car racing, and motorcycle events. Volusia County has 48.5 miles of beach on its eastern side, with both driving and traffic-free zones. Daytona International Speedway is home to the world-famous Daytona 500 stock car race, an event to rival the Super Bowl. The scenic St. Johns River, famed for its bass fishing, links magnificent parks with wildlife preserves along the county’s western border. Volusia County is also headquarters of the Ladies Professional Golf Association (LPGA) and the U.S. Tennis Association. The county is the winter refuge of the endangered Florida manatee and nesting habitat for four species of threatened/endangered sea turtles.

More than a half million residents call Volusia County home. As a bedroom community for Orlando, which is inland to the west, it has experienced an increased suburban development and sprawl, growing at a rate of 1% to 2% annually between 1990 and 2007. From 2007 through 2013, the county’s growth rate halted, and growth only returned to the historic 1% rate in 2014 and 2015. If existing conditions and trends continue, the population is projected to increase 1% annually through 2040. Apart from full-time residents, the county’s population swells with seasonal residents coupled with tourists from January through April, and again in the fall.

In June 1970, the electorate adopted a Home Rule Charter, which was implemented on January 1, 1971. The Home Rule Charter abolished the commission form of government and instituted a council/manager form of government. The Volusia County Council is responsible for the promulgation and adoption of policy, and the execution of such policy is the responsibility of the Council-appointed county manager. Under Volusia County’s Council/Manager form of government, voters elect a County Council consisting of seven members who serve four-year terms. Five are elected by district; the county chair and the at-large representative are elected countywide. The County Council makes broad policy decisions much like the board of directors of a major corporation. It also reviews and approves the annual budget and passes ordinances as necessary. The County Council appoints a county manager who is the county’s chief executive officer and oversees the county’s day-to-day operations.

Volusia County Government is akin to a large company; it consists of more than 40 different sectors and interfaces with 16 different municipalities located within the county. County services include public safety, social services, culture and recreation, planning, zoning, environmental management, mosquito control, public works, utilities, and solid waste. Many county services – such as the beaches, parks, and libraries – are open to all residents. A smaller number of services are provided to residents who live outside of cities in the unincorporated areas. Some municipalities contract for services from the county, most notably for law enforcement services from the Volusia County Sheriff’s Office. Some county functions cover service areas, such as Mosquito Control Districts. Other county services involve operations that cross boundaries, such as transportation planning and transit (e.g., SunRail, Votran).

STRATEGIC PLANNING AND GOAL SETTING

Dynamic Master Planning

Volusia County Council engaged in workshops in March 2006, and again in September 2007 to evaluate its status and set a future direction. Following goal setting, county staff tied department programs, initiatives, and budgeting plans to accomplish the direction set by the Volusia County Council. In August 2013, the county manager provided a report to the County Council that detailed the progress made toward achieving the plan developed five years earlier. In April 2014, the County Council again discussed future goals. This report continues the effort to chart how county staff has carried out the direction set 10 years ago. In February 2015, the county manager initiated this review. Volusia County employs a dynamic approach to its future planning. The county has adopted the Dynamic Master Plan, which emphasizes core themes, but they are not time or person bound. Rather, the core themes guide both current and future activity, and are expressed in a way that can be easily understood. While their application does and will reflect nuances of different County Council perspectives, the principles are bedrocks – they consistently have been the bases for Volusia County Council activity. In addition, there is an emphasis on systems development to guide decisions and actions, instead of achievement of one or more milestones. A dynamic master plan is part road map and part report card. As a road map, the dynamic master plan is the direction set by the policy makers – the County Council. The county manager and staff are charged with aligning programs, budgets, and strategies to proceed along the pathway set. As a report card, the dynamic master plan informs the degree to which goals and objectives were accomplished. Organization need a measuring tool to assess their program and determine whether they have achieved the results they desired, or merely engaged in a lot of activity, but substantively little more. This report discusses the twin perspectives of dynamic master planning processes. The mission, goals, and objectives set by the County Council are then presented. An overview of Volusia County government and services comes next. The report card discussion follows. It is a retrospective look at how county government has worked to meet the specified mission, goals, and objectives during the past decade.

What a Dynamic Master Plan Does

For Volusia County officials, managers, and employees, a master plan:

- Aligns county employees, services, and programs with high-level goals.
- Informs policy, operations, and budget decisions.
- Provides an oversight and management framework for assessing progress in serving citizens and achieving results
- Creates a countywide framework to guide subsequent plans

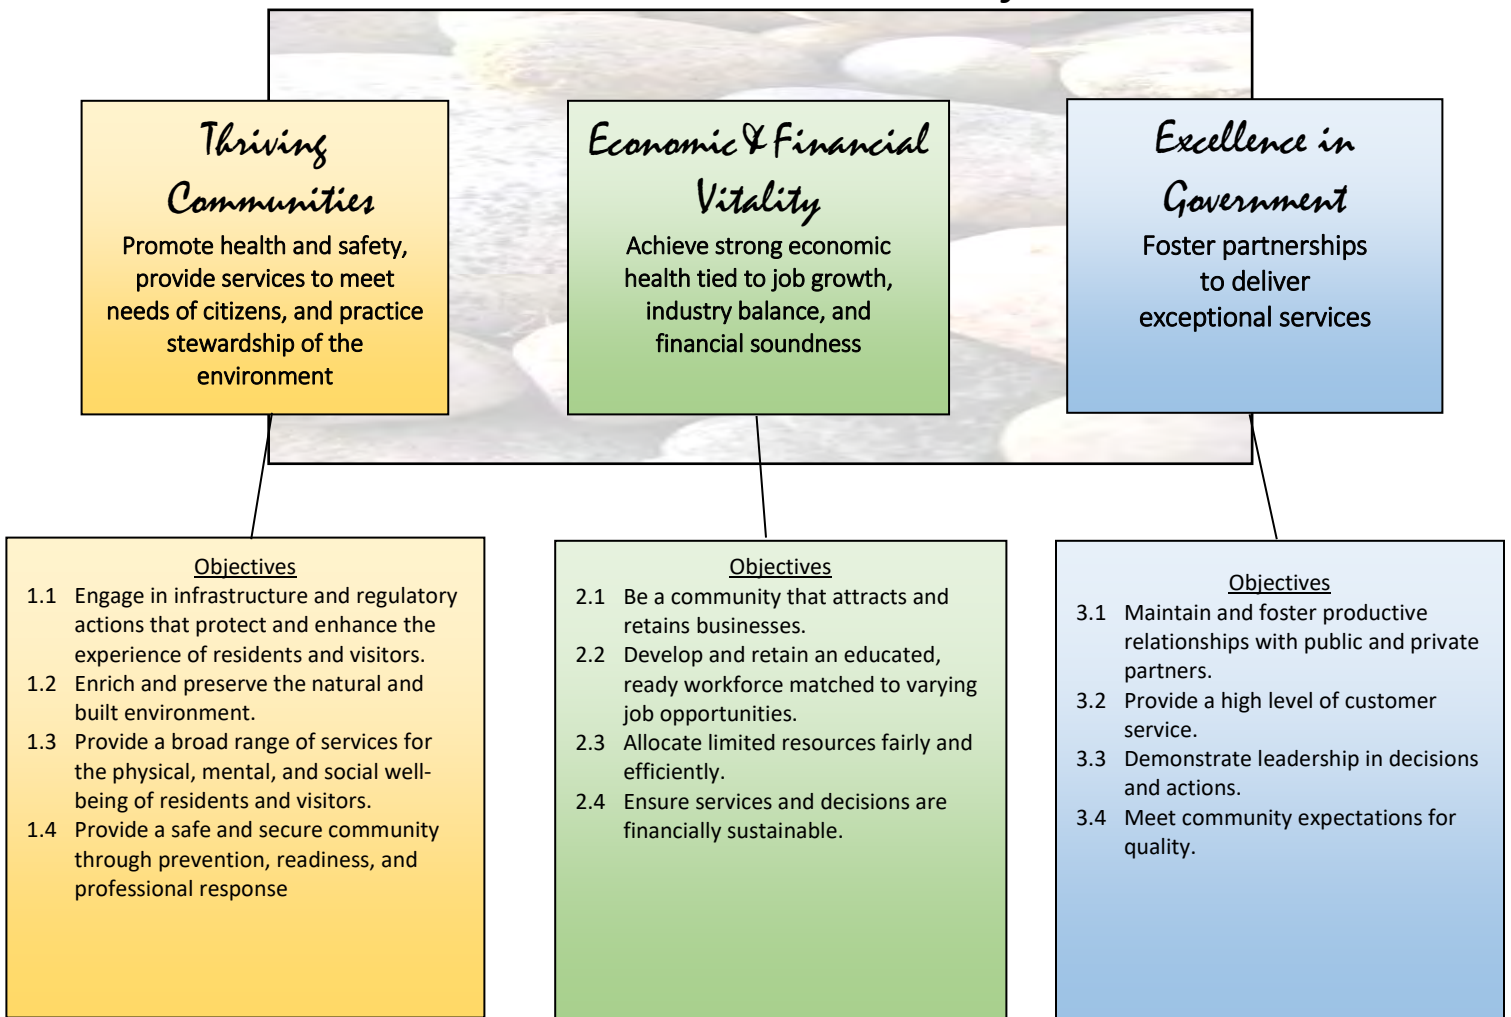

Pathway to the Future – The Vision and the Mission

The Dynamic Master Plan emphasizes core themes that are the basis for Volusia County Government activity. These bedrocks are not time- or person-bound. Rather, they are timeless expressions of what is desired for our community, why and/or how to do it, and the intended and achieved outcomes of activity.

Volusia’s Vision: *To be a community rich with resources and opportunities today and for generations to come*

Volusia’s Mission: *To provide responsive and fiscally responsible services for the health, safety, and quality of life for our citizens*

Volusia’s Bedrocks – Goals & Objectives

Volusia County Responsibilities

Under the county charter, Volusia County is the local service provider for residents living in unincorporated areas of the county, as well as the services provider for many functions outside the scope of municipalities. The table below lists many of the services currently provided.

Services

For all Volusia County Residents

Affordable Housing Programs	Mental Health & Substance Abuse Treatment Services
Airport (DBIA)	Mosquito Control (east side full service)
Beach Management	Parking Garage
Boat Ramps & Coastal Reef Management	Parks & Trails (including regional interfaces)
Civic Center (Ocean Center)	Pretrial Services (alternative to jail detention for adults)
Clerk of the Court (all court records)	Property Assessment & Relief
Economic Development	Public Health (including disease control/prevention)
Elections	Public Safety Radio System
Emergency 911 telephone system	Road, Bridge, Sidewalk maintenances & replacement
Emergency Management	Solid Waste Management (including landfill & recycling)
Environmental Education & Outreach	Sustainability Planning
Environmental Management Planning	Tax & Title Services (titling & registering vehicles, mobile homes, vessels)
Flood Mitigation	Tax Collection
Growth Management Planning	Traffic Engineering & Control
Homeland Security Initiatives	Transit System (Votran, SunRail)
Human Services for Children & Low Income Families	Transportation Planning
Jail (adult secure detention for crimes)	Veterans' Services
Judicial (criminal, civil & juvenile court operations)	
Land Management for Conservation	
Legal Records for Property	
Library Services	
Medical Examiner (death investigation)	

For unincorporated Volusia County residents (and by service area or contract with cities)

Animal Care & Control	Mosquito Control (west side contracts, MSD funds)
Building & Land Use Code Enforcement	Sheriff Services (including search & rescue)
Building Permits & Inspections	Surface Water & Stormwater Management
Environmental Permitting	Water Utility Services
Fire Pensions	Wastewater Treatment
Land Use & Zoning	

FINANCIAL FORECASTING

One tool that Volusia County utilizes in preparation for and throughout the annual budget process is the five-year financial forecast. The annual five-year forecast document includes all revenues and expenses for 36 different funds across the organization. The forecast displays the current fiscal year's budget and estimates while also proceeding to forecast the next four fiscal years. This multi-year forecasting approach helps the County Council and senior management to identify current and future financial conditions including revenue and expenditure trends that can have a short or long-term influence on County policy, service levels, and strategic goals and plans.

Volusia County, like many other local governments, uses strategic planning to help realize its short and long-term vision by setting goals and objectives in a systematic and incremental way. The five-year financial forecast is a tool that is necessary to annually align with those goals and plans as they are updated. Simply put, a financial forecast document allows for decision makers and stakeholders alike to take a look at what is going on today, where the organization wants to be tomorrow and which steps will be needed to arrive at that destination.

In Volusia County, the forecast document is an integral part of the annual budget process. It serves as an effective tool for improved and informed decision making in maintaining fiscal discipline and delivering essential services to all members of the community. One of the most important uses of the financial forecast is to help illustrate to all stakeholders the effect proposed millage rates and associated tax levies will have on the level of services provided to the community. Another important feature of the five-year financial forecast is that it is able to demonstrate the current iteration of the county's five-year capital program. As Volusia County utilizes a "pay-as-you-go" system of financing capital projects, the forecast allows stakeholders to visualize when individual capital projects are slated and how those projects impact the near-term and long-term financial health of the organization. These fund forecasts also allow for the establishment of a baseline for measuring the long-term effects of decisions, to test the economic effects of best-case and worst-case scenarios, and to establish a baseline projection of future cash flows and fund balances.

Listed below is a link to the Volusia County Five-Year Financial Forecast from FY 2020-21 through FY 2024-25. Included in this document are forecasts from 36 different funds from across the countywide organization. To view the most current budget information please see the succeeding sections of this budget document.

<https://www.volusia.org/services/financial-and-administrative-services/management-and-budget/mini-budget-workshops.stml>

CAPITAL PLANNING

Capital planning is an essential part of any government's strategic plan which assists governments and their stakeholders in ascertaining projects to be implemented, determining financing, and developing a project timeline. A well-organized and annually updated capital program ensures efficient execution of capital projects with associated scarce resources. By looking beyond year-to-year budgeting, and projecting what, where, when, and how capital investments should be made, capital programming enables public bodies to maintain an effective level of service to the present and future populations.

A Capital Improvement Plan (CIP) contains all the individual capital projects slated for local government. The plan provides a working blueprint for sustaining and improving the community's infrastructures. It coordinates strategic planning, financial capacity, and physical development. A CIP has two parts – a capital budget and a capital program. The capital budget is the upcoming year's spending plan for capital items. The capital program is a plan for capital expenditures that extends typically five years. The Volusia County capital program consists of the upcoming budget year plus four forecasted fiscal years.

A capital improvement program has many benefits that result from its systemic approach to planning and financing public agency projects. Some of the benefits include focusing attention on community goals and needs, encouraging a more efficient allocation of resources, and fostering a sound and stable financial program. In addition, capital planning policies and procedures can strengthen a government's borrowing position by demonstrating sound fiscal management and showing the local government's commitment to maximizing the benefit to the public within its resource constraints.

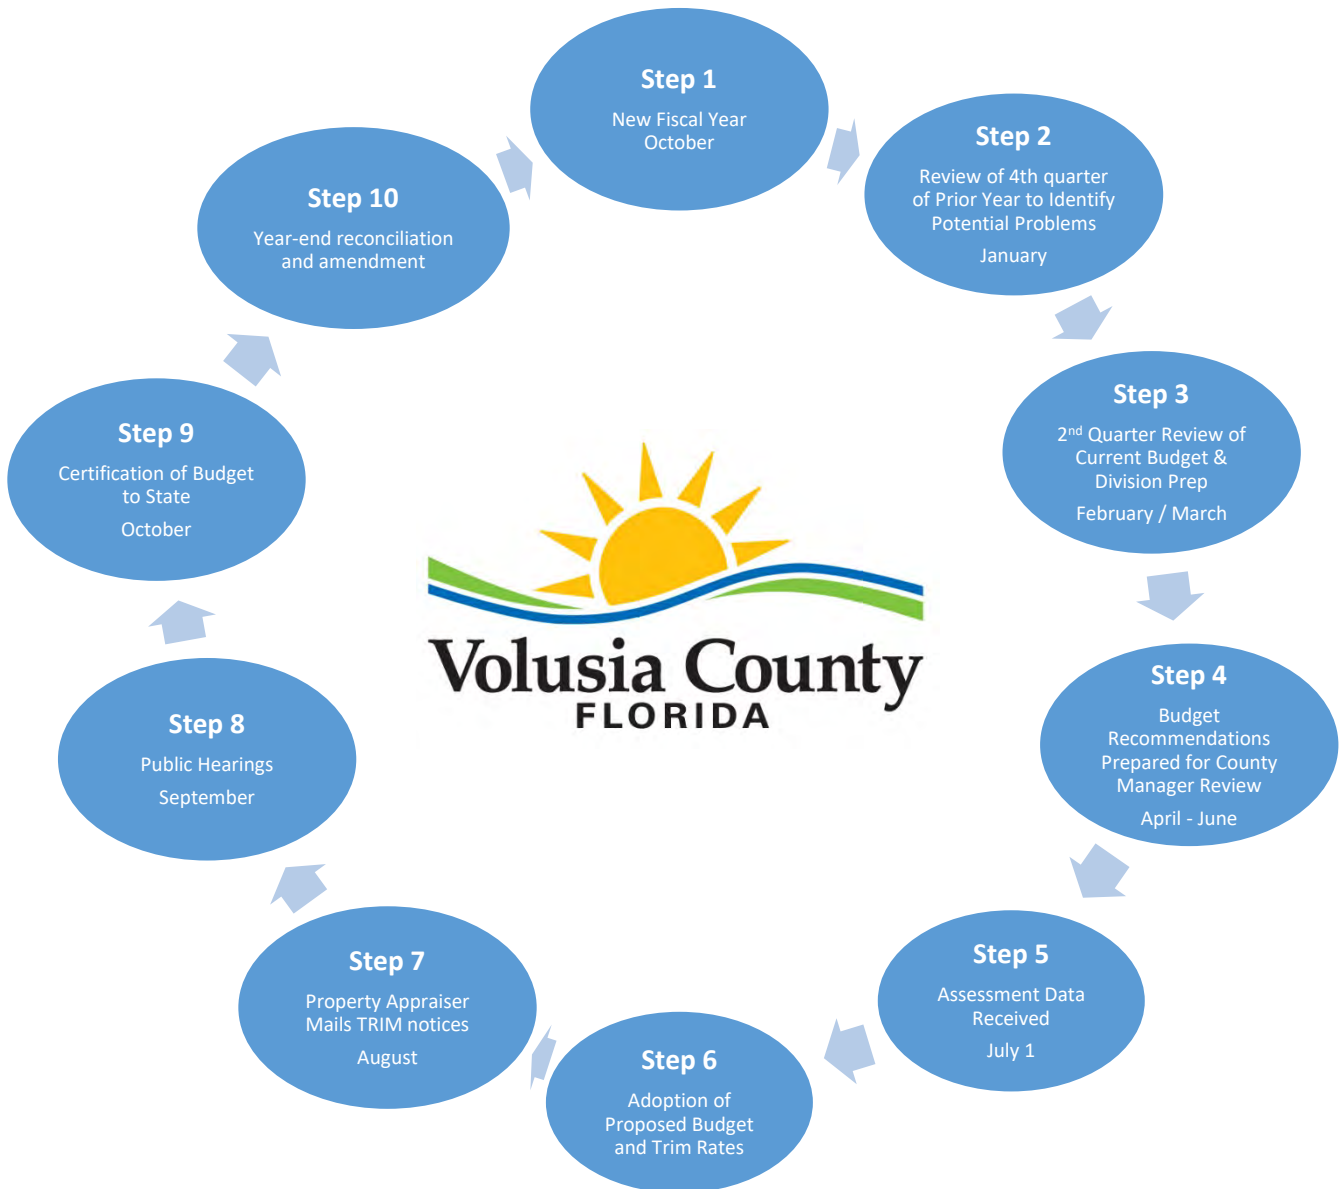

In Volusia County, the capital planning process commences annually with the preparation of the five-year financial forecasts. Each year the five-year financial forecasts are created for more than thirty funds to illustrate the current financial position of each fund. Included within the forecasts is the five-year capital budget and improvement plan.

There are a number of funding options available for financing a capital program which include: bond programs and other debt, direct pay-as-you-go methods, state and federal grants, impact and other user fees, and even public-private partnership alternatives. Through recent years, at the will of the County Council, the organization has moved away from debt financing towards a more pay-as-you-go style of capital program financing in order to maximize capital expenditures, while maintaining its financial flexibility. This financing approach allows the county to have additional financial capacity available should the need for debt arise.

Listed below is a link to the Volusia County Five-Year Capital Improvement Program from FY 2021-22 through FY 2025-26. Included in this document are capital improvement plans presented by department from across the organization.

BUDGET PREPARATION, ADOPTION AND AMENDMENT

Budget Amendments:

If the County Manager certifies available or projected revenues in excess of those estimated in the budget, the County Council may authorize supplemental appropriations up to the amount of such excess by ordinance or resolution adopted following a public hearing held pursuant to Florida Statutes 129.06(f). Copies of the proposed budget amendment will be made available for public inspection. The budget amendment and accompanying resolution will be docketed on the Council Agenda for consideration by County Council. Interested persons will be given an opportunity to be heard on the proposed budget amendment resolution during its consideration by County Council.

FINANCIAL POLICIES

ACCOUNTING SYSTEM AND BUDGETARY CONTROL

The Chief Financial Officer (CFO) is responsible for providing all County financial services. These services include financial accounting and reporting, payroll, accounts payable disbursements, cash and investment management, debt management, budgeting, procurement, risk management, and special financial and policy analyses for County Management.

Volusia County uses a computerized financial accounting system that incorporates a system of internal accounting controls. Such controls have been designed and are continually re-evaluated to provide reasonable, but not absolute, assurance regarding:

1. The safeguarding of assets against loss from unauthorized use or disposition.
2. The reliability of financial records for preparing financial statements and monitoring accountability for assets.

The concept of reasonable assurance recognizes that:

1. The cost of control should not exceed the benefits likely to be derived.
2. The evaluation of costs and benefits requires estimates and judgments by management.

All internal control evaluations occur within the above framework and are believed to adequately safeguard and provide reasonable assurance of proper recording of financial transactions.

The County's governmental accounting and financial reporting are conducted consistent with Generally Accepted Account Principles (GAAP). "Basis of Accounting" refers to the specific time at which revenues and expenditures are recognized in accounts and reported in financial statements. The governmental funds use the modified accrual basis of accounting. Revenues are recorded when available and measurable. Expenditures are recorded when obligation to pay is incurred. Proprietary funds use an accrual basis of accounting similar to that used by a private business. Revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred.

Budget records for proprietary fund types and similar trust funds are maintained on the modified accrual basis, while the accounting records are maintained on the accrual basis of accounting. The difference in basis of accounting results in timing variances between budget and financial reporting for some transactions in these fund types. Capital asset purchases are budgeted in the year of purchase, but the financial statements report the expense related to these assets as depreciation over the useful life of the assets. Principal payments on long-term debt are budgeted as annual expenses, but are reported as a liability reduction in the financial statements. In the budget, pension expense is based on the required contribution rate, however, in the financial statements these contributions are split between expense and reduction of the net pension liability. Certain expenses paid for in advance are reported as prepaid amounts in the financial statements, while the cash outlay for these items is budgeted entirely in the year of purchase. Finally, two items are reported on the annual financial statements of the proprietary fund types that are omitted from the budget, including changes in compensated absences liability and changes in postemployment benefits other than pension liability.

In all funds budgeted, the unrealized change in the market value of investments and bad expenses are not budgeted for, yet are a factor in determining fund balance revenues available for appropriation.

The budget is enacted by the County Council after public participation. Although budgets are legally controlled at the fund level, management control of the operating budget is additionally maintained at the Department/Division level.

GENERAL BUDGET PROCEDURE

1. The operating budget authorizing the expenditure of ad valorem taxes, user charges, fees and other revenues will be adopted annually by the Volusia County Council at the fund level.
2. The budgeted expenditures and reserves for each fund, including reserves for contingencies, will equal the sum of the projected fund balance at the beginning of the fiscal year and all revenues which reasonably can be expected to be received during the fiscal year.
3. The operating budget will reflect programmatic performance measures for each Division; actual performance will be compared periodically to estimated targets.
4. The Management and Budget Division will prepare an analysis of financial condition at the end of the second, third and fourth quarters of the fiscal year.
5. The Management and Budget Division will annually update the Five-Year Capital Improvement Program.
6. If the County Manager certifies there are available projected revenues for appropriation in excess of those estimated in the budget, the County Council may authorize supplemental appropriations up to the amount of such excess by ordinance or resolution adopted following a public hearing held pursuant to Florida Statutes 129.06(f).
7. The transfer of appropriations up to and including \$25,000 among Activities within a Division will require only the Division Director's or his or her designee's approval as long as the transfer is not between funds. Transfers over \$25,000 will require the approval of the Department Director or designee. Transfers of any amount between Divisions within a Department will require the approval of the Department Director. Transfers of any amount between two Departments will require the approval of both Department Directors, or the County Manager or designee. Transfer of appropriations from reserves will require approval of the Chief Financial Officer. Transfers of any amount between funds will require County Council approval. The County Attorney will have the same transfer authority as a Department Director for its respective budget.
8. Internal Service Funds may be established to account for the provision of goods and services by one Division to other Divisions on a break-even cost reimbursement basis when the establishment of such funds will attain greater economy, efficiency, and effectiveness in the acquisition and distribution of common goods or services utilized by several or all Divisions.
9. Appropriations in the various user Divisions will constitute an indirect budget ceiling on the Internal Service Fund Activities. Appropriations in Internal Service Funds may be increased with County Manager approval based on increases in the indirect budget ceiling of user Divisions.
10. It will be the intent of all Internal Service Funds to break even, but in the event a profit or loss should occur, it can be disposed of by crediting or charging the billed Divisions in accordance with their usage. Actual or projected retained earnings may also be used to lower internal service charges in the ensuing fiscal year, rather than crediting Division expenditures in the prior fiscal year. This will apply to all Internal Service Funds, with the exception of the Insurance Management and Group Insurance funds.

REVENUE PROCEDURES

1. Ad valorem taxes will be anticipated for purposes of operating budget preparation at:
 - a. a minimum of 95% of the projected taxable value of current assessments,
 - b. a minimum of 95% of the projected taxable value from new construction, and
 - c. current millage rates, unless otherwise specified.
2. The use of sales tax revenues will be limited to the General, Ocean Center, and Municipal Service District Funds, unless required for debt service by bond indenture agreements or as directed by County Council. The allocation of sales tax revenue between countywide purposes and Municipal Service District purposes will be in accordance with provisions of Florida Statutes 218.64 and direction of the County Council.
3. The use of state revenue sharing monies will be limited to the General and County Transportation Trust funds, unless required for debt service by bond indenture agreements.
4. The use of gas tax revenue sharing monies will be limited to the County Transportation Trust fund. Gas tax revenues are used in the following manner:

5th and 6th Cent (Constitutional Fuel Tax)	Maintenance
7th Cent (County Fuel Tax)	Operation and Maintenance
9th Cent County Voted (9th Cent Fuel Tax)	50% Resurfacing, 50% Construction
6-Cent Local Option Gas Tax * (1-6 Cents Local Option Fuel Tax)	Operations and Maintenance Construction of County major arterial and collector roads within the cities
Additional 5-Cent Local Option Gas Tax * (1-5 Cents Local Option Fuel Tax)	Transportation Expenditures to meet the Capital Improvement Element of the Comprehensive Plan

* The Volusia County Council authorizes both the 5-cent and 6-cent local option gas taxes to be distributed between the County and participating municipalities according to formulas agreed to by interlocal agreement. The County receives 57.238% of revenue distributions, and the municipalities' share 42.762%. There are fixed percentages for cities based on the lane miles of each municipality.

Both distributions are updated annually and must be filed with the State Department of Revenue by October 1 of each year. The current agreement allows for automatic annual adjustments for the municipalities' percentages as defined in the current agreement for five years beginning with fiscal year 2021-22. After August 31, 2026, the distribution proportion proceeds of the participating municipalities shall automatically adjust annually based on the ratio of lane miles of public roads maintained by all participating municipalities.

5. Utility tax revenues are allocated for the unincorporated areas of the County as follows:
 - a. a minimum of \$750,000 for road operation and maintenance or construction,
 - b. the balance of revenues to be used for any lawful unincorporated area purpose.
6. The use of revenues pledged to bond holders will conform in every respect to bond covenants which commit those revenues.

APPROPRIATION PROCEDURES

1. Fund appropriations by the County Council will be allocated to Divisions, Activities, and line item object codes as deemed appropriate by the County Manager to facilitate managerial control and reporting of financial operations.
2. Divisions are encouraged to prepare their budget requests at levels necessary to provide adequate services to the community. When possible, program expansions should be offset by reductions in other programs that have proven marginal.
3. Emphasis in planning for the delivery of County services will center on the development of goals and performance objectives that lead to end results or service levels to be accomplished. Divisions are asked to give careful attention to the identification of specific performance objectives and service levels and to relate budget requests to those objectives.
4. The budget request for County Divisions will include itemized lists of all necessary capital equipment, and replacement of inadequate capital equipment.
5. Each year County staff will prepare a Five-Year Capital Improvement Program document; this document will identify public facilities and infrastructure that eliminate existing deficiencies, replace inadequate facilities, and meet the needs caused by new growth.
6. The annual budget will include sufficient appropriations to fund capital projects for the first year of the Five-Year Capital Improvement Program. Any project approved for funding will have an adequate budget for operation and maintenance, or the County Manager will request that the County Council re-examine the established service level for this service.
7. Every appropriation (except an appropriation for capital projects and federal, state and local grants) will lapse at the close of the fiscal year to the extent that it has not been carried forward. Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned. The purpose of any appropriation will be deemed abandoned if three years pass without any disbursement or encumbrance of the appropriation unless re-appropriated by the County Council.
8. Debt service millage will be anticipated at levels that will generate sufficient revenue to make all required payments.
9. Countywide revenues will be allocated to services that provide a countywide benefit.
10. All revenues that are reasonably expected to be unexpended and unencumbered at the end of the fiscal year will be anticipated as "appropriated fund balance" in the budget of the following fiscal year.

RESERVE PROCEDURES

Goal: It is the goal of the County of Volusia to systematically build Emergency Reserves for future fiscal years until the total of such reserves are a minimum of 5% and a maximum of 10% of budgeted current revenues on an annual basis in all tax supported operating funds.

1. Beginning with FY 1999-00, ad valorem taxes received in excess of the 95% collection rate are placed in an Emergency Reserve account until a minimum 5% or a maximum 10% “reserve” position is achieved.
2. To the extent that other funds become available, (i.e. current revenues, expenditure savings, or fund balance) they may be added to the Emergency Reserve to achieve the 5%-10% “reserve” position as quickly as possible.
3. The County Council must approve all transfer of funds once they are placed in an Emergency Reserve account. Recommendations for the use of Emergency Reserves will be through the County Manager’s recommended budget that is presented to the County Council in July of each year.
4. Recommendations by the County Manager for the use of these funds at other times will be to address emergencies resulting from disasters to the extent that other revenues are not available for emergency expenditures.
5. The Emergency Reserve for future fiscal years is not intended to function as a second contingency fund to address unfunded expenditures or over-expenditures related to the normal provision of County services.
6. If funds are transferred from the Emergency Reserves as part of the annual budget process, or for unbudgeted emergencies during the fiscal year, and the transfer results in an Emergency Reserve of less than 5%, to the extent possible, they will be replaced during the following fiscal year.
7. The County Council and/or County Manager may impose this reserve policy for non-tax supported funds, as deemed appropriate.
8. Transfers from non-emergency reserve categories must be approved by the County Chief Financial Officer.

DEBT MANAGEMENT PROCEDURES

Overview

The County will take a planned approach to acquiring and managing debt. It is understood that the legal, economic, financial, and market conditions associated with the issuance of debt are dynamic and changing. Consequently, the decision to issue debt is best made on a case-by-case basis and only after careful and timely analysis and evaluation of relevant factors. Some of the factors that will be considered include, but are not limited, to the following:

- Legal constraints on debt capacity and various financing alternatives.
- The urgency of the capital requirements to be met and the economic costs of delays.
- Willingness and financial ability of the taxpayers to pay for the capital improvements.
- Determination as to whether to employ a “pay as you acquire” versus a “pay as you use” approach.
- Proper balance between internal and external financing.
- Current interest rates and other market considerations.
- The financial condition of the County.
- The types, availability and stability of revenues to be pledged for repayment of the debt.
- Type of debt to be issued.
- The nature of the projects to be financed (i.e., approved schedule of improvements, non-recurring improvements, etc.)

Procedure

The County will only issue debt for constructing or acquiring new or significantly renovating existing capital improvements. Cash surpluses, to the extent available and appropriable, should be used to finance scheduled capital improvements. Debt will not be issued to fund ongoing operations. The constraints and restrictions listed below provide the framework in which debt will be issued:

1. The County will at all times manage its debt and sustain its financial position in order to seek and maintain the highest credit rating possible.
2. Revenue sources will only be pledged for debt when legally available. In those situations where the revenue sources have previously been used for general operating expenditures, they will only be pledged for debt when other sufficient revenue sources are available to replace them.
3. Capital improvements not related to enterprise fund operations (e.g., roads, parks, public buildings, etc.) may be financed by debt to be repaid from available, pledgeable revenue sources (including ad valorem taxes).
4. Capital improvements related to enterprise fund operations (e.g., airport, water and wastewater systems, refuse disposal systems, etc.), if financed by debt, should be repaid solely from user fees and charges generated from the respective enterprise fund operation.
5. All capital improvements financed through the issuance of debt will be financed for a period not to exceed the useful life of the improvements, but in no event to exceed thirty years.
6. The County shall not construct or acquire a public facility if it is unable to adequately provide for the subsequent annual operation and maintenance costs of the facility.
7. The County will market its debt through the use of competitive bid whenever deemed feasible, cost effective and advantageous to do so. However, it is recognized that, in some situations, certain complexities and intricacies of a particular debt issue are such that it may be advantageous to market the debt via negotiated sale.
8. Credit enhancements (insurance, letters of credit, etc.) will be used only in those instances where the anticipated present value savings in terms of reduced interest expense exceeds the cost of the credit enhancement.

9. In order to maintain a stable debt service burden, the County will attempt to issue debt that carries a fixed interest rate. However, it is recognized that certain circumstances may warrant the issuance of variable rate debt. In those instances, the County should attempt to stabilize debt service payments through the use of an appropriate stabilization arrangement.
10. The County will ensure that an adequate system of internal control exists so as to provide reasonable assurance as to compliance with appropriate laws, rules, regulations and covenants associated with outstanding debt.
11. The County should consider coordinating with other local government entities to the fullest extent possible, so as to minimize the overlapping debt burden to its citizens.
12. The County will continually monitor its outstanding debt in relation to existing conditions in the debt market and will refund any outstanding debt when sufficient cost savings can be realized.

GEORGE RECKTENWALD
COUNTY MANAGER

Honorable Members of the County Council:

As your County Manager, in compliance with provisions of the County Charter and State of Florida Statutes, I am pleased to submit my recommended budget for fiscal year 2021-22. My recommended budget includes an operating budget of \$960,999,531 and a non-operating budget of \$185,307,854. The budget is considered to be the ultimate policy document which appropriates resources to the priorities of the organization. The budget process is basically a year-round exercise that takes into consideration financial forecasts, state and federal legislative impacts, property valuations, and an alignment of County Council's goals and priorities. This budget addresses the requests of the Constitutional Officers, the growing labor shortages throughout the organization and increased costs in construction, goods and services. It also begins to address increases in personnel costs, most notably the mandatory minimum wage increases which will ripple throughout the organization.

Ad Valorem Taxes

The operating budget spans across 68 funds, most of which are restrictive in nature. Out of 68 operating funds, only nine levy millage rates to collect ad valorem taxes. Of the total operating budget of \$960,999,531, only 33.0% or \$316,819,282 pertains to ad valorem taxes with \$8,483,205 of those taxes being directly distributed to Community Redevelopment Agencies (CRA's). This represents a 9.4% increase in ad valorem tax revenue for fiscal year 2021-22. During the 2020 election, voters approved the continuation of the ECHO and Volusia Forever programs. They account for \$16,436,068, or 5.2% of the ad valorem taxes in 2021-22, with ECHO's levy being a 100% increase as the tax was not levied in 2020. As the County Manager, and more importantly as a resident of Volusia County, keeping ad valorem taxes at a reasonable level is extremely important to me. While I am not recommending any millage rate increase, I am recommending to remain at the flat millage in seven out of nine taxing funds. This will result in some tax increases based on the increases in taxable values. However, the increases will be substantially lower for residents who had homestead exemptions on their properties in 2020.

123 West Indiana Avenue, Room 301 • DeLand, FL 32720-4612
Tel: 386-736-5920 257-6011 423-3860 • FAX: 386-822-5707

The average taxable value for a Volusia County residential homesteaded property in 2020 was \$97,394. Due to the state-wide Save Our Homes provision, the increase in assessed value of a homestead property is limited to 3% or the change in the Consumer Price Index (CPI), whichever is lower. For 2021, the Save Our Homes increase is 1.4%, which means that a home with a taxable value at the average of \$97,394 (\$147,394 assessed value) in 2020 will not have a taxable value higher than \$99,458 in 2021, providing their exemptions remained the same. With this recommended budget, the property taxes levied in 2021 on this average value home would increase by no more than \$46.71 for the year depending on the County taxing districts the home is located in, of which \$19.89 is attributable to the Volusia ECHO property tax. Of the \$46.71, the General Fund portion of the increase for this average value home would be \$11.25.

Non-ad valorem Revenues

While ad valorem taxes represent 33.0% of the operating revenue, they are not the only source of revenue for Volusia County. Other operating revenue sources such as licenses and permits, other taxes, intergovernmental revenues, charges for services, fines and forfeitures, and other miscellaneous revenues account for 30.1% of the total operating revenue. During the budget process for fiscal year 2020-21, we took a conservative approach to estimating our revenues from other sources as we were still unsure of the effect that COVID-19 would have on them. Thankfully, our revenues from these sources recovered much better than we were expecting and we took a slightly more aggressive approach in estimating these revenues for fiscal year 2021-22. Sales tax sharing distributed to Volusia County by the state is expected to increase 17.4% and state revenue sharing is expected to increase by 8.7%. We are expecting an increase of 7.2% in building permits revenue as construction in Volusia continues to thrive. While tourism in Volusia County slowed in the beginning of the pandemic, it quickly rebounded and we are expecting a 9.1% increase in resort tax for fiscal year 2021-22. Revenues in our enterprise operations of Utilities, Airport, Votran, Solid Waste, and the Ocean Center are expected to increase by 9.4% collectively. The Public Works department is estimating gas taxes to increase by only 1% as cars are becoming more efficient and more electric vehicles are causing less gas to be purchased. This will be a problem for road infrastructure revenue as this trend continues into the future as gas tax revenues are based on pennies per gallon sold and are not a percentage based revenue.

Staffing

During flourishing economic times, Volusia County and other governments have always been faced with the challenge of competing with private industry employers that offer higher wages thus creating a competitive imbalance in compensation. The new state minimum wage of \$15 per hour by 2026 is going to increase those challenges if not addressed in a calculated way. In order to reward the hardworking staff and remain competitive in the labor market, I have included a wage adjustment of 4% or a minimum of \$1.00 per hour for all County employees. This approach is planned to continue in future years as we work to remain competitive in the labor market and ensure we are compensating staff appropriately for the vital work they perform. The fiscal year 2021-22 recommended budget also includes the addition of 33.75 full-time equivalent (FTE) positions mostly in the Public Protection areas, bringing our total FTE count to 2,345.78. When compared to 2008-09 staffing levels, after adjustment for amendment 10 and absorption of Emergency Medical Services, our funded FTE count is down 119.96 or 5.5%, while our population for that same time has increased by 8.8%. This supports the fact that we truly are doing more with less. A summary of positions added for fiscal year 2021-22 is shown in the table on the following page:

Position	
8.25 – Paramedics (2), Emergency Medical Technicians (2), Ambulance Supply Technicians (2), Nurse Triage Nurses (9 part-time 2.25 FTE)	Emergency Medical Services
1 – Computer Support Analyst	Courts – Information Systems
7 – Corrections Officers (6), Information Service Analyst (1)	Corrections
1 – Accountant	Internal Auditor
1 – Environmental Specialist	Environmental Permitting
9.5 – Firefighters (9), Fire Inspector (1 part-time .5 FTE)	Fire Rescue
6 – Staff Assistant (1), Telecommunicators (5) (Security)	Daytona Beach International Airport
0.5 – Veterinarian (convert part-time to full-time)	Animal Control

Capital Program

We continue to take a pay-as-you go approach to our capital programming. General Fund major capital transfers for fiscal year 2021-22 include \$4.5 million for E911 technology upgrades in the Sheriff’s office, \$1.8 million for Corrections network and security upgrades, \$2 million to establish a replacement fund for Sheriff helicopters, and \$250,000 for lightning protection at the Sheriff’s evidence facility. In the Library fund, \$2 million is being set aside for Port Orange Library expansion to provide additional space for youth services including additional space for informal study, collaborative meetings and tutor space, and dedicated program rooms. The Port District fund is setting aside \$1 million for Lighthouse Point Park boardwalk renovations and Fire Rescue is funding the construction of station 47 at \$3.7 million. Road projects total \$17.8 million and include funding for Orange Camp Road, Beresford Avenue, Blue Lake Avenue Extension, Doyle Road, Old Mission Road, Beville Road, Dirksen Drive, LPGA Boulevard, Williamson Boulevard, Taylor Branch Road, and Pioneer Trail. Other capital improvements are programmed for maintenance and replacement of existing facilities. Details of the capital program can be found on the following pages of this document.

Constitutional Officers

On January 6, 2021 the structure of Volusia County government was changed by the implementation of Amendment 10, which added the Tax Collector’s office and separated the other constitutional offices from the County operation. We had been preparing for the implementation since the 2018 election and thanks to the teamwork of County staff and the constitutional officers, Volusia County became the model for other counties affected by amendment 10. The operating budget provides funding for the constitutional offices of the Sheriff, Tax Collector, Supervisor of Elections, Clerk of Court and Property Appraiser. In total, the cost to the operating budget related to constitutional officers is \$138,255,665, or 14.4% of the total operating budget. Funding for the constitutional officers comes mainly from the General Fund, with funding for the Sheriff for municipal services paid from the Municipal Service District (MSD) fund being the largest exception. Constitutional offices represent 54.7% or \$13.3 million of the General Fund operating increase. A complete breakdown of the General Fund operating increases can be found in the Budget by Fund section of this document.

Fund Balance and Reserves

Fund balance represents 36.9% of our total operating revenue and is mostly used to fund the reserve needs throughout our various operations. The total reserves across all funds has increased by 35.3% for fiscal year 2021-22 and represents 31.2% of our total operating budget. It is vital that a government

remains flexible enough to be sustainable over a period of time (i.e. reserves to handle temporary changes in revenues, one-time capital needs, emergencies, or operations that can be adjusted for changing service priorities). While Florida Statutes mandate that a local government’s budget is balanced annually (i.e. revenues equal to expenditures), there is no mandate to guarantee that a budget is financially sustainable. For budget purposes, fund balance is the amount at the end of one fiscal year that is available for appropriation in the next fiscal year. The County utilizes pay-as-you-go financing for the majority of its capital projects, while saving up for these projects the amounts are budgeted in reserves. In addition, adequate fund balance translates into sustainable emergency reserve levels. It is essential that sustainable levels are maintained to mitigate the financial impact from natural disasters and unforeseen fluctuations in revenues or expenditures. The availability of reserves for use in a financial emergency is one indication that a government is financially strong. The chart below details the emergency reserve balances and associated percentages to budgeted current revenues:

Budgeted Emergency Reserves	FY 2020-21	FY 2021-22	% of revenues
General Fund	24,296,023	26,851,060	10.0%
Library	2,069,461	2,181,328	10.0%
East Volusia Mosquito Control	493,507	521,303	10.0%
Ponce De Leon Inlet & Port District	348,128	349,096	10.0%
Municipal Service District	4,828,379	4,486,509	10.0%
Fire Services	3,197,831	3,385,599	10.0%

CARES Act

Throughout my career with Volusia County I have been involved in the wildfires of 1998, the hurricanes of 2004, the Great Recession, various tornadoes, and other emergency events and can now add the COVID-19 pandemic to that list. In every instance, I have been impressed and proud of the response from Volusia County staff, who I consider to be the best in the business. Fiscal year 2020-21 has been a difficult year as we navigate through the pandemic, but true to form, staff has shown their resiliency and continued to provide vital services to the residents of Volusia County. The important role staff plays in our community cannot be understated. While needs are always our top priority, the needs have never been more important than they were during the COVID-19 pandemic and they will continue to be important as we transition out of it. As you know, in May of 2020 Volusia County received and appropriated \$96,543,791 from the US Treasury through the CARES Act - established Coronavirus Relief Fund. This money was quickly put into action, as many community programs were created to provide citizens and businesses with much needed relief. In total, \$55.5 million of Volusia County’s CARES Act dollars were distributed into the community either directly to the citizens or businesses in need or through the city sub-recipient program. Of that \$55.5 million, \$24.4 million was distributed for rental and mortgage assistance. The table on the following page shows the total allocation of CARES Act dollars:

Use of CARES Act Funding	Amount
County costs - First responder wages and benefits, Family first sick and FMLA leave/overtime, Building and facilities infection prevention, IT teleworking improvements, Elections extra costs, County personal protective equipment (PPE), COVID testing and treatment	\$41,045,238
Sub-recipients - City sub-recipient program, School Board funding, Clerk of Court sub-recipient agreement	\$16,695,459
Programs - Housing assistance program (rental and mortgage), Housing assistance program administration, Small business COVID grant, Home-based business grant, Small business and home-based COVID grant administration, Business COVID grant nonprofit expansion, Food bank assistance, Business PPE purchase and distribution, and advertising (grants, mask up, etc.),	\$38,803,094
Total CARES Act allocations	\$96,453,791

The CARES Act allowed us to utilize funding to pay for the wages and benefits of first responders, which created a savings of \$30 million in the General Fund. To account for the use of the General Fund's savings, a Coronavirus transition fund was created. This fund is one-time money and contains no plans for on-going operating expenditures. During fiscal year 2020-21, County Council appropriated \$1 million of this money to Food Brings Hope, the Health Department, and additional alcohol, drug, and mental health funding. Projects that are recommended to be completed using this funding include the new Medical Examiner Facility (\$7 million), the Radio/Backbone Infrastructure project (\$5.5 million), West Wing Replacement and Mental Health Dorms at the Corrections facility (\$7.7 million), EMS building repairs (\$1.2 million), and the replacement of the Fire Alerting System (\$7.5 million). All recommendations are public protection related.

ARPA

On March 11, 2021, President Biden signed into law the \$1.9 trillion relief bill commonly referred to as The American Rescue Plan Act of 2021 (ARPA). In total, Volusia County will receive \$107,468,931 of ARPA Coronavirus Local Fiscal Recovery funding. 50% of this funding was received on May 19, 2021 and the remaining 50% will be received on May 19, 2022. The use of these funds are restricted to the following categories: 1) respond to COVID-19 or its negative impacts 2) premium pay 3) revenue loss 4) water, sewer, and broadband infrastructure. At the June 22, 2021 council meeting, it was the consensus of the council to maximize the county's utilization of the revenue loss provisions, which is estimated to be approximately \$77.3 million. The revenue loss that we claim will again be transferred to a transition fund; we have a council workshop scheduled for July 27, 2021 to determine how those funds should be allocated. The remaining \$30.1 million is recommended to be allocated to water, sewer, and broadband infrastructure (\$26.9 million) and COVID-19 response and mitigation (\$3.2 million). The planning for use of ARPA funding is still in the early stages, but this funding gives us a rare opportunity to fulfill many needs in the community without using county tax dollars.

Future Challenges

As we look ahead to the future, we have many challenges facing Volusia County. As I touched on earlier in regards to staffing, the \$15 minimum wage mandate will increase personnel costs in future years. The minimum wage mandate will also impact contractors and vendors doing business with Volusia County, so other operational increases are expected as contracts are procured. Input costs for general contractors have increased by 12.8% from April 2020 to February 2021. Cost inflation in construction greatly impacts the future years of Volusia County's budget needs, as capital projects use outside contractors and competitive bidding processes. The most recent Consumer Price Index for All Urban Consumers report

included an 8.7% annual increase for commodities, less food and energy. Energy commodities (fuel and electricity) is reported to have an annual increase of 24.5%. Additionally, there is a 3.1% annual increase for services less energy services. This amount is expected to be higher in the State of Florida, due to the effect of the minimum wage increase on the entire labor market. Maintenance responsibility for Sunrail will be transferred to the County in fiscal year 2023-24, which is forecasted with a \$8.4 million increase in operating and debt costs to Volusia County. The need for a new courthouse in East Volusia to replace the outdated City Island courthouse is still a future concern and will require issuance of debt.

Closing

In closing, this recommended budget acknowledges the challenges and uncertainties that we continue to face. It takes into account our need to remain sensible and considerate as we continue to address the needs of our community while keeping an eye on the long-term sustainability of our overall budget. I would like to thank council members for your consistent fiscal, policy leadership, and guidance throughout this era of unprecedented challenges. I would also like to thank our experienced department heads, division heads, and constitutional officers for their diligence and commitment to run efficient and effective operations. Despite economic challenges, Volusia County has positioned itself to remain fiscally viable and responsible to its citizens.

Sincerely,

George Recktenwald
County Manager

FUND STRUCTURE

The accounts of the County are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operation of each fund is accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The purpose of the various funds and account groups are as follows:

1. Governmental Funds

General Fund - The General Fund is the general operating fund of the County. It accounts for all financial resources, except those for which are required to be accounted in another fund.

Special Revenue Funds - Special Revenue Funds account for revenues from specific taxes or other earmarked revenue sources which are legally restricted to finance particular functions or activities.

Debt Service Funds - Debt Service Funds account for the accumulation of resources for, and the payment of, general long-term debt principal, interest and related expenditures.

Capital Projects Funds - Capital Projects Funds account for the financial resources used to acquire or construct major capital facilities other than those financed by proprietary funds.

2. Proprietary Funds

Enterprise Funds - Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the expenses, including depreciation, of providing goods or services to the general public on a continuous basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Internal Service Funds - Internal Service Funds account for the financing of goods or services provided by one department or division to other departments or divisions of the County, or to other governmental units, on a cost reimbursement basis.

3. Fiduciary Funds

Trust and Agency Funds - Trust and Agency Funds account for assets held by the County in a trustee or custodial capacity. Agency funds typically involve only the receipt, temporary investment, and remittance of fiduciary resources to individuals, private organizations, or other governments. Budgetary data for Trust and Agency Funds are not included in the budget document.

	345,180,647	439,632,988	94,452,341	27.4%

Fund	% Change	Explanation
General Fund	48.4%	9/30/20 balance to be used for future major capital projects
Emergency Medical Services	46.8%	Reflects increased ambulance billings and bad debt recovery
Library	12.3%	Increase in fund balance due to less operating expenditures
E Volusia Mosquito Control	21.4%	Capital funding to be allocated in future years in the Mosquito Control Capital Projects Fund
Road Proportionate Share	53.7%	Capital funding committed for future capital projects in areas where developer's impact is identified
Ponce De Leon Inlet and Port District	26.2%	Accumulation of prior years' receipts for future Port District Projects
E-911 Emergency Telephone System	88.5%	9/30/20 balance to be used for future capital outlay projects
Ocean Center	68.6%	Increase in fund balance due to an increase in the transfer from Tourist Development Tax
Road District Maintenance	30.0%	Additional funds collected to be used for future paving of dirt roads
Municipal Service District	30.0%	Operating savings used to increase debt service reserves
Manatee Conservation	20.6%	Increase in fund balance due to large marina being built
Inmate Welfare Trust	25.6%	Reflects increase in commissary, video, tablet and phone commissions
Economic Development Incentives	-100.0%	Economic incentive to Brown & Brown was fully encumbered & estimated
Wetland Mitigation	-34.6%	Use of fund balance to cover cost of plant materials for wetland restoration projects
Economic Development	44.5%	Carry forward of economic incentive funds
Road Impact Fees	71.9%	Accumulation of prior year receipts for future road projects
Park Impact Fees	41.8%	Accumulation of prior year receipts for future road projects
Fire Impact Fees	19.1%	Accumulation of prior year receipts for future fire projects
Fire Rescue District	23.6%	Carry forward of capital projects to future forecast years
Silver Sands/Bethune Beach MSD	95.3%	Accumulation of funds to cover fluctuation in energy costs during unstable economic periods
Volusia Forever	10.1%	Increased fund balance for future land management operations
Law Enforcement Trust	31.0%	Accumulation of funds to cover training and education costs for law enforcement
Beach Enforcement Trust	33.0%	Accumulation of prior years' fines along with recent fines
Federal Forfeiture Sharing Justice	13.0%	Accumulation of funds to defray the costs of protracted or complex investigations requested by the Sheriff
Solid Waste	14.7%	Carry forward of balances to meet landfill closure costs and capital projects
Daytona Beach International Airport	61.1%	Remainder of CARES Act
Volusia Transportation Authority	151.3%	Fund balance programmed for future service needs
Water and Sewer Utilities	11.0%	Carry forward of funds for future water and sewer utility related projects
Parking Garage	422.3%	Increase in fund balance is due to the loan from the Ocean Center
Insurance Management	-97.2%	Use of fund balance to cover increased insurance premium costs
Group Insurance	-25.1%	Higher health insurance claims required use of fund balance

Volusia County Top Ten Operating Revenues

Operating Revenues are comprised of various receipts that are collected or anticipated for collection during the fiscal year based on operations of the County and disbursements from federal, state, and other governments. The following discussions and illustrations will provide detailed background and historical information with regards to the top ten operating revenues in Volusia County for the adopted fiscal year 2021-22 budget.

	FY 2020-21 Adopted Budget	FY 2021-22 Adopted Budget	% of Operating Revenues
Current Ad Valorem Taxes	289,698,397	316,819,282	32.97%
Resort Tax/Convention Dev. Tax	22,481,929	24,522,049	2.55%
Gas Taxes	23,548,442	23,783,926	2.47%
Half-Cent Sales Tax	20,020,405	23,497,088	2.45%
Landfill Charges	18,200,000	19,500,000	2.03%
Ambulance Fees/Service Charges	16,393,063	17,080,346	1.78%
Solid Waste Collection Assessment	11,188,677	11,373,452	1.18%
Road Impact Fees – Residential/Commercial	10,089,773	10,089,590	1.05%
State Revenue Sharing	8,615,713	9,365,967	0.97%
Utility Tax	8,437,967	9,056,310	0.94%

Ad Valorem Property Taxes (Various Taxing Funds)

The County’s largest revenue source is ad valorem property taxes calculated on taxable value of various properties multiplied by the millage rates established by the governing body of each taxing authority. The total ad valorem taxes budgeted for fiscal year 2021-22 is \$316,819,282, an increase of \$27.1 million from fiscal year 2020-21. Ad valorem taxes are 32.97% of the total operating budget revenues.

Volusia County has a total of nine property tax millage rates levied countywide and in special districts; as shown below. All citizens within the County pay the countywide rates; those living within the district boundaries also pay the rate for that district.

Countywide (Levied within the entire county)	County’s Special Taxing Districts (Levied within specific geographic area in addition to other levies)
General Fund	Mosquito Control
Library	Ponce Inlet/Port Authority
Volusia Forever	Municipal Service District (MSD)
ECHO	Silver Sands/Bethune Beach MSD
	Fire Rescue District

Resort/Convention Development Taxes

The *Tourist Development/Resort Tax* was enacted in 1978 levying a two percent tax on short term rentals of living accommodations for six months or less. On April 24, 2003, the Volusia County Council adopted Ordinance 2003-07 raising the tax to three percent effective July 1, 2003. The funds generated from the Tourist Development/Resort Tax go to support the Ocean Center in Daytona Beach. Revenue from these funds are pledged to secure and liquidate revenue bonds for the acquisition, construction, extension, enlargement, remodeling, repair, improvement, maintenance, operation or promotion of one or more publicly owned and operated convention centers, sports stadiums, sports arenas, coliseums, or auditoriums

within Volusia County. The fiscal year 2021-22 budget is \$12,250,727 which is a 9.1% increase from fiscal year 2020-21 budget. These funds provide for debt service expenditures on the 2004 Tourist Development Tax Bond issue and the Tourist Development Tax Refunding Revenue Notes, Series 2014A and 2014B for the construction and expansion of the Ocean Center in the amount of \$4,573,985. The remaining revenue is used for daily operations of the Ocean Center.

Volusia County, as a charter county, was authorized by state statute and local ordinance to self-administer and collect the tax. There is a 2% service charge for this activity on two of the three cents. These proceeds are offset to Treasury and Billing administration.

The Convention Development Tax revenue derives from the 3% Convention Development Tax on hotel rooms and other short-term rentals in each of the three districts within Volusia County. The Tourist Development Advertising Authorities receive these revenues. The districts include the Halifax Area Advertising Authority (HAAA), Southeast Volusia Advertising Authority (SVAA), and West Volusia Advertising Authority (WVAA). The fiscal year 2021-22 budget is \$12,271,322 which is a 9% increase from fiscal year 2020-21 budget. The funds received by the advertising authorities are used for promotion and marketing campaigns for their respective areas.

Gas Tax Revenues

Volusia County receives a total of five separate gas taxes, including the 6-cent local option fuel tax, 5-cent second local option fuel tax, the 5th and 6th cent constitutional fuel tax, the 7th cent county fuel tax and the 9th cent fuel tax. All of these revenues are accounted for in separate revenue codes and tracked for assurance that each revenue source is used in accordance with its authorized use. The fiscal year 2021-22 budget for gas taxes is \$23.8 million.

A brief overview of each tax collected is shown below:

1 to 6 Cents Local Option Fuel Tax- local governments are authorized to levy a tax of 1 to 6 cents on every net gallon of motor fuel sold in a county. As a result of statewide equalization, this tax is imposed on diesel fuel in each county at the maximum rate of 6 cents per gallon. The tax on motor fuel may be authorized by an ordinance adopted by a majority vote of the governing body or voter approval in a countywide referendum. The proceeds are used to fund specified public transportation operations and maintenance expenditures, roadway and right of ways along with drainage, street lighting, traffic signs, bridges and the debt service payment. The fiscal year 2021-22 budget is \$7,974,763. This revenue source has been pledged for debt service payments to repay \$41,505,000 in revenue bonds issued on January 9, 2013.

1 to 5 cents Local Option Fuel Tax- county governments are authorized to levy a tax of 1 to 5 cents upon every net gallon of motor fuel sold within a county. Diesel fuel is not subject to this tax. This tax may be levied by an ordinance adopted by a majority plus one vote of the membership of the governing body or

voter approval in a countywide referendum. The tax proceeds are used for transportation expenditures needed to meet the requirements of the capital improvements element of an adopted local government comprehensive plan or expenditures needed to meet immediate local transportation problems and other transportation-related expenditures that are critical for building comprehensive roadway networks by local governments. The fiscal year 2021-22 budget is \$5,849,934. Local governments may use the services of the Division of Bond Finance of the State Board of Administration to issue any bonds through these provisions and pledge the revenues from these local option fuel taxes to secure the payment of bonds. Counties and municipalities may join together for the issuance of these bonds. This tax is not eligible for the use of routine maintenance on roads.

Constitutional Fuel Tax 5th & 6th Cent- pursuant to constitutional authorization and statutory implementation, a state tax of 2 cents per gallon on motor fuel is levied. The first call on tax proceeds is to meet the debt service requirements, if any, on local bond issues backed by the tax proceeds. The remaining balance, called the surplus funds, is also used, as necessary to meet the debt service requirements on local bond issues backed by the surplus funds. Any remaining surplus funds are used for the acquisition, construction, and maintenance of roads. Routine maintenance is defined as: minor repairs and associated tasks necessary to maintain a safe and efficient transportation system and includes pavement patching, shoulder repair, cleaning and repair of drainage ditches, traffic signs, structures and other similar activities. The fiscal year 2021-22 budget is \$5,197,217.

County Fuel Tax- 7th Cent- the county fuel tax is levied on motor fuel at the rate of 1 cent per gallon. The proceeds are to be used by counties for transportation-related expenses; including the reduction of bonded indebtedness incurred for transportation purposes. It is the legislative intent that these proceeds be used for such purposes in order to reduce the burden of county ad valorem taxes. The proceeds are allocated to each county via the same formula used for distributing the Constitutional Fuel Tax. The fiscal year 2021-22 budget is \$2,250,981.

Ninth Cent Fuel Tax- the Ninth-Cent Fuel Tax is a tax of 1 cent on every net gallon of motor and diesel fuel sold within a county. The proceeds are used to fund specified transportation expenditures. County and municipal governments may use the tax proceeds for transportation expenditures as defined in s.336.025(7), F.S. Transportation expenditures are defined to include those expenditures by the local government from local or state-shared revenue sources, excluding expenditures of bond proceeds, for the following programs: public transportation operations and maintenance, roadway and right-of-way maintenance, roadway and right-of-way drainage, street lighting installation, operation, maintenance and repair of traffic signs, traffic engineering, signalization, pavement markings, bridge maintenance and operation as well as debt service and current expenditures for transportation capital projects in the foregoing program areas, including construction or reconstruction of roads and sidewalks. The fiscal year 2021-22 budget is \$2,511,031.

Local Government Half-Cent Sales Tax

The Local Government Half-Cent Sales Tax is collected and distributed by the State based on the state formula using relative population. The primary purpose for the Sales Tax Fund is to record the County's receipt of the Half-Cent Sales Tax that is received from the State of Florida on a monthly basis. Funds are authorized by F.S. 212.20(6) and 218.60.67 for countywide purposes, including debt service. The Half-Cent Sales Tax is allocated per statutory formula based on population. The current fiscal year 2021-22 budget is \$23,497,088 which is a 17.37% increase over the 2020-21 budget.

The Sales Tax Trust Fund allows for the allocation of the revenue between the General Fund and Municipal Service District Fund.

Sales Tax Revenue by Year

FY 2011-12	FY 2012-13	FY 2013-14	FY 2014-15	FY 2015-16	FY 2016-17	FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21 Estimate
16,039,983	16,894,299	17,861,072	19,115,761	20,167,827	20,995,101	22,217,798	22,424,375	21,966,220	22,812,707

Landfill Charges

The County's 5th largest revenue is landfill charges as authorized by ordinance. The Solid Waste Fund's main source of operating revenue are landfill charges which are budgeted at \$19,500,000 or 94.7% of total operating revenue in fiscal year 2021-22. These charges are derived from tipping fees based on tonnage of various types of waste such as Class I (household garbage), Class II (construction and demolition waste), yard trash, recycling debris, tires and asbestos. Revenues are utilized for operations and long-term closure costs.

Ambulance Fees

The Emergency Medical Services Fund was established in fiscal year 2011-12 when the county took over provision of ambulance services. The main operating revenue source in the Emergency Medical Services fund are the ambulance fees, which represent 78.7% of total operating revenue or \$17,080,346 budgeted in fiscal year 2021-22. Ambulance fee revenue is a net of required adjustments such as Medicare, Medicaid, and other entitlements and reductions. The fiscal year 2021-2022 is based on the total estimated transports of 53,173 and an average unit of \$343.79 per transport.

Solid Waste Collection-Special Assessment

Volusia County established the Waste Collection fund to account for collection of trash and debris and recycling program services. A residential collection of non-ad valorem special assessment is billed annually to citizens in the unincorporated area on their property tax bill for residential garbage, yard waste and recycling pickup by FCC Environmental Services, LLC. The annual non ad valorem assessment to residents in Volusia County is \$255 per year via Resolution 2019-103. The fiscal year 2020-21 budget is \$11,373,452.

Road Impact Fees – Residential

*A temporary suspension of residential impact fees occurred between July 2011 and June 2015.

The Thoroughfare Road Impact Fees were established by ordinance in 1986, and are incorporated in Chapter 70, Article I and III of the Volusia County Code. The impact fee revenues are collected from residential and commercial development by zone to pay for the proportionate share of capital improvement needs related to growth. The fiscal year 2021-22 budget is \$10,089,590.

Volusia County Code of Ordinance Ch. 70, Sec. 70-75, Imposition of fee schedule: On December 4, 2018 County Council approved the repeal and replacement of the thoroughfare road impact fee schedule, effective March 4, 2019. Based on the thoroughfare road impact fee schedule, from March 4, 2019, to March 3, 2020 the fees collected will be 75% of the rate set forth in the schedule. On March 4, 2021, and every year thereafter, thoroughfare road impact fees will increase based on the percentage of the previous year annual Florida Department of Transportation Producer Price Index for Highway and Street Construction or successor construction cost index no less than 3% and no more than 8%.

In fiscal year 2004-05, the County issued \$65 million in bonds to fund the road program. Impact fee revenues collected in Zone 1-4 are used to pay the debt service on the bonded road projects within the zone, as well as continue with expansion and improvements which will reach final maturity on Oct. 1, 2024.

Road Impact Fee Revenue Paid Towards Debt FY 2018 – FY 2021				
Fund	FY 2018-19 Actual	FY 2019-20 Actual	FY 2020-21 Actual	FY 2021-22 Budget
Fund 131 – Road Impact Fee Zone 1 (NE)	1,238,794	1,870,037	1,135,751	1,894,284
Fund 132 – Road Impact Fee Zone 2 (SE)	495,927	496,335	454,668	496,122
Fund 133 – Road Impact Fee Zone 3 (SW)	703,615	1,759,731	645,077	1,758,976
Fund 134 – Road Impact Fee Zone 4 (NW)	360,674	360,971	330,667	360,816
Total Debt Payments from Impact Fee	\$2,799,010	\$4,487,074	\$2,566,163	\$4,510,198

State Revenue Sharing

State Revenue Sharing is authorized by Florida Statute and is comprised of 2.9% of net cigarette tax collections and 2.081% of sales and use tax collections. Revenues are distributed monthly by the State based on county population, unincorporated county population and county sales tax collections. These revenues are distributed to the General Fund for countywide purposes and the County Transportation Trust Fund for transportation safety functions. The fiscal year 2021-22 budget is \$9,365,967 and gets distributed to the general fund in the amount of \$9,184,067 and \$181,900 to the County Transportation Trust Fund.

Utility Tax

Utility tax as known as Public Service Tax per Florida Statute is permitted to levy a tax on the purchase of electricity, metered natural gas, liquefied petroleum gas either metered or bottled, manufactured gas either metered or bottled, and water service. The tax shall not be applied against any fuel adjustment charge, which shall be stated separately on each bill. Exemption from payment of the utility tax exists for any federal, state, county, municipality, school district, or other public body as defined in F.S. 1.01 or otherwise exempted by law. This revenue will be used to offset costs of providing municipal services to the residents of unincorporated Volusia County. Utility tax revenue is received monthly by the Tax Collector into the Municipal Services District Fund and used to cover the cost of municipal services provided to the residents of unincorporated Volusia County. The fiscal year 2021-22 budget is \$9,056,310 which is a 7.3% increase from the 2020-21 budget.

--	-----------------------	-----------------------	----------------------	------------------------	----------------------

Fund: 001 - General Fund

The General Fund is used to account for all financial resources except those required to be accounted for in another fund. Ad Valorem taxes are the major revenue source of this fund, at 79.9% of operating revenues. The adopted millage rate of 5.3812 is a partial rollback rate from the 2020-21 rate of 5.4500. The 2021-22 millage rate will generate \$221.1 million in ad valorem tax revenue.

The General Fund is the main source of funding Volusia County's constitutional offices including the Office of the Sheriff, Property Appraiser, Tax Collector, Supervisor of Elections, and Clerk of Court. The General Fund also provides funding for other external operations such as Community Redevelopment Agencies (CRA) and other community programs. In total, 38.3% of the General Fund's budget is attributed to the Constitutional offices and other external operations.

Public Protection, which includes Beach Safety, Corrections Branch Jail, Medical Examiner, Emergency Management, Fire Services, and funding support for Emergency Medical Services, represents 21.4% of the General Fund budget.

Reserves, which are funded by prior year fund balance and not current operating revenues, represent 17.5% of the total General Fund budget. Reserves are broken into three categories; reserves for future capital, reserves for contingencies, and emergency reserves. Emergency reserves are set at 10% of the current year operating revenues per County Council policy.

The remaining 22.8% of the General Fund budget provides subsidies for Votran and Economic Development as well as funding for the internal County Operations of Business Services, Facilities, Finance, Information Technology, Human Resources, Leadership, Parks, Recreation & Culture, Community Services, Growth & Resource Management, and Public Works.

Fund: 002 - Emergency Medical Services

During fiscal year 2010-11, the County Council voted to assume provision of countywide emergency ambulance transport services from the Emergency Medical Foundation, also known as EVAC. Beginning October 1, 2011, this fund was established by Ordinance 2011-20, Section 161, to provide funding for ambulance operations. It is funded through ambulance billing revenue, Public Emergency Medical Transportation (PEMT) reimbursement revenues, and a subsidy from the General Fund.

The fiscal year 2021-22 budget includes a General Fund subsidy of \$7.2 million, which is 24.8% of the operating revenue. Major capital outlay expenses include: Ventilators - \$552,600 and CPR assist devices - \$320,012. This budget also includes the addition of two emergency medical technicians, two paramedics, and two ambulance supply technicians. Also included is the addition of nine part-time Nurse Triage positions. When the Nurse Triage Program was first implemented its success was undetermined so temporary positions were utilized to fill the need, now that the program has proven to be successful the permanent positions are being added for continued success.

The reserves include \$6.5 million for future capital, so that sufficient funds will be available to replace major capital equipment such as CPR assist devices, cardiac monitors, and a specialty care transport vehicle. In addition, \$2.2 million is set aside as a revenue stabilization reserve which represents 10% of all operating revenues outside of the General Fund transfer.

Fund: 003 - COVID Transition

This fund was created in fiscal year 2020-21 to account for the use of the General Fund's fund balance that was created by using CARES Act funding to pay for the salaries of public protection employees. In total, \$30 million that was previously allocated for personnel services became available for appropriation. This fund is strictly one-time money and contains no plans for on-going operating expenditures. During fiscal year 2020-21, County Council appropriated \$1 million dollars of this money to Food Brings Hope, the Health Department, and additional alcohol, drug, and mental health funding. Projects that will be completed using this funding include the new Medical Examiner Facility (\$7 million), the Radio/Backbone Infrastructure project (\$5.5 million), West Wing Replacement and Mental Health Dorms at the Corrections facility (\$7.7 million). As well as EMS building repairs (\$1.2 million) and the replacement of the Fire Alerting System (\$7.5 million). All recommendations are public protection related. This fund will provide full transparency on how the unappropriated fund balance is used.

Fund: 101 - Coronavirus Relief

On March 11, 2021, President Biden signed into law the \$1.9 trillion relief bill commonly referred to as The American Rescue Plan Act of 2021 (ARPA). In total, Volusia County will receive \$107,468,931 of ARPA funding, 50% of this funding was received on May 19, 2021 and the remaining 50% will be received on May 19, 2022. The use of these funds are restricted to the following categories: 1) respond to COVID-19 or its negative impacts 2) premium pay 3) revenue loss 4) water, sewer, and broadband infrastructure. Planning for the use of these funds is underway and will require future appropriation from Council. The budget currently in this fund represents the personnel services costs related to the management of this fund.

Fund: 103 - County Transportation Trust

Chapter 336.022(1), Florida Statutes, directs each county to establish a Transportation Trust Fund for all transportation-related revenues and expenditures. The major revenue sources for the County Transportation Trust fund include: the 6 cents local option gas tax; 5 cents second local option gas tax; the 5th and 6th cent constitutional gas tax; 7th cent county gas tax; the 9th cent gas tax, and \$4.0 million in utility taxes transferred from the Municipal Service District Fund to be used for safety related maintenance services of local transportation infrastructure provided in the unincorporated areas of the County.

The fiscal year 2021-22 operating budget of \$55.9 million provides for road and bridge operations, maintenance and repairs to the bascule bridges, engineering services, arterial street lighting, railroad crossing maintenance, and traffic signal modernization. Major capital improvement projects funded within County Transportation Trust funds include: countywide safety projects, bridge repairs program, traffic signal modernization, advanced right-of-way acquisition, and advanced engineering and permitting. An interfund transfer to the Public Works Facilities Fund 365 in the amount of \$600,000 is included for the West Side Facility upgrades.

Reserve balances of \$19.9 million are designated for planned transportation-related capital improvement projects, capital outlay purchases, the road maintenance program and offsetting volatility in revenue streams such as gas taxes.

A total of \$1.0 million in gas tax collections will be transferred to the Debt Service Funds to partially fund principal and interest payments for the Williamson Boulevard extension note.

Fund: 104 - Library

Established in Volusia County Code, Article IV, 2-113(d)(3), Volusia County's public library system includes six regional libraries, two full service branch libraries, six community branch libraries, and one support/training facility. A countywide Library Fund millage rate of 0.5174 accounts for the tax revenues and expenditures relating to the operation of the library system. Ad Valorem revenue accounts for approximately 97% of all operating revenues. Volusia County earns state aid grant funds based on a match of up to \$0.25 of each local dollar expended centrally for the operation and maintenance of the library. State Aid is budgeted at \$280,080 for fiscal year 2021-22. The library also receives revenue from the Federal Communications Commission for the E-rate program to help obtain affordable broadband; \$75,936 is budgeted for fiscal year 2021-22. The library also expects revenue from charges for services, fines and fees, donations, and Friends of the Library contributions in the amount of \$207,292. Operating expenditures are \$20.2 million with 56% being allocated to personnel services and 44% allocated to ongoing operating costs. \$2 million is transferred to the Library Capital Fund for the expansion and renovation of the Port Orange Library. \$1.67 million in capital expenses is 7% of the total fund expenditures. Emergency reserves are set at 10% to continue to meet County Council requirements. The reserve for future capital is set aside for one-time capital outlay and improvement expenditures and is currently allocated at \$5,484,840.

Fund: 105 - E Volusia Mosquito Control

Volusia County Mosquito Control (VCMC) operates under the authority of F.S. Title XXIX, Chapter 388, and Chapter 110, Article IX County Ordinances, East Volusia Mosquito Control District is responsible for mosquito control in Volusia County. To achieve the primary goal of reducing mosquito production, VCMC utilizes integrated pest management strategies including; monitoring larval and adult mosquito populations, mitigating sites where mosquitoes are produced, controlling immature mosquitoes before they develop into biting adults, spraying for adult mosquitoes, and educating citizens. Funding for VCMC is provided primarily through ad valorem taxes assessed on properties within the district. For fiscal year 2021-22 the adopted millage rate of 0.1781 remains flat with the adopted rate in fiscal year 2020-21. The amount of taxes levied by the County Council shall not exceed, in any one fiscal year, the sum of two mills for every dollar of assessed valuation on property situated in the district. Revenue is also realized from services provided to municipalities outside the District. The Florida Department of Agriculture and Consumer Services, which has provided limited state funds in the past, has proposed eliminating these funds to Districts with budgets of three million dollars and greater.

In fiscal year 2021-22, a new capital projects fund (378) was created in order to set aside funds for architectural engineering and conceptual design of a new Mosquito Control facility. Of the \$3,669,836 held in reserves, \$3,048,533 is for future transfers to the capital fund for construction of future operational facilities and hangar replacement, \$100,000 is held in a reserves for contingency for fluctuation in commodity prices, and \$521,303 in emergency reserves, which represents 10% of recurring revenues, per County Council policy.

Fund: 106 - Resort Tax

The Tourist Development/Resort Tax was enacted in 1978 by Ordinance 1978-02, levying a two percent tax on short term accommodation rentals of six months or less to fund the expansion and related maintenance costs of the Ocean Center. From this revenue, an administrative fee of 2% is budgeted for cost of collection. On April 24, 2003, the Volusia County Council adopted Ordinance 2003-07 raising the tax to three percent, effective July 1, 2003. The revenue generated from the tax is used primarily to fund debt service for the bonds issued to finance the expansion costs, with the remaining revenue allocated to Ocean Center operations. In fiscal year 2021-22, the transfer for debt service is \$4.6 million (Funds 202 and 203) with remaining \$7.5 million to the Ocean Center (Fund 118).

Fund: 108 - Sales Tax Trust

The County is entitled to a proportionate share of the Half-Cent State Sales Tax, collected at the state level and distributed to all counties based on formula per F.S. 202.18, F.S. 218.61. Half-Cent Sales Tax revenue is received into the Sales Tax Trust Fund from the Department of Revenue on a monthly basis. The revenue is allocated between the General Fund (001) - \$16.2 million and the Municipal Service District Fund (120) - \$6.7 million. The allocation is based on unincorporated and incorporated county population.

Fund: 111 - Convention Development Tax

The Tourist Development Advertising Authorities receive Convention Development Tax revenues derived from the 3% Convention Development Tax on hotel rooms and other short-term rentals in each of the three districts. The districts include the Halifax Area Advertising Authority (HAAA), Southeast Volusia Advertising Authority (SVAA), and West Volusia Advertising Authority (WVAA). The funds received by the advertising authorities are used for promotion and marketing campaigns for their respective areas.

The fiscal year 2021-22 budget includes a 2% administrative fee that is collected by Treasury & Billing Division for the cost of collection. The net total of taxes to be remitted to HAAA is estimated at \$8,720,457. The net total of taxes to be remitted to SVAA is estimated at \$2,570,191. The net total of taxes to be remitted to WVAA is estimated at \$736,797.

Fund: 113 - Road Proportionate Share

The Road Proportionate Share Fund was created by Council action on April 17, 2018. The fund was established to increase transparency and track proportionate share contributions. Proportionate share projects are agreements between municipalities and large-scale developers to expedite improvements to infrastructure needs that have been identified as substandard.

The fiscal year 2021-22 budget includes seven projects utilizing proportionate share funding, Williamson Blvd., Taylor Rd., Blue Lake Extension, LPGA Widening, Beville Ave., Pioneer Trail & Sugarmill Lane, and Dirksen Dr. for a total amount of \$7.4 million.

The timing of construction of this transportation improvement is solely at the county's discretion, and once payment is made, the developer has agreed to waive the right to request return of the developer funds in the future.

Fund: 114 - Ponce De Leon Inlet and Port District

The Ponce de Leon Inlet and Port District taxing fund is authorized under Chapter 110 Article VIII of the Volusia County Code. The Port District millage rate is 0.0845, which is the rollback rate for fiscal year 2021-22. The County Code authorizes the ad valorem millage not to exceed one mill per annum for administration, maintenance, and operations, and up to two mills per annum for debt service or any voter approved bonds.

The District primarily serves as the local sponsor, for federal management and operations of the Ponce de Leon Inlet Channel. Port District activities include inlet management, operation of the Smyrna Dunes and Lighthouse Point Inlet Parks, marine wildlife and artificial fishing reef construction, derelict vessel removal, and public access to coastal waterways. Public access and inlet parks funding supports new and upgraded infrastructure, such as fishing piers, boardwalks, as well as boat and kayak launch facilities. An interfund transfer to the Port Capital Fund is budgeted in the amount of \$1,000,000, for Lighthouse Point Park boardwalk renovations and \$150,000 to the Beach Capital Fund for an Artificial Reef Exhibit at the Marine Science Center. Of the \$3,167,006 held in reserves, \$2,817,910 is for future capital improvements and \$349,096 in emergency reserves, which represents 10% of recurring revenues per County Council policy.

Fund: 115 - E-911 Emergency Telephone System

The "Florida Emergency Communications Number E911 State Plan Act" (F.S. 365.171- 365.174) outlines the establishment, use, and distribution of "911" fee revenues. Service providers collect the fees levied upon subscribers and remit them to the State E911 Board. On a monthly basis, the Board distributes to the counties 67% of the funds collected in the wireless category and 96% of the funds collected in the non-wireless category.

Any county that receives these funds is required to establish a unique trust fund, (Ordinance 87-34), to be used exclusively for the receipt and expenditure of these revenues. Under the guidelines of the Act, the Florida Legislature specifically enumerates allowable expenditures from the fund for costs attributable to the establishment and/or provision of "911 services" per F.S. 365.172.

The fiscal year 2021-22 budget includes transfer of \$3,200,632 to the Office of the Sheriff for reimbursement of associated operational and personnel costs associated with the E911 system. A reserve balance of \$1.8 million is set aside for future operational and capital needs.

Fund: 116 - Special Lighting Districts

Special Lighting Districts are established under the authority provided in Article II, Sec. 110-31 County Code. The fund was created to account for street lighting utility expenditures in 54 street lighting districts (SLD) in both unincorporated and incorporated Volusia County. Revenue for this fund is generated through the levy of a non-ad valorem assessment for each parcel within it's specified district and is calculated based on the estimated cost of providing street lighting within that district. The fiscal year 2021-22 budget is predicated on assessment rates ranging from \$0.15 per front foot to \$228 per parcel per year.

Fund: 117 - Building Permits

Florida Statute 553.80(7) states that the governing bodies of local governments may provide a schedule of reasonable fees, as authorized by section 125.56(2) or section 166.222 and this section, for enforcing this part. These fees, and any fines or investment earnings related to the fees, shall be used solely for carrying out the local government's responsibilities in enforcing the Florida Building Code. The Statute goes on to provide specific items that may and may not be funded with permit fees.

The Building and Code Administration Division includes five budget units, including Administration, Building Code Administration, Code Compliance, Contractor Licensing, and Permit Processing. Contractor Licensing was within the General Fund and the remaining units were within the Municipal Service District (MSD). Some staff are directly responsible for administration of the Florida Building Code, and others are responsible for licensing and enforcement of a variety of codes, including the Volusia County Code of Ordinances.

To be consistent with Florida Statute, and for better accounting within Volusia County, The Building and Code Administration Division moved personnel and operating expenses directly related to the administration and enforcement of the Florida Building Code to this new fund, called the Building Fund. The Building Fund includes Administration, Building Code Administration, and Permit Processing units, leaving Contractor Licensing in the General Fund and leaving Code Compliance in the Municipal Service District (MSD). The new Building Fund will make for easier tracking and reporting of the activities funded by the restricted funding source. The building permits operation is subsidized with a transfer of \$760,790 from the Municipal Service District in fiscal year 2021-22. An ongoing subsidy would support the need to increase permit costs as the function should be self supporting.

Fund: 118 - Ocean Center

The Ocean Center Fund was created in 2001 by Volusia County Ordinance 01-19. The major funding source for the Ocean Center is the three cent Tourist Development Tax (Fund 106), created by Volusia County Ordinance 78-02 and amended by Ordinance 03-07. These funds provide convention and tourism visitors with a quality convention, entertainment and sports venue in Volusia County. In fiscal year 2021-22, the transfer in from resort tax totals \$7,535,544. The Ocean Center is also supported by event revenue totaling just over \$1.8 million in fiscal year 2021-22.

Interfund transfers include \$694,263 to fund debt service (208) for the Ocean Center Expansion and \$2,000,000 to Ocean Center Capital Fund (318) for major capital replacement projects. A revenue stabilization reserve in the amount of \$1,022,743, or 10% of current revenues has been included, as well as reserves for on-going maintenance and capital needs. In fiscal year 2021-22, there is a one time loan to the Parking Garage Fund (475) in the amount of \$1,200,000 for the Garage Deck Rehab, the loan is scheduled to be paid back in fiscal year 2024-25.

Fund: 119 - Road District Maintenance

On December 21, 2006, the County Council approved County Ordinance 2006-28 creating the West Highlands/Highland Park Road special assessment district. The ordinance provided for the establishment, construction, repair and maintenance of dirt roads in dedicated rights-of-way within the district boundaries. The county began levying the special assessment in fiscal year 2008-09. The assessment for the annual maintenance project for property owners has remained at \$56.70 per 25 foot lot since its inception. The Road and Bridge Division manages the maintenance program to effect repairs as warranted. The road maintenance assessment is subject to adjustments based on actual costs plus an administrative fee.

Fund: 120 - Municipal Service District

The Municipal Service District (MSD) was established by County Ordinance 73-21. The boundaries of this district are coincident with those boundaries defining all of the unincorporated areas of the county. The budget for fiscal year 2021-22 includes a millage of 2.1083 mills. Ad Valorem revenues represent 32.3% of total operating revenues. The fund is supported by other revenues such as utilities tax, communications services tax, development-related fees, sheriff city contracts in the amount of \$16,926,967, and a transfer from the Half-Cent Sales Tax Fund (108) in the amount of \$6,188,664. The MSD Fund includes expenditures for Animal Control; Engineering and Construction; Environmental Management; Growth and Resource Management; Parks; and Sheriff Operations for the unincorporated area including the contracted cities of Deltona, DeBary, Pierson and Oak Hill. Interfund transfers out include \$465,778 for debt service of the Sheriff Evidence Facility/Lab, \$4,000,000 for road repairs and safety-related maintenance of local transportation infrastructure in unincorporated Volusia County (Fund 103), and \$760,790 of support for the Building Permits operation in unincorporated Volusia.

Reserves of \$6,487,817 are set aside to offset volatility in various revenue streams such as utility tax, communications tax, sales tax, and other non ad-valorem revenues, and to provide for unexpected expenditures. Emergency reserves are currently allocated at \$4,820,683 or 10% of current revenues which is consistent with County Council policy. The Debt Service Reserve of \$7,853,390 is set aside for the debt service payments for Sheriff Warehouse.

Fund: 121 - Special Assessments

Volusia County Code Chapter 110, Article III (Special Assessment District (SAD) and Operation) provides guidelines by which property owners who desire certain infrastructure improvements may petition their neighbors for the creation of a special assessment district. The Capri Drive Special Assessment District (SAD) was created on April 1, 2004 through ordinance 2004-02 for the purpose of road construction and paving of Capri Drive including installation of water and sewer utility lines. On December 21, 2006, the County Council approved ordinance 2006-28 creating the West Highlands/Highland Park special assessment district. The ordinance provided for the establishment, construction, repair and maintenance of dirt roads in dedicated right-of-way within the district boundaries.

Outstanding short-term commercial paper debt obligations used to fund the improvements for both Capri Drive and West Highlands were refinanced in fiscal year 2010-11. The debt service for both special assessments was paid off on June 1, 2019.

Fund: 122 - Manatee Conservation

Manatee Protection Phase II was drafted by Florida Fish and Wildlife Conservation Commission (FWCC) and approved by the Volusia County Council on September 8, 2005.

The Manatee Conservation Fund (MCF) provides additional funding for increased on-the-water enforcement and manatee conservation through the collection of mitigation fees. The MCF was formed through the creation of the Manatee Protection Plan (MPP) for Volusia County at the request of the state. This plan is designed to decrease the potential of watercraft collision with manatees and to minimize indirect impacts of marine facilities on manatee populations.

Under MPP, all new or expanded boat facilities (with the exception of docks for single family residences) will pay a one-time mitigation fee of \$1,000 per wet slip, ramp parking space, or dry storage space. Single family boat docks will pay a one-time mitigation fee of \$250. The first \$500,000 collected is to be expended in support of the enforcement and conservation programs; this concluded in fiscal year 2011-12. All mitigation fees collected over the first \$500,000 are to be held in escrow, with only the interest earned on the fund allowed to be used for enforcement and conservation programs.

Fund: 123 - Inmate Welfare Trust

The Inmate Welfare Trust fund, was established in compliance with statutory authority (Chapter 951.23(9), F.S.). Resources in the fund are to provide and maintain services that benefit the inmates at the County Jail and Correctional Facility. Revenue in this fund comes from commissary sales, profits and commissions from the use of phones, video visitation, and tablets.

Proceeds from this fund are to improve visitation facilities, provide inmates with recreational activities, law library material, ministry services, transportation services, legal access to indigent inmates, and the opportunity for trade development.

Reserves are set aside for the purchase of future capital and improvements and inmate workforce development.

Fund: 124 - Library Endowment

The Library Endowment Fund was created via Resolution 2007-77, Section X. Endowments, gifts or other specially earmarked funds presented to the Library for the furtherance of library services should remain under its exclusive control and not diverted to other purposes. Nor should the receipt of gift funds be used as a reason for decreasing local tax support or holding it to a level less than necessary to meet standards. Such gifts shall be deposited into this fund and used for future services in the various libraries. For fiscal year 2021-22, \$25,000 is being transferred to the Library fund to cover expenses for the Deltona Regional Library's Children's Outdoor Discovery Center.

Fund: 125 - Homeless Initiatives

The Homeless Initiative Fund was established in fiscal year 2016-17 to account for all homeless shelter agreements with the County of Volusia. Contributions towards these projects may include both capital construction/renovation costs as well as a portion of operating.

In fiscal year 2015-16, the County Council approved funding in the amount of \$3.5 million for the renovation of Hurst Elementary (Hope Place) facility located in Daytona Beach. This facility is utilized to provide temporary and transitional housing for homeless unaccompanied youths under the age of 26 years, and families with children and youth. In fiscal year 2016-17, \$327,000 additional dollars were set aside for Hope Place capital and \$400,000 towards one year operating costs, for a total project cost of \$4,227,000. The remaining \$200,000, which is the second disbursement of operating, was paid to Halifax Urban Ministries (HUM) in fiscal year 2018-19.

In fiscal year 2016-17, the DeLand Homeless Shelter was approved funding of \$1,130,000 for capital expenses and \$125,000 towards one year of operating, for a total project cost of \$1,255,000. In fiscal year 2018-19, \$438,130 was disbursed to the City of Deland for the Deland Homeless Shelter and in fiscal year 2019-20 \$798,240 was disbursed with the remaining funds being spent in this fiscal year to close out the project.

The Daytona Homeless Shelter funding was \$2.5 million for capital expenses and has been fully paid. In fiscal year 2017-18 \$2.0 million was appropriated for disbursement in yearly increments of \$400,000 until fiscal year 2023-24 for a total project cost of \$4.5 million.

Fund: 126 - Economic Development Incentives

On October 19, 2017 County Council voted to support Brown & Brown's request for up to \$4.5 million as a county financial incentive for the new Brown & Brown headquarters on North Beach Street in Daytona Beach. The City of Daytona Beach will also contribute up to \$4.5 million as a financial incentive, for a combined total of up to \$9 million in public funding for public infrastructure improvements. The county funding will be used for certain roadway and stormwater improvements including design, permitting, and construction and for infrastructure associated with IT and franchise utilities. The city funding will be used for public infrastructure improvements that occur in public rights of way or on dedicated public easements and for hardscape, landscaping, fountains or lighting improvements that occur on street frontages adjacent to public right of way. The fiscal year 2017-18 budget included a transfer of \$4.5 million from the Economic Development Fund (130) to this fund for tracking purposes and greater transparency. To date, there has been more than \$3.5 million reimbursed to Brown & Brown for this project. Once all reimbursements are complete any remaining funds will be transferred back to the Economic Development Fund (130) for use in future Council-approved incentive projects.

Fund: 127 - Wetland Mitigation

Volusia County Code of Ordinances, Chapter 72, Division 11, adopted in 1989, establishes standards for wetland alteration permits. Development activity that has an adverse effect upon wetlands requires mitigation. The ordinance allows developers to pay into a fund in lieu of on-site or off-site mitigation. This fund was created to be in compliance with the Volusia County Code of Ordinances to segregate monies collected to meet the ordinance requirements to "purchase, create, restore, manage and replace natural habitat within the county." The operating budget in this fund is set aside to purchase plant material, tools, equipment, and contracted services associated with the restoration and development of wetland areas around Volusia County.

Fund: 130 - Economic Development

The Economic Development fund was created in 2001 to implement County Council goals for a comprehensive, countywide economic development program. Economic Development receives funding from the General Fund to support programs and services. Economic Development is responsible for the County's legislative affairs activities, which tracks federal and state issues of importance to Volusia County. Development Programming provides local financial support for business expansion and recruitment activities in coordination with the goals and objectives outlined in the County's Economic Development Strategic Plan, including support for Team Volusia Economic Development Corporation (TVEDC). Local funds are used for direct grants or are leveraged through cooperative programs such as the state's Qualified Tax Incentive (QTI) program to expand the benefits for Volusia County manufacturers and other higher wage businesses. In fiscal year 2021-22 there are \$7.6 million in unobligated prior year incentive funds as well as \$600,000 in new incentive money for a total of \$8.2 million available for incentives approved by County Council.

Fund: 131 - Road Impact Fees-Zone 1 (Northeast)

The Thoroughfare Road Impact Fees were established by ordinance in 1986, and are incorporated in Chapter 70, Article I and III of the Volusia County Code. The impact fee revenues are collected from residential and commercial development by zone to pay for the proportionate share of capital improvement needs related to growth. The impact fee is subject to review by the County Council at least every four years. Revenues not expended in any fiscal year are carried forward to the next fiscal year. Fees are considered expended in the order in which they are collected; road impact fees must be expended within five years of collection or the fee payer may apply for a refund of the unused fees. The refund must be paid back with interest at the rate of 6% per year.

Volusia County Code of Ordinance Ch. 70, Sec. 70-75, Imposition of fee schedule: On December 4, 2018 county council approved the repeal and replacement of the thoroughfare road impact fee schedule, effective March 4, 2019. Based on the thoroughfare road impact fee schedule, from March 4, 2019, to March 3, 2020 the fees collected will be 75% of the rate set forth in the schedule. On March 4, 2021, and every year thereafter, thoroughfare road impact fees will increase based on the percentage of the previous year annual Florida Department of Transportation Producer Price Index for Highway and Street Construction or successor construction cost index no less than 3% and no more than 8%.

In fiscal year 2004-05, the County issued \$65.0 million in bonds to fund the road program. Impact fee revenues collected in Zone 1 are used to pay the debt service on the bonded road projects within the zone, as well as continue with expansion and improvements.

For fiscal year 2021-22, \$1,894,284 is budgeted for debt service of bond funded road projects and \$3,583,672 in reserve for future capital projects and debt service in Zone 1.

Volusia County Code of Ordinance Ch. 70, Sec. 70-75, Imposition of fee schedule: On December 4, 2018 county council approved the repeal and replacement of the thoroughfare road impact fee schedule, effective March 4, 2019. Based on the thoroughfare road impact fee schedule, from March 4, 2019, to March 3, 2020 the fees were collected at 75% of the rate set forth in the schedule. On March 4, 2021, and every year thereafter, thoroughfare road impact fees will increase based on the percentage of the previous year annual Florida Department of Transportation Producer Price Index for Highway and Street Construction or successor construction cost index no less than 3% and no more than 8%.

In fiscal year 2004-05, the County issued \$65.0 million in bonds to fund the road program. Impact fee revenues collected in Zone 1 are used to pay the debt service on the bonded road projects within the zone, as well as continue with expansion and improvements. For fiscal year 2021-22, \$360,816 is budgeted for debt service of bond funded road projects and \$6,564,663 for capital improvements including Beresford Ave - Blue Lake to Kepler Rd and Blue Lake Extension, as well as the completion of Orange Camp Rd. The reserve for future capital projects and debt service is \$5,740,156 in Zone 4.

Fund: 135 - Park Impact Fees-County

The Parks Impact Fee was established by ordinance and is incorporated in Chapter 70, Article IV of the Volusia County Code. The impact fee revenues are collected in unincorporated areas and by quadrant (zone) for development of growth related district and local park facilities. Over time, sufficient funds are accumulated for initial park development. Revenue collected from impact fees by quadrant is used for park improvements within the respective quadrants. The impact fee applies to residential properties and is adjusted annually based on annual percentage changes in the Consumer Price Index (CPI) and become effective on May 1 of each year, based upon the index change for the 12 months ending on December 31 of the previous year. The impact fee is subject to review by the County Council no less than once every six years.

The reserves in this fund are set aside for future park implementation and development in the unincorporated areas of Volusia County which consist of the following communities: Alamana, Allandale, Barberville, Benson Junction, Bethune Beach, Boden, Cassadaga, Cow Creek, Creighton, Emporia, Enterprise, Farmton, Glenwood, Kalamazoo, Lemon Bluff, Maytown, Ormond-by-the-Sea, Osteen, Pennichaw, Senyah, Seville, Valdez, Volusia and Wilbur-By-The-Sea.

Fund: 140 - Fire Rescue District

The Fire Services Fund was established in fiscal year 1999-00 (Ordinance 99-24) to replace six separate fire districts. The unified district was created to provide a uniform level of service at a single tax rate. There are 20 stations in the Fire District, including one volunteer station at Lake Harney, Station 37. The budget includes a millage rate of 3.8412. Additionally, Fire Administration manages the fire station at the Daytona Beach International Airport, funded by the Airport Fund (451) and a central HAZMAT station funded by the General Fund (001).

The operating budget totals \$37.5 million. The Personal Services represents 57.8% of cost. The elected office category was previously included in operating expenses and reflect administrative fees of the tax roll. Capital improvements include the construction of a metal pole barn, the remodel/expansion of Station 15 at Tiger Bay, the design & engineering for the relocation of Station 18 at Rima Ridge, renovation of Station 34 in Osteen, and the renovation of Station 22 in Oak Hill. Major capital outlay items such as a van for logistics, complete extrication kit, drone, and a station generator are included in the fiscal year 2021-22 request.

This year's request also includes an addition of a part-time fire inspector and nine full-time fire fighters to increase the staffing at the stations to three for the safety of personnel and alleviate mandates and additional overtime.

Emergency reserves are \$3,385,599 or 10% of current revenue, per County Council policy; the remaining reserves are contingency reserves and capital outlay and capital improvement reserves.

Fund: 151 - Fire Impact Fees-Zone 1 (Northeast)

The Fire Impact Fees were established by Ordinance 89-22, and are incorporated in Chapter 70, Article II of the Volusia County Code. The impact fee revenues are collected by zone to pay for capital improvement needs related to growth. The impact fee applies new construction or a change in use, and adjusts annually based on annual percentage changes in the Consumer Price Index (CPI) and become effective on May 1 of each year, based upon the index change for the 12 months ending on December 31 of the previous year. The impact fee is subject to review by the County Council at least every six years. Revenues not expended in any fiscal year carry forward to the next fiscal year. Fees are expended in the order in which they are collected.

The fiscal year 2020-21 budget includes the remodel of Station 15 at Tiger Bay for \$307,926. This project is split-funded with the Fire Services District Fund (140). The fiscal year 2021-22 budget includes \$45,584 in reserves for future fire station renovations.

Fund: 159 - Stormwater Utility

Stormwater Utility is operated under the authority of Volusia County Ordinance Chapter 122, Article IV. The Stormwater Utility Fund was established in 1993 and is funded by a special assessment fee on parcels in unincorporated Volusia County. The Stormwater Fee was originally assessed in fiscal year 1993-94, as established by Ordinance 92-89. The fee is collected on developed lots or parcels, based on the impervious surface calculated for an Equivalent Residential Unit (ERU). The fee was revised in 2005 to \$72 per year per ERU. The fee is to fund the Stormwater Management System is designed to control discharges from rainfall and runoff, and to collect, store, treat or reuse water to prevent or reduce flooding, environmental degradation and water pollution.

In fiscal year 2021-22, \$800,000 is appropriated for basin and retention area projects, purchase of flood prone properties, and construction of drainage improvements. Future capital reserves in the amount of \$3,904,970 is set aside for the purchase of flood-prone properties and the construction of improvements to address flooding and water quality issues and \$459,628 is set aside in emergency reserves, which represents 10% of recurring revenues.

Fund: 160 - Volusia ECHO

In 2000, voters elected to levy up to 0.2000 mills of ad valorem tax for 20 years to create the ECHO program via Resolution 2000-156. In 2020, the ECHO program was up for vote again and it passed for another 20 years with an overwhelming 72% support from voters. The ECHO program provides funding for Environmental, Cultural, Historical and Outdoor recreation capital projects. Non-profit and municipal organizations within the County's boundaries as well as the County are eligible to apply for grant funding to assist with the acquisition, restoration, construction or improvement of facilities to be used for any of the four criteria of the (ECHO) program.

The fiscal year 2021-22 tax rate was adopted at 0.2000. In fiscal year 2020-21, County Council did not levy a millage for ECHO, all other fiscal years were levied at the millage rate of 0.2000. The ECHO board supported an annual trails set aside of \$1.5 million for the countywide Master Trail Program annually and that transfer is programmed in fiscal year 2021-22. For fiscal year 2021-22 ECHO will have expenditures of \$256,997 for personnel services and operating related to the mission of the ECHO program. \$4.5 million is programmed for ECHO grants this fiscal year. ECHO has reserves in the amount of \$16.9 million, for future grant awards or direct expenditures.

Fund: 161 - Volusia Forever

In 2000, the voters elected to levy up to 0.2000 mills of ad valorem tax for 20 years to create the Volusia Forever program to purchase endangered lands and permit the issuance of \$39,575,000 Limited Tax General Obligation Bonds and was established by resolution 2001-198. In conjunction with acquisition partners, 38,000 acres have been protected through the program. Millage rates are established, first to meet the bonded debt service obligations and, second, to fund current projects and land management operating expenses.

In fiscal year 2020-21 County Council levied a rollback millage of 0.1054 for the Volusia Forever fund and a rate of 0.0784 for the final debt service requirement. The remaining balance of \$14,090,521 in the Volusia Forever program is scheduled to be transferred to the 162, 163, and 164 funds as follows: \$726,711 to the Land Acquisition Fund (162), \$12,657,605 to the Land Management Fund (163) and \$706,205 to the Barberville Mitigation Tract Fund (164). Starting in fiscal year 2021-22, the ad valorem taxes for Volusia Forever will be collected and accounted for in fund 162.

Fund: 163 - Land Management

For fiscal year 2021-22, Land Management will have a 15% set aside from annual revenue in the amount of \$1,232,705 which is dedicated to supporting land management efforts to include forestry and wildlife management and trails for public access. Other revenues for this fund will include a one time transfer in the amount of \$12,657,605 from the Volusia Forever Fund (161). Revenue will also be received through investment income, land management fees which come from the sale of timber at various conservation lands, land rentals and hunting/cattle leases.

Land Management has a total of \$1,730,559 in total fund expenditures for fiscal year 2021-22 which include personnel services, various operating expenditures, capital outlay and capital improvements. The fiscal year 2021-22 budget includes \$12,469,639 in reserves for land management of current and future Forever properties.

Fund: 164 - Barberville Mitigation Tract

Since 2000, the Barberville Mitigation Tract has been accounted for in Fund 161 - Volusia Forever. Fiscal year 2021-22, Fund 164 will be Barberville Mitigation Tract.

The Barberville Mitigation Tract covers a total of 358 acres of the 1,400 acre Barberville property and is located northwest of the intersection of State Road 40 and US Highway 17, adjacent to the Lake Woodruff National Refuge and the Barberville Conservation area in Volusia County. The property is permitted by the St. John's River Water Management District (SJRWMD) and the U.S. Army Corps of Engineers as a mitigation bank. The proceeds from the sale of the mitigation credits will preserve and be used for long-term restoration of habitats on the site that include cypress swamps, mixed wetland hardwoods, hydric pine flatwoods, freshwater marshes, and associated uplands, including long leaf pine, wiregrass prairies and pastures.

Fund: 202 - Tourist Development Tax Refunding Revenue Bonds, 2014

The Tourist Development Tax (TDT) Refunding Revenue Bonds Fund provides for the funding of principal, interest, and other debt-related costs for the \$46,380,000 Tourist Development Tax Refunding Revenue Bonds, Series 2014A and 2014B. These bonds were issued to refinance a portion of the Tourist Development Tax Revenue Bonds, Series 2004 which were originally issued to fund the Ocean Center expansion and renovation project. Revenue for debt service requirements is provided by a transfer from the Tourist Development Fund (106). Reserves are accumulated for the following year's principal and interest payments. Final payment on these bonds is December 1, 2034.

Fund: 203 - Tourist Development Tax Revenue Bonds, 2004

The Tourist Development Tax (TDT) Revenue Bonds Fund provides for the funding of principal, interest, and other debt-related costs for the \$55,451,336 Tourist Development Tax Revenue Bonds, Series 2004. These bonds were issued to fund the Ocean Center expansion and renovation project. An additional one-cent tourist development tax was levied and pledged as security for these bonds. Revenue for debt service requirements is provided by a transfer from the Tourist Development Fund (106). In fiscal year 2013-14, a portion of these bonds were refinanced and are budgeted in the Tourist Development Tax (TDT) Refunding Revenue Bonds, Series 2014A and 2014B (202). Reserves are accumulated for the following year's principal and interest payments. Final payment on the remaining portion of the 2004 bonds is December 1, 2021.

Fund: 208 - Capital Improvement Revenue Note, 2010

The Capital Improvement Revenue Note Fund provides funding for principal, interest and other debt-related costs for the \$17,750,000 Capital Improvement Revenue Note, Series 2010. This note was issued to refinance several commercial paper loans that financed the Ocean Center Expansions \$9,875,000; Capri Drive and West Highlands Special Assessment Districts' improvements, \$1,790,000; and Trails construction, \$4,724,000. This fund excludes the Daytona Beach International Airport portion of this note of \$1,361,000, which has since been satisfied from the Daytona Beach International Airport Fund (451). Revenue for debt service requirements in this fund is provided by transfers from the Ocean Center (118), Special Assessments (121), and the Trails Capital Fund (328). The Trails Capital Fund is supported by an annual allocation from the ECHO Fund (160). Segments of this note mature at various times. Capri Drive and West Highlands Special Assessment District both matured on December 1, 2018; Trails construction matured on December 1, 2021; and the Ocean Center, which is the only remaining debt in this fund, matures December 1, 2030.

Fund: 209 - Williamson Blvd. Capital Improvement Revenue Note, 2015

The Williamson Boulevard Capital Improvement Revenue Note Fund provides funding for principal, interest, and other debt-related costs for the \$9,000,000 Capital Improvement Revenue Note, Series 2015. The total project cost is \$15.8 million for the extension to Williamson Boulevard, located in the Port Orange area. Additional funding for the project was provided by state grants, the County Local Option Gas taxes, and the City of Port Orange. Revenue for debt service requirements is provided by a transfer from the County Transportation Trust Fund (103). Final payment on this note is October 1, 2025.

Fund: 213 - Gas Tax Refunding Revenue Bonds, 2013

The Gas Tax Refunding Revenue Bonds Fund provides funding for principal, interest, and other debt-related costs for the \$41,505,000 Gas Tax Refunding Revenue Bonds, Series 2013. These bonds were issued to refinance a portion of the Gas Tax Revenue Bonds, Series 2004, originally issued to finance the acquisition, reconstruction of roads, bridges, and other transportation improvements. Revenue pledged for this bond is the Six Cent Local Option Gas Tax. Revenue for debt service requirements is provided by transfers from the County Transportation Trust Fund (103) or the Road Impact Fee Funds (131-134). Final payment on the bonds is October 1, 2024.

Fund: 215 - Capital Improvement Note, 2017

The Evidence Facility Debt Service Fund provides funding for principal, interest, and other debt-related costs for the \$7,000,000 Capital Improvement Revenue Note. The purpose of this note is to finance a portion of the Sheriff's Office Evidence Facility. Revenue for debt service requirements will be provided by transfer from the Municipal Service District Fund (120). Final payment on this note is December 1, 2037. Reserves are accumulated for the following year's principal and interest payments.

Fund: 262 - Limited Tax General Obligation Refunding Bonds, 2014

The Limited Tax General Obligation Refunding Bonds Fund provides funding for principal, interest, and other debt-related costs for the \$18,695,000 Limited Tax General Obligation Refunding Bonds, Series, 2014. Revenue for debt requirements is provided by the voter-approved Volusia Forever limited property tax, not to exceed 0.2000 mills. This voter-approved tax commenced in 2001 and will end in 2021. Final payment on the bonds is scheduled to occur on October 1, 2021.

Fund: 295 - Public Transportation State Infrastructure Loan

On 4/20/2021 the Council authorized staff to proceed with the State Infrastructure Bank (SIB) loan agreement for Sunrail Phase 2 North. The final term is for an amount of \$11,239,566, a term of 15 years and an interest rate of 1.75%. Debt service payments of \$974,165 annually payable from the General Fund starting on October 1, 2024. Interest only payments will be due for October 1, 2022 and October 1, 2023. The loan will be used to fund construction of Sunrail phase 2 extension to Deland.

Fund: 305 - 800 MHz Capital

The purpose of this fund is for the construction and upgrade of the 800 MHz public safety radio system. This includes technology upgrades consisting of software, equipment, GPS simulcast, and radio towers. Annual revenue collected from the 800 MHz system traffic fine surcharge is deposited to this fund.

The fiscal year 2021-22 budget includes an estimated revenue from the traffic fine surcharge of \$250,000. In fiscal year 2019-20, the County began the modernization of the County's 800 MHz system to the next generation of technology. The technology is based on P25, an industry standard that allows radios on different radio systems to communicate with each other regardless of the vendor. In fiscal year 2020-21 the County Council approved a contract with additional expenditures in the amount of \$24.7 million, which encompasses the bulk of this project upgrade.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 309 - Correctional Facilities Capital Projects

This fund is to account for various capital projects within the public safety areas of Volusia County. The current project is the network infrastructure upgrades at the Correctional Facility and Branch Jail. The data and voice network infrastructure (cabling, switches, network closets, UPS) in the Branch Jail and Correctional Facility is dated and inadequate. A network assessment at the end of fiscal year 2015-16 identified general plans and costs for moving forward with an infrastructure upgrade to include the replacement of computer systems such as Video Visitation and Inmate Phone System as well as a complete security system upgrade.

Transfers from General Fund include:

Fiscal Year 2017-18 - \$396,000
 Fiscal Year 2018-19 - \$600,000
 Fiscal Year 2019-20 - \$2,868,000
 Fiscal Year 2020-21 - \$4,523,271
 Fiscal Year 2021-22 - \$1,776,729

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 313 - Beach Capital Projects

The purpose of this fund is to account for various beach-related capital projects. Such projects may include coastal park renovations as well as parking development and beach ramps at multiple locations.

The fund receives recurring revenue from the vehicular beach access fee. Ordinance 2017-18, approved by County Council on November 16, 2017, amended the beach access fees and designated \$4.00 from each daily pass and annual pass to capital improvements only. Projected revenue is \$1,220,035 for fiscal year 2021-22.

An interfund transfer is budgeted from Port District in the amount of \$150,000 for an Artificial Reef Exhibit at the Marine Science Center.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 314 - Port Authority Capital Projects

The purpose of this fund is to account for various Port District capital projects, with funding being transferred directly from the Port District Fund.

An interfund transfer is budgeted from the Port District Fund in the amount of \$1,000,000 and \$2,809,277 from the Beach Capital Projects Fund for Lighthouse Point Park Boardwalk. The funds being transferred from the Beach Capital Projects Fund were previously transferred from the Port District Fund for this project and have now been re-allocated to this newly created fund that will be used specifically for Port District Capital Projects.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 317 - Library Construction

This fund is to be used for library facility renovations, expansions, and new construction. The Port Orange Regional Library user statistics demonstrate the need for additional space for youth services (children and teens), including additional space for informal study, collaborative meetings and tutor space, dedicated program rooms, and the collections. The revenues for this fund are transferred from the library operating fund (104). In fiscal year 2021-22 an interfund transfer of \$2,000,000 will occur to begin accumulating reserves for a future Port Orange Regional Library expansion. Capital improvements for this fund include the amount of \$1,173,600 which is carry forward from fiscal year 2020-21 appropriations, \$296,199 for the Pierson Public Library relocation and renovation project and \$70,000 for the Port Orange Library lighting. The reserves of \$2,541,401 is the accumulation of funds for the construction, renovation, and large capital replacement for library facilities.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 318 - Ocean Center

The purpose of this fund is to account for the fiscal activity relating to the construction, renovation, and major maintenance at the Ocean Center.

The fiscal year 2021-22 budget includes an interfund transfer from the Ocean Center Fund (118) of \$2,000,000 for the ongoing capital improvement plan to replace and update the ballroom airwall, arena floor boxes, and concourse restroom remodel.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 326 - Park Projects

The purpose of this fund is to account for capital improvement projects for the County's park system. This fund incorporates revenue from the Florida Boating Improvement Program (FBIP) for construction or renovations which include sea walls, restrooms, and boat ramps.

The fiscal year 2021-22 budget has capital improvements in the amount of \$350,000 for landscaping and paving at Highbridge Park and a reserve amount of \$663,546 that is set aside for future parks waterway projects.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 328 - Trail Projects

The purpose of this fund is to account for both the East Central Regional Rail Trail and the Spring-to-Spring Trails. County Council had committed \$1 million of Volusia ECHO funds, annually, to be used toward trail-related debt service and projects. The ECHO fund sunset in fiscal year 2020-21. In fiscal year 2021-22, the ECHO fund commitment will be reestablished and the annual contribution to the Trails Fund will be \$1.5 million. The trails set-aside from ECHO, along with prior year contributions will be used to fund the maintenance/capital plan established for the continuation of the trails program. In fiscal year 2021-22, funds have been allocated for four projects, including a restroom at the Maytown Spur-Osteen trail and parking area upgrades at SR422. Resurfacing work will be done at the Pat Northey and Debary Pathways. Prior years' fund balance is appropriated for the principal, interest and debt-related costs of the Capital Improvement Revenue Note, Series 2010 in the amount of \$507,371, as well as \$250,000 for the Master Trails development and maintenance program.

The East Central Regional Rail Trail is expected to be over 50 miles in length and will become part of a five-county, 260-mile loop. The Spring-to-Spring Trail is constructed in multiple phases and will include multi-use, bicycle/pedestrian, and riding trails.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 365 - Public Works Facilities

The purpose of this fund is to provide funds for the construction of a Public Works Service Center as well as renovations to the Westside Maintenance Facility. In fiscal year 2015-16, funds were transferred from the various areas to be housed in the service center to provide for design and construction. These areas included \$15.0 million from the County Transportation Trust Fund, \$2.0 million from the East Volusia Mosquito Control Fund, and \$2.0 million from the Stormwater Utility Fund. Based on a re-evaluation of the department's needs, the \$2.0 million transferred from the East Volusia Mosquito Control Fund was returned to that fund in fiscal year 2019-20.

The Public Works Service Center facility was completed in fiscal year 2020-21. In fiscal year 2021-22, \$1 million is appropriated for the design of the Westside Maintenance Facility renovations. A needs assessment is currently underway and once complete, funds for construction will be included in the forecast period.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 367 - Elections Warehouse

The purpose of this fund is to account for the replacement of the existing 9,000 square foot Elections Warehouse, currently located on SR44 near the St. Johns River. A new, more central location will improve logistics during elections and move the storage out of a flood prone site. A new warehouse is needed to provide secure storage areas, expanded staging areas with appropriate loading docks, and to incorporate integrated building security, automation, and climate control to protect election equipment and record storage.

Prior year funding transfers include:

Fiscal Year 2015-16 - \$2,800,000
 Fiscal Year 2016-17 - \$1,426,565
 Fiscal Year 2017-18 - \$2,273,435
 Fiscal Year 2019-20 - \$46,968

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 369 - Sheriff Capital Projects

The purpose of this fund is to account for projects in the Volusia County Sheriff's Office. The initial funding in fiscal year 2015-16 was for the evidence facility, which was completed in fiscal year 2018-19. Additional projects have been funded or are to be funded from this fund including: Action Target Line of Fire System, completed in fiscal year 2019-20; the CAD/Records Management System, the E-911 Technology Upgrade, and lightning protection at the new evidence facility.

Prior year transfers from General Fund and Municipal Service District Fund include:

Fiscal Year 2015-16 - \$1,500,000 (MSD Fund)
 Fiscal Year 2016-17 - \$5,000,000 (General Fund)
 Fiscal Year 2017-18 - \$3,148,148 (MSD Fund)
 Fiscal Year 2017-18 - \$150,000 (General Fund)
 Fiscal Year 2018-19 - \$750,000 (General Fund)
 Fiscal Year 2019-20 - \$1,900,000 (General Fund)
 Fiscal Year 2020-21 - \$2,250,000 (General Fund)

The fiscal year 2021-22 budget includes an interfund transfer of \$4,750,286 from the General Fund to provide funding for the E-911 upgrade (\$4,500,286) and lightning protection at the evidence facility (\$250,000).

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 370 - Sheriff Helicopter Replacement

This fund is being established with a transfer of \$2 million in fiscal year 2021-22 and is for the future replacement of three Sheriff helicopters. The total estimated replacement cost is approximately \$18 million with the first helicopter scheduled for replacement in 2027. The General Fund will execute an annual transfer to this fund in order to accumulate the necessary funding.

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 373 - Medical Examiner's Facility

This fund is for the development and construction of a medical examiner facility. The existing medical examiner facility does not have the capacity for the current workload, which includes over 600 autopsies and 900 death investigations, annually. A new or remodeled facility is required to provide adequate morgue, autopsy, and laboratory space. The planned facility will be hurricane hardened and able to continue functions in a disaster event. The facility will be designed to provide separate space for public, medical examiner, and law enforcement. Site approval received in February 2021. This \$13 million project is currently in the design phase and is to have design completed in fiscal year 2021-22.

There is a \$7 million transfer in fiscal year 2021-22 from the Coronavirus Transition Fund to assist in the funding of this project.

Prior year General Fund transfers include:

Fiscal Year 2017-18 - \$500,000
 Fiscal Year 2018-19 - \$1,900,000
 Fiscal Year 2019-20 - \$3,000,000
 Fiscal Year 2020-21 - \$1,782,000

Capital projects are appropriated by Council and this is life to date appropriation as outlined in County's Appropriation Procedures, which states: "Appropriations for capital projects and federal, state or local grants will continue in force until the purposes for which they were approved have been accomplished or abandoned."

Fund: 378 - Mosquito Control Capital

Volusia County Mosquito Control (VCMC) operates under the authority F. S. Title XXIX, Chapter 388, and Chapter 110, Article IX County Ordinances. This Fund is established to set aside funds for the future replacement of the Mosquito Control facilities. Mosquito Control constructed the first buildings on the site in the 1970's. The majority of the buildings have exceeded their functional life. Over the past three years, Mosquito Control has performed repairs to extend the life of the existing buildings for approximately five (5) years. The land is leased from the City of New Smyrna Beach, per the Federal Aviation Administration lease approval.

In fiscal year 2021-22, an initial interfund transfer of \$2,500,000 from Fund 105 Mosquito Control reserves is budgeted to establish the Mosquito Control Capital Projects Fund (378). Forecast years include transfers of \$1,150,000 in fiscal year 2022-23, \$654,144 in fiscal year 2023-2024, and \$682,581 in fiscal year 2024-2025, as funding is built for replacement of existing mosquito control facilities and alternative funding options are explored.

The first planned expenditure from the 378 fund will be \$1,500,000 for Architectural Design Services beginning in fiscal year 2021-22. Mosquito Control will continue to defer capital and operating purchases as much as possible, to contribute the maximum amount in order to grow the fund. Annual transfers from the Mosquito Control Fund (105) are planned, as the fund balance allows, based on the revenue forecast, operating expenditures, and capital expenditures.

Fund: 440 - Waste Collection

The Solid Waste Division operates under the authority of s. 25.01, Florida Statutes, Chapter 110, Article IV, Division II, for municipal service districts and s. 403.706, F.S., for local government solid waste management responsibilities. Volusia County established the Waste Collection fund to account for collection and recycling program services. A residential collection non-ad valorem special assessment is billed annually to citizens in the unincorporated area on their property tax bill. On August 6, 2009, the County Council approved a rate cap of \$240, as authorized per 197.3632(6) F.S. and set the rate at \$197, via Resolution 2009-115. On August 19, 2019, the annual assessment rate was increased from \$238 per residential improved real property to \$255 and capping future assessments at \$310 unless due notice is given under section 197.3632, Florida Statutes, or as otherwise provided by law. On July 20, 2021, the annual assessment rate increased from \$255 per residential improved real property to \$262 in order to cover the contract's CPI increase.

Fund: 450 - Solid Waste

The Solid Waste Division operates under the authority of s. 25.01, F.S., Chapter 110, Article IV, Division II, for municipal service districts and s. 403.706, F.S., for local government solid waste management responsibilities. The primary function of the Solid Waste Division is to provide safe and efficient transfer and disposal of solid waste at two facilities: West Volusia Transfer Station and Tomoka Farms Road Landfill. The Landfill disposal fees are established by Council Resolution 2003-57, disposal fees were adjusted on December 4, 2018 via Resolution 2018-179. Services provided include Class I (household garbage), Class III (construction and demolition) disposal, yard trash, and clean debris (recyclable). Public-private partnership programs include recycling, and other special wastes services that include household hazardous waste disposal and electronics and fluorescent bulb recycling.

The use of \$9,176,776 of fund balance for fiscal year 2021-22 includes, \$2 million for the potential acquisition of the GEL Corp recycling facility at the Tomoka Farms Landfill, Southeast Cell stormwater improvements in the amount of \$6.2 million, and design and construction of an additional truck scale at the West Volusia Transfer Station in the amount of approximately \$1 million.

Fund: 451 - Daytona Beach International Airport

Daytona Beach Municipal Airport became part of Volusia County Government in 1969, as the Daytona Beach Regional Airport. In 1992, a \$46 million expansion transformed it into the Daytona Beach International Airport (DBIA). The Airport is served by three commercial airlines (Delta, American Airlines, and Sunwing) and eight rental car companies. Airline and passenger fees, as well as rental income generate the operating revenues for the Airport. The budget includes additional funds for future facilities projects. Capital Improvement projects are funded primarily through Federal Aviation Administration (FAA) and Florida Department of Transportation (FDOT) grants and are captured in the newly created Airport Grant Projects Fund. Local match funds are transferred in from either this operating fund or one of the two new funds containing all Passenger Facility Charge revenues and Customer Facility Charge revenues. In fiscal year 2021-22 the transfer to the airport grant projects fund for project local match requirements is \$3,508,245.

Reserves for fiscal year 2021-22 total \$29.4 million which include \$1.5 million or 10% of ongoing maintenance and operations expenses; \$2.0 million or 20% of on-going revenues for revenue stabilization; \$6.6 million for grant match requirements shown in the forecast period; and \$19.3 million for future capital commitments. In fiscal year 2021-22 debt service for the Airport is \$1 million.

In fiscal year 2019-20 the Daytona Beach International Airport (DBIA) was awarded a grant for \$21,053,492 as part of the CARES Act approved by Congress in response to the COVID-19 public health emergency. In fiscal year 2020-21 DBIA was awarded a grant for \$2,668,019 as part of the Coronavirus Response and Relief Supplemental Appropriation Act (CRRSA Act) to further assist airports with their on-going operating expenses. These funds will be awarded by the FAA as reimbursements for general airport maintenance and operations costs over the next four years. Due to the on-going effects on tourism and travel because of the COVID-19 health crisis staff is projecting business income related revenue, such as terminal and airline concessions, which have partially recovered, to be budgeted at approximately 50% of pre-pandemic levels. The CARES Act and CRRSA Act grant awards will help offset these temporary revenue deficits in the current year and near-term.

Fund: 452 - Airport Passenger Facility Charge

Daytona Beach Municipal Airport became part of Volusia County Government in 1969, as the Daytona Beach Regional Airport. In 1992, a \$46 million expansion transformed it into the Daytona Beach International Airport (DBIA). Its operations are authorized under Chapter 18 of the Volusia County Code. The Passenger Facility Charge Fund (452) was created in fiscal year 2021-22 to segregate all the revenues generated by the airport as part of its Passenger Facility Charge Program as approved by the Federal Aviation Administration (FAA). The PFC program consists of a fee that is charged per boarding passenger as part of an individual ticket price. In order to charge the PFC fee to passengers an application must be approved by the FAA and the County Council in turn specifically stating what projects the collected funds will be used for in terms of improvements to the facility.

Beginning in fiscal year 2021-22 all projects solely funded with PFC revenues will be expensed through the newly created fund, and for any grant projects that PFC funds are used as required local match funds will be transferred to the airport grant projects fund.

Fund: 453 - Airport Customer Facility Charge

Daytona Beach Municipal Airport became part of Volusia County Government in 1969, as the Daytona Beach Regional Airport. In 1992, a \$46 million expansion transformed it into the Daytona Beach International Airport (DBIA). Its operations are authorized under Chapter 18 of the Volusia County Code. In fiscal year 2021-22 the Customer Facility Charge (CFC) revenue was moved to a newly created Customer Facility Charge Fund (453) to better segregate this restricted revenue. This revenue can only be used to support the costs of financing, planning, designing, constructing, equipping, operating, and maintaining rental car facilities serving the airport. The revenue itself is derived from an approved charge imposed upon each transaction day during which a customer rents or otherwise leases a vehicle from a rental car company at DBIA. The rental car company collects on behalf of the airport a CFC of \$2.50 per transaction day.

Fund: 456 - Volusia Transportation Authority

The Volusia County Council created Volusia County's Public Transportation System (Votran) in 1975, to provide transportation throughout the county. Votran also provides its Gold Service to customers who, because of disability are unable to use the fixed-route service. Votran's fleet includes 78 fixed-route buses and 72 paratransit vehicles. Three SunRail (commuter rail) feeder bus routes to the DeBary SunRail station were started in fiscal year 2013-14 and are supported by funding from the Florida Department of Transportation (FDOT), as well as passenger fares (four routes were merged into three in fiscal year 2018-19). FDOT funding for feeder bus service will remain available through the spring/summer of 2024.

This fiscal year 2021-22 budget is funded 12% by passenger fares, 20% by the General Fund contribution, and 68% Federal Transit Administration or Florida Department of Transportation grants. This funding includes \$4,136,648 million in Federal Cares Act funds/Covid Relief funds and \$816,967 for the American Recovery Program Grant for this fiscal year. Additional funds are derived from bus advertising and charges for services.

Votran's capital projects require no local funding and are appropriated when the grant funds are awarded. These funds are used to purchase buses, vans, office equipment, and any scheduled construction. The operational management of the transportation service is provided by First Transit.

The General Fund contribution is evaluated each year and the fiscal year 2021-22 contribution is \$5 million. The Federal Cares Act and Covid Relief funds totaling \$17.1 million for Votran services will be utilized to offset operating costs normally subsidized by the General Fund. Funding was partially spent in fiscal year 2019-20, and the balance will be spread over expenditures for the next two fiscal years. Votran also received the American Recovery Grant proceeds in the amount of \$9.7 million which is allocated out until fiscal year 2024-25. The fiscal year 2021-22 budget includes \$816,967. Reserves included aside from those held for fuel fluctuations and revenue stabilization, in the amount of \$3,058,239 are allocated to be used annually for a smooth transition back to local funding efforts. Fuel reserves total \$127,350 and Reserves for Revenue Stabilization are \$1,171,148 for fiscal year 2021-22.

Fund: 457 - Water and Sewer Utilities

The Water Resources and Utilities (WRU) division is responsible for the operation of seven utility service areas providing water, wastewater, and reclaimed water services as established by Volusia County Code, Chapter 122. This allows the division to generate its operating revenue through user fees. The organization owns and operates a total of nine water treatment facilities, seven wastewater treatment facilities, and four consecutive water systems in compliance with all regulatory standards as established under the federal Safe Drinking Water Act and Clean Water Acts. The division also maintains 13 smaller water and wastewater facilities on behalf of other agencies.

In cooperation with other County departments, the division promotes educational resources and home appliance rebates to encourage water conservation. In addition, the WRU division works with the St. Johns River Water Management District, the Florida Department of Environmental Protection, and other local utilities to address regional issues involving water supply and water quality for the protection of environmentally sensitive springs and rivers.

The use of fund balance of \$3.9 million for utility systems extensions and expansions projects planned in fiscal year 2021-22 includes the construction of the Southwest Regional Biosolids Facility. The budget includes \$601,144 in debt service payments for the Southwest Regional Water Reclamations Facility Expansion SRF Loan.

Fund: 475 - Parking Garage

The Parking Garage was constructed in 2000 to serve both the Ocean Center and the Daytona Beach area's Main Street Entertainment District. Full ownership, management and operational responsibilities of the parking facility were transferred from the Volusia Redevelopment Parking Corporation to Volusia County in fiscal year 2007-08. The major revenue sources for the Parking Garage fund are daily and special event parking receipts. The maximum daily rate and the special events rate for parking fees were last adjusted by County Council on 10/15/2019.

The fiscal year 2021-22 budget includes principal and interest payments on the Capital Improvement Revenue Note, Series 2013 debt obligation in the amount of \$875,037. The interfund transfer is payment to the General Fund for a prior year loan. On-going operating expenditures for this fund are \$2.2 million or 74% of total expenditures. Capital Outlay and Capital Improvement projects budgeted in fiscal year 2021-22 are security cameras, display monitors, and design and construction of the garage deck level 6 rehab totaling \$790,540. In fiscal year 2020-21, the Parking Garage Fund (475) received an Interfund loan from the Ocean Center Fund (118) in the amount of \$500,000 for capital projects. In fiscal year 2021-22, the Parking Garage Fund (475) received an Interfund loan from the Ocean Center Fund (118) in the amount of \$1,200,000 for the garage deck rehab.

Fund: 511 - Computer Replacement

The fund was established in fiscal year 2000-01 to provide resources for the planned replacement of computer equipment. In general, desktop, laptop, and tough-book computers for County departments are purchased through this program. The Public Defender's Office and Supervisor of Elections also participate in this program.

The equipment is on a four-year replacement cycle. A third-party contractor provides equipment and installation services. The Information Technology Division manages the contract and coordinates with the departments and the contractor for equipment replacement.

The fiscal year 2021-22 budget includes funding to replace approximately 781 desktop, laptops, and tablet computers.

Fund: 513 - Equipment Maintenance

Fleet Management is responsible for the maintenance of all County vehicles, heavy equipment and emergency generators county-wide. The division also provides service, on a cost reimbursement basis, to outside agencies including: City of Holly Hill, Clerk of the Circuit Court, Department of Forestry (state), New Smyrna Beach Utilities Commission, City of New Smyrna Beach, Volusia County School Board, Florida Department of Health-Information Technology Division, and State Attorney.

Revenues for this fund are generated by charges for all maintenance of vehicles including parts, sublets, and labor. In fiscal year 2021-22 all of these charges will be directly billed for services performed rather than collected in arrears as service charges. Also in fiscal year 2021-22 the labor rate was increased to \$67/hour in order to be better in line with market rates as well as building fund balance for necessary capital improvements to the fleet maintenance service center. Other revenues generated by this fund are for gas & oil, vehicle maintenance for outside agencies, and pool car charges.

The cost of fuel, oil, parts and fuel cleanup is centralized in this division and fund, as well as a motor pool for use when vehicles are in for repair or by the occasional user who is not assigned a vehicle.

In fiscal year 2021-22 capital outlay is budgeted for \$1.2 million is for the replacement of vehicles, fuel tank remediation, and equipment for diagnostic services. Capital improvement is budgeted for \$500k for the roof replacement, painting, and other improvements to the main fleet maintenance service facility.

Fund: 514 - Fleet Replacement

The Vehicle Replacement Program Fund was established in fiscal year 2017-18 to better track the funds for the actual replacement. Maintenance is included within Fund 513. The Vehicle Replacement Program, tracked by Fleet Management, is used to stabilize and amortize the cost of acquiring and replacing the County fleet. Fleet composition ranges from passenger vehicles to fire engines.

Initially, the departments purchase vehicles, the vehicles are then added to the Vehicle Replacement Program where a schedule for their replacement based upon vehicle type, age, annual mileage, type of use, and other factors are established. Once a vehicle is added to the program, the department pays an annual service charge which is accumulated in this fund and used to pay for its eventual replacement. In fiscal year 2021-22 Fleet plans to purchase 178 vehicles/equipment in accordance with the current replacement plans.

Reserves represent accumulated funding to acquire and replace the fleet in future year replacement cycles.

Fund: 521 - Insurance Management

Risk Management is part of the Human Resources Division. The fund includes the Safety Officer, Insurance Administration, Workers' Compensation, Liability, Property Insurance, Commercial Insurance, and Loss Control, which includes the County's medical staff. Risk Management provides pre-employment physicals and drug screening to outside agencies on a cost-recovery basis. The claims and settlement expenses are reviewed by an outside actuary each year to provide the basis for budget projections. Internal service charges for workers' compensation are allocated based on claims history use. Charges for auto and general liability are based on full-time equivalents (FTE's). Property/Physical Damage charges are based on property value. Commercial insurance policies are direct-billed to the responsible agency.

The Charges for Services for \$3.3 million are the direct billed allocation of receivables for the workers' compensation, liability and property damage insurance liabilities for the constitutional officers. The Internal Service revenues represent service charge collections from County departments for workers' compensation, liability, and property damage insurance coverage.

Fund: 530 - Group Insurance

The Employee Benefits Group Insurance Fund reflects employer, employee, COBRA, and retiree health plan contributions (premiums) and payment of claims. The Employee Benefits program includes employee-paid options such as dependent health coverage, dental, vision, and various other insurance plans. The Wellness program overseen by Human Resources has ongoing educational events to educate employees about the value of maintaining healthy lifestyles which has the benefit of assisting in the control of health care costs.

For the 2021-22 budget, reserves of \$21 million have been split into three categories; catastrophic claims - \$5 million, premium stabilization reserves - \$5 million, and reserves for claims expenses - \$11 million. Reserves for catastrophic claims are set aside to cover major claims that are not common occurrences. Premium stabilization reserves help offset increase spikes that often occur in medical costs and allow for smoothing of premium rates. Reserves for claims expenses are set aside to pay for prior year claims that have been incurred by the end of the fiscal year, but will be paid within 60 days of the next fiscal year, as well as claims that exceed the budgeted amount in the operating budget.

The charges for services revenue category of \$10.9 million consists of the premium collections from the elected offices for the group health insurance, this includes the employer based premiums along with the employee paid contributions. The Internal Service Revenues are the county paid premiums for employee health contributions.

In June 2016, with County Council approval, a five-year contract was awarded to Cigna Health Insurance. This contract is up for review in 2021.

Report Overview of Section – Budget by Department / Division

The section starts with a Department to Fund Matrix to demonstrate the source of funds for the departments.

The Department report provides a budget summary of the divisions within each department. Included in this report are the following:

1. Department Budget by Division
2. Graphic Summary of Division budget by percentage
3. Graphic Summary of budget category by percentage
4. Department Budget by Fund
5. Position Allocation

This Division report provides the most detailed information about each of the divisions. Included in this report are the following:

1. The Mission Statement of the Division
2. Highlights of what the Division has done, plans to do, and changes
3. Key Objectives
4. Performance Measures
5. Budgetary details category for the division
6. Total of positions within the Division
7. Allocation of the Division by Fund
8. Graphic representation of the expenditure categories
9. The final page of the section represents the operating expenses for Volusia County related to the Constitutional Officers

Mission To ensure Daytona Beach International Airport provides safe, efficient and cost effective air transportation facilities to the airline community allowing the commercial air carriers to provide economical air service that supports the area's economic growth and development.

Highlights

This fiscal year capital budget includes many scheduled projects that are funded by The Federal Aviation Administration (FAA), the Florida Department of Transportation (FDOT), a combination thereof, or local dollars in addition to FAA and FDOT contributions. Scheduled projects for fiscal year 2021-2022 include, terminal renovations; continuation of the Parking Lot Renovation project; ARFF Access to Taxiway P; Security System Replacement; Runway 7R-25L, Taxiway Sierra & Taxiway Tango Rehab Design; PC Air for Passenger Boarding Bridges; Airfield Lighting System - LED Conversion for runway edge lighting; Roof Replacement (portion of Terminal).

The Air Service Development and Marketing activity is responsible for the promotion and marketing of domestic and international air service to the full range of potential customers both within and outside Volusia County. With the on-set of the COVID-19 health crisis passenger traffic at the airport has declined significantly. One of the primary jobs of the air service development and marketing activity will be to bring those passengers back through continued promotion of the airport. Business development activities include the development and promotion of aeronautical and non-aeronautical land uses, lease negotiations, lease drafting, property management, planning, customer service special events, and revenue maximization.

Airport Operations is responsible for maintaining the Airport under Federal Aviation Regulation (FAR) Part 139 for commercial service airports as well as Transportation Security Regulations Part 1542. Compliance measures include airfield maintenance, management of the wildlife plan, training, fuel inspections, etc.

Budget variances for fiscal year 2020-21 include reduced debt service due to the early payoff of both airport bonds. Due to reduced revenue related to the on-going public health crisis a large portion of fund balance was used to keep operations at their normal level.

Fiscal year 2020-21 Regularly Scheduled Airlines under agreement: Delta Air Lines; American Airlines; Sunwing. In fiscal year 2019-20 American Airlines increased non-stop daily service to Dallas-Fort Worth (DFW) and Philadelphia (PHL).

Fiscal year 2019-20 started off very strong with good growth in passenger traffic from October 2019 through mid March 2020, then COVID-19 impacted fiscal year 2019-20 from March 2020 through September 2020. There has been a slow recovery in overall passenger traffic in fiscal year 2020-21 with total passenger levels reaching approximately 50% of fiscal year 2018-19 pre-pandemic levels. For fiscal year 2021-22, airport staff is forecasting passenger traffic to remain slightly better than 50% of the pre-pandemic level with slow improvement going forward.

Key Objectives - Administration

- 01. Leverage local dollars by utilizing Federal and State Grant monies when available, while providing safe, modern, and secure facilities for the public and tenants
- 02. Retain current air service capacity with existing airlines and increase airline options and destinations
- 03. Retain passengers through market stimulation and development, encourage growth of airline routes through incentives and Small Community Air Service Development Program Grant (if awarded to DAB).
- 04. Implement effective property management practices and maximize revenue development
- 05. Maintain airfield and records in accordance with Federal Aviation Regulation (FAR) Part 139 (Annual Audit)
- 06. To develop and foster a culture of overlapping security awareness and measures throughout the airport

Mission To pursue and implement the economic development vision, goals and strategy established by the Volusia County Council, and to help community partners advance efforts to diversify and grow both the local and regional economies.

Highlights

Economic Development Administration budget supports the division's professional staff and department operating expenses. The staff oversees multiple economic development programs focused on business retention/expansion, business creation and business recruitment; provides data and research support to county leaders, municipal practitioners, and the business community; works directly with the business community; manages agreements with Team Volusia (TVEDC) and the University of Central Florida; and partners with other economic development stakeholders such as cities, chambers of commerce, post-secondary education institutions, and CareerSource Flagler/Volusia.

Economic Development Programming includes local business retention and expansion efforts, and the recruitment of companies outside the local market. Funds to assist businesses are leveraged using State and federal programs. Program funds include contractual agreements with TVEDC, SCORE and the UCF Incubator. Support also includes targeted small business assistance initiatives, marketing/community outreach efforts and educational programs. The appearance of a budget increase under Unit 4000 a Development Programming is the result of unused incentive funding being carried forward from the prior fiscal year (due to COVID closings, a number of anticipated employment increases were not realized).

In fiscal year 2020-21 the division was awarded a \$4 million grant from the Economic Development Administration (EDA) for infrastructure and utility improvements to Parcel 62 at the Daytona Beach International Airport. This grant required a \$1 million local match for a project total of \$5 million to make the parcel shovel-ready for future development.

Key Objectives - Administration

01. Support expansion and retention of businesses in Volusia County, and the recruitment of new businesses to Volusia County

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission We are entrusted to act as accountable stewards of the taxpayer and exist to provide safe, efficient, and sustainable facilities for public use and enjoyment.

Highlights

Facilities Management provides both on-call services and planned maintenance for over three million square feet in over 200 county owned buildings. A computerized work order system (Lucity) records all service activities, creating a service history on each building to enable proper budgeting and planning. Facilities Management also oversees contracts to ensure performance standards are met. Other services include grounds maintenance, parking lots, HVAC, janitorial, pest control, mail, painting, electrical, plumbing, and carpet replacement to maintain efficient and effective facilities. In addition, Facilities Management ensures ADA access to county buildings.

Due to the COVID-19 pandemic, Facilities Management has been working diligently to ensure that the employees and visitors to our buildings are protected. Hand sanitizing stations have been installed near entrances and elevators. Social distancing barriers and floor stickers have been placed to remind everyone to use social distancing to combat any outbreak. UV lighting within the HVAC system has been installed to help in the elimination of the virus. Additionally, specialized body temperature monitoring devices have been installed at various locations.

Facilities Management also manages the County security needs for the DeLand complex that includes both the Thomas C. Kelly Administration Building and the Historic Courthouse through contracted staff, providing daily and after hour security within these highly complex building environments. In addition, Facilities continues to oversee the access and security needs for county buildings including security cameras.

In addition to providing the same high level of services for court facilities as other county buildings, Facilities Management provides security services at the Volusia County Courthouse, the Daytona Beach Courthouse Annex, and the Volusia County Justice Center.

Key Objectives - Maintenance

- 01. Plan, contract, monitor, and complete projects for agencies in a timely, cost effective manner
- 02. Provide security services for major County administrative and court facilities
- 03. Make entrances and exteriors to all public services, programs, and activities handicap accessible
- 04. Provide on call maintenance services 24 hours a day, seven days a week

Mission To establish efficient and effective County fleet services by providing customer agencies with safe, reliable, economical, environmentally sound, and responsive transportation and related services.

Highlights

Fleet Management (Fleet) administration continues leadership development and cross-training in all administrative and support functions. Fleet implements objectives in the Fleet Business and Sustainability Plan to streamline goals and incorporate Fleet's sustainability action measures into operations. This living document identifies seven major initiative categories and sets improvement goals with assigned staff and deadline dates. Four industry best practice performance standards are in place and measured monthly to insure optimum productivity. In fiscal year 2020-21, Fleet expanded the use of the Lucity system to make capital outlay vehicle/equipment purchases more efficient.

Fleet maintenance continues to enhance customer service by decreasing vehicle breakdowns and increasing preventative maintenance. Fleet achieved 28,250+ hours of scheduled repairs in fiscal year 2019-20. Performing warranty work provides a source of revenue and minimizes down time. Fleet's goal is to capture all eligible warranty repairs to perform in-house. For fiscal year 2021-22 the labor rate charged by Fleet will increase by \$5 to \$67/hour.

Fleet continues to purchase fuel with a consortium of 10 local agencies using a bulk fuel bid. Prior year fuel sales were over two million gallons. County fuel sites are kept within Florida DEP standards and regulations.

Fleet manages a parts inventory, including oil and lubricants, at the main facility on Indian Lake Road in Daytona Beach and two satellite shops. A database tracks all receipt and issuance of parts. Staff reviews reports, audits inventory, and processes accounts payable transactions. Fleet maintains an administrative mark-up of 15%.

Fleet's motor pool provides rental vehicles while assigned vehicles are in for maintenance. The main motor pool is located on Indian Lake Road with an automated site at the DeLand administrative building. Customers utilized the pool rentals over 517 times in fiscal year 2019-20.

The Vehicle Replacement Program (VRP) is used to stabilize and amortize over multiple years the cost of replacing the county fleet. Fleet composition ranges from passenger vehicles to ambulances, fire engines, and ground maintenance equipment. Initially, the departments purchase the vehicles. They are then added to the VRP where a schedule for their replacement, based upon vehicle type, age, annual mileage, type of use, and other factors, is established. Once a vehicle is added to the program, the department pays an annual service charge which is accumulated in the fund and used to pay for its eventual replacement. The purchase of environmentally friendly vehicles has continued to expand over the past several years, with a total of 785 flex fuel, 12 hybrid, and one (1) electric vehicle in the county fleet.

In fiscal year 2021-22, 178 vehicles/equipment, ambulances, passenger vehicles, and grounds maintenance equipment are scheduled for replacement.

Key Objectives - Administration

- 01. Provide high quality services and ensure customer satisfaction
- 02. Maintain an aggressive program for the measurement, analysis, and improvement of labor productivity
- 03. Provide a competitive labor rate
- 04. Raise the percentage of scheduled work order hours
- 05. Continue the generator preventive maintenance program
- 06. Maintain a high availability rate for short-term rental vehicles
- 07. Ensure maximum fuel inventory accountability
- 08. Issue repair parts in a timely manner to support the maintenance and service operations
- 09. Ensure parts inventory accountability
- 10. Continue to reduce monthly expenses

Performance Measures - Administration

	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Overall customer satisfaction rate	99	99	99
Billable mechanic hours	50,671	49,450	49,450
Fully burdened labor rate	62	62	67
Monthly scheduled work order hours to total hours	60	60	60
Generator preventive maintenance on-schedule rate	99	99	99
Vehicle availability rate	99	99	99
Fuel inventory accountability	99	99	99
Parts on-demand rate	83	83	83
Parts inventory accuracy rate	98	98	98
Monitor monthly overhead report	5,000	5,000	5,000

Key Objectives - Lease Purchase Program

- 1. Provide replacement vehicles for divisions participating in the lease program

Performance Measures - Lease Purchase Program

Mission To provide fair and equitable treatment of all persons involved in public purchasing by the County, to maximize the purchasing value of public funds in procurement, and to provide safeguards for maintaining a procurement system of quality and integrity.

Highlights

The Purchasing and Contracts division continues to work closely with county departments, the constitutional offices of the Supervisor of Elections, Property Appraiser, and the Tax Collector, and the business community to ensure that county business is conducted as efficiently and effectively as possible, and that the maximum value is received from taxpayer dollars spent on the purchase of commodities, services, and construction.

E-PROCUREMENT: In May of 2020, Purchasing and Contracts began the implementation of an online/electronic procurement system with Negometrix that allowed the solicitation process to be completed on-line in one software platform. As of March 1, 2021, Vendors are required to respond to all solicitations types on-line and the delivery of physical responses to our office, either in person or by third party carrier, has been eliminated. Summer of 2021 the on-line intake module, which allows staff to submit their solicitation requests, shall be available, as well as, staff will begin online evaluation of responses to ITB and Quotes. Fall of 2021, staff will begin online evaluation of responses to RFP and RSQ detailed training for all staff who may serve on evaluation committee. This will not eliminate the need for evaluation committee meetings but will streamline the process for our committee members. Procurement staff will have a detailed audit trail of all submissions and evaluation.

ELECTRONIC SIGNATURE: In late 2020, Purchasing and Contracts began a pilot program using DocuSign for electronic signatures and continues to expand its use and testing for the Information Technology Division as they consider expanding this to other divisions.

TRAINING: Covid 19 has provided Purchasing and Contracts with opportunities to update many of our training classes and move them to a virtual platform using Go to Meeting and Go to Webinar. Use of new technology continues to enhance and expedite the purchasing process.

Key Objectives - Procurement

01. Create a competitive environment for the timely purchase of quality materials, supplies, equipment, professional services, construction, and contractual services for Volusia County [formal and informal solicitations and master agreements]

02. Implement, maintain, and improve e-commerce/automated solutions that add value to the procurement and surplus property disposition services for county departments.

03. Purchasing process community outreach of the updated vendor "How to do Business with Volusia County" training inclusive of the integration of partnership events with local municipalities.

Performance Measures - Procurement	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of formal and informal solicitations and master agreements	1,154	1,190	1,225
Number of training hours conducted	76	72	85
Number of vendor training programs and outreach events	5	12	16

Highlights

Community Information oversees the county's internal and external communications and public relations efforts in support of the goals and directives established by the county's leadership. Community Information strives to increase the public's awareness and knowledge of county services, provides information on the issues that confront the leaders of county government, assists county departments with their communication needs, coordinates emergency public information, oversees the county's websites, and assists with the county's marketing, advertising and public relations programs.

Key Objectives - Community Information

- 01. Implement effective public information through visits to www.volusia.org
- 02. Demonstrate community wide messaging through increased reach on Facebook with the public
- 03. Support and manage the county's public information, public relations, and marketing programs through earned publicity of news releases picked up by one or more media outlets

Mission To identify and plan for the needs of children and their families in Volusia County and to monitor and evaluate the programs funded through the recommendations of the Children and Families Advisory Board and approved by Volusia County Council.

Highlights

Community Assistance administrative staff meet with Activity Managers to discuss services and compliance along with identifying needs and coordinating services with private and non-profit community service agencies. Funding for these diversified services is provided by local resources and various grants.

Funds in this account are used to provide administrative services including support to the Children and Families Program, Alcohol, Drug and Mental Health program, Guardian Ad Litem and two contracts for specialized services. Contracts are established with private agencies to primarily meet the County's responsibility for mental health, alcohol, and drug abuse treatment pursuant to Florida Statue 394. To meet the requirements, the county contracts with The House Next Door, Halifax Health, Children's Home Society and Stewart Marchman/ACT Healthcare. The fiscal year 2021-22 budget for these grant programs is \$3.7 million.

The Guardian Ad Litem program is a statewide program governed and mandated by Florida State Statues. Guardian Ad Litem are assigned by the judge per order each time a child is sheltered and enters the dependency system. Guardians are volunteers that provide the voice of the child in the courtroom. Every child appointed a Volunteer Advocate is also appointed a Best Interest Attorney and a Child Advocate Manager also thru the Guardian Ad Litem Program. Guardians have both the responsibility and the authority to access medical, mental health, and school records. Guardians seek information as needed in addition to establishing an ongoing relationship with the child they represent and make recommendations in the best interest of the child. Currently, Guardian Ad Litem are appointed to 800 children.

The mission of the Children and Family Advisory Board (CFAB) is to promote healthy children and develop strong families, which contribute to their communities. The board meets quarterly and is responsible for assessing and evaluating children and community needs. CFAB develops strategies to meet these needs, establishes program outcomes and monitors program compliance. For fiscal year 2021-22 CFAB will have a budget of \$2.4 million to disperse through grants for many agencies like: The House Next Door, Early Learning Coalition, Boys and Girls Club Volusia, Volusia Council on Aging, Food Brings Hope and Volusia Flagler YMCA to name a few.

Key Objectives - Administration

- 01. Meet with private, non-profit and state agencies to coordinate services for Volusia County citizens
- 02. Attend community meetings to provide information and updates on services
- 03. Attend other relevant community and agency meetings

Mission To improve the quality of life for Volusia County citizens having very low to moderate incomes by coordinating access to resources that will bring them sustenance when needed, a greater sense of hope, self-sufficiency, self-esteem, and a greater sense of community to all citizens.

Highlights

The Volusia County Community Services and Grants Division continues to meet a variety of citizen housing, family, and neighborhood needs throughout the County. Countywide improvements include housing, streets, neighborhood facilities, and sidewalks. Additionally, thousands of eligible Volusia County citizens receive emergency energy and rental assistance, down payment assistance, and other supportive services through Volusia County's Community Services programs. Funding for these diversified services is provided by local resources and various grants.

Per Section 409.915, Florida Statutes, the Department of Revenue is responsible for collecting the county share of costs for Medicaid recipients. Although the State is responsible for the full portion of the state share of the matching funds required for the Medicaid program, the state is required to charge the counties an annual contribution in order to acquire a certain portion of these funds. The annual contribution amounts and county percentages are calculated each year by the Social Services Estimating Conference. For the fiscal year 2021-22 Volusia County's annual contribution is \$7,652,381 which will be shared by each of the County's three hospital districts.

Volusia County residents have suffered serious financial injury as a result of the COVID-19 crisis. In an effort to help ensure our most vulnerable residents remain in a stable living environment, the county has developed Relaunch Volusia: Individual Rent and Mortgage Grant Program. This program provides funding for County residents' rental and mortgage payments.

Key Objectives - Human Services

- 01. Assist eligible Volusia County citizens who are experiencing a crisis situation to prevent eviction, foreclosure, utility disconnection, and other indigent emergency services such as indigent cremation/burial, prescription, and dental extractions
- 02. Determine eligibility for in-county and out-of-county Health Care Responsibility Act (HCRA), and complete reports for state compliance
- 03. Monitor, review, and prepare reports for compliance with local, state, and federal regulations

Performance Measures - Human Services	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of individuals that received homeless prevention services	1,923	700	1,500
Number of clients screened for eligibility for HCRA	462	490	550
Number of individuals that received utilities assistance	1,016	1,000	500

Mission To protect, promote, and improve the health of our community by assuring the provision of essential public health services and to promote and protect the health and safety of all people in Florida through the delivery of quality public health services and the promotion of health care standards.

Highlights

The Florida Department of Health in Volusia County (FDOH-Volusia) received national accreditation through the Public Health Accreditation Board in 2020. We are continuing our efforts to meet national standards for ensuring that essential public health services are provided for our community. Additionally, we are expanding our efforts through new funding provided by the National Association of City and County Health Officials and the Centers for Disease Control & Prevention. These funds allow FDOH-Volusia to support local overdose prevention strategies and evaluate public health programs using a social determinants of health lens.

FDOH-Volusia has a dedicated and highly trained public health workforce which is ready to respond to a range of emergencies, as demonstrated by the COVID-19 pandemic response. Our dedicated staff plays a vital role in supporting and carrying out our mission by providing information to the community, providing COVID-19 testing and vaccination and conducting case investigations, contact tracing and other disease control activities.

Our goal is to provide you with important public health information to make informed decisions about the communities health and well-being. Other goals include: increase vaccination rates of children and reduce the incidence of HIV infections, reduce rates of infant mortality and infant mortality disparities, decrease the number of fatal and non-fatal overdoses, and support all residents to achieve the highest level of health possible.

Key Objectives - Health Services

- 01. Protect the health of the community through the surveillance, monitoring, and prevention of infectious and communicable diseases
- 02. Protect and improve the health of the community through promotion of healthy lifestyles and reduction of chronic disease by providing education, community outreach and collaborative partnerships
- 03. Protect the health of the community by monitoring and regulating environmental activities which may contribute to the occurrence or transmission of disease by ensuring safe drinking water, safe food, proper sewage disposal, clean swimming pools, complaint investigations and enforcement of public health laws

Performance Measures - Health Services	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To provide residents and visitors with exceptional library services that facilitate personal growth, economic development and quality of life in a manner that strengthens community pride while fostering a countywide identity and partnerships.

Highlights

The Library division is responsible for providing public library service for every resident in the County and for maintaining facilities at acceptable standards. The countywide Library Fund was established to account for revenues and expenditures relating to the operation of a public library system, including six regional libraries, two full service branch libraries, six community branch libraries, and one support/training facility. The budget represents continuing the capital improvement program, continuing to provide relevant on-site and on-line collections of popular materials, while continuing to enhance services available 24/7.

Key Objectives - Administration

- 01. Continue implementation of library technology resources geared to meet community needs
- 02. Maintain an adequate level of service (LOS) with library materials
- 03. Continue development of wide-ranging adult, teen, and juvenile learning and cultural programs
- 04. Provide public access to broadband Internet via computers, wireless connection, and circulating hotspots

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To provide ecological, cultural, and outdoor experiences through a wide variety of parks, trails, and unique resources to our community and visitors.

Highlights

The Operations and Maintenance activity is responsible for all Volusia County operated parks and trails, including restroom cleaning, mowing, trash removal, tree and landscape maintenance, building and grounds repairs, painting, dock and deck maintenance, playground maintenance, shooting range operations, campground operations and boat launches.

The fiscal year 2021-22 budget reflects the addition of new trail segment along Guise Road to Gobbler’s Lodge Road. Replacement of playground at Lake Ashby, Spring Hill & Spruce creek. Repairs to Lake Ashby & Lake George Fishing docks & Riverbreeze Boat Launch docks.

Environmental and Outdoor Programs provide leisure and recreation activities for the residents of Volusia County. Staff continues work with the Volusia County School Board to offer programs during the student holidays throughout the school year. Our division will continue to evaluate the Summer Recreation Program to address the growth and changing needs of the community. Volusia County’s three ballfield complexes are also managed under this activity. Contracted classes continue at Private First Class Emory Bennett park with great success. The Robert Strickland RC track and BMX track are open and operating.

Cultural Programs oversee the Cultural Council which reviews and recommends to County Council the Community Cultural Grant funding and other cultural arts policies.

Key Objectives - Operations And Maintenance

- 01. Provide for safe, clean & aesthetically pleasing park experience
- 02. Develop and maintain park operation plans
- 03. Improve parks and facilities

Performance Measures - Operations And Maintenance	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission The mission of the division is to promote stewardship of the community's natural, cultural, and economic resources by responsibly planning, funding, and managing the ECHO grants-in-aid program, UF/IFAS Cooperative Extension Program, and Volusia Forever Program which includes land acquisition and land management.

Highlights

The goal of Resource Stewardship Services team is to a) educate our citizens how to be better stewards of our natural resources, b) develop human and economic resources through UF/IFAS Extension's research-based resources, c) implement science-based land management practices, d) strengthen the quality of life for our citizens by partnering to enhance environmental, cultural, historical, and outdoor recreational opportunities, e) acquire, protect and conserve environmentally sensitive, water resource protection, and outdoor recreation lands.

Key Objectives - Administration

- 01. Develop partnerships to leverage resources and accomplish the goals of the division
- 02. Recruit, train, and retain volunteers to help accomplish our mission
- 03. Acquire lands for preservation, conservation and public access
- 04. Provide for new ECHO projects for the community to enjoy

Mission To inform the veterans/dependents of benefits to which they may be entitled to. Assist them in obtaining those benefits by filing claims/appeals/benefits and supporting documents that will justify those claims.

Highlights

The Florida Statute 292.11 allows for the county to employ a Veteran Service Officer and Staff. The Volusia County Veterans Services Division assists all former and present members of the Armed Forces and their dependents in preparing claims for compensation, hospitalization, vocational training and other benefits and privileges for which they are entitled under Federal and State Laws and County regulations. Offices are located in Daytona Beach, Deland, New Smyrna Beach, and Orange City. Due to the frequent changes in laws and regulations, training and certification of the staff is essential. Continued certification and accreditation is necessary through the training provided by the Florida Department of Veteran Affairs (FDVA), the Department of Veteran Affairs (VA), and internally by the division.

Key Objectives - Veterans' Services

- 01. File all requested claims and benefits for veterans/dependents
- 02. Serve all veterans/dependents including shut-ins and those in nursing homes/assisted living facilities
- 03. Complete and file all requested forms and applications for veterans/dependents

Mission To identify and safely meet the mobility needs of Volusia County. This mission will be accomplished through a courteous, dependable and an environmentally-sound team commitment to quality service.

Highlights

Votran offers its Gold Service to customers who, because of a disability, cannot access the fixed route bus service. All Votran revenue vehicles are built to meet the requirements of the American with Disabilities Act. Votran bus operators receive special training in personal assistance and passenger sensitivity to ensure safe and comfortable transportation to Votran Gold customers. Votran Gold services operates within the same service area and during equivalent days and hours as the fixed-route bus services for those that meet the eligibility requirements. Votran operates Gold service with a fleet of 75 para transit vehicles. Votran also contracts with para transit subcontractors to provide service on Votran behalf: 2 para transit providers and 2 taxi providers.

The Volusia County Council created Volusia County's public transportation system, Votran, in 1975. Votran provides fixed route public transportation service to urban ares of the county with a fleet of 78 revenue producing fixed route buses. The budget is funded by the Volusia County General Fund, Federal Transit Administration (FTA) and Florida Department of Transportation (FDOT) grant funds. Revenues are produced by Votran through passenger fares, contract services and advertising.

Votran's capital projects require no local funding and are appropriated when the grant funds are awarded. These funds are used to purchase buses, vans, office equipment, and any scheduled construction. The operational management of the transportation service is provided by First Transit.

The General Fund contribution is evaluated each year and the fiscal year 2021-22 contribution is \$5 million. The Federal Cares Act funding allocated for Votran services will be utilized to offset operating costs normally subsidized by the General Fund. Funding is estimated to be partially spent in fiscal year 2019-20, and the balance will be spread over expenditures for the next two fiscal years. Reserves included aside from those held for fuel fluctuations and revenue stabilization, in the amount of \$3,058,239, are allocated to be used annually for a smooth transition back to local funding efforts. Fuel reserves total \$127,350 and Reserves for Revenue Stabilization are \$1,171,148 for fiscal year 2021-22.

Key Objectives - Public Transportation

- 01. Respond to complaints promptly
- 02. Increase the level of ridership by 1%
- 03. Maintain an "on-time" performance at 90%

Mission To provide high quality, effective and efficient legal counsel to Volusia County government.

Highlights

The County Attorney's office serves as legal counsel to Volusia County government and county constitutional officers as provided by agreement. County attorneys develop ordinances, resolutions and contracts to implement and support the policy decisions of the County Council in coordination with the County Manager and staff. County attorneys defend, and prosecute for, the County in civil and administrative proceedings in state and federal courts, and administrative venues, in areas such as: ordinance challenges, code enforcement, civil rights, liability defense, environmental compliance, contract and procurement disputes, elections, animal control, lien and mortgage foreclosures, employment, labor, real estate, eminent domain, land use and zoning, construction, property assessment disputes, and worker's compensation. County attorneys provide legal counsel to county boards, including subsequent litigation. The County Attorney's office monitors legislative and court developments which impact county government.

Key Objectives - County Attorney

- 01. Provide the highest level of service as general counsel to the County Council, represent the County in all litigation for and against the County, and attempt to resolve or settle disputes prior to the expense of trial
- 02. Assist the County's efforts to effectively fulfill mandates imposed by law

Performance Measures - County Attorney	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To promote good citizenship by supporting democratic values and earning public trust in good government. To respond effectively to citizen needs for health, safety, and general welfare. To allocate limited public resources equitably and efficiently. To provide leadership and high quality of government service by consistently communicating with the citizens about their needs.

Highlights

The County Council serves as the legislative and policy-making body for Volusia County government. The County operates under a Council/Manager form of government and provides various services including public safety, economic development, transportation, health and social services, planning, zoning, environmental and other community services. The seven-member County Council is responsible for the promulgation and adoption of policy. The Council-appointed County Manager is responsible for the execution of policy.

Mission To support the County Council, Volusia County's Departments and its citizens. This commitment requires the County Manager's administrative staff to be proactive liaisons to internal and external groups, involved in the community, accessible points of contact, providers of information through research and analysis, and advocates of County government.

Highlights

The County Manager executes the policies established by the County Council and is responsible for the overall supervision of County government. In order to be responsive to the needs of the County Council and the citizens of Volusia County, budgeted expenditures are consistent with the operational needs of the County Managers Office.

Mission To account for the County's fiscal activities in accordance with generally accepted accounting principles, to include payment of all County financial obligations, billing and collection of receivables, capital assets inventory, payroll, and cash management; provide accurate and timely financial information to key decision makers.

Highlights

The Accounting Division, with its accountants, section supervisors, and clerical staff, is responsible for maintaining and monitoring the accounting and financial transactions of the County. Over 140 funds have been established in the County's general ledger to assist in this task. Each year the Division prepares the Comprehensive Annual Financial Report which is audited by an independent, external auditor selected by the County Council. The Division also prepares the Annual Report on County Debt and the Popular Annual Financial Report. Within Accounting, operational sections have been established for accounts receivable, accounts payable, capital asset tracking, payroll, and cash management functions.

Key Objectives - Accounting

- 01. Provide accurate and timely payments of all County financial obligations
- 02. Provide accurate billing and collection of all County receivables
- 03. Record and maintain files on all County capital assets

Performance Measures - Accounting	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To provide Volusia County agencies with a secure and reliable information technology and communications infrastructure along with the information technology products, services, and knowledge necessary to streamline operations and deliver the highest quality customer service.

Highlights

Information Technology consists of 80 staff members responsible for enterprise computer and communications systems. This includes computer hardware, software, application development, user support, and the maintenance of high-quality data, voice, and radio communications.

In fiscal year 2021-22, the division will focus on increasing the security and integrity of the County's data processing systems. Other initiatives will include the implementation of a new countywide radio communications network, including the replacement of the fire station alerting system. Engineers will focus on enhancing the speed, reliability, and scope of the County's voice and data network, as well as overseeing the replacement of approximately 940 desktop, laptop, and tablet computers as part of the PC Replacement Program. In addition, the division will be expanding the scope and support for the ZOLL software used by Public Protection, continuing the rollout of the County's web and document accessibility plan, and providing GIS support for federal, state, and local redistricting processes.

Information Technology's recommended budget increased from previous fiscal years, primarily due to two factors. The first factor is an increased emphasis on cyber-security, which has led to increased costs for new software suites used to monitor and manage the security of servers, databases, desktop computers, and the network that connects them. The second factor is an increase in service scope due to the assumption of responsibility for software packages formerly overseen by the Sheriff's Office (Firehouse, ZOLL) and new duties involving technology support for the Daytona Beach International Airport.

The fiscal year 2021-22 budget includes one unfunded position. Two new positions were added in fiscal year 2020-21 to provide support to data and security systems at the Daytona Beach International Airport.

The division also manages the ongoing PC Replacement Program. During fiscal year 2020-21, approximately 1,413 desktops, laptops, and tablet computers will be replaced, with 781 planned replacements to happen in fiscal year 2021-22. Revenue for this fund is primarily generated from a charge assessed to each division, based upon the number of devices it has in the program.

Key Objectives - Administration

1. Modernize the 800 MHz Public Safety Radio System to use P25 Phase 2 technology.
2. Successfully accomplish all required reapportionment tasks for Volusia County Council and School Board.
3. Teach employees how to avoid phishing scams using simulated attacks and training.
4. Replace core firewalls to improve the speed, security, and manageability of the County's Internet connections.
5. Implement alternate network connectivity between the DeLand and Daytona data centers to provide high availability and continuity of operations.
6. Provide redundant internet access to County's public-facing servers.

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Percentage of modernizing the 800 MHz radio system complete	2	50	80
Percentage of redistricting initiative complete	5	15	100

Mission To make recommendations for the development and allocation of resources to meet citizen, County Council, and Department priorities in a legal, innovative and efficient manner resulting in the effective and efficient delivery of services that instills public trust and the well being of citizens.

Highlights

The Office of Management and Budget prepares and administers the County's annual budget, including the Capital Improvement Program. This Division is responsible for setting the budget schedule and procedures, estimating revenues for each fund, development of the Five Year Forecast, reviewing departmental budget requests, and publishing and monitoring the budget throughout the fiscal year. In addition, the Office of Management and Budget is responsible for any budget amendments and resolutions, preparing financial analysis, reviewing financial options, and providing budget information to the County Council as well as the public.

Pursuant to statutory guidelines, each property owner receives a Notice of Proposed Property Taxes from the Property Appraiser annually demonstrating the following information: prior year taxes, current year taxes, with and without budget changes, as well as the market and assessed value for previous and current year. Pursuant to Chapter 194.011, if the property owner feels this notice does not properly reflect fair market value, a petition may be filed with the Value Adjustment Board (VAB) with certain exceptions; a non-refundable \$15.00 filing fee per parcel is statutorily required at the time of petition filing.

The board clerk prepares a schedule of appearances before special magistrates; a notice of hearing will be provided to each petitioner at least 25 calendar days in advance for those petitions not settled or withdrawn. Once a hearing has concluded the magistrate makes a recommendation to the VAB which will render a final decision of such recommendations. A petitioner may file a claim with the circuit court if they disagree with the final decision of the VAB within 15 days (for exemptions) and 60 days (for valuation) from the date of recusal (Section 196.151 and Section 194.171 F.S.).

Key Objectives - Management and Budget

- 01. Project annual General Fund revenues within 96% of actual collections
- 02. Publish a budget document meeting Governmental Finance Officers Association (GFOA) standards as a policy document, financial plan, an operations guide, and as a communications device
- 03. Evaluate all budget amendment requests prior to County Council approval to determine budgetary needs and insure compliance with statutory mandates for amending the adopted budget
- 04. Develop and maintain budgetary reports for use by the departments

Performance Measures - Management and Budget

Mission To oversee information technology resources and all financial matters pertaining to the county and shall provide a comprehensive financial management system that properly accounts for all the financial transactions of the county

Highlights

The Office of the Chief Financial Officer (CFO) heads the Finance Department divisions and provides administrative and operational support services to both internal and external customers. The Finance Department divisions are Accounting, Information Technology, Management & Budget, and Treasury & Billing.

Key Objectives - CFO/Treasury

01. Provide support and oversight in the administration of financial grants for the various divisions of the County

Performance Measures - CFO/Treasury	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of grants coordinated and overseen by the Office of the CFO	260	262	261

Mission To serve our customers with prompt, professional, and friendly service, while ensuring accuracy and accountability in the collection, investment, and distribution of County funds.

Highlights

The Treasury & Billing division is responsible for the collection and distribution of Tourist/Convention Development Taxes, Business Tax Receipts, and Public & Communication Services Taxes. Additionally, the division serves as the centralized County cashier, processing payments for items such as building permits, utility bills, VOTRAN bus passes, and Value Adjustment Board fees, among others. The division is also responsible for the management of the County's investment portfolio.

The division processed over 90,000 payment transactions last year, and it is anticipated that the number of transactions processed will reach 100,000 in the coming fiscal year. Despite the increasing number of transactions, this year's budget includes the defunding of two vacant positions, recognizing efficiencies within the payment processing operation.

The division is also responsible for the billing and collection of charges for ambulance services and ensuring those charges are in compliance with federal and state regulations. The division will be closing the third-party payment lockbox and bringing the processing of mailed ambulance services payments in-house for an annual savings of \$30,000.

Key Objectives - EMS Billing & Collection

01. Provide accurate and timely billing of all ambulance services

Performance Measures - EMS Billing & Collection	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of transports billed	58,021	60,342	62,756

Key Objectives - Operations

01. Provide payment processing services for County Funds, Tourist/Convention Development Tax, Business Tax Receipts, and other miscellaneous fees and services.

Mission To provide a better quality of life for all Volusia County citizens by facilitating the development of a well designed, efficient, healthy, and safely built environment that enhances community identity, co-exists with the natural environment, and promotes sustainable development.

Highlights

The Building and Code Administration Division is composed of four major activities: Contractor Licensing, Building Code Administration, Code Compliance, and Permit Processing.

Contractor Licensing provides accurate and timely contractor information to the public, cities, and staff by maintaining a database of current license and insurance information for state-certified contractors and locally licensed specialty contractors. Staff also supports the Contractor Licensing and Construction Appeals Board on cases for complaints against licensed contractors, citation appeals, appeals of Chief Building Official determinations, and cases involving unsafe, dilapidated buildings and structures.

Building Code Administration is tasked with enforcement of the Florida Building Code as mandated by the State of Florida and ordinances adopted by Volusia County for the unincorporated areas of the county. This includes plan review and inspection to ensure compliance with code requirements to safeguard public health, safety, and general welfare.

Code Compliance is responsible for enforcement of several chapters of the County Code of Ordinances and the Florida Building Code. Staff responds to building, zoning, and related complaints; administers lot maintenance regulations; reviews and enforces outdoor entertainment event permits, host itinerant merchant licenses, and temporary campgrounds during special events; and supports the Code Enforcement Board and the Special Magistrate for unincorporated areas of Volusia County.

Permit Processing is responsible for accepting, distributing, reviewing, and processing building permit applications; issuing permits; and archiving information and documentation required by the Code of Ordinances and Florida Building Code.

Key Objectives - Administration

- 01. Investigate reported unlicensed contractor activity, violations against local licensed contractors, and unpermitted work
- 02. Review applications, process payments, sponsor testing, issue specialty trade licenses, and list certified contractors
- 03. Review single-family home, addition, alteration, mobile home, and commercial addition/alteration permits within 10 days
- 04. Perform quality inspections by limiting the average number of site visits per inspector
- 05. Respond to and pursue compliance on all reports of ordinance violations
- 06. Ensure that unresolved violations are taken to the Code Enforcement Board for resolution
- 07. Work with property owners through education and Code Enforcement Board orders to bring properties into compliance
- 08. Intake, review, and distribute permit applications to appropriate staff for processing and issuance
- 09. Process permit applications for issuance within 2 business days after reviews are completed 90 percent of the time

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of unpermitted work investigations	821	878	899
Number of new local specialty license applications and listings processed	1,152	876	1,100
Percent of residential and commercial reviews completed within 10 days	97	98	98
Average number of daily site visits performed by each building inspector	15	15	16
Number of code complaints responded to and processed	3,830	4,433	4,522
Number of countywide Code Enforcement Board cases	848	998	1,001
Number of orders of code compliance issued	101	88	100
Total number of building permits processed and issued	10,367	10,879	11,422
Percent of permit applications processed for issuance within 2 business days after reviews are completed	77	48	60

Mission To preserve, protect, and restore the County's unique natural resources; to monitor the condition and health of aquatic ecosystems; to regulate pollution control facilities to minimize environmental impacts; to balance the quality of life and economic interest of our citizens.

Highlights

The Environmental Permitting activity is responsible for administration and enforcement of the tree preservation, wetland protection, Indian River Lagoon Surface Water Improvements and Management Overlay Zone, and gopher tortoise protection ordinances. Environmental Permitting implements the Tree Replacement Trust and Wetland Mitigation Fund programs.

The Water Quality program functions to document the quality of Volusia County waters. In addition to monitoring water quality trends, the program plays a vital role in establishing Total Maximum Daily Loads on county surface water bodies. The program is a partnership with the Florida Department of Environmental Protection and St. Johns River Water Management District.

The Sustainability and Resilience activity advances resiliency efforts within our community to prepare the county for sea level rise and future climate conditions and provides outdoor education on conservation lands that encourages stewardship of our natural resources.

The Pollution Control activity consists of six program areas, two of which provide offsetting revenue. Programs include domestic waste, solid waste, bio-solids, noise, hazardous waste, and water resource protection. Pollution Control also coordinates the annual St. Johns River cleanup.

The Protected Species activity was created in 2020 and combined the Sea Turtle Habitat Conservation Plan Program and the Manatee Protection Program, which are responsible for managing the county's efforts to protect these state and federally regulated species.

The Sea Turtle Conservation Program includes: managing the county's federal Incidental Take Permit and implementation of a Habitat Conservation Plan, sea turtle nest monitoring and reporting, small- and large-scale habitat restoration projects, review of coastal development projects, beach lighting enforcement, and conservation zone management.

Marine Science Center

The major goals of the Marine Science Center (MSC) are sea turtle and seabird rehabilitation and environmental education in support of Volusia County's Habitat Conservation Plan. Sick and injured sea turtles and seabirds are rehabilitated and released upon full recovery. Some birds that cannot be released become ambassadors for their species as part of our educational exhibits or our glove-trained raptor programs. The MSC offers a wide variety of programs for children and adults throughout the year, including summer camps and special events such as Turtle Day and Wildlife Fest. The MSC closed to the public in March 2020 due to the COVID-19 pandemic. During the closure, the Education Department created a virtual studio to provide educational lessons to the public, and worked closely with the Exhibit and Animal Hospital Departments to detail the MSC's animal ambassadors, Volusia County's marine and terrestrial habitats, rehabilitation programs, and how humans can help lessen their impacts on the environment. The programs have been viewed close to 1 million times on Community Information's Facebook page.

Lyonia Environmental Center

The Lyonia Environmental Center (LEC) provides visitors with a unique insight into fragile Volusia County ecosystems. The Center promotes an understanding of the natural environment, the heritage it sustains, and the challenges it faces.

The LEC offers monthly environmental education programs for visitors of all ages, an annual Wildlife Festival, school curriculum programs, homeschool classes, and scout badge workshops. The LEC also hosts meetings and workshops for many groups and non-profits, including teacher workshops. Due to the COVID-19 pandemic, the LEC has been closed, or open in a limited capacity, since March 2020. In person visitors have declined, however staff created virtual programming via Facebook to continue the education programs and engagement with our audiences. These virtual options reached nearly 200,000 people.

Key Objectives - Administration

- 01. Monitor the division and grant budgets and expenditures
- 02. Review development applications and conduct inspections to ensure compliance with the environmental provisions of the Volusia County Comprehensive Plan, Volusia County Land Development Code, and Volusia County Zoning Ordinance
- 03. Implement and enforce the tree ordinance through issuance of tree permits. Implement and enforce the wetland ordinance through issuance of wetland alteration permits. Implement and enforce class II regulations. Implement and enforce the gopher tortoise protection ordinance. Inspect and review development applications for compliance with federal and state regulations regarding protected and endangered species. Assist with implementation of the farm pond program.
- 04. Collect samples of surface water, saline waters, stormwater, and Total Maximum Daily Load (TMDL) program water bodies
- 05. Develop volunteer programs that enhance conservation efforts and promote stewardship of natural resources
- 06. Manage the Volusia County Sustainability Action Plan and Regional Resiliency Action Plan, and promote initiatives that can be incorporated into county operations
- 07. Inspect domestic waste, solid waste, bio-solids operations, and small quantity generators of hazardous waste
- 08. Investigate and resolve citizen complaints regarding pollution control violations and environmental incidents, and ensure appropriate remediation actions are performed
- 09. Protect endangered species habitat on Volusia County beaches, including areas for nesting sea turtles and nesting, migratory, and wintering birds
- 10. Manage the United States Fish and Wildlife Service Incidental Take Permit (ITP) and associated Habitat Conservation Plan (HCP) for sea turtles and other listed species

Performance Measures - Administration

FY 2019-20 Actual FY 2020-21 Estimate FY 2021-22 Budget

	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of budget units monitored	22	23	24
Number of building permit, site plan, subdivision, planning, zoning, and other environmental reviews	11,902	12,200	12,500
Number of tree removal, wetland alteration, Class II, and farm pond permits processed	956	975	1,000
Water quality sample sets collected	514	520	535
Number of volunteers	1,683	1,635	1,690
Number of resiliency and green initiatives promoted	37	37	37
Number of domestic waste, solid waste, and bio-solids, and small quantity generator inspections	840	1,050	1,050

Mission To facilitate sustainable, safely built communities and conserve natural resources by providing excellent customer service through proactive outreach, cooperative policies, and efficient processes.

Highlights

Growth and Resource Management Administration provides oversight of the three Growth and Resource Management divisions: Building and Code Administration, Environmental Management, and Planning and Development Services. Administration processes and collects impact fees for transportation, schools, parks, and fire. Administration supports the AMANDA software system and Connect Live web portal, which integrate a majority of the functions within the department, including those related to building, contractor licensing, code compliance, environmental permitting, land development, planning, and zoning. Administration staff is also responsible for the monitoring and coordination of the 17 community redevelopment agencies.

Key Objectives - Administration

- 01. Provide supervisory, clerical, and administrative support for the department
- 02. Monitor department budgets and expenditures
- 03. Ensure compliance with county impact fee requirements
- 04. Encourage use of Connect Live web portal for submittal of permit and development applications
- 05. Encourage use of web portal for customers to schedule inspections
- 06. Encourage customers to pay department fees online

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To facilitate sustainable growth through the implementation of smart growth principles that support a thriving economy, protect our natural resources, and produce a high quality of life for Volusia County citizens and businesses.

Highlights

The Planning and Development Services division is comprised of the Land Development, Zoning, Planning, Mapping and Addressing, and Real Estate activities.

The Land Development activity continues to streamline the review process by utilizing advanced software for submission, review, and approval of digital applications and plans, and to link applicants with County staff and outside agencies and municipalities.

The Zoning activity is focused on streamlining the County application review process to increase the efficiency and quality of staff analysis for building permit and site development plan reviews.

The Planning activity is focused on refining the Comprehensive Plan to improve efficiency and function, removing hurdles to smart growth, and streamlining permitting activities. This activity is also focused on streamlining the application review process to increase efficiency and quality of staff analyses and presentations to County Council. Planning implements the Smart Growth Policy Review Committee recommendations, which may include administrative comprehensive plan and zoning code text amendments.

The Mapping and Addressing activity oversees maintenance of County addressing, streets, zoning, and future land use databases; makes updates for city annexations; and provides monthly updates. This activity also updates and integrates the Geographic Information System for the Growth and Resource Management Department.

The Real Estate activity handles services including guidance with land donations and assisting County departments in acquisitions. Other services include land swaps, lands available, release of mineral rights, and sale and disposition of county-owned surplus land.

Key Objectives - Administration

- 01. Process site plan and subdivision applications, including preparation of staff analysis reports and recommendations to the Development Review Committee
- 02. Determine Land Development Code compliance for all other applications, including vacations, vested rights, use permits, and customer inquiries
- 03. Arrange for the sale of county surplus properties
- 04. Implement Volusia County's Comprehensive Plan, Land Development Code, and Zoning Ordinance through building permit review and other related processes
- 05. Promote smart growth in the County through the review of site plans and subdivisions to create enhanced and safe developments
- 06. Process Volusia County Zoning Ordinance applications and requests that require public hearings, prepare analysis reports and recommendations for the Planning and Land Development Regulation Commission, and forward Commission actions to the County Council
- 07. Monitor, review, comment, and coordinate all city comprehensive plan amendments and annexations
- 08. Manage planning program objectives, including smart growth initiatives, local area studies, intergovernmental planning agreements, and zoning code text amendments that may be necessary to remove hurdles to smart growth implementation
- 09. Maintain 60+ GIS layers, including the official County zoning and future land use layers, providing timely updates
- 10. Maintain County addressing databases; update municipal boundary map layers for city annexations; provide complete mapping services for Growth and Resource Management, Legal, Economic Development, and VCSO; and provide some mapping services for Parks, Recreation and Culture and Fire Rescue

Performance Measures - Administration

Mission To provide an effective means for coordinating the plans of municipalities and Volusia County, in order to provide a forum for local governments in Volusia County to coordinate decision making related to land use, the environment and public services for the citizens of Volusia County.

Highlights

The Volusia Growth Management Commission (VGMC) is established by Section 202.3 of the Volusia County Code and is comprised of 21 voting and two non-voting members. The voting members include one representative appointed by each of the 16 municipalities in Volusia County, and five members appointed by the County Council to represent the unincorporated area of Volusia County. The two non-voting members represent the Volusia County School Board and the St. Johns Water Management District.

The VGMC's primary duty and responsibility is to review the comprehensive plans and any plan amendments thereto for each governmental entity in Volusia County to determine the extent to which it is consistent with the comprehensive plans of adjacent and/or affected jurisdictions, and to insure intergovernmental coordination and cooperation. The Commissions utilizes contract legal and planning services, and also has one permanent staff member.

Key Objectives - Growth Management Commission

01. Review the Comprehensive Plans and any plan amendments thereto for each governmental entity in Volusia County to insure intergovernmental coordination and cooperation

Mission **Human Resources is a collaborative strategic partner that works with County departments to recruit, develop and retain a diverse, high-performing workforce.**

Highlights

The Human Resources Division has a dual role to provide departments with resources to build a competent and diverse workplace through recruitment, employment testing, selection, and training, as well as, ensuring that employees enjoy the rights and privileges guaranteed by the County merit system rules and regulations in addition to Local, Federal and State legislation.

In spite of the pandemic, during fiscal year 2020-21 diversity initiatives continued, which included training approximately 100 new employees, and approximately 211 attended the County's mandatory Diversity and Inclusion Awareness Workshop. Human Resources conducts an Annual Diversity and Inclusion Leadership Meeting each fiscal year.

The Human Resources Division continues to implement efficiency modifications resulting from the constant changes in Local, Federal and State legislation.

Commercial Insurance - This unit covers commercial insurance policies for the County's elected officials, law enforcement personnel, high risk employees, Parks, Recreation and Culture programs, and Fleet Management. Additionally, aviation policies are required for the Daytona Beach International Airport, Sheriff's Office, and Mosquito Control. Costs for these policies are charged directly to the using departments.

Loss Control - Human Resources has an on-going commitment to reducing losses in the workplace through intervention programs designed to inspire employees to embrace good safety protocols. The medical staff conducts pre-employment and annual physicals and drug screenings as required by licensing or other regulations for certain job classifications.

Physical Damage - Volusia County insures facilities with a total value over \$750 million. The County has purchased additional insurance coverage of \$40 million for named storm and wind damage with a 3% deductible. The policy provides coverage up to \$150 million for damage for non-named storms with a \$100,000 deductible. All other perils are covered with a deductible of \$25,000. The reserves in this account are to cover the County's deductible and any major claims or settlement expenses above the actuarial projection.

The Group Insurance fund reflects both the employer and employee health plan contributions and payments of claims. The program costs include employee-paid options such as dependent coverage, cancer, vision care, and dental coverage. Additionally, the program includes retirees who continue to participate in the County's plan. Currently, the County's health provider is Cigna Health Insurance.

The County continues to provide flex dollars to employees who obtain screenings and health assessments that will help employees understand their current health status. Human Resources conducts ongoing programs to educate employees on how to use the health plan to receive the best health care at the lowest cost.

For the 2021-22 budget, reserves have been split into three categories; catastrophic claims reserves, premium stabilization reserves, and reserves for 60 days of claims. Stop loss insurance coverage is purchased to protect against large claims. Reserves are set aside to cover major claims not covered by stop loss. Premium stabilization reserves help offset increase spikes that often occur in medical costs and allow for smoothing of premium raises. Transitional reserves are for the potential changes in subscriber membership. Reserves for 60 days of claims are set aside to pay for prior year claims that have been incurred by the end of the fiscal year, but will be paid within 60 days of the next fiscal year.

The Wellness Program promotes healthy lifestyles through training via on-site wellness centers, virtual lunch-and-learn programs, wellness challenges, health coaching, and mental/behavioral health programs that provide information to help cope with stress and improve overall well-being. The continued emphasis on containing health care costs by ensuring the employees, retirees and their dependents are provided the appropriate care at reasonable costs, including early screenings, will have beneficial effects on the fund.

Key Objectives - Human Resources

- 01. Attract and recruit qualified and diverse applicants for employment
- 02. Develop and conduct pre-employment or promotional testing and examination
- 03. Provide workforce training relevant to the needs of employees
- 04. Provide orientation for new employees and seasonal workers

Performance Measures - Human Resources	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of applications processed	23,892	25,000	30,000
Number of tests administered	4	10	15
Number of training course attendees	1,254	1,100	1,200
Number of employee orientation attendees	569	610	631

Key Objectives - Group Insurance

- 01. Provide affordable, high quality health care to County employees
- 02. Stabilize claim costs through education and wellness programs
- 03. Stabilize claim costs per employee per month through wellness programs
- 04. Develop physical fitness conditioning programs for employee lifestyle enhancement

Performance Measures - Group Insurance	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
County contribution per FTE	9,000	9,000	9,540
Health claim costs	40,681,543	43,260,742	44,673,676
Number of employees who qualify for wellness incentive	2,412	2,500	2,500
Number of employees participating in Wellness Center	92	90	90

Key Objectives - Insurance Administration

- 01. Maintain a reasonable competitive insurance market in the interest of premium reduction with innovative approaches to all insurance markets
- 02. Maintain insurance policies that protect the interest of the County

Performance Measures - Insurance Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Total premium (dollars)	4,125,377	4,409,593	5,381,059

Mission To maintain citizen trust and confidence that County resources are used effectively, efficiently, and honestly by monitoring and strengthening the reliability and integrity of financial records, compliance with established policies and laws, and reduce the possibility of fraud, waste, and abuse.

Highlights

The Internal Audit Department is an independent, objective assurance and consulting activity that is guided by a philosophy of adding value to improve the operations and transparency of Volusia County. Internal audit achieves its mission by providing key information to stakeholders and the public to maintain accountability; to help improve program performance and operations; to reduce costs; to facilitate decision-making; to stimulate improvements; and to identify current and projected issues that may impact county programs and the people those programs serve.

The department was established in 2019 with an internal auditor hired late in the year. The internal auditor solicits input from the County Council and County Manager to develop and update an annual audit plan. The plan is based on a systematic risk assessment to identify and prioritize areas posing the greatest possibility for risk and liability to the County. This process provides a tool to assign priority for the purpose of reducing risk and liability exposure through observations, testing, analysis, and recommendations. Each of the potential audit areas are assigned a score by each of the risk categories and the scoring is included in the annual plan. Council approves the annual audit plan. The audit plans and audit reports are available on the county website.

Key Objectives - Internal Auditing

- 01. Provide County Council and the County Manager with objective information by completing the requested audits in the approved annual audit plan
- 02. Provide County Council and the County Manager with management responses to audit recommendations

Performance Measures - Internal Auditing	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Highlights

The Volusia County Drug Court program was established in 1997. Reducing substance abuse, lessening the fiscal impact on society, encouraging law abiding lifestyles, breaking the cycle of addiction, and restoring families are included in its mission. While the program maintained operations during COVID-19, capacity was significantly reduced.

The Pretrial Services Program has two primary goals: provide accurate, timely, neutral information regarding arrestees to judges so they can make informed release decisions and promote public safety by ensuring appearance in court and compliance with release conditions established by judges for certain defendants. Volusia County's Pretrial Services program was accredited by the Florida Corrections Accreditation Commission in 2008 and received reaccreditation in 2011, 2014, 2017 and 2020. The Pretrial Services staff also pursue professional development by obtaining a minimum of 40 hours of continuing education training per year. In addition, staff maintain memberships in the Association of Pretrial Professionals of Florida. Many have become Certified Pretrial Services Practitioners. While the program maintained operations during COVID-19, a number of procedures were altered to comply with social distancing.

Key Objectives - Drug Court

- 01. Integrate drug treatment services with justice system case processing
- 02. Provide access to drug treatment and rehabilitation services while encouraging abstinence using frequent drug screening
- 03. Monitor each drug court participant through program completion

Performance Measures - Drug Court	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Drug Court participants admitted	49	60	75
Drug Court retention rates (percent)	31	50	60
Drug Court graduates	36	40	55

Key Objectives - Pre-trial Release

- 01. Gathers comprehensive information of all arrestees booked into the Volusia County Jail who attend First Appearance and provides the Court with information needed for well-informed release decisions
- 02. Provides community based supervision of arrestees released into the Pretrial Supervision program to assure compliance with release conditions

Performance Measures - Pre-trial Release	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Victim contacts by Pretrial Services	1,626	1,500	1,700
Defendants assigned to Pretrial Supervision	4,036	4,000	4,500

Highlights

Teen Court is based upon the premise that youthful offenders who admit to delinquent behaviors will more readily accept responsibility for their actions when judged by peers. It uses positive peer pressure and other appropriate sanctions to show youthful offenders the consequences of breaking the law and the benefits of positive, constructive behavior.

Teen Court allows young people to get involved in their communities, engage in critical thinking and attain collaboration skills. Teen Court makes civic education a reality.

Key Objectives - Teen Court

01. Less serious juvenile offenders are diverted from the traditional delinquency process by disposing of cases through a program of peer accountability which provides an opportunity for youth to acknowledge responsibility for their actions and learn alternative behaviors

02. Teen Court provides value to youth by giving them opportunities to serve as jurors, clerks, prosecuting attorneys and defense attorneys which educates and motivates youth to make positive choices within their everyday activities

03. Teen Court utilizes volunteers to help operate the program

04. Utilize caring adults, teens, attorneys and local judges who volunteer their time to help operate the program resulting in thousands of dollars in savings to our community

Performance Measures - Teen Court

Highlights

Mediation is a form of dispute resolution whereby individuals meet with a neutral third party (mediator) in an attempt to reach a mutually agreeable solution to a disagreement. County Court Mediation Services offers assistance in neighborhood disputes, animal nuisance complaints, landlord/tenant disagreements, code enforcement matters and other types of cases.

Key Objectives - Alternative Dispute Resolution

- 01. Provide a forum for individuals to resolve their differences in a mutually agreeable way
- 02. Facilitates resolution of disputes by trained mediator

Performance Measures - Alternative Dispute Resolution	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Highlights

The Court Technology division is responsible for network maintenance, server maintenance, desktop deployments and for providing support to judges, court staff and court programs. The division is further responsible for ensuring a secure computing environment by enforcing security protocols, capturing backups and providing redundant services when feasible. The division is the primary data center for court operations such as email and web maintenance. Court Technology is responsible for providing information technology solutions and meeting any new legal requirements.

Court Administration operates two urinalysis laboratories that are located in Daytona Beach and DeLand. The labs perform urinalysis screenings upon order of the judges and request of community partners. Lab staff provide direct observation of collections to provide a high level of specimen integrity. The staff also routinely produces and disseminates screening results within one business day of collection. The lab provides testimony to the court as needed. While the lab maintained operations during COVID-19, capacity was significantly reduced.

Key Objectives - Information Systems

01. To develop, maintain and support applications used by the Courts in ensuring the fair, efficient and impartial administration of justice

02. To provide technical support to Judicial and Court Administration users, minimizing downtime and maximizing efficiency for the Courts

Performance Measures - Information Systems	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Supported Custom Applications	24	26	29
Number of Judicial and Court Administration users	210	212	214

Key Objectives - UA Lab

01. Provide accurate and timely screening results to judges, court programs, and community partners

02. Provide court testimony regarding the outcome of screening results

03. Provides general drug screening education

Mission To generate economic impact for the community, improve the quality of life, operate efficiently, and provide a positive experience.

Highlights

The Ocean Center is a venue that offers a wide range of activities from community meetings and events, sporting events, competitions, conferences, seminars, trade shows, and entertainment events. During 2020 and 2021, the Ocean Center continued to provide services while keeping within the guidelines of the CDC and local rules and regulations pertaining to COVID19. Although many events were postponed or cancelled due to COVID19, the Ocean Center was able to obtain new events due to our open for business initiative. The Ocean Center has many cost center units that include: Box Office which coordinates all event ticket sales; Sales and Marketing for the promotion, branding activities and event management; Administration includes executive management, fiscal resources, and information technology; Operations does daily maintenance, set-up for events and keeps the complex in pristine order.

Volusia County took full ownership, management and operational responsibilities of the Parking Garage in fiscal year 2007-08. Debt service payments towards the 2013 Parking Facility Revenue Bonds in the amount of \$875,037 are included in the fiscal year 2021-22 budget. In fiscal year 2018-19, the Volusia County Council approved the use of a management company to run the daily operations of the parking garage facility in an effort to streamline operations and reduce overhead costs. During fiscal year 2020-21, commencement of parking garage deck refurbishment project was completed with a continued phased construction throughout the next few years.

Key Objectives - Administration

- 01. Increase economic impact numbers through increased events
- 02. Book local catering events
- 03. Book family entertainment and community events for the enjoyment of Volusia County residents
- 04. To increase the number of tourism and convention attendees by increasing the number of event days utilized
- 05. Provide safe and comfortable facilities for patrons who attend various events
- 06. Continue marketing the Ocean Center to event planners
- 07. Increase the number of recurring event contracts

Mission To protect people from animals and animals from abuse by promoting responsible pet ownership through education and enforcement of local and state laws pertaining to animals.

Highlights

Volusia County Animal Services (VCAS) ensures animals are valued by society, protected by its laws, and free from cruelty, pain, and suffering. The division works tirelessly to protect citizens from the potential threats that animals pose to public safety and health. The Field Ops section enforces local ordinances and state statutes involving animals. VCAS investigates criminal cases involving animals including dog fighting, cock fighting, hoarding, abuse, cruelty/neglect, and puppy mills. VCAS has an alliance with University of Florida and has collectively investigated animal crimes. VCAS has established 10 interlocal agreements with local municipalities. In fiscal year 2019-20, VCAS processed nine criminal cases, removed 591 animals, and filed 21 criminal charges of animal cruelty to the State Attorney's Office. VCAS also held two large public engagement events providing free pet food and microchips to pets in need. Four additional events are planned for fiscal year 2020-21. VCAS has implemented a new volunteer program and in fiscal year 2019-20, six volunteers worked a total of 315 hours.

In fiscal year 2019-20 our high volume, low cost clinic sterilized 2,586 dogs/cats, making a significant impact on reducing pet over population in the community. As part of our commitment to returning lost pets, 1,790 pets were microchipped; resulting in the reduction of fees paid for animals housed in shelters. Working in conjunction with the GIS department, VCAS identified areas of high need and can now target its resources to people and pets in need. VCAS is working to incorporate wellness exams as part of its core services offered to the community. With increased demand for spay/neuter, the clinic anticipates growth in revenue for fiscal year 2021-22.

VCAS is also the lead animal agency during declared disasters and manages people and pet shelters during these events.

Key Objectives - Administration

- 01. Educate the public on reporting cases of suspected animal abuse/neglect.
- 02. Educate law enforcement on crimes relating to animals.
- 03. Ensure animals are valued by society, protected by its laws, and free from cruelty, pain and suffering.
- 04. Protect citizens in Volusia County from the potential threats that animals pose to public safety.
- 05. Ensure the pet population is both identified and inoculated against the rabies virus.
- 06. Reduce the number of displaced pets in the community.
- 07. Provide spay/neuter services to community cats to increase shelter diversion.
- 08. Reunite lost pets with owners throughout the year and in times of disaster.
- 09. Provide low-cost spay/neuter surgeries to economically challenged citizens of unincorporated Volusia County.
- 10. Reduce the cost of sheltering services paid to local humane societies by microchipping pets and returning to owners.

Mission To provide a safe and friendly ocean beach experience for the citizens and visitors of Volusia County offering a variety of fun, recreational opportunities and quality amenities while conserving our natural resources through the management and enforcement of the County's Habitat Conservation plan and Beach Code.

Highlights

The Beach Safety Ocean Rescue Division is directly responsible for the safety and welfare of the millions of residents and visitors to enjoy Volusia County beaches each year. The Beach Safety Division provides world class lifeguard, emergency medical and law enforcement services 365 days a year.

The Volusia County Junior Lifeguard Program was started in 1990 as a springboard for education in water safety, lifesaving techniques and beach ecology. We are dedicated to providing our participants with the best instruction possible so that one day they can be confident and efficient lifeguards. Our Junior Lifeguard instructors are professionals in the areas of beach lifeguarding, ocean safety and related activities. Tryouts and camps are held each summer. To participate, youths must be between the ages of 9 and 15 and pass tryouts. Selected youths can then attend the junior lifeguard camps held weekly beginning in June.

This program has grown significantly with the revenue increasing by 61% in FY 2019-20. The fee for this program is \$150/session and \$200 for the advanced camp for those who have completed two camps successfully.

Completion of this program is valuable to those wishing to pursue a career as a lifeguard.

Key Objectives - Beach Patrol

- 01. Provide quality lifeguard, emergency first aid and law enforcement services.
- 02. Establish effective lifeguard coverage by providing adequate staffing and the strategic placement of portable towers.
- 03. Provide information relating to beach safety and beach ecology to area schools and municipalities in an effort to promote an understanding of varied duties and to recruit new employees.

Performance Measures - Beach Patrol	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To protect the community by maintaining a secure jail that also is safe, humane, and constitutional in operations.

Highlights

Administration and Training

The Corrections administration and training activity encapsulates expenses associated with internal administration and support such as human resources/payroll, accounting, purchasing, central supply/inventory, budget and contract management; certified officer training, and inmate case management program services.

Corrections Institutions

The Corrections Institutions activity budget covers the security and housing expense at the Branch Jail and Corrections facility. The total combined capacity is 1,494 (branch jail - 899 and correctional facility - 595) composed of both sentenced and non-sentenced males and females. Cost of inmate meals, clothing, and hygiene products is included in this account. Due to COVID, the average daily inmate population (ADP) averaged 1,560, resulting in higher than normal medical and inmate care charges.

Equipment Replacement and Contracts

The Equipment Replacement account was added in fiscal year 2019-20 to identify standard department wide operational and replacement costs including contracts, warranties, etc. All capital improvements and capital outlay expenses are posted in this account including the facility kitchen remodel, the potable water relocation project and body camera expenses.

Maintenance-Facilities

Corrections maintenance personnel provide on-site mechanical and building repair services to the Branch Jail and Correctional Facility 24/7. Due to the age and condition of the compound, skilled tradesworkers perform all manners of specialized trades including electrical, mechanical, plumbing, HVAC, and construction.

Corrections Clinic

The Corrections Clinic activity identifies costs associated with inmate medical and mental health care. In January 2019, Centurion Detention Health Services began operating as the new inmate medical services provider. The \$10 million contract expands services in preventative medical and mental health care and is closely monitored by the county. During FY 2020-21, instead of fines, a mental health study was performed. This study produced findings that will provide performance guarantees with corrective action that should lead to the best outcome for the inmates.

Inmate Welfare Fund

The Inmate Welfare Fund (IWF) exists by way of statutory authority granted to Volusia County Division of Corrections to establish, maintain and operate certain services for inmates incarcerated at the county jail. Of the revenue, 46% comes from the sale of commissary articles are deposited into the IWF to purchase recreational, spiritual and rehabilitative equipment and services.

COVID restriction and quarantines suspended inmate programs. Work was completed on a second horticulture greenhouse for the inmate gardening program.

Key Objectives - Administration

- 01. Recruit and train sufficient officer applicants to fill budgeted positions.
- 02. Provide more interactions between supervisors and subordinate staff through on-shift training.
- 03. Classify inmates in a timely manner.
- 04. Provide housing, food, clothing, recreation, medical, and other services to the inmate population.
- 05. Provide heating, ventilation, and air conditioning (HVAC) repair services and preventative maintenance as scheduled.
- 06. Provide operational electrical repair/replacement for lighting, power, motors and security doors.
- 07. Provide operational plumbing repair/replacement for all fixtures, piping, laundry, kitchen equipment and other repairs.
- 08. Respond to all other requests not identified under a specific trade and assume a support role in completion of projects.

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of corrections officers hired	24	50	30
Annual number of on-shift training for corrections officers	20	20	20
Average hours to inmate classification	65	68	72
Average daily inmate population	1,367	1,450	1,450
Number of HVAC work hours planned/completed	398	974	500
Number of electrical service calls completed	1,480	1,466	1,500
Number of plumbing service calls completed	2,053	3,244	2,400
Number of scheduled preventative maintenance checks	2,338	2,957	2,500

Key Objectives - Inmate Welfare Services

- 01. Provide visitation for inmates and their families and friends
- 02. Provide outdoor and indoor recreation for inmate diversion.

Performance Measures - Inmate Welfare Services	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of social visits	13,223	24,000	25,500
Number of faith-based programs offered	875	350	500

Key Objectives - Corrections Clinic

- 01. Provide a medical and mental health screening for each inmate admitted to custody.
- 02. Provide regular and emergency medical care to all inmates.
- 03. Provide regular and emergency mental health care to all inmates.

Performance Measures - Corrections Clinic	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To provide a comprehensive and integrated emergency management system that coordinates community resources to protect lives, property, and the environment through preparedness, prevention, response, recovery and mitigation from all natural and man-made hazards that may impact the County of Volusia.

Highlights

Since March of 2020, the Coronavirus (COVID-19) pandemic has limited the ability for the Division of Emergency Management to conduct a normal exercise schedule.

To ensure compliance with social distancing guidelines, Emergency Management has been able to accomplish their core mission of planning, coordination, response, and recovery through virtual meetings and limited person to person interaction.

Throughout the Coronavirus (COVID-19) pandemic, the Division of Emergency Management has been able to conduct a limited amount of public outreach presentations through the use of virtual platforms and socially distanced person to person meetings.

With the COVID-19 vaccination site being held at the Volusia County Fairgrounds Hester Building, Emergency Management has been able to conduct all-hazard preparedness presentations.

Under Chapter 252, Florida State Statutes, Volusia County Division of Emergency Management is responsible for the countywide organization and administration of the Volusia County Emergency Operations Center, the Comprehensive Emergency Management Plan (CEMP) and the all-hazards approach to emergency management activities that support; prevention, preparedness, response, recovery, and mitigation. Volusia County Emergency Management maintains a training, planning, and exercise calendar in support of countywide disaster resilience, to include training opportunities at both the local, regional and state level, as well as conducting and assisting with tabletop and full scale exercises.

In fiscal year 2021-22, Emergency Management will review a minimum of five Emergency Support Function (ESF) Annexes and five Continuity of Operation Plans (COOP) as part of the four year CEMP review process. Reviewing 5 of these plans a year allows EM to review all 20 ESF annexes and COOPs within the four year CEMP cycle. During the upcoming fiscal year, Emergency Management will be conducting quarterly partners meetings which will cover a wide variety of public safety related topics, develop and facilitate all-hazard exercises that will include our emergency management partners, and conduct community outreach presentations. Emergency Management will also continue to review health care facilities throughout Volusia County to ensure their comprehensive emergency management plans and emergency power plans are up to date according to the current legislation and Agency for Health Care Administration (AHCA) guideline.

Key Objectives - Operations

- 01. Review and update Emergency Support Functions (ESF) annexes and Continuity of Operations Plans (COOPs), along with other plans within the Division of Emergency Management.
- 02. Provide integrated, countywide emergency management planning, coordination, response and recovery operations for local government and businesses through all-hazard preparedness.
- 03. Provide opportunities for community outreach and presentation participation for over 2,000 active participants.
- 04. Review and assist health care facilities in the completion of their Comprehensive Emergency Plans (CEMPs), and Emergency Power Plans (EPPs) to ensure plans are updated and compliant reflecting current legislation.

Mission To coordinate and oversee the responsible delivery of effective pre-hospital emergency medical services.

Highlights

The Emergency Medical Administration (EMA) budget for fiscal year 2021-22 budget includes a transfer of \$7.2 million, which is a 6% decrease over the prior year's adopted transfer to the Emergency Medical Services Fund. In fiscal year 2019-20, the Florida State Legislature authorized the expansion of the PEMT program, which provides supplemental payments to publicly-owned and operated emergency medical transportation providers. By expanding the PEMT program to include the managed care organization (MCO), Volusia Emergency Medical Services (EMS) is able to leverage the 61% federal share of costs by providing the state share, approximately 39% through an intergovernmental transfer (IGT). The County is reimbursed by the MCO providers for the supplemental payments totaling 100% under this program. The required IGT for fiscal year 2021-22 is \$1.1 million and is now budgeted in the EMA budget.

Key Objectives - Emergency Medical Administration

1. Manual review of patient care reports for compliance with prehospital standing orders and treatment protocols.
2. Review and update of federally- and state-required documents.
3. Analyze patient care report data for compliance with predefined metrics.
4. Paramedic clearances conducted by the medical director.

Performance Measures - Emergency Medical Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of patient care reports manually reviewed for compliance with field protocols	2,483	1,200	1,200
Number of federal & state required documents and licenses revised or renewed	2	3	2
Number of individual metrics analyzed within patient care reports	0	8,000	32,000

Mission To strive to be a community leader providing high quality, cost efficient pre-hospital care and medical transportation with the highest standard of professionalism, the most advanced technology and a deep sense of caring for the citizens and visitors of Volusia County.

Highlights

Emergency Medical Services (EMS) is the primary provider of pre-hospital 911 medical care and transportation for Volusia County residents and visitors. EMS closely collaborates with all internal and external public service organizations operating within the County to address emergent medical needs as efficiently and effectively as possible.

With anticipated transports of 53,365 for fiscal year 2021-22 the EMS business plan employs a hybrid deployment strategy that dynamically deploys a percentage of the fleet and also provides fixed locations where EMS assets are stationed.

In fiscal year 2019-20, the Florida State Legislature authorized the expansion of the PEMT program, which provides supplemental payments to publicly-owned and operated emergency medical transportation providers. By expanding the PEMT program to include the managed care organization (MCO), Volusia Emergency Medical Services (EMS) is able to leverage the 61% federal share of costs by providing the state share, approximately 39% through an intergovernmental transfer (IGT). The County is reimbursed by the MCO providers for the supplemental payments totaling 100% under this program. The required IGT for fiscal year 2021-22 is budgeted in the General Fund Division of Emergency Medical Administration.

In fiscal year 2019-20, the EMS Division launched the E-911 Nurse Re-direct Program which is the first of its kind in the State of Florida and one of the few in the nation. This program enhances a tiered response system of added assets for a Basic Life Support Ambulance program and the Interfacility Ambulance program have shown great success at improving EMS service delivery in Volusia County.

Key Objectives - Emergency Medical Services Ops

- 01. Demonstrate need for emergency medical services (EMS) services.
- 02. Provide timely ambulance response in urban areas-greater than 1,000 residents per square mile.
- 03. Provide training to EMS personnel.
- 04. Maximize operational efficiency.

Performance Measures - Emergency Medical Services Ops	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To protect life, property and the environment through efficient and responsive services.

Highlights

The Prescribed Burns and Wildfire Prevention activity is tasked with reducing the potential for loss of life and property due to uncontrolled wildfire by managing the amount of natural fuels available in the area. This task is primarily accomplished through prescribed burning, mechanical thinning and mowing. VCFR will continue to foster relationships with outside agencies (ie: St. John's Water Management District, Florida Forest Service, US Fish and Wildlife Services, and Florida Park Services), who are responsible for land management inside the County, assisting their fuels management program through technical expertise, manpower and equipment. This activity will continue to review and update any memorandum of understanding/cooperative agreements and mutual aid agreements with above named agencies; and continue education for the public living in the wildland/urban interface on prescribed burning, mechanical fuel reduction, and wildfire preparedness through educational programs like Firewise and the Ready, Set, Go Program. This function provides oversight of permitted burns to ensure property owners remain compliant to the regulations that were established by ordinances, codes and statutes.

The Training activity provides instruction for the current staff of VCFR in accordance with the national, state and local best practices and at the highest standard following all safety procedures outlined in current standards. The main goal is always to train students and to maintain the required hours set forth by the Insurance Service Office (ISO). Training will consist of Emergency Medical Services certifications, company and multi-company fire training drills and specialized team training including Volusia County Hazmat, Technical Rescue and Firewalker teams. The primary focus on Training is VCFR personnel.

Training will continue to offer the latest education curriculum to all VCFR personnel in the effort to provide the latest and highest level of emergency response and care to all citizens, guests and visitors in Volusia County. Training will begin to perform a more in-depth Quality Assurance program to eliminate documentation errors in every reporting system. Continue developing nonuniform members through Incident Command System (ICS) training classes to supplement emergency operations during disaster activation.

As the largest core component of Volusia County Fire Rescue (VCFR), the Operations Division continues to implement and integrate various operational, technological, and capital improvements to our stations and equipment to make the way we conduct our business more efficient. This practice continues with the adjustment of personnel, equipment, and the incorporation of new technology each fiscal year. As the economy begins to grow, Fire Rescue Operations Team must continue this practice of searching for efficient methods and technologies in an effort to improve our service and plan for the future. Fiscal year 2021-22 focuses on the repair, maintenance and replacement of critical equipment, continued maintenance at our fire stations for operational viability, and use of staffing and inventory control programs to become more cost effective. Continued software upgrades will allow access by VCFR to focus on reviewing emergency response times to all areas of the unincorporated county and the cities of Oak Hill, Pierson, and Lake Helen to assure efficient and effective all hazards emergency responses occur.

The fiscal year 2021-22 budget includes enhancements to the fire stations to improve working environments, make them more efficient and a host of needed items to outfit our stations and personnel with the day-to-day equipment required to complete our mission.

The fiscal year 2021-22 budget includes the addition of six additional firefighters which will allow VCFR to increase staffing to three at two of our fire stations. Additionally, VCFR is seeking to add three new firefighters over the next five years to increase staffing to alleviate the number of hours needed for mandates and overtime. Eventually there will be a total increase of 21 positions by fiscal year 2025-26.

Key Objectives - Support Services

- 01. Deliver high quality Fire Rescue first response.
- 02. Provide immediate and effective response capability to any hazardous materials event.
- 03. Inform and educate the public regarding personal and property safety.
- 04. Reduce hazardous fuel accumulations to lessen the threat of catastrophic wildfire.
- 05. Support/assist the efforts of adjoining or cooperating agencies/jurisdictions that could result in the reduction of wildland fuels.
- 06. Conduct public education programs relating to wildland fuel hazard reduction and wildfire preparedness.
- 07. Provide training and education recognized and supported by Insurance Services Organization (ISO), State Department of Health, Emergency Medical Services (EMS), Office of the State Fire Marshal-Bureau of Fire Standards and Training and those agencies that direct/support the agency's core mission.
- 08. Continue multi-discipline training by enhancing existing relationships with local educational institutions, Florida Forestry Services, and County and municipal agencies.

Performance Measures - Support Services	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Average response time for emergency responses countywide (in minutes)	9	9	9

Mission To operate the medical examiner office in compliance with Florida Statute Chapter 406 while providing accurate, timely death investigation services for the citizens of Volusia County with compassion and professionalism.

Highlights

Since June 5, 2018, the County Council and Volusia County has chosen to operate the Medical Examiner Office under a private management model. The County Council approved a five-year contract effective October, 1, 2019 with Dr. Fulcher. Under the current contract, the county supplies morgue facilities, equipment, fixed assets and other related services. The contractor provides all administrative, advisory, management, professional staff and forensic service.

Key Objectives - Medical Examiner Administration

01. Investigate and determine Medical Examiner jurisdiction for deaths that occur in Volusia County in accordance with Florida Statue 406.11.

02. Enable timely sharing of detailed information with end-users (families, law enforcement agencies, hospitals, insurance companies, media, etc.) regarding the cause and manner of death.

03. Provide cremation authorization for persons who die in Volusia County after review of death certifications and conduct additional investigations as needed.

Mission To deliver proactive and responsive public safety services for the citizens and visitors of Volusia County that promotes a safe and secure community.

Highlights

The Public Protection Department oversees seven divisions providing services to the visitors and residents of Volusia County who are impacted most traumatically during emergencies resulting from accident, illness, loss of property or life. The department attempts to mitigate the effects of those events through effective planning (Emergency Management), appropriate preventive actions (Animal Control, Beach Safety and Fire Prevention), as well as prompt and efficient response to emergencies (Beach Safety, Emergency Medical Services and Fire Rescue). The department also meets statutory responsibilities as required for Corrections and the Medical Examiner's Office which was privatized in fiscal year 2017-18.

Key Objectives - Administration

- 01. Regularly monitor and track performance of county public protection service system.
- 02. Provide new hire background investigation services in support of Public Protection Divisions.

Mission To manage, maintain, and improve coastal parks, beach access, and coastal recreational facilities for the quality-of-life benefit of residents and visitors.

Port mission:

To serve as the local sponsor for the federal channel project at Ponce de Leon Inlet and as a coastal project fund supporting public waterway and coastal facility improvements as directed by the Volusia County Council.

Highlights

The Beach Maintenance and Concessions activity manages several beach maintenance contracts including beach garbage and litter collection, beach ramp grading, beach public restroom janitorial, beach port o let rental and maintenance and beach park landscaping maintenance. The Division also manages two beach revenue and service contracts including beach toll collection and beach concession services. All beach maintenance and service contracts require professional supervision and oversight in order to maintain appropriate and competitive levels of service seasonally and throughout the year.

The Inlet Parks activity manages Smyrna Dunes Park located in the City of New Smyrna Beach and Lighthouse Point Park located in the Town of Ponce Inlet. These are two popular county parks operated by the Volusia County Coastal Division. The Parks provide significant off-beach parking as well as restrooms, showers, fishing piers and jetty decks, boardwalks, nature trails, scenic overlooks and dog friendly inlet beach access. The Smyrna Dunes Park Fishing Pier is ADA accessible and over 800 ft. long. The North Jetty Deck at Lighthouse Point Park is over 800 ft long and also ADA accessible. The County manages and maintains the Inlet parks under lease agreements and management plans with the Florida Department of Environmental Protection for both parks. The park lease agreements and management plans require the County to reduce Brazilian pepper, and exotic invasive plant species to <10% aerial coverage while protecting and monitoring Federal and State endangered species such as the Southeastern Beach Mouse and Gopher Tortoise. Smyrna Dunes Park and Lighthouse Point Park are entry fee based.

The Marine Wildlife and Artificial Fishing Reefs activity manages reef construction in the waters offshore in Volusia County.

The permit for artificial reef construction in Federal waters offshore Volusia County expires on June 1, 2021. This Federal permit is currently under review for re-authorization to allow for continued deployment at Volusia County artificial reef sites 1 through 13. Reauthorization will require compilation of descriptive data and information characterizing all reef deployment conducted since the inception of the artificial reef program in 1980.

Additionally, a series of three (3) new reef construction areas located in state waters located immediately inshore of the 3-mile Federal waters boundary are currently under development and in the permitting process. State and Federal permitting are necessary for the new reefs and requires sidescan sonar, proton magnetometer and hydrographic survey work as well as desktop and diver reconnaissance for any cultural or natural resources that may exist on the seafloor in the vicinity of the proposed sites. While the new sites are under development, the reef yard is currently being used as a staging site for the Federal North Jetty Repair contract that is underway in fiscal year 2020-2021 and scheduled for completion in early fiscal year 2021-2022.

The Coastal Parks & Public Access activity manages over 35 miles of Atlantic Ocean beaches with over 170 public access points including dune walkovers, beach ramps, and coastal parks. The Volusia County Coastal Division operates and maintains a multitude of playground and picnic areas, sport courts, restrooms, boardwalks, observation decks, fishing piers, public showers and off beach parking lots that provide safe convenient public access to coastal park areas and facilities. In fiscal year 2020-2021 Edwin W. Peck Sr. Park went under construction along with the Dahlia Avenue Park. Both locations will provide ADA compliant family style restrooms, ADA beach access, playgrounds, pavilions, picnic tables, and other park amenities.

Key Objectives - Public Access

- 01. Maintain county-owned public dune walkovers for safe and available pedestrian beach access
- 02. Re-deck 5% - 10% of all county-owned public dune walkovers as part of the annual walkover re-decking initiative
- 03. Maintain county-owned off-beach parking spaces both paved and unpaved in support of safe public beach access
- 04. Safely operate the Sun Splash Park splash pad for the maximum number of days allowed by weather conditions
- 05. Maintain county-owned beach public restroom facilities in a safe and functional condition

Performance Measures - Public Access	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Dune walkovers maintained	101	101	103
Dune walkovers re-decked	10	10	10
Off beach parking spaces maintained	2,015	2,139	2,311
Operational days for Sun Splash splash pad	275	261	275
Permanent restroom facilities maintained	13	13	14

Key Objectives - Inlet Parks

- 01. Reduce Brazilian Pepper to <10% aerial coverage at Smyrna Dunes Park and Lighthouse Point Park as required by the lease management plans for the properties and to improve habitat
- 02. Monitor and maintain the Southeastern Beach Mouse population at Smyrna Dunes Park as required by the Federal Bureau of Land Management lease for the park property
- 03. Provide complimentary handicap vehicle access at inlet parks
- 04. Maintain safe, readily available and easily identified public parking at inlet parks
- 05. Maintain efficient and effective inlet park toll operations to maximize inlet park vehicular access
- 06. Re-authorize federal reef permit
- 07. Modify federal and state near shore reef permit to include 3-mile reef sites

Performance Measures - Inlet Parks	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Acres of brazilian pepper chemically treated and mechanically removed at the Inlet Parks	3	5	7
Beach mouse monitoring events conducted	2	3	4
Complimentary handicap vehicular entries provided at the Inlet Parks	16,066	17,000	17,000
Parking spaces maintained	356	356	356
Total vehicle entries at the Inlet Parks	226,033	250,000	250,000
Number of federal reef site permits renewed	0	1	1
Number of near shore reef construction areas permitted	0	0	3

Key Objectives - Beach Maintenance and Concessions

- 01. Maintain clean and useable portable restrooms for beach patrons daily at various locations on Volusia County beaches
- 02. Provide complimentary handicap vehicle access at beach vehicular access ramps
- 03. Clean and sanitize public beach restroom facilities daily
- 04. Keep Volusia County beaches free of garbage and litter on a daily basis
- 05. Maintain efficient and effective beach toll operations that maximize vehicle entry to the beach and provide quality customer service to the beach driving public

Performance Measures - Beach Maintenance and Concessions	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of portable restrooms locations	20	20	20
Complimentary handicap beach vehicle entries	87,764	113,969	113,969
Number of restroom facilities cleaned daily	13	14	15
Tons of garbage removed from the beach & coastal facilities	505	505	505
Total beach vehicle entries	875,000	905,159	905,159

Mission To provide quality and timely engineering, survey, rights-of-way and construction engineering inspection services in support of the County's construction projects; to assist in the implementation of the County's Planning and Development Programs for the physical growth of Volusia County as governed by the State of Florida, mandated Volusia County Comprehensive Plan, Land Development Code, and best engineering practices; and to provide assistance to the public and private sector in a professional, positive manner.

Highlights

Construction Engineering

The primary duty of Engineering & Construction is to produce the County's Five Year Road Program. The Division is responsible for all phases of County road building from the time the roads are introduced into the Five Year Road Program through construction. The Division also assists other County departments in developing and building their construction projects. Engineering & Construction is part of the review process for the Land Development code to help insure compliance with state and local regulations. The Division also provides information to the public and private sector on a variety of subjects such as road rights-of-way, road maintenance, abandonments, special assessment districts, benchmarks, control data, etc.

Vertical Construction

Vertical Construction is responsible for the administration, planning, design, permitting and construction of capital facility projects in the county; including long-range planning, value engineering, quality control and owner's representation on facility construction. This organization is also responsible for establishing space and construction standards, space allocation, and design and construction programs which are not road and bridge or water system projects for Department/Divisions within Volusia County.

Development Engineering

Development Engineering provides professional and technical review and comments on development projects. Development Engineering is responsible for approval of County Stormwater Permits and Use Permits, and serves as an important link in the chain of the development review process. Development Engineering provides engineering reviews and inspections for Subdivisions, Site Plans and Use Permits under Volusia County regulations, and has increased the review effort with respect to traffic-related elements, a specific example being the review and field inspection relating to work zone safety plans. Development Engineering also performs inspection and tracking of National Pollution Discharge Elimination System (NPDES) sites and assists in the preparation of the annual report to the State. A large portion of time is devoted to a variety of requests from citizens and businesses for information regarding current and historic development regulations, status of permits, reviews, and properties, and requests for copies of material from files. Additionally, Development Engineering handles grading, drainage and right-of-way complaints as well as variances, grading plan reviews and FEMA Letters of Map Revisions (LOMR's).

Key Objectives - Construction Engineering

- 01. Construct county roadway projects
- 02. Perform engineering review and inspections of site plans and stormwater plans
- 03. Review and inspect use permits

Performance Measures - Construction Engineering	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of construction projects completed per CIP schedule	4	5	3
Number of site plans/stormwater reviews	120	130	130
Number of permit applications processed	500	600	600

Mission

To proactively use Integrated Pest Management (IPM) strategies to reduce nuisance mosquitoes and risk of mosquito-borne illness in Volusia County, and to sustain quality of life, foster stewardship of the environment, provide stellar customer service, and support economic vitality for the community.

State and local funds provide an integrated pest management program (IPM) to control mosquitoes of public health importance and reduce nuisance mosquitoes. The program supports the health, safety and welfare of Volusia County citizens and visitors, meeting all state and federal laws, regulations, and best management standards. State funding provided by the legislature and approved by the governor is not expected this year. Local funding for Volusia County Mosquito Control (VCMC) is provided primarily through the East Volusia Mosquito Control Special Taxing District. It is anticipated that agreements for service charges to other entities including west side cities will continue in fiscal year 2021-22. Reserves have been set aside for future capital improvements including replacement of mosquito control facilities.

Key Objectives - Mosquito Control

- 01. Maintain proactive residential inspections and treatment of container (domestic) mosquito production
- 02. Reduce the number of adult mosquitoes by proactive aerial treatment of larvae
- 03. Monitor populations of nuisance and potential vector mosquito species for operational planning
- 04. Reduce the number of adult mosquitoes by proactive aerial inspection
- 05. Promote mosquito education through contact with the Volusia County community

Performance Measures - Mosquito Control

FY 2019-20 Actual FY 2020-21 Estimate FY 2021-22 Budget

Number of sites where domestic inspections were performed	2,689	1,500	3,000
Number of acres larvicided by helicopter	7,767	6,000	6,500
Number of adult mosquito surveillance traps collected	5,796	5,500	7,500
Number of aerial larval site inspections	4,113	3,500	3,500
Number of citizens educated by Mosquito Control staff at community events	4,526	4,500	8,500

Mission To ensure and enhance the basic quality of life, general welfare, and growth of Volusia County by properly managing the County's infrastructure and related support services.

Highlights

Public Works Administration is responsible for the management of seven divisions to include a rigorous review and monitoring of the division's budget covering all operational, capital outlay, capital improvement plans and expenditures, and personnel requests. Thorough oversight has led to stability in the department's operations and achievement of division goals and objectives. Monitoring division productivity levels and implementation of improvements will result in cost effective service delivery and potential increases in level of service.

The Public Works Department has multiple revenue sources to fund the department's operation that includes, but is not limited to, Local & State Fuel Taxes, Road Impact Fees, Road Proportionate Fair Share payments, Ad Valorem taxes, Stormwater and Solid Waste Special Assessments, Beach Access and Park Fees, Landfill Charges, and Water & Sewer sales.

The COVID-19 pandemic adversely impacted several revenue sources (Fuel Taxes, Beach Access, Concessionaire Contract payments, and Park Fees) and had converse effects on others (Landfill Charges and Water & Sewer sales). Conservative growth is anticipated for fiscal year 2021-22.

Key Objectives - Administration

- 01. Review and implementation of practical productivity recommendations
- 02. Quarterly review of budget performance
- 03. Bi-monthly department meetings with division directors
- 04. Coordinate annual disaster and debris management meeting to include local FDOT staff and municipalities
- 05. Annual work plan development in Lucity

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission To maintain the County's transportation system of roads and bridges, provide a safe system, and protect the investment in that system; and to develop and provide levels of service by planning, scheduling, directing and controlling work.

Highlights

The West Highlands Park activity provides for right-of-way maintenance activities such as mowing, dirt road grading, signs, and tree trimming for the West Highlands maintenance district in accordance with the assessment agreement. Any savings in maintenance funding is used to pave dirt roads based on maintenance priority.

The Outside Operations Activity accounts for emergency maintenance roadway repairs and 911 signage. This activity is also responsible for the maintenance of abandoned cemeteries located throughout the county and other special projects such as supporting the Daytona Speedway Races, Bike Week, Biketoberfest, Volusia County Fair, Volusia County Food Drive, and Keep Deland Beautiful projects.

Road and Bridge Operations is responsible for the maintenance of approximately 1,000 center line miles of paved roads and approximately 100 miles of dirt roads. This includes the associated right-of-way mowing, median maintenance, tree removal and trimming, signs, striping, curbing, stormwater system, and sidewalk maintenance. The primary capital focus is to replace/repair aging infrastructure and address ADA sidewalk issues. Reserves in the amount of \$6 million are set aside for planned transportation-related projects.

Key Objectives - Road and Bridge Operations

- 01. Ensure maintenance for the rights-of way are provided at the highest possible level of service
- 02. Remove existing damaged or non-ADA compliant sidewalk and curb ramps and replace with new ADA compliant sidewalk
- 03. Right-of-ways are mowed to maintain a level of service for safety purposes
- 04. Perform non-transportation trust maintenance activities to ensure roadway safety

Performance Measures - Road and Bridge Operations	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Miles of trees trimmed	102	100	100
Square feet of sidewalk repaired	26,635	35,000	35,000
Number of acres mowed	13,056	13,000	13,000
Cubic yards of emergency road spot repair	2,200	2,200	2,200

Key Objectives - W Highlands/Highlands Park

- 01. Ensure maintenance for the rights-of-way are provided at the highest possible level of service.

Performance Measures - W Highlands/Highlands Park	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Miles of dirt roads graded	240	240	240

Mission To manage an integrated, cost effective solid waste program that will provide long-term disposal capacity for our citizens, while being environmentally sound and sustainable.

Highlights

Waste Collection:

The core function of the Waste Collection Operations is to provide safe, efficient and cost effective refuse collection services through contracted services; that includes curbside refuse, recycling, yard waste and bulk item pick-up. The annual non-ad valorem special assessment to residents of the unincorporated areas of the county is currently \$255 per year via resolution 2019-103. Based on a CPI adjustment to the contract, the non-ad valorem rate, approved by council on July 20, 2021, the rate will increase to \$262 per year effective October 1, 2021.

Solid Waste Administration:

The Solid Waste Division provides transfer and disposal of municipal solid waste while evaluating technology. The fiscal year 2021-22 budget provides for transfer of refuse, operation of our municipal solid waste facility, Tomoka Farms Road Landfill, and facilities management of private/public partnership contracts and leases. The fiscal year 2021-22 budget includes southeast area landfill stormwater management system construction, entrance improvements and an additional scale at the West Volusia Transfer Station, and recycling contract negotiations with GEL Corp that may include purchase of the recycling facility building. The budget also includes funds for resurfacing a section of Tomoka Landfill Road and at the West Volusia Transfer Station, engineering for stormwater site improvements, floor and chute repairs. Funds are also included for the replacement of various office equipment, vehicles, and heavy equipment as identified and tracked in the division's seven year capital equipment replacement schedule.

Key Objectives - Administration

- 01. Administer solid waste programs in accordance with applicable laws and regulations
- 02. Administer recycling and education programs to promote recycling, reuse, waste reduction, and documenting the Countywide annual recycling percentage
- 03. Provide safe and economical transfer of solid waste to Tomoka Landfill
- 04. Provide adequate disposal capacity for current and future waste volumes
- 05. Provide efficient collection services for unincorporated households in Volusia County
- 06. Promote proper waste management, waste reduction and recycling through public education programs to exceed the state recycling goal
- 07. Administer collection services to protect the health and well-being of the community by providing timely and efficient waste collection
- 08. Provide continuing education for proper waste reduction and recycling, and documenting the amount of waste recycled annually

Performance Measures - Administration

FY 2019-20 Actual FY 2020-21 Estimate FY 2021-22 Budget

Tons of solid waste processed per year	674,156	680,898	687,707
Percent recycled materials per year	49	50	50
Tons of transported waste per year	184,206	189,732	195,424
Years of available permitted capacity	3	8	7
Number of unincorporated residential units per year	46,020	45,226	45,678

Mission To provide for physical structures, natural systems and maintenance activities to protect people, infrastructure, property and water resources from the hazards of flooding, inadequate drainage and stormwater pollutants.

Highlights

The Stormwater Division develops and implements projects for County and partnership benefits. The Capital Improvement projects in fiscal year 2021-22 include the North Peninsula stormwater improvements. The Stormwater Division also repairs and replaces deteriorated drainage infrastructure and focuses on projects identified as part of Basin Management Action Plans (BMAP), Total Maximum Daily Loads (TMDL), and Reasonable Assurance Plan (RAP) programs. The reserves are for future land acquisition, drainage projects, and/or water quality improvements

Key Objectives - Drainage Task Team

- 01. Perform primary drainage system, roadside ditch and stormwater facilities maintenance to improve water quality and quantity flow
- 02. Replace deteriorated storm pipe and structures
- 03. Increase water quality in rivers, lakes and streams by performing routine street sweeping in accordance with Best Management Practices (BMP) that aids in reducing the amount of nutrients in stormwater runoff
- 04. Develop and manage capital improvement projects

Performance Measures - Drainage Task Team	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Miles of roadside ditch systems cleaned	53	50	50

Mission To enhance the quality of life for residents and visitors by providing essential services for the safe and efficient movement of both vehicular and pedestrian traffic throughout Volusia County. This is accomplished through the planning, design, implementation, and maintenance of traffic control devices, such as traffic signals, school zone flashers, curve warning flashers and studies that recommend roadway signing or pavement markings in accordance with standard engineering practices. The Division assists the Florida Department of Transportation and numerous municipalities in accomplishing this same mission.

Highlights

Traffic Engineering

Traffic Engineering is responsible for transportation planning and the proper warranting, design, installation, operations and maintenance of traffic control devices countywide. The Division continues to maintain and analyze traffic crash records to identify and implement appropriate corrective safety measures. In addition, Traffic Engineering provides traffic engineering and traffic operations services to all cities in the county with Interlocal Agreements for Municipal Services. The Division analyzes all land use amendments with regard to transportation impacts within the provisions of Chapter 2 - Transportation Element of the Comprehensive Plan's goals, objectives and policies. The Division evaluates traffic engineering elements on development projects such as driveway use permits, rezoning, planned unit developments, special exceptions, variances, conceptual & final site plans, subdivision overall development plans, preliminary & final plats, transportation concurrency applications, and transportation impact analyses.

Traffic Signal Maintenance & Modernization

Traffic Engineering provides routine and emergency maintenance to all local jurisdiction signals, school flashers, and flashers; except for the City of Daytona Beach. Currently, this entails 346 signals, and 333 school and other flasher types countywide. Traffic Engineering is proposing to design and rebuild the following three (3) signals this fiscal year: (1) Taylor Rd & Tomoka Farms Rd, (2) Rich Ave & Amelia Ave, and (3) Clyde Morris Blvd & Big Tree Rd. Traffic Engineering is also planning to modernize the traffic signal controllers, cabinets and overhead signal equipment.

FDOT Traffic Signal Upgrades

Traffic signal operations, maintenance, modernization and traffic signal updates for Florida Department of Transportation (federal and state roads) are all responsibilities of the Traffic Engineering Division.

Key Objectives - Traffic Engineering

- 01. Provide a comprehensive program of 24-hour Traffic Counts at Fixed Stations throughout Volusia County
- 02. Produce Yearly Average Annual Daily Traffic (AADT) counts for State & County roads
- 03. Conduct traffic studies to determine whether intersections and/or corridors need additional traffic control devices
- 04. Evaluate development review projects for transportation
- 05. Provide a comprehensive program of scheduled traffic signal maintenance two times per year on signals
- 06. Maintain communications system to 186 state, county, and city coordinated traffic signals countywide
- 07. Provide a comprehensive program of scheduled school zone and flasher maintenance along county and city roads once per year
- 08. Provide countywide 24/7 coverage for both emergency traffic signal trouble calls and non-emergency traffic related problems on signals along city and county roads
- 09. Provide a comprehensive program of scheduled school zone and flasher maintenance along state roads once per year
- 10. Provide countywide 24/7 coverage for both emergency traffic signal trouble calls and non-emergency traffic related problems on signals along state roads

Performance Measures - Traffic Engineering

Mission To employ best management, operations, engineering, and financial practices necessary to produce and deliver safe drinking water; as well as treat and dispose wastewater within environmentally safe regulatory standards; while offering competitively priced and high quality services for all Volusia County Water Resources and Utilities customers.

Highlights

Water and Wastewater Treatment, Field Operations & Maintenance

The Water activity consists of state licensed treatment plant operators responsible for operation of 15 water and wastewater treatment facilities in accordance with federal and state safe drinking water and environmental clean water standards.

The Collection and Distribution Maintenance activity is responsible for the reliable delivery of water service and the safe conveyance of wastewater service. State licensed water distribution and sewer collections system operators maintain approximately 268 miles of water mains, 1,579 fire hydrants, 195 miles of sewer mains, 57 miles of reclaimed water mains, and 117 lift stations in seven utility service areas throughout the County.

During fiscal year 2020-21, installation of ground storage tank aeration and mixing systems were completed at the Glen Abby water treatment plant located in the county's southwest utility service area. The new systems help to enhance water quality through the reduction of disinfectant by-products.

Replacement of the roofing systems at the Spruce Creek and Halifax water treatment plants is expected to be completed during fiscal year 2021-22.

Utility Engineering

The Engineering activity is responsible for overall planning and development of the utility's infrastructure and ensuring new development meets established design, permitting, and system standards. Staff members provide oversight and inspection of various water, wastewater, and reclaimed water projects to ensure compliance with federal, state, and local regulations.

During FY 2020-21, staff will complete a risk & resiliency assessment of the county's water service areas to ensure continued reliability of its systems.

In FY 2021-22, construction will commence on a 1.2 mile potable water interconnect that will provide backup supply for the northeast service area in the event of an emergency

In addition, staff works closely other utility local providers and developers to expand water and wastewater system capacity in a coordinated manner and as necessary to accommodate continued regional growth.

Water Utilities Capital Improvements

The capital improvement activity is where new construction, rehabilitation projects, and replacement equipment is budgeted for treatment plants and utility system infrastructure to ensure reliable and safe delivery of water and wastewater services.

During fiscal year 2020-21, the County will complete construction of approximately 3 miles of infrastructure connecting the county's wastewater systems in southwest Volusia will allow for advanced wastewater treatment benefiting water quality in the Blue Spring basin. The \$5.8 million project has been made possible through cooperative funding efforts with the Florida Department of Environmental Protection and the St. Johns River Water Management District.

In fiscal year 2021-22, the capital improvement schedule includes funding for various upgrades and rehabilitation projects at water and wastewater facilities as well as additional water quality and supply projects benefitting local area spring basins.

While annual debt service has significantly decreased in recent years, issuance of new long-term debt remains a key strategy in financing major capital improvements necessary to maintain affordable consumption rates for current utility customers while preparing for increased demand by future customers.

Water Utilities Division Administration

The Utilities Administration activity is responsible for the overall management and administration support for the water, wastewater, distribution/collections, engineering, and customer service activities. Primary managerial functions include strategic planning and program implementation; monitoring and reporting regulatory compliance; recruitment and development of personnel resources; conducting financial analysis and budgetary control; and capital improvement planning.

The activity also provides administrative support functions such as purchasing and procurement; asset tracking and inventory control; clerical support and customer follow-up; and the promotion of water conservation and water quality awareness programs.

In recent years, this activity has facilitated several water quality initiatives for the protection of Volusia Blue and Gemini Springs through cooperative funding partnerships with the Department of Environmental Protection and St Johns River Management District.

Working in cooperation with the Florida Dept of Environmental Protection, staff has secured a \$2.5 million grant during FY 2020-21 for design and construction of 3 miles of wastewater infrastructure benefiting environmental water quality within the DeLeon Springs basin area. DeLeon Springs is one of 30 Outstanding Florida Springs established by the Florida Legislature. Currently in design and permitting at this time, construction is expected to commence during FY 2021-22.

Key Objectives - Administration

- 01. Provide utility connections to Volusia County customers
- 02. Produce and provide utility bills to all active Volusia County utility customers
- 03. Input Lucity work orders and maintain Lucity database
- 04. Provide timely and accurate locates as requested
- 05. Provide a safe and reliable source of potable (drinking) water for customer needs
- 06. Produce reclaimed water supply sufficient to meet customer demands
- 07. Maintain the County's Consumptive Use Permit and Florida Department of Environmental Protection Permit
- 08. Develop a CIP program, provide project management, contract design, and construction

Performance Measures - Administration	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget
Number of utility connections	16,093	16,300	16,550
Number of bills mailed to active water and sewer accounts per month	179,569	179,750	160,000

Mission To comply with Florida State Statute 985.6865, requiring County of Volusia to reimburse the State for its share of juvenile detention costs based on the number of detention days for juveniles who reside in the County.

Highlights

Per section 985.6865 of the Florida Statutes, beginning fiscal year 2017-18, juvenile detention costs shall be split 50/50 based on actual expenditures and the percentage of detention days used for that county's juveniles in the most recently completed 12-month period. The costs incurred by fiscally-constrained counties will be the responsibility of the state.

Mission To provide a safe environment and community to the citizens of County of Volusia through the elected State Attorney, whose office prosecutes criminal acts on behalf of both the State and County; the elected Public Defender, whose office provides effective assistance of counsel to indigent persons who are charged with criminal violations of law; the Volusia County Law Library; the Council On Aging, operating as the Office of Public Guardianship for Volusia County; and Community Legal Services of Mid-Florida, whose office is charged with providing low cost or free civil legal services.

Highlights

Community Legal Services of Mid-Florida

Community Legal Services of Mid-Florida (CLSMF) is a nonprofit law firm committed to providing holistic legal services to low-income and vulnerable individuals and families. The Justice Gap, a report issued by the Legal Services Corporation, found that 71% of low-income households experience at least one civil legal problem annually. CLSMF is here to help those households resolve their civil legal issues and restore some security to their lives. CLSMF can provide assistance to survivors of domestic violence; protect senior citizens from exploitation; obtain desperately needed income stability for homeless families and veterans; collaborate with other agencies for the rights of disabled schoolchildren; assist victims of housing discrimination or foreclosure; and fight predatory consumer practices.

CLSMF's HELPLine, staffed with attorneys licensed to practice law in Florida, is responses to each caller and provides legal advice, brief service and/or referrals to other CLSMF units or help from one of our community partners. Any one of CLSMF's 50+ staff attorneys or 20+ legal support staff are available to assist Volusia County residents in resolving their civil legal issue. CLSMF operates 10 offices across our 12-county service area in Central Florida - from the Atlantic Coast, Flagler, Volusia and Brevard counties to the Gulf Coast, Citrus and Hernando counties.

CLSMF's Volunteer Lawyers Project (VLP) collaborates with private attorneys to provide additional free legal assistance or court representation to low- income clients that augments CLSMF's attorney team. Annually, our VLP handles approximately 300 cases for Volusia County residents. CLSMF offers a weekly general legal advice clinic in Daytona Beach, a twice-monthly legal advice clinic in DeLand, and a periodic legal advice clinic in Ormond Beach.

State Attorney

The State Attorney's office, Seventh Judicial Court is responsible for criminal prosecutions in Volusia, Flagler, St. John's and Putnam Counties ranging from first-degree murder to disorderly conduct. The budget for the State Attorney's Office including staff salaries, is primarily funded by the State. Article V. Revision 7 of the State Constitution calling for full state funding on July 1, 2004. Florida Statutes Section 29.008, requires the county to be responsible for the costs of communications, information systems, and facilities. These costs include information technology (hardware, software, and equipment), rent, utilities, building maintenance, security, property insurance and liability insurance.

Public Defender

The mission of the Public Defender Seventh Judicial Circuit is to protect the rights of the indigent accused under the United States Constitution, Florida Constitution, and fulfill obligations and responsibilities under Chapters 27, 394 and 985, Florida Statutes; the Criminal, Juvenile and Appellate Rules of Procedure; and the Florida Rules of Professional Conduct.

Volusia County Law Library

The Volusia County Law Library (VCLL) provides the necessary resources and services to facilitate meaningful access to the legal information needs of the community. Users of the VCLL include the general public, attorneys, judges, court and government agencies, students, and members of the business community. Referrals from other agencies and libraries are common. The legal resources and reference services required by these user groups vary in terms of type, degree and complexity.

The VCLL operates branches located in Daytona Beach, DeLand and New Smyrna Beach, and legal research workstations in Deltona and Ormond Beach. The Law Library operates a website at www.vclawlib.org. The VCLL maintains the core collection standards in accordance with the American Association of Law Libraries. It maintains a collection of key supplementary resources including topical treatises, practice manuals and form books to assist in the practice and procedures of law. The VCLL provides access to legal databases for all its patrons. Educational materials are available to assist patrons in learning about various areas of law. Legal research seminars, tutorials, and tours are offered by the Library on a regular basis.

Key Objectives - Central Fla Legal Services

01. Educate and inform client populations and the general public on their rights and responsibilities with respect to civil legal issues and on the services CLSMF provides

02. Meet the civil legal needs of Central Florida's low-income and vulnerable populations who cannot afford to hire an attorney

03. Encourage and facilitate volunteer service by pro bono attorneys and other professionals as one way to meet the area's civil legal needs

Performance Measures - Central Fla Legal Services	FY 2019-20 Actual	FY 2020-21 Estimate	FY 2021-22 Budget

Mission Provide work and leisure travel opportunities that connect communities, while making the daily commute fast, easy and affordable, as well as less stressful.

Highlights

Sunrail began revenue service on May 1, 2014, providing an alternative to the I-4 automobile commute. Commuters are able to then best utilize their time to prepare for their workday or just enjoy a relaxing ride to their place of employment. Additionally, Sunrail can provide opportunities to groups, families, or individuals to seek out shopping, dining, or other pleasure activities located in Central Florida.

The Florida Department of Transportation (FDOT) is the project sponsor and the project now navigates its way through four counties and the city of Orlando. Operational subsidies and management responsibilities are currently the obligation of FDOT and are proposed to terminate in 2024 whereby local control, both operationally and fiscally, will be turned over to the five funding partners.

FDOT has proposed to construct a 12 mile segment from DeBary to DeLand with revenue service operations projected to begin in the first quarter of 2024. The Volusia County share of the operating deficit is yet to be determined as the five funding partners are in the middle of a transition plan study which will provide a better financial snapshot of the SunRail Project.

Ridership during the era of COVID-19 has decreased dramatically within the corridor. The goal for Volusia County and the other four funding partners is to increase ridership to pre-COVID trip levels and identify potential areas to reduce overall operational deficits.

Mission To promote tourism in Volusia County through statewide and national promotions which highlight the County's diverse qualities and attributes.

Highlights

Convention Development Tax Revenue, net of a 2% administrative fee, is distributed to the Halifax Area, Southeast Volusia, and West Volusia Advertising Authorities based on the collections attributed to each authority. The funds received by the authorities are used for promotion and marketing primarily, but also to cover other operational costs.

The fiscal year 2020-21 budgeted distributions are net of \$224,820 for collection and administration of the tax: Halifax Area, \$8,195,892; Southeast Volusia, \$2,129,218; West Volusia, \$698,505.

Key Objectives - Halifax Area Advertising Authority

01. To provide quality marketing and promotion for tourism in Volusia County

Department: Constitutional Offices

On January 6, 2021 the structure of Volusia County government was changed by the implementation of Amendment 10, which added the Tax Collector's office and separated the other constitutional offices from the County operation. What is represented below is not the complete budgets for these offices, but rather the expenses associated to these offices within the County's budget. The complete budgets for these offices can be found on the website for each office or can be obtained by contacting the constitutional office directly.

It is important to note, that the Property Appraiser and Tax Collector are commission based offices, and their commissions are set in accordance with State of Florida Statutes. Volusia County pays the ad valorem commissions to the Property Appraiser and Tax Collector, not only for the County's tax levies, but also for the School Board and municipalities. The Supervisor of Elections and Clerk of the Circuit Court are directly funded from the General Fund and the Office of the Sheriff receives funding from the General Fund, the Municipal Service District, and E911 Technology Fund.

Constitutional Office	FY 2018-19 Actual	FY 2019-20 Actual	FY 2020-21 Budget	FY 2020-21 Estimate	FY 2021-22 Budget

VOLUSIA COUNTY DEBT

The County takes a planned approach to the funding of large projects: funding from internally generated capital, where appropriate, or financing with debt. The County issues debt only for the purposes of constructing or acquiring capital improvements or making major renovations to existing facilities. Debt is also used to fund the acquisition of major equipment, when appropriate. All capital improvements financed through the issuance of debt are for a period not to exceed the useful life of the improvements and for no more than 30 years. Revenue sources are pledged for debt when legally available. In situations where a revenue source is used to cover general operating expenditures, it will only be pledged for debt when another sufficient revenue source is available to replace it. In addition to these strategies, the County manages its debt to ensure that it maintains the highest credit rating possible. The County's overall debt profile is characterized by good debt service coverage with its debt burden low. An objective measure of the County's fiscal performance is evidenced by the latest financial analysis and review performed by Fitch Rating Agency in 2017, in which they assert:

- Volusia County has an extended history of sound financial operations with prudent management practices that contribute to its strong reserves and liquidity.
- The county continues to operate with conservative assumptions and moderate periodic revenue increases leading to historically sound reserve levels.
- Debt levels are low and future capital needs manageable.

In addition, Moody's Investor Services, in April 2018 increased the County's user rating from Aa3 to Aa2, re-affirming the assertions made by Fitch in the prior year.

The fiscal year 2021-22 budget includes funding for the County's principal, interest, and other debt-related expenses. Total debt service is \$13,950,896 including \$11,503,215 in governmental fund debt and \$2,447,681 in proprietary fund debt including revenue notes and state revolving loans. The graph below shows debt by function for fiscal year 2021-22.

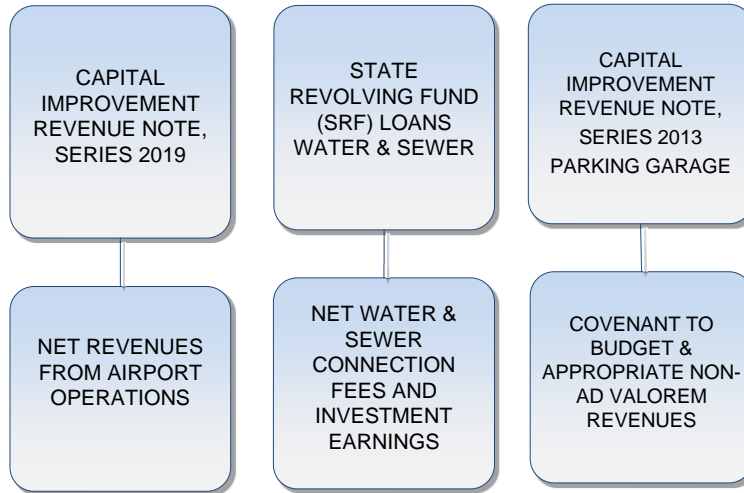

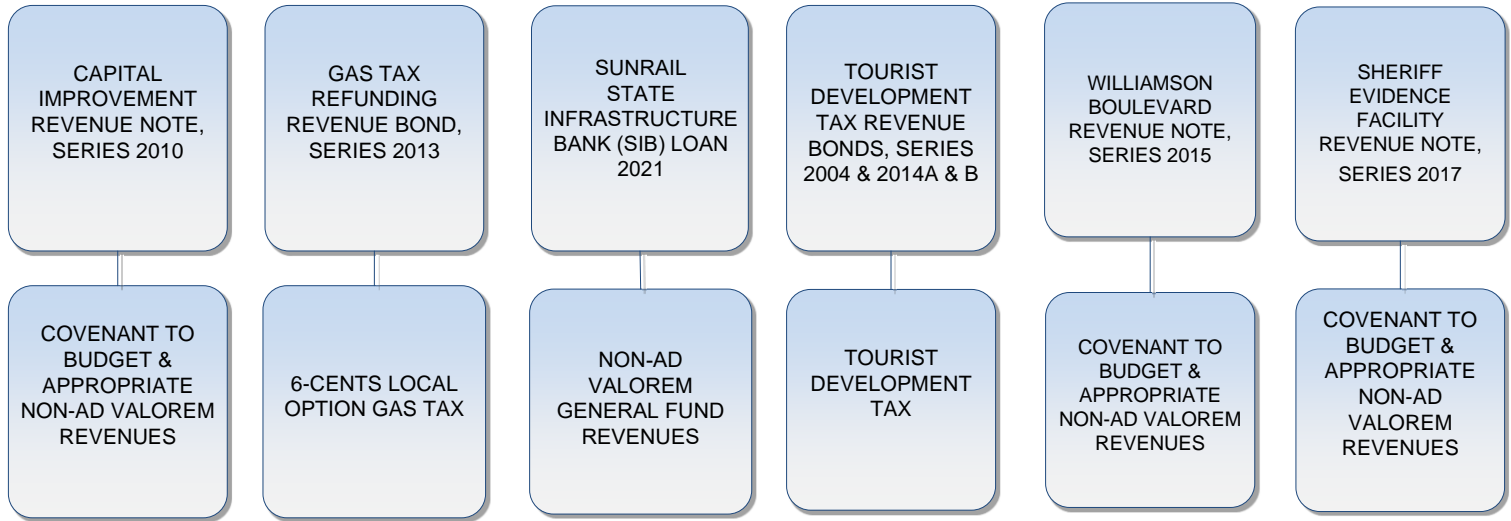

COUNTY DEBT MANAGEMENT

During the first quarter of fiscal year 2018-19, the County paid off all debt obligations in the General Fund thereby completing its "go-to-zero" plan. In fiscal year 2019-20, the Daytona Beach International Airport was able to retire both Airport Revenue Refunding Bonds Series 2000 and 2012 one year ahead of their maturity date.

In fiscal year 2020-21, new debt was issued to fund the Sunrail Phase II expansion north to Deland. The loan was provided through the Florida Department of Transportation (FDOT) with a State Infrastructure Bank (SIB) loan. The issuance amount of this debt was \$11,239,566 with an interest rate of 1.75% and a maturity date of October 1, 2036. Interest only payments will be made in October of 2022 and 2023 with the principal payments commencing in 2024. Non-Ad Valorem revenues have been pledged from the general fund to pay this debt.

The debt burden is low, and the County has significant debt capacity remaining. Volusia County has no specified debt limit; however, debt procedures provide guidelines for prudent fiscal management of all obligations.

VOLUSIA COUNTY DEBT SERVICE PLEGDED REVENUE

Fiscal Year 2021-22 Debt Summary

Type of Financing	Original Amount	Final Maturity	Pledged Source	Purpose
<u>Bond Issues</u>				
Gas Tax Refunding Revenue Bond, Series 2013	\$41,505,000	October 1, 2024	Six Cents Local Option Gas Tax	To refund the Gas Tax Revenue Bonds, Series 2004 Bonds maturing on and after October 1, 2015, which were issued to finance the costs of acquisition, construction, and reconstruction of roads and bridges and other transportation improvements within the County.

RESOLUTION NO. 2021- 153

**RESOLUTION OF THE COUNTY COUNCIL OF THE COUNTY OF VOLUSIA, FLORIDA,
ADOPTING THE FINAL LEVYING OF AD VALOREM TAXES FOR THE COUNTY OF
VOLUSIA AND ITS DEPENDENT TAXING UNITS; PROVIDING FOR AN EFFECTIVE
DATE.**

WHEREAS, the total valuation on property, both real and personal in the County of Volusia, State of Florida, subject to assessment for taxation to raise revenue for the Fiscal Year beginning October 1, 2021, and ending September 30, 2022, as reported by the Property Appraiser, County of Volusia, Florida, under the 2021 Assessment Roll is \$42,802,088,936; and

WHEREAS, the County Council of Volusia County, Florida in accordance with Section 200.065, Florida Statutes, is required at this time to fix ad valorem tax millage for County purposes, and for dependent taxing units;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF THE COUNTY OF VOLUSIA, FLORIDA, IN OPEN MEETING DULY ASSEMBLED AT THE THOMAS C. KELLY ADMINISTRATION CENTER IN DELAND, COUNTY OF VOLUSIA, FLORIDA, THIS 21st DAY OF SEPTEMBER, A.D., 2021 AS FOLLOWS:

SECTION I. ALL COUNTY PURPOSE LEVIES.

- A. The Fiscal Year 2021-22 operating millage rate for the countywide taxing authority, Volusia County General Fund is 5.3812 mills; which is greater than the rolled-back rate of 5.2025 mills by 3.43%.
- B. The Fiscal Year 2021-22 operating millage rate for the countywide taxing authority, Volusia County Library Fund is 0.5174 mills; which is greater than the rolled-back rate of 0.4928 mills by 4.99%.
- C. The Fiscal Year 2021-22 operating millage rate for the countywide taxing authority, Volusia Forever Fund is 0.2000 mills; which is greater than the rolled-back rate of 0.1002 mills by 99.60%.
- D. The Fiscal Year 2021-22 operating millage rate for the countywide taxing authority, Volusia ECHO Fund is 0.2000 mills.

SECTION II. SPECIAL TAXING DISTRICTS.

- E. The Fiscal Year 2021-22 operating millage rate for the taxing authority, Mosquito Control Fund is 0.1781 mills; which is greater than the rolled-back rate of 0.1710 mills by 4.15%.
- F. The Fiscal Year 2021-22 operating millage rate for the taxing authority, Ponce Inlet and Port Authority Fund is the rolled-back rate of 0.0845 mills.
- G. The Fiscal Year 2021-22 operating millage rate for the taxing authority, Municipal Service District Fund is 2.1083 mills; which is greater than the rolled-back rate of 1.9923 mills by 5.82%.
- H. The Fiscal Year 2021-22 operating millage rate for the taxing authority, Silver Sands-Bethune Beach Municipal Service District Fund is 0.0144 mills; which is greater than the rolled-back rate of 0.0138 mills by 4.35%.
- I. The Fiscal Year 2021-22 operating millage rate for the taxing authority, Fire Rescue District Fund is 3.8412 mills; which is greater than the rolled-back rate of 3.6288 mills by 5.85%.

EFFECTIVE DATE. THIS RESOLUTION SHALL TAKE EFFECT IMMEDIATELY UPON ITS ADOPTION.

DONE, ORDERED AND ADOPTED in open meeting in DeLand, County of Volusia, Florida, on this 21st day of September, A.D., 2021.

COUNTY COUNCIL
VOLUSIA COUNTY, FLORIDA

BY: 
JEFFREY S. BROWER
COUNTY CHAIR

ATTEST:

GEORGE RECKTENWALD
COUNTY MANAGER

RESOLUTION NO. 2021- 154

A RESOLUTION OF THE COUNTY COUNCIL OF THE COUNTY OF VOLUSIA, FLORIDA, ADOPTING THE FINAL BUDGET FOR FISCAL YEAR 2021-22 AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the county council has on this September 21, 2021, held the public hearing for a final budget adoption required by Section 200.065, Florida Statutes; and

WHEREAS, the county council has considered and discussed the appropriations and revenue estimate set forth in the attached Schedule A for the Budget for Fiscal Year 2021-22 which includes the amount of **\$960,999,531** for the operating budget and **\$185,307,854** for the non-operating budget; and

WHEREAS, the county council of Volusia County, Florida, finds those appropriations and revenue estimates to be proper and within the millage rate heretofore adopted by resolution;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF VOLUSIA COUNTY, FLORIDA, IN OPEN MEETING DULY ASSEMBLED IN THE THOMAS C. KELLY ADMINISTRATION CENTER, DELAND, FLORIDA, THIS 21st DAY OF SEPTEMBER, 2021, AS FOLLOWS:

SECTION I: The Fiscal Year 2021-22 Final Budget, as set forth in Schedule A attached hereto and incorporated herein by this reference, is hereby adopted.

SECTION II: This resolution shall take effect immediately upon its adoption.

DONE AND ORDERED IN OPEN MEETING.

COUNTY COUNCIL
VOLUSIA COUNTY, FLORIDA

JEFFREY S. BROWER
COUNTY CHAIR

ATTEST:

GEORGE RECKTENWALD
COUNTY MANAGER

Glossary

Accrual Basis – The basis of accounting under which revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, notwithstanding that the receipt of revenue or the payment of the expense may take place in whole or in part, in another accounting period.

Activity – Sub-organizational function of a Division established to provide specialized service to citizens.

Ad Valorem Tax – The primary source of revenue for the County. For purposes of taxation, real property includes land and buildings, as well as improvements erected or affixed to the land. The Property Appraiser determines the value of all taxable real property. Revenue generated from taxable value multiplied by the adopted millage rate x 1000.

Adopted Budget – The financial plan of revenue and expenditures as approved by the County Council at the beginning of the fiscal year.

Advisory Committee – A citizen's board, or commission, appointed by the County Council to review and recommend policies for specific programs and functional area.

Agency – A principal unit of the county government or a governmental unit outside the county government which receives county funding.

Allocation - The distribution of available monies among various County departments, divisions or cost centers.

Annual Budget – An estimate of expenditures for specific purposes during the fiscal year (Oct. 1 - Sept. 30) and the estimated revenues for financing those activities.

Appropriation – An authorization by the County Council to make expenditures and incur obligations from County funds for purposes approved by Council.

Assessed Valuation – Total taxable value of all real and personal property in the County which is used as a basis for levying taxes. Tax-exempt property is excluded from the assessable base.

Asset – Resources owned or held by a government which have monetary value.

Audit – A review of the County's accounting system to ensure that financial records are accurate and in compliance with all legal requirements for handling of public funds, including state law and County Charter.

Balanced Budget – A financial plan for the operation of a program or organization for a specified period of time (fiscal year) that matches anticipated revenue with proposed expenditures. A budget in which the revenue equals expenditures.

Benchmark – Process of comparing organizational practices to those of peer organizations as a basis for developing and striving to exceed standards.

Bond – A written promise to pay a sum of money at a specific date (called a maturity date) together with periodic interest detailed in a bond resolution.

Bond Funds – The revenues derived from issuance of bonds used to finance capital projects.

Budget (Operating) – Financial plan of operation which includes an estimate of proposed expenditures and revenues for a given period.

Budget Calendar – Schedule of key dates or milestones which a government follows in preparation and adoption of the budget.

Budget Message – A general discussion of the recommended budget as presented in writing by the County Manager to the County Council as a part of the budget document.

Capital Budget – Annual plan of proposed expenditures for capital improvements and the means of financing these expenditures.

Capital Improvement Plan – A document that identifies the costs, scheduling, and funding of various large capital items; i.e., buildings, roads, bridges, water and sewer systems. The plan should identify costs associated with existing deficiencies versus capacity for growth.

Capital Improvement Project – Includes land acquisitions, building improvements, transportation improvements, improvements to other public facilities, and equipment over \$25,000.

Capital Outlay – Items with a per-unit cost of more than \$1,000 which include furniture and equipment.

Charges for Services – The charge for goods or services provided by local government to those private individuals who receive the service. Such charges reduce the reliance on property tax funding.

Consumer Price Index – Measures the prices of consumer goods and is a measure of U.S. inflation. The U.S. Department of Labor publishes the Consumer Price Index every month.

Contractual Service – Specific services rendered to the county by private firms, individuals or county departments on a contractual basis.

Debt Service – The payment of principal, interest, and other obligations resulting from the issuance of bonds, loans, or notes.

Deficit or Budget Deficit – The excess of budget expenditures over revenue receipts.

Delinquent Property Tax – Revenue collected on property taxes from persons who are overdue in paying their property tax bills.

Department – Broad organization unit of the County established to efficiently meet the needs of citizens.

Depreciation – The method of how the costs of tangible and intangible assets are allocated over time and use.

Encumbrance – An obligation in the form of a purchase order, contract, or formal agreement which is chargeable to an appropriation and for which a part of the appropriation is reserved. The obligation ceases to be an encumbrance when the obligation is paid.

Enterprise Fund – A fund established to account for operations that are financed and operated in a manner similar to private business enterprises. The intent is that the full cost of providing the goods or services to be financed primarily through charges and fees, thus removing the expense from the tax rate.

Expenditure – The sum of money actually paid from County funds for goods.

Fiduciary Fund – A fund used to account for resources that a government holds as a trustee or agent on behalf of an outside party that cannot be used to support the government's own programs.

Final Millage – Millage adopted at final budget hearing.

Fiscal Year – The twelve-month financial period which the annual budget applies. The fiscal period used by Volusia County begins October 1 and ends September 30 of the following calendar year.

Fixed Assets – Assets of a long-term character, which are intended to continue to be held or used (land, buildings, improvements other than buildings, and machinery and equipment).

Form DR-420 – Certification of Taxable Value (Proposed millages).

F.S. – Florida Statutes.

FTE – Full-time equivalent position, based upon the number of hours for which a position is budgeted during the year.

Fund – A set of interrelated accounts that records assets and liabilities related to a specific purpose. Also, a sum of money available for specified purposes.

Fund Balance – The amount available within a fund at the close of the fiscal year that is available for appropriation in the upcoming fiscal year.

GAAP – (Governmental Accounting, Auditing and Financial Reporting) – The “blue book” published by the Government Finance Officers Association to provide detailed guidance for the application of accounting principles for governments.

GAAP – (Generally Accepted Accounting Principles) – The uniform standards established for financial accounting and reporting, which are different for government than business.

General Fund – The governmental accounting fund supported by ad valorem (property) taxes, licenses and permits, service charges and other general revenue to provide County-wide operating services. This may be referred to as the operating fund.

General Purpose Funds – Those funds supported by taxes and fees that have unrestricted use.

Governmental Funds – The category of funds, which include general, special revenue, capital project, and debt service. These funds account for short-term activities and are often compared to the budget.

Grant – A contribution of assets by one governmental unit, or other organization, to another. Typically, these contributions are made to local governments. Grants are usually made for specified purposes.

Homestead Exemption – A statewide exemption that is a deduction from the total taxable assessed value of owner occupied property. The current exemption is \$50,000. Additional exemptions based on eligibility include Senior Homestead Exemption, Blind, Combat Related Disability, Service Related Disability, Widows/Widowers, or Total/Permanently Disabled Exemption.

Impact Fee – A fee to fund the anticipated cost of new development’s impact on various County services as a result of growth. This fee, such as for roads or fire services, is charged to those responsible for the new development.

Incorporated Area – Within city limits.

Indirect Cost – Costs associated with, but not directly attributable to, the providing of a product or service. These are usually costs incurred by service departments in the support of operating departments.

Interest Income – Revenue derived from the County’s regular investment of temporarily idle cash. Interest rates, and hence the earnings, are commercially determined and subject to fluctuating market conditions.

Interfund Transfer – Financial transaction from one fund to another resulting in the recording of a receipt and expenditure.

Internal Service Fund – A fund established for the financing of goods or services provided by one department or agency to other departments or agencies on a cost reimbursement basis.

Just Value – Florida Statute 193.011(1) defines just value as the present cash value of the property, which is the amount a willing purchaser would pay a willing seller, exclusive of reasonable fees and costs of purchase True Value of Property.

Lighting District – A special district established to finance street lighting expenses for property owners within its boundaries.

Local Option Gas Tax – By ordinance of the County Council of Volusia County, Florida pursuant to section 336.025(1)(b), F.S. levying and imposing a local option fuel tax of 6 cents upon every gallon of motor fuel sold in the County of Volusia with the proceeds from said tax being distributed as provided by law. Beginning January 1, 2000 an additional 5 cents was levied and imposed upon every gallon of motor fuel oil, excluding diesel.

Maximum Millage – Maximum Millage allowed by vote.

Mill – In terms of the millage rate, 1 mill is equal to \$1 per \$1,000 of assessed valuation.

Millage Cap – Maximum millage allowed by law.

Mission Statement – Statement of purpose that defines the business of the organization.

Modified Accrual Basis – A basis of accounting in which expenditures are accrued immediately upon becoming a liability, but revenues are accounted for on a cash basis.

New Construction – Value of newly built improvements valued for the first time on the tax roll.

Net Expenses – Total County expenses less reserves, transfers and internal service interfund transfers.

Non-Operating Budget – The capital budget and the internal service budget.

Non-Tax Revenue – The revenue derived from non-tax sources, including licenses and permits, intergovernmental revenue, charges for service, fines and forfeitures, and various other miscellaneous revenue.

Objective – Specific, measurable statement, consistent with goals and mission, that targets a desired future state.

Operating Budget – An annual plan of proposed expenditures for the on-going operations of county government. The operating budget excludes interfund transfers, capital, and internal service budgets.

Operating Expenditures – Also known as operating and maintenance costs, these are expenditures of day-to-day operations, such as office supplies, maintenance of equipment, and travel.

Ordinance – A formal legislative enactment by the County Council. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the county.

Performance Measures – A means used to evaluate a program and ensure approved levels of funding yield expected results.

Personal Property Tax – A tax assessed on all personal property (equipment) of business firms, mobile homes with permanent additions, and condominiums, if rented, within the County.

Potable Water – Water that does not contain pollution, contamination, objectionable minerals, or infective agents and is considered satisfactory for domestic consumption. A good synonym is drinking water.

Principal – The original amount borrowed through a loan, bond issue, or other form of debt.

Property (Ad Valorem) Taxes – A revenue collected on the basis of a rate applied to the taxable valuation of real property.

Proposed Millage – Millage rate necessary to fund the proposed budget.

Proprietary Fund/Agency – Commonly called “self-supporting” or “enterprise”, these funds/agencies pay for all or most of their cost of operations from user fees and receive little or no general property tax support.

Reserve – An account used to indicate that a portion of fund equity is legally restricted for a specific appropriation and subsequent spending.

Reserve for Future Capital – Budgetary reserve set aside for planned capital initiatives.

Reserve for Revenue Stabilization – Budgetary reserve to offset fluctuations in revenues due to unstable economic climate.

Reserve for Debt Service – Budgetary reserve set aside for future principal, interest, and other debt service expenses.

Reserve for Fuel – Budgetary reserve to offset rate fluctuation for operating divisions.

Reserve for Contingency – Budgetary reserve to address unexpected one-time Council priority expenditures.

Reserve for Local Grant Match – Budgetary reserve set aside for match requirements for Federal, State, or local grants.

Reserve for Land Management – Budgetary reserve set aside for land management expenditures in Forever Fund (161).

Reserve for Forever Land Purchases – Budgetary reserve set aside for future land purchases in Forever Fund (161).

Reserve for Barberville Mitigation – Budgetary reserve balance remaining for Barberville mitigation in Forever Fund (161).

Restricted Revenue – A source of funds which is mandated by law or policy to be used for a specific purpose.

Retained Earnings – Equity account reflecting the accumulated earnings of an Enterprise or Internal Services Fund.

Revenue – The taxes, fees, charges, special assessments, grants, and other funds collected and received by the county in order to support the services provided.

Rolled-back Rate – Rate that would generate prior year tax revenues less new construction, additions, deletions, rehabilitative improvements, adjusted for payments to Community Redevelopment areas and % change in Florida Per Capita Personal Income.

Special Assessment – A compulsory levy imposed on certain properties to defray part or all of the costs of a specific improvement or service deemed to primarily benefit those properties.

Special Revenue Fund – A fund used to account for the proceeds of specific revenue sources or to finance specified activities as required by law or administrative regulation.

State Mandated Cost – Legislation passed by state government requiring action or provision of services and/or programs.

Service – Work provided to meet the needs or satisfy the requirements of the citizens and/or employees.

Surplus – The difference between revenues received and expenditures made within the current fiscal year.

Budget Terms

Tax Base – The total property evaluations on which each taxing authority levies its tax rate.

Tax Levy – Total amount of revenue to be raised by property taxes.

Tax Rate – Amount of tax stated in terms of a unit of the tax base. Example: 1.880 mills per \$1,000 of assessed valuation of taxable property.

Tax Roll – The certification of assessed taxable values prepared by the Property Appraiser and presented to a taxing authority by July 1 (or later if an extension is granted by the State of Florida) each year.

Taxable Value – Assessed value minus exemptions, such as the Homestead Exemption, is the taxable value. This value multiplied by the millage rate divided by 1000 = the property tax rate (or ad valorem amount).

Tentative Millage – Proposed millage adopted at the initial TRIM hearing. (Appears in Budget Summary advertisement).

Truth In Millage Law (TRIM) – A 1980 Florida Law, which changed the budget process for local taxing governments; designed to keep the public informed about the taxing intentions of the various taxing authorities.

TRIM – Truth in Millage (Section 200.065, F.S.).

Unincorporated Area – Those areas of the county which lie outside the boundaries of the cities.

User (Fees) Charges – Payment of a fee for direct receipt of a public service by those individuals benefiting from the service.

VAB – Value Adjustment Board.

Voted Millage – Tax levied to support a program(s) that has been approved by voter referendum.

Supplemental Section

Creating the Budget

Volusia County operates on a fiscal year starting October 1st and ending on September 30th annually. Planning for the following year's budget begins in January each year as data is compiled and meetings are held to assess the needs of the community and the funding levels required to meet those needs. Special attention is given to the long-term sustainability of the funding levels to ensure the County can continue to provide vital services to the community and remain financially stable.

Typically, in June each year, five-year financial forecasts are presented to Council showing the anticipated revenues and expenditures based on budget requests from County divisions, items approved by Council throughout the year, and growth assumptions. These forecasts and assumptions are used to create the County Manager's recommended budget that is presented to Council in July of each year and pending any changes the budget is then adopted in September by way of two publicly held County Council budget meetings. The following pages of this document details the forecasts and assumptions that were presented in June and used to build the final fiscal year 2021-22 adopted budget that precedes this section.

The largest changes that occurred between the recommended budget and the final adopted budget for fiscal year 2021-22 were a millage rate reduction in the General Fund from 5.4500 (recommended) to 5.3812 (adopted) as well as \$2.9 million in General Fund expense reductions approved by County Council at a special meeting on August 31, 2021.

County of Volusia

5-Year Forecast

Fiscal Years 2020-21 to 2024-25

Forecasts are a snapshot in time and correspond to results of assumptions at that moment in time. Many things beyond county government control can affect those assumptions such as changes at the federal or state levels, increased cost of construction, changes in economic conditions, or the results of a natural disaster.

Revenue and expenditure forecasting does the following:

- Provides an understanding of available funding
- Evaluates financial risk
- Assesses the level at which capital investment can be made
- Determines if loan proceeds are needed for capital investment
- Identifies future commitments and resource demands
- Identifies the key variables that cause change in the level of revenue
- Identifies the key variables that cause change in the level of expenditures
- Provides a framework from which to develop policy discussions/decisions

Forecasting Methods

The methodology used to forecast revenues and expenditures includes both qualitative and quantitative methods.

Qualitatively, the Office of Management and Budget utilized federal, state, and local economic and demographic sources to compile this forecast. Staff evaluated data from the consumer price index, state and local population estimates, state taxable sales estimates and funding initiatives, as well as changes in taxable value, development activity, and unemployment rate.

Quantitatively, staff used the statistical techniques of trend analysis and time-series analysis (smoothing). Percentage changes between prior year and year-to-date collections and expenditures (usually 5 to 10 years) are coupled with anticipated changes in circumstances.

There are many techniques available for forecasting. Ultimately, final projections were based on a combination of the above and the experienced judgment of staff. The quality of the forecast is improved by bringing multiple perspectives to the forecast through the use of different methods and by soliciting the viewpoints of individual departments and other external experts. See end of summary for complete listing of outside sources referenced.

Economic indicators play a big part:

- Development activity such as housing starts, foreclosures or new commercial construction impacts property taxes, half-cent sales tax, landfill charges, waste collection, state revenue sharing, development revenues, and utilities and fuel taxes.
- Tourism and convention activity impacts half-cent sales tax, ambulance fees, convention and tourist development taxes, state revenue sharing, utilities and fuel taxes.

Annual U.S. Inflation Rate from 2018 -2024						
1.8%	1.3%	2.3%	2.4%	2.5%	2.5%	2.4%

Source: International Monetary Fund (IMF) Long-Term U.S. Inflation Forecast

- On the expense side economic indicators such as the current unemployment rate is a closely watched economic indicator that attracts a lot of media attention, especially during recessions and challenging economic times. This is because the unemployment rate does not just impact those individuals who are jobless. When workers are unemployed, their families lose wages, and the area they live lose their contribution to the local economy in terms of the goods or services that could have been produced. Unemployed workers also lose their purchasing power, which can lead to unemployment for other workers, creating a cascading effect that ripples through the economy. In this way, unemployment even impacts those who are still employed.

*2021 Unemployment rate through the end of April. (Annual averages not seasonally adjusted)

Source: Florida Department of Economic Opportunity, Local Area Unemployment Statistics (LAUS) program

Assumptions Included in the Forecast

- Routine operational expenditures forecasted to include escalation of existing costs based on CPI and/or trend analysis.
- Ongoing long-term obligations like asset maintenance or replacement requirements for computers and vehicles.
- No provision for unfunded mandates from state or federal governments.
- Operating revenues reflect conservative growth in forecast years.
- Communications Services Tax – increasing 1% throughout forecast period.
- Utility Tax – increasing 2% throughout forecast period.
- Tourist Development Tax – increasing 3% in FY23, 2.5% in FY24, and 2% in FY25 forecast period.
- Sales Tax – increasing 1.5% throughout forecast period.
- State Revenue Sharing – increasing 3.5% throughout forecast period.

Millage Rates & Property Values

The General Fund, Library District Fund, Mosquito Control Fund, Ponce DeLeon Inlet & Port District Fund, Fire Fund, ECHO Fund, Volusia Forever Fund, and Municipal Service District Fund are the County’s major taxing funds that are supported by ad valorem taxes.

Taxable values for fiscal year 2021-22 are based on July 1, 2021 values released by the Volusia County Property Appraiser. Forecasted growth in taxable value is shown below.

Fund	FY 2021-22 Property Value Growth (Over FY21 Post-VAB)	FY 2022-23 Forecasted Growth	FY 2023-24 Forecasted Growth	FY 2024-24 Forecasted Growth
General Fund	7.6%	3.0%	3.0%	3.0%
Library District Fund	7.6%	3.0%	3.0%	3.0%
ECHO Fund	7.6%	3.0%	3.0%	3.0%
Volusia Forever Fund	7.6%	3.0%	3.0%	3.0%
Mosquito Control Fund	6.4%	3.0%	3.0%	3.0%
Ponce De Leon Inlet & Port District Fund	6.4%	3.0%	3.0%	3.0%
Fire Rescue Fund	7.5%	2.0%	2.0%	2.0%
Municipal Service District Fund	7.4%	2.0%	2.0%	2.0%

As of FY 2021-22 property values in Volusia County have recovered and surpassed levels last seen before the Great Recession and subsequent decline in property values that occurred in FY 2008-09, as the chart below illustrates:

The chart below demonstrates the average residential taxable value (single-family homes, mobile homes, multi-family homes, condominiums, cooperatives, and retirement homes) multiplied by the approved or proposed general fund millage rate to calculate the average amount of taxes paid into the general fund for a particular fiscal year. The average residential taxable value is calculated by adding together residential categorical property values which is then divided by the total number of residential parcels calculated by the Property Appraiser. This calculated number is your average residential taxable value.

	FY 2021-22	FY 2020-21	FY 2019-20	FY 2018-19	FY 2017-18	FY 2016-17	FY 2015-16	FY 2014-15
Average Residential Taxable Value	\$ 134,093	\$ 125,225	\$ 116,754	\$ 108,420	\$ 100,640	\$ 96,521	\$ 90,881	\$ 85,418
General Fund	5.4500	5.4500	5.5900	5.6944	6.1000	6.1000	6.3189	6.3189
Average Taxes	\$ 701.57	\$ 655.18	\$ 626.55	\$ 592.69	\$ 589.35	\$ 565.23	\$ 551.30	\$ 518.16

(Residential Taxable Values Source: Volusia County Property Appraiser DR-489PC)

The next chart illustrates the ten-year history for all ten of the County's taxing fund millage rates. All of the millage rates, with the exception of Ponce De Leon Port Authority Fund, are proposed for FY 2021-22 flat with the prior year's rates. The Port Fund is presented at the fully rolled-back rate. The millage rates proposed for FY 2021-22 are kept flat throughout the forecast period fiscal years of 2023-25. Both the Volusia ECHO and Volusia Forever programs and their requisite millage rates were re-approved by Volusia County voters in November of 2020.

Fiscal Year	General	Library	Volusia ECHO	Volusia Forever	East Volusia Mosquito Control	Ponce De Leon Port Authority	Municipal Service District	Silver Sands-Bethune Beach MSD	Fire Rescue District

Major Revenues in Forecast

Operating Revenues are comprised of various receipts that are collected or anticipated for collection during the fiscal year based on operations of the County and disbursements from federal, state, and other governments. In response to the COVID-19 public health crisis in 2020, the U.S. Congress passed the CARES Act legislation, which disbursed trillions of dollars' worth of funding to differing areas of the U.S. economy. One of the purposes of this funding was to support continued transportation spending. The CARES act funds can be seen represented in the Coronavirus Transition Fund (003), the Airport Fund (451) and the Votran Fund (456) forecasts. This funding is considered a one-time revenue source. The following charts and descriptions will provide detailed background and historical information concerning the top operating revenues in Volusia County and their forecasted trajectories.

Ad Valorem Taxes - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$290,333,397	\$290,334,683	\$320,281,274	\$329,366,380	\$338,713,954	\$348,331,670

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$232,930,356
2016-17	\$242,255,469
2017-18	\$260,069,035
2018-19	\$267,666,974
2019-20	\$285,730,488

The County's largest revenue source is ad valorem property taxes calculated on taxable value of various properties multiplied by the millage rates established by the governing body of each taxing authority. Volusia County has a total of ten property tax millage rates levied countywide and in special districts. All citizens within the County pay the countywide rates; those living within the district boundaries also pay the rate for that district.

Gas Taxes - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$23,548,442	\$23,548,442	\$23,783,926	\$24,021,765	\$24,261,984	\$24,504,603

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$23,864,872
2016-17	\$24,797,213
2017-18	\$25,212,370
2018-19	\$25,485,740
2019-20	\$23,653,322

Volusia County receives a total of five separate gas taxes, including the 6-cent local option fuel tax, 5-cent second local option fuel tax, the 5th and 6th cent constitutional fuel tax, the 7th cent county fuel tax and the 9th cent fuel tax. All of these revenues are accounted for in separate revenue codes and tracked for assurance that each revenue source is used in accordance with its authorized use. Operating revenues generated from gas tax revenues are expected to start to recover from the reductions realized during the COVID-19 pandemic. Operating revenues are projected to slowly recover beginning in fiscal year 2021-22 and continue through the remainder of the forecast period at an average growth rate of 1 percent.

Resort Tax/Convention Development Tax - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$22,481,929	\$23,114,727	\$24,522,049	\$25,134,819	\$25,700,456	\$26,214,348

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$21,131,187
2016-17	\$21,531,936
2017-18	\$23,238,172
2018-19	\$23,665,188
2019-20	\$19,909,969

The Tourist Development/Resort Tax was enacted in 1978 levying a two percent tax on short term rentals of living accommodations for six months or less. On April 24, 2003, the Volusia County Council adopted Ordinance 2003-07 raising the tax to three percent effective July 1, 2003. The funds generated from the Tourist Development/Resort Tax go to support the Ocean Center in Daytona Beach. The Convention Development Tax revenue derives from the 3% Convention Development Tax on hotel rooms and other short-term rentals in each of the three districts within Volusia County. The Tourist Development Advertising Authorities receive these revenues.

The Tourist Development/Resort Taxes declined in fiscal year 2019-20 due to the uncertainty surrounding the COVID-19 public health crisis and its effect on local tourism events. These revenue streams have begun to recover in fiscal year 2020-21 and are projected to continue that recovery to pre-pandemic levels in FY 2021-22.

Sales Tax - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$20,020,405	\$22,812,707	\$23,497,088	\$23,849,544	\$24,207,287	\$24,570,397

Sales Tax Allocation Chart						
Allocation by Fund	FY 2020-21 (Budget)	FY 2020-21 (Estimate)	FY 2021-22 (Budget)	FY 2022-23 (Forecast)	FY 2023-24 (Forecast)	FY 2024-25 (Forecast)
General Fund (001)	\$14,290,469	\$16,834,337	\$16,238,181	\$16,400,245	\$16,563,929	\$16,729,250
Municipal Service District (120)	\$5,909,936	\$5,909,936	\$6,715,563	\$6,782,587	\$6,850,281	\$6,918,652

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$20,167,829
2016-17	\$20,995,101
2017-18	\$22,217,798
2018-19	\$22,424,375
2019-20	\$21,966,220

The Local Government Half-Cent Sales Tax is collected and distributed by the State based on the state formula using relative population. The Sales Tax Trust Fund allows for the allocation of the revenue between the General Fund and Municipal Service District Fund, to first meet debt service requirements and then be used for any countywide purpose. For fiscal year 2021-22, the Sales Tax revenue is budgeted with a 3% increase over the 2020-21 estimate as recovery from COVID-19 is expected to continue. For fiscal years 2023-25, Sales Tax revenues forecasted at an annual growth rate of 1.5%.

Landfill Charges - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$18,200,000	\$19,500,000	\$19,500,000	\$20,085,000	\$20,687,550	\$21,308,177

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$14,645,901
2016-17	\$17,334,921
2017-18	\$17,450,399
2018-19	\$18,671,805
2019-20	\$20,071,339

The Solid Waste Fund's main source of operating revenue are the landfill charges which are budgeted at \$19.5 million or 95% of total operating revenue in fiscal year 2021-22. Charges are derived from tipping fees based on tonnage of various types of waste such as Class I (household garbage), Class II (construction and demolition waste), yard trash, recycling debris, tires and asbestos. Revenues are utilized for operations of the landfill and long-term closure costs.

Ambulance Fees - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$16,393,063	\$16,671,579	\$17,080,346	\$17,396,632	\$17,709,138	\$18,020,268

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$15,270,849
2016-17	\$15,560,266
2017-18	\$16,366,037
2018-19	\$16,899,826
2019-20	\$16,479,777

The Emergency Medical Services Fund was established in fiscal year 2011-12 when the county took over provision of ambulance services. Ambulance billing revenue is authorized by ordinance. The main operating revenue source in the Emergency Medical Services fund are the ambulance fees, which represent 60% of total operating revenue or \$17.1 million budgeted in fiscal year 2021-22. Ambulance fee revenue is net of required adjustments such as Medicare, Medicaid, and other entitlements and reductions.

The budgeted revenue for fiscal year 2021-22 is based on the total estimated transports of 53,173 and an average unit of \$343.79 per transport. Fiscal years 2023-25 transports are estimated to grow 1.7%, 3.3%, and 4.8% respectively.

State Revenue Sharing - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$8,615,713	\$9,055,395	\$9,365,967	\$9,687,410	\$10,020,103	\$10,364,440

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$8,614,833
2016-17	\$9,046,268
2017-18	\$9,514,184
2018-19	\$10,005,793
2019-20	\$9,348,254

State Revenue Sharing is authorized by Florida Statute and is comprised of 2.9% of net cigarette tax collections and 2.081% of sales and use tax collections. Revenues are distributed monthly by the State based on county population, unincorporated county population and county sales tax collections. These revenues are booked in both the General Fund for countywide purposes and the Transportation Trust Fund for transportation safety functions. The state revenue sharing source is forecast to grow at a rate of 3.5% over the fiscal year 2020-21 estimate and 3.5% in the forecast years 2023-25.

Utility Tax - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$8,437,967	\$8,878,735	\$9,056,310	\$9,237,346	\$9,422,185	\$9,610,629

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$7,938,499
2016-17	\$7,867,811
2021-18	\$8,124,173
2018-19	\$8,581,721
2019-20	\$8,752,599

Florida Statute as a levy authorizes the Utility Tax, also known as the Public Service Tax, by ordinance on purchase of electricity, metered natural gas, liquefied petroleum gas, manufactured gas, and water within the unincorporated area; therefore, the utility tax is collected and booked in the Municipal Service Fund. This revenue source is budgeted at \$8.8 million or 24% of total operating revenue for the Municipal Service District Fund. A portion of these collections are transferred to the Transportation Trust Fund for road repairs and safety-related maintenance.

Water Sales - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$6,330,000	\$6,950,000	\$7,012,000	\$7,257,420	\$7,511,430	\$7,774,330

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$6,363,850
2016-17	\$6,736,500
2017-18	\$6,626,618
2018-19	\$6,988,901
2019-20	\$7,316,985

The County owns and operates nine water treatment facilities and four consecutive water systems in compliance with all regulatory standards as established under the federal Safe Drinking Water Act. The Water Resources and Utilities Division also maintains 10 smaller water systems on behalf of other agencies. Water sales are derived from charges based on customer consumption, as recorded through each water meter. Water sales are expected to grow at a rate of 3.5% per year for the remainder of the forecast period.

Sewer Sales - Budget, Estimate & Forecast					
FY 2020-21 (Bud)	FY 2020-21 (Est)	FY 2021-22 (Bud)	FY 2022-23 (F)	FY 2023-24 (F)	FY 2024-25 (F)
\$7,350,000	\$8,000,000	\$8,010,000	\$8,290,350	\$8,580,512	\$8,880,830

5 Year History of Collections	
Fiscal Year	Actuals
2015-16	\$7,978,032
2016-17	\$7,612,574
2017-18	\$7,820,657
2018-19	\$7,797,572
2019-20	\$8,574,889

The Water Resources and Utilities Division owns and operates seven wastewater treatment facilities in compliance with regulatory standards as established under the federal Clean Water Act. Sewer service fees are charged to all customers connected to a sanitary sewer system operated by the County. Sewer sales are expected to grow at a rate of 3.5% per year for the remainder of the forecast period.

Operating Expenditures in Forecast

Expenditure Overview:

The organization as a whole continues to maintain its financial stability by continual monitoring of costs and resources, as well as deferring the use of fund balance to fund on-going operating expenditures. Rather, fund balance is primarily used for one-time expenditures ranging from capital infrastructure to grants and aids for community projects. The personnel services category reflects expenditures for pay adjustments, increases to the employer FRS contribution amount which is set by the Florida Legislature, as well as contributions for employee health insurance and workers compensation claims. Assumptions used in the forecast for the personnel services category can be seen below. On-going operating expenditures are programmed for the upcoming budget year by the using departments based on the needs of their particular business type. These budget requests are then forecasted in the out years using either department provided assumptions for specific object types or pre-outlined assumptions provided through research by the Office of Management and Budget. General assumptions for operating costs can also be seen below. In recent history Volusia County has used remaining funds from prior years to pay for one-time, long-term assets such as technology or building infrastructure improvements or towards pay-as-you-go financing of some major capital improvement projects. A chart showing forecasted capital outlay and improvements for each operating fund can be seen later in this section in detail.

Personal Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 employer contribution increased to \$9,540, an increase of 6% over the FY 2020-21 rate. Increased for estimated medical inflation, by 6% in fiscal years 2023-25.

Worker’s Compensation – fiscal year 2021-22 based upon 5-year claim experience, fiscal years 2023-25 increased 5% throughout forecast period.

Operating Expenses:

Contracted Services – increase fiscal years 2023-25: 4%.

Fuel – increase for fiscal years 2023-25: 2%.

Insurance-Liability – increase in fiscal years 2023-25: 6%.

Janitorial Services – increase for fiscal years 2023-25: 2%.

Computer Replacement – increase for fiscal years 2023-25: 5%.

Other Maintenance and Chemicals – increase fiscal years 2023-25: 1.4%.

Postage – increase fiscal years 2023-25: 5%.

Property Insurance – increase for fiscal years 2023-25: 6%.

Publications – increase fiscal years 2023-25: 3%.

Medicine and Medical Supplies – increase fiscal years 2023-25: 3%

Food & Dietary – increase fiscal years 2023-25: 4%

Utilities – Increase fiscal years 2023-25: 2%.

TITF (CRA) Payments – increase fiscal years 2023-25: 5%.

All other Operating Expenses – increase fiscal years 2023-25: 1.4% (Per CPI)

Operating Interfund Transfers:

Recurring *operating transfers* are forecasted for each year. The amounts transferred between funds are primarily used to reimburse services or to meet service demands.

To	From	FY2021-22	FY 2022-23	FY 2023-24	FY 2024-25
Economic Development	General Fund Revenue	\$4,350,587	\$4,350,587	\$4,350,587	\$4,350,587

ECHO Fund	Trails Projects Fund	\$1,500,000	\$1,500,000	\$1,500,000	\$1,500,000

Capital Outlay & Capital Improvements

A long-term capital program has many obvious benefits that result from its systematic approach to planning and financing public agency projects. Some of the more important benefits derived from a viable capital programming process include the following:

- **Focuses attention on community goals and needs**
Capital projects or replacement plans can be brought into line with community objectives, anticipating growth and the government’s ability to pay. By planning ahead for projects, those that are needed or desired most can be constructed or acquired first. The five year plan keeps the public informed about future capital investment plans of the County. The public involvement in the process provides a mechanism through which a previously unidentified need can surface, be addressed and placed in the framework of community priorities.
- **Encourages more efficient allocation of resources**
Coordination of capital improvement programming can reduce the emphasis on any one government function. The program can guide local officials in making sound budget decisions and program funding over multiple years. In addition, a five-year plan allows for multi-year allocation of project components such as land acquisition, design, engineering and construction as well as large-scale equipment replacement.

- **Fosters a sound and stable financial program**

Through capital facilities planning, the need for debt or alternative revenue sources can be planned and action taken before the need becomes so critical as to require emergency financing measures. In addition, sharp changes in the tax structure and indebtedness may be avoided when projects are staged over a number of years. Keeping planned projects and purchases within the financial capacity of the County helps to preserve its credit rating. Thus, the CIP is an integral element of the County’s budgetary process.

New or replacement equipment greater than \$1,000 based on annual replacement and operational plans within each corresponding operating fund is classified as capital outlay. Capital Improvements are defined as improvements costing \$25,000 and greater needed to maintain county infrastructure with available funding within its corresponding fund. Detail of these expenditures is presented within each forecast.

Listed below is a chart of the capital improvement funds where many of the County’s major capital improvements are funded from transfers of one-time funds. These transfers come from various operating funds either as a one-time source or over several years until sufficient funding is accumulated for a specified project to improve the County’s existing infrastructure.

To	From	FY 2021-22	FY 2022-23	FY 2023-24	FY 2024-25
Corrections Capital Fund (309) – Corrections Security Infrastructure	General Fund Revenue (001)	\$1,776,729	\$0	\$0	\$0

*A detailed breakout of the capital outlay and improvements from the funds seen above can be found in each forecast narrative in this forecast document.

Debt Service

The county takes a planned approach to the management of debt, funding its capital needs from internally generated resources and uses external financing only when needed. To fulfill its future capital needs, Volusia County is able to utilize available resources freed up by paying off its debt toward a pay-as-you-go funding strategy. This strategy will ensure that future taxpayers remain unburdened with debt while fostering ongoing fiscal responsibility.

The forecast includes ongoing debt payments for projects funded by other than the general fund sales tax dollars such as the Municipal Service District Fund (MSD), Tourist Development, County Transportation Trust, Enterprise Funds, etc. A new borrowing funded by general fund revenues was approved in FY 2020-21 to finance the construction cost of Sunrail Phase 2 north in the amount of \$11.2 million to be paid back over a 15-year term.

Fund Balance and Budgeted Reserves

Fund balance for budget purposes is the amount at the end of one fiscal year that is available for appropriation in the next fiscal year. Adequate fund balance translates into sustainable reserve levels to mitigate the financial impact from natural disasters and unforeseen fluctuations in revenues or expenditures.

For the taxing funds, the County’s goal to achieve emergency reserves of 5% - 10% of budgeted current revenues has been attained.

Taxing Fund Emergency Reserves	FY 2022	FY 2023	FY 2024	FY 2025
General Fund	\$26,851,060	\$27,672,268	\$28,443,537	\$29,245,231
Percent	10.0%	10.0%	10.0%	10.0%

The use of one-time funds for ongoing operating expenses is not recommended except as a means to transition to sustainable levels of service. The forecasts contained in this document illustrate the use of reserves for planned maintenance, upgrades, and other capital expenditures as outlined in each fund’s forecast.

Classification of Reserves:

Reserve for Future Capital – set aside for planned capital initiatives. This reserve is utilized in the following funds:

- General Fund (001), Emergency Medical Services (002), County Transportation Trust (103), Library Fund (104), Mosquito Control Fund (105), Ponce De Leon Inlet and Port District Fund (114), Ocean Center (118), Inmate Welfare Trust Fund (123), Fire Rescue District Fund (140), Stormwater Utility Fund (159), ECHO Fund (160), Corrections Capital Fund (309), Library Capital Fund (317), Ocean Center Capital Fund (318), Parks Capital Fund (326), Solid Waste Fund (450), Airport Fund (451), Water & Sewer Utilities Fund (457), Parking Garage Fund (475)

Reserve for Revenue Stabilization – set aside to offset volatility in various revenue streams. This reserve is utilized in the following funds:

- General Fund (001), Emergency Medical Services (002), County Transportation Trust (103), Ocean Center (118), Municipal Service District Fund (120), Solid Waste Fund (450), Airport (451), Votran Fund (456), Parking Garage Fund (475)

Reserve for Debt Service – set aside for future principal, interest, and other debt service expenses. This reserve is utilized in the following funds:

- Municipal Service District Fund (120)

Reserve for Road Maintenance – set aside for road maintenance projects. This reserve is utilized in the following funds:

- County Transportation Trust (103)

Reserve for Transition – set aside for possible fluctuations in revenues or increased costs. This reserve is utilized in the following funds:

- Fire Rescue District Fund (140), Votran Fund (456)

Reserve for Fuel – to offset rate fluctuation for operating divisions. This reserve is utilized in the following funds:

- Votran Fund (456)

Reserve for Contingency – to address unexpected one-time priority expenditures. This reserve is utilized in the following funds:

- General Fund (001), County Transportation Trust (103)

Reserve for Local Grant Match – set aside for match requirements for Federal, State, or local grants. This reserve is utilized in the following funds:

- Fire Rescue District Fund (140), Airport Fund (451), County Transportation Trust Fund (103), Economic Development Fund (130)

Fund: 001 – General Fund

Fund Overview

The General Fund is the largest fund and provides resources to fund countywide government services. The Countywide millage rate is projected at the flat rate of 5.4500 mills. This is the basis for the calculation of countywide ad valorem property tax collections, the largest source of revenue for the County.

Assumptions

Fiscal year 2020-21 Budget – as outlined in Adopted Budget Document, Budget by Fund page 6.

Revenues:

Ad Valorem Taxes – this revenue is based on taxable value multiplied by the millage rate per thousand. The millage rate of 5.4500, is presented for consideration which is flat with the rate adopted in fiscal year 2020-21. The fiscal year 2021-22 taxable property values are projected to increase 7.6% over Post VAB fiscal year 2020-21 values. For fiscal years 2023-25 the taxable property values are estimated to increase 3% throughout the forecast period.

Charges for Services – minimal growth is expected for marine science center field trips or entrance fee revenue, coastal park fees, Lyonia Preserve field trip fees, excess fees from the Clerk’s office, drug lab fees, Value Adjustment Board filing fees, and beach access fees throughout the forecast period. Revenues generated from the Sheriff’s contract with the Volusia County school board and other outside detail revenue are also expected to be flat. Revenue from the Sheriff’s contract with the Daytona Beach International Airport is expected to grow 5% in the forecast period. Camping fees and other non-coastal park revenues are expected to grow by 1% in the forecast period, while summer recreation camp revenue is projected to return to normal in FY23 with 1.5% growth in FY24-25.

Judgments, Fines & Forfeitures – 1.5% increase in beach fines. Court Technology as well as all remaining judgments, fines, and forfeitures are forecasted to remain flat throughout the forecast period.

Sales Tax – forecasted receipts of the local government half-cent sales tax are budgeted with a 3% increase over the fiscal year 2020-21 estimate as recovery from COVID-19 is expected to continue. For fiscal years 2023-25, sales tax revenues are projected to grow 1.5% per year.

Miscellaneous Revenue – outside revenue, contractor licensing, rent, sales of fixtures/furniture as well as all other accounts are projected to remain flat in the forecast period, based on minimal growth in prior years. Investment income is projected to improve throughout the forecast period.

Intergovernmental Revenue – 3.5% growth in State Revenue Sharing, 4% growth in beverage licenses, and a flat projection level for racing fees and all others throughout the forecast period.

Other Taxes – forecast for delinquent taxes, franchise fees, business tax, and hazardous waste surcharge are projected flat throughout the forecast period, fiscal years 2023-25.

Transfers From Other Funds – include funding reimbursement for payback of interfund loans from the parking garage (Fund 475) through FY23. Transfers from the constitutional officers in the form of anticipated excess fees are included due to the changes in funding with Amendment 10. These excess fees are projected to remain flat throughout the forecast period.

One-time revenue source – primarily fund balance/reserves are to be utilized for a specific purpose such as capital improvements and carry forward of prior balances.

Fund: 001 – General Fund

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2020-21 rate increased by 6%; increased for estimated medical inflation, and 6% in fiscal years 2023-25.

Worker’s Compensation – fiscal year 2021-22 based upon 5 year claim experience, fiscal years 2023-25 increased 5% throughout forecast period.

Positions added to the fiscal year 2021-22 budget include:

Department	Qty	Position Title
Public Protection / Corrections	1	Information Services Analyst II
Public Protection / Corrections	6	Corrections Officer
Courts – Information Systems	1	Computer Support Analyst II
Internal Auditor	1	Accountant

Operating Expenditures:

Contracted Services – increase in fiscal years 2023-25: 4%

Fuel – increase in fiscal years 2023-25: 2%

Insurance-Liability – increase in fiscal years 2023-25: 6%

Janitorial Services – increase in fiscal years 2023-25: 2%

Medicine and Medical Supplies – increase in fiscal years 2023-25: 3%

Medicaid – increase in fiscal years 2023-25 4.2%

Other Maintenance and Chemicals – increase in fiscal years 2023-25: 1.4%

Postage – increase in fiscal years 2023-25: 5%

Property Insurance – increase in fiscal years 2023-25: 6%

Publications – increase in fiscal years 2023-25: 3%

TITF (CRA) Payments – increase in fiscal years 2023-25: 5%

Utilities – increase in fiscal years 2023-25: 2%

Vehicle Maintenance -Related Costs – increase in fiscal years 2023-25: 1.4%

All Other Operating – increase based on CPI in fiscal years 2023-25: 1.4%

Grant & Aid – Children and Families – increase in fiscal years 2023-25: 2%

Grant & Aid – Alcohol Drugs Mental Health – increase in fiscal years 2023-25: 2%

Fund: 001 – General Fund

Capital Outlay & Capital Improvements - allocated per division’s capital replacement plans. A summary is below:

FUND: 001 General Fund

Fund: 104 – Library

Fund Overview

Volusia County's public library system includes six regional libraries, eight community branch libraries, and one support/training facility. A countywide Library Fund millage rate of 0.5174 accounts for the tax revenues. Volusia County earns State Aid grant funds based on a match of up to \$0.25 on local funds expended centrally by the library and the Friends of the Library groups. The library also expects to receive revenue from fines, library related fees, and Friends of the Library donations. Expenditures are forecasted to maintain the current system and hours of service of the existing facilities.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in Adopted Budget Document, Budget by Fund page 14.

Revenues:

Ad Valorem Taxes – this revenue is based on taxable value multiplied by the millage rate per thousand. The current millage rate of 0.5174 presented in this forecast is flat with the prior year. The fiscal year 2021-22 taxable property values increased 7.6% over Post VAB fiscal year 2020-21 values. The taxable property values are estimated to increase 3% for fiscal years 2023-25.

State Aid – continuing state grant authorized by F.S.257. Operating grant equal to a maximum of 25% of library funds expended during the preceding fiscal year. The estimated aid to be received is reduced for fiscal year 2021-22 based upon the formula provided by the State of Florida and remains flat through fiscal years 2023-25. This revenue has been on the decline for many years as the State continues to reduce the pot of funding from which this grant is drawn.

Charges for Services & Fines and Forfeitures – these revenues are based on fines imposed for overdue library material, fees imposed for lost library materials and the replacement of library user cards. Many of the charges for services declined steeply in FY 2019-20 and the first half of FY 2020-21 due to the libraries being closed or on reduced physical hours due to COVID-19 restrictions. While digital services continue to thrive, the reduction of physical patrons in the libraries and reduced circulation of physical items were the primary causes of the erosion of these charges for services. Library fines were significantly reduced during this period and forecasted with an 80% decline, as fines were either temporarily not imposed or were uncollected as an assistance to Volusia County patrons who were not able to return materials due to COVID-19 precautions or restrictions. The decision not to impose and collect library fines will continue through the forecast period.

Library Contributions – Library contributions are reimbursements from the Friends of the Library groups organized in each branch of the library system. These reimbursements offset agreed upon expenses by the various Friends of Library groups for purchases such as publications or furniture.

Fund: 104 – Library

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2020-21 rate increased by 6%; increased for estimated medical inflation, and 6% in fiscal years 2023-25.

Worker’s Compensation – fiscal year 2021-22 based upon 5 year claim experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 187 Funded Positions: 175 Unfunded Positions: 12

Operating Expenditures:

Contracted Services – increased in fiscal years 2023-25: 4%.

Fuel – increased in fiscal years 2023-2025: 2%.

Insurance-Liability & Property – increased in fiscal years 2023-25: 6%.

Maintenance and Chemicals – increased in fiscal years 2023-25: 1.4%.

Postage – increased in fiscal years 2023-25: 5%.

Utilities – increased in fiscal years 2023-25: 2%.

Vehicle Maintenance Related Costs – increased in fiscal years 2023-25: 1.4%.

Publications – increased in fiscal years 2023-25: 3%.

All Other Operating Expenses – increased in fiscal years 2023-25: 1.4%.

Capital Improvements & Outlay – are allocated per division’s capital outlay and improvement plans. A summary is below:

Fund: 105 – Mosquito Control

Fund Overview

Volusia County Mosquito Control (VCMC) operates under the authority of F.S. Title XXIX, Chapter 388, and Volusia County Ordinances, Chapter 110, Special Districts Article IX East Volusia Mosquito Control District. VCMC is responsible for mosquito control in Volusia County. To achieve its major goal of reducing mosquito populations, VCMC utilizes integrated pest management strategies including; monitoring larval and adult mosquito populations, mitigating sites where mosquitoes are produced, controlling immature mosquitoes before they develop into biting adults, spraying for adult mosquitoes, and educating citizens. Funding for VCMC is provided primarily through ad valorem taxes assessed on properties within the special taxing district. Revenue is also realized from reimbursements received for services provided to municipalities outside the District.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 16.

Revenues:

Ad Valorem Taxes – this revenue is based on taxable value multiplied by the millage rate per thousand. The millage rate of 0.1880 was the same from fiscal year 2014-2015 through 2019-20. The current millage rate is 0.1781 for this fund. The fiscal year 2021-22 taxable property values increased 6.4% over Post VAB fiscal year 2020-21 values. The estimated growth in the tax base is 3% throughout the forecast period.

Charges for Services – revenues received for services provided to municipalities outside the District remains flat through fiscal years 2023-25.

Miscellaneous Revenues – these revenues, which include investment income and the sale-surplus of various furniture, fixtures, and heavy equipment, fluctuate from one year to the next based on the equipment replacement plan and the estimated value of the items that will be sold as surplus.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate will increase 6% over the fiscal year 2020-21 rate; increased for estimated medical inflation, by 6% in fiscal years 2023-25.

Fund: 105 – Mosquito Control

Worker's Compensation - fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 28

Funded Positions: 27

Unfunded Positions: 1

Insurance-Liability – increase in fiscal years 2023-25: 6%.

Janitorial Services – increase in fiscal years 2023-25: 2%

Other Maintenance and Chemicals – increase fiscal years 2023-25: 1.4%.

Postage – increase fiscal years 2023-25: 5%.

Property Insurance – increase in fiscal years 2023-25: 6%.

Aircraft Insurance – rates estimated to increase 1.4% for the entire forecast period.

TITF (CRA) Payments – increase fiscal years 2023-25: 5%.

Utilities – increase fiscal years 2023-25: 2%.

Vehicle Maintenance-Related Costs – increase fiscal years 2023-25: 1.4%.

Interfund Transfer:

A capital projects fund will be established in fiscal year 2021-22 for Mosquito Control in order to set aside funds to replace the existing operations buildings. Funds are programmed to be transferred to the capital projects fund annually throughout the forecast period.

Capital Outlay & Capital Improvements:

Allocated per division's capital outlay and improvement plans. A summary is below:

Capital Outlay

	FY 2022	FY 2023	FY 2024	FY 2025
Automotive Equipment	\$35,000	\$0	\$165,000	\$105,000
Other Equipment	\$58,000	\$257,500	\$70,000	\$37,500
Total	\$93,000	\$257,500	\$235,000	\$142,500

Capital Improvement

	FY 2022	FY 2023	FY 2024	FY 2025
Insectary walk-in cooler	\$0	\$20,000	\$20,000	\$0
Drainage ditch/retaining wall	\$0	\$400,000	\$0	\$0
Total	\$0	\$420,000	\$20,000	\$0

Reserves:

Reserve for Future Capital – to be utilized to fund Mosquito Control's capital improvements.

Reserve for Contingencies – set aside for future fluctuation in fuel costs.

Emergency Reserves – forecasted at 10% in accordance with Council reserve policy.

FUND: 105 Mosquito Control

Adopted Budget

County of Volusia

Fund: 114 - Ponce De Leon Inlet and Port District

Fund Overview

The Ponce de Leon Inlet and Port District is a county special taxing district authorized by Volusia County Ordinance, Chapter 110 Article VIII. The district primarily functions as the non-Federal Local Sponsor for management, operations and maintenance of the Ponce de Leon Inlet channel by the U.S. Army Corps of Engineers. Inlet district activities include inlet and beach management, operation and maintenance of Smyrna Dunes and Lighthouse Point inlet parks, artificial reef construction and beach and coastal waterway access. Coastal public access and inlet park operations support new and improved infrastructure such as public fishing piers, boardwalks, parking and boat and kayak launch facilities. Inlet & beach management activities include updating the inlet sediment budget in partnership with the State of Florida, monitoring beach and dune erosion trends, coordination of inlet and Intra-coastal Waterway dredging and beach nourishment bypassing, monitoring inlet channel shoaling and jetty structural conditions and identification of beach compatible sand resources to support of emergency beach erosion control.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 22.

Revenues:

Ad Valorem Taxes – this revenue is based on taxable value multiplied by the millage rate per thousand. The proposed millage rate is 0.0845, which is the rollback rate for fiscal year 2021-22. Prior to this, the rate had remained the same since fiscal year 2010-11. The fiscal year 2021-22 taxable property values increased 6.4% over Post VAB fiscal year 2020-21 values. The taxable property values are estimated to increase 3% throughout the forecast period.

Park Fees – Smyrna Dunes and Lighthouse Point inlet parks entrance fee collection remain flat over the forecast period.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026. Salaries and related benefits decreased by 59.8% due to a shifting of personnel costs into the General Fund to better account for where staff is spending the majority of their time.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate will increase 6% over the fiscal year 2020-21 rate; increased for estimated medical inflation, by 6% in fiscal years 2023 through 2025.

Fund: 114- Ponce De Leon Inlet and Port District

Worker's Compensation – fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 8

Funded Positions: 8

Unfunded Positions: 0

Operating Expenditures:

Contracted Services – increase fiscal years 2023-25: 4%.

Fuel – increase fiscal years 2022-2025: 2%.

Insurance-Liability – increase in fiscal years 2023-25: 6%.

Janitorial Services – increase in fiscal years 2023-25: 2%

Other Maintenance and Chemicals – increase fiscal years 2023-25: 1.4%.

Postage – increase fiscal years 2023-25: 5%.

Property Insurance – increase in fiscal years 2023-25: 6%.

Tax Service Charge – increase fiscal years 2023-25: 5%.

TITF (CRA) Payments – increase fiscal years 2023-25: 5%.

Utilities – increase fiscal years 2023-25: 2%.

Vehicle Maintenance-Related Costs – increase fiscal years 2023-25: 1.4%.

Vehicle Lease Service Charge – increase fiscal years 2023-25: 3%.

Capital Outlay & Capital Improvements - are allocated per division’s capital replacement plans. A summary is below:

FUND: 114 Ponce De Leon Inlet and Port District

Adopted Budget

County of Volusia

Fund: 120 – Municipal Service District

Fund Overview

The Municipal Service District (MSD) was established by County Ordinance 73-21. The boundaries of the Municipal Service District are coincident with those boundaries defining all of the unincorporated areas of the county. Revenues include property taxes, utilities tax, communications services tax, development related fees, animal control fees and a Half-Cent Sales Tax. The MSD Fund includes transfers of funds for expenditures of the Sheriff, operations for the unincorporated area and for contracted cities of Deltona, DeBary, Pierson, and Oak Hill as well as to the Building fund. Direct MSD fund expenditures include Animal Control; Planning & Development Services; Engineering and Construction, Environmental Management; Growth and Resource Management; as well as Parks, Recreation and Culture.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 30.

Revenues:

Ad Valorem Taxes – this revenue is based on taxable value multiplied by the millage rate per thousand. The current millage rate of 2.1083 presented in this forecast is flat with the prior year. The fiscal year 2021-22 taxable property values increased 7.4% over Post VAB fiscal year 2020-21 values. For fiscal years 2023-25, the taxable property values are estimated to increase 2%.

Utilities Tax – increased 2% throughout the forecast period based on trend data and historical collections. This is a tax on electricity and metered or bottled gas that is equal to 10% of the payments received by the seller of the taxable item or service from the purchaser.

Communications Service Tax – increased 1% throughout the forecast based on trend data. This tax is levied to the sales price of the communications service provided at the retail level and originates or terminates in this state, or originates or terminates in this state and is charged to a service address in this state.

Sales Tax Fund (108) – Half-Cent Sales Tax revenues for fiscal year 2021-22 show a 4.7% increase from the 2020-21 estimate due to a recovery in collections because of COVID-19 restrictions being eased and a re-opening of the general economy. This revenue is forecast to increase 1.5% throughout the forecast period.

Permit Fees, Special Assessments, Other Taxes – These revenues are significantly reduced compared to fiscal year 2020-21 due to the removal of all building and code administration related revenues. These revenues were moved to the newly created Building Fund (117). The remaining permit fees, special assessments, and other taxes are projected to increase 0.7% throughout the forecast period.

Miscellaneous Revenues – fiscal year 2023-25 are adjusted based upon trend: most fines and expected excess fees are projected to remain flat with minor increases included for animal services related revenues.

The Volusia County Sheriff Office currently has annual contracts to provide law enforcement services with four municipalities in Volusia County that include: Deltona, DeBary, Oak Hill, and Pierson. The revenues from these contracts are received by the Sheriff's Office and remitted to the County on a monthly basis to help offset those contracted services. These contract revenues are projected to increase 3% throughout the forecast period, in correlation with forecasted budget growth in the Sheriff's Office.

Fund: 120 – Municipal Service District

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2020-21 rate increased by 6%; increased for estimated medical inflation, and 6% in fiscal years 2023-25.

Worker’s Compensation – fiscal year 2021-22 based upon 5 year claim experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 67

Funded Positions: 67

Unfunded Positions: 0

Position counts have changed due to the transition and movement of 26 positions that were in the MSD Fund to the newly created Building Fund (117).

Operating Expenditures:

Contracted Services – increase in fiscal years 2023-25: 4%

Fuel – increase in fiscal years 2023-25: 2%

Insurance-Liability – increase in fiscal years 2023-25: 6%

Janitorial Services – increase in fiscal years 2023-25: 2%

Other Maintenance and Chemicals – increase fiscal years 23-25: 1.4%

Postage – increase fiscal years 2023-25: 5%

Property Insurance – increase in fiscal years 2023-25: 6%

Publications – increase in fiscal years 2023-25: 3%

TITF (CRA) Payments – increase in fiscal years 2023-25: 5%

Utilities – increase in fiscal years 2023-25: 2%

Medical Supplies – increase in fiscal years 2023-25: 3%

Food & Dietary – increase in fiscal years 2023-25: 4%

Vehicle Maintenance -Related Costs – increase in fiscal years 2023-25: 1.4%

All Other Operating – increase based on CPI in fiscal years 2023-25: 1.4%

Fund: 120 – Municipal Service District

Interfund Transfers:

Road Maintenance – transfer portion of utilities tax for road repairs and safety-related maintenance in the unincorporated area to the Transportation Trust Fund (103), fiscal years 2022-25: \$4 million.

VCSSO Evidence Facility/Forensic Lab – Debt Service – fiscal year 2021-22: \$465,778. This debt matures in December of 2037.

Building Fund - transfer of MSD revenues in the amount of \$735,271 as a subsidy to balance operational expenditures in the Building Fund (117). The will be an on-going transfer each fiscal year in the amount necessary to balance the Building Fund.

Sheriff Operating Transfer – This transfer is required to fulfill budgetary needs of the Office of the Sheriff, in order to provide municipal like services to the unincorporated areas of Volusia County. The total transfer is offset by monthly revenue remitted to the County by the Sheriff for city contract revenue.

Reserves:

Reserve – set aside for increased operational costs and capital needs as necessary.

Reserve Debt Service – set aside to offset debt service payments throughout the forecast period.

Emergency Reserves – forecasted at 10% in accordance with Council reserve policy.

Expenditures by Category FY 2021-22

Fund: 140 - Fire Rescue Services

Fund Overview

The Fire Rescue Services Fund established in fiscal year 1999-00 and replaced six (6) separate fire districts. Creation of the unified district was to provide a uniform level of service at a single tax rate. There are 19 stations in the Fire District with one staffed by volunteers. Fire Administration manages the fire station at the Daytona Beach International Airport, funded by the airport fund, and a central HAZMAT station, funded by the general fund.

Assumptions

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 51.

Revenues:

Ad Valorem Taxes – based on taxable value multiplied by the millage rate per thousand. The millage rate of 3.8412 will be utilized in fiscal year 2021-22. In fiscal years 2023-25 the taxable property values are estimated to increase 2.0% throughout the forecast period.

Transport Services – received when Fire Rescue Services provides emergency transport services in the unincorporated area. Transport revenue estimated to be flat throughout the forecasted period.

Lake Helen Contract – this revenue is the amount that is equal to what the City of Lake Helen would have paid if it were still in the unified fire rescue district.

Intergovernmental Revenues – the revenues included in this category are from the payments in lieu of taxes, which are payments by the federal governments that help offset the losses in property taxes due to nontaxable federal lands within the taxing districts boundaries. The other intergovernmental revenue included in this category is reimbursement from the state for firefighters with college degrees.

Miscellaneous Revenues – this revenue is primarily investment income, estimated to increase 1% throughout the forecast period.

Fund: 140 - Fire Rescue Services

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – increase by 5% in fiscal year 2022 and 6% in fiscal years 2023-25.

Worker's Compensation - fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 185 Funded Positions: 182 Unfunded Positions: 3

Operating Expenditures:

Contracted Services – increase FY22-24: 2%.

Fuel – remains flat in FY21-22 increase FY23-24: 5%.

Insurance-Liability – increase in fiscal years 2022-24: 6%.

Janitorial Services – increase FY22-24: 2%

Other Maintenance and Chemicals – increase FY22-24: 2.3%.

Postage – increase FY22-24: 5%.

Property Insurance – increase in FY22-24: 6%.

Tax Service Charge – average increase FY22-24: 1.4%.

TITF (CRA) Payments – increase FY 2022-23: 17.2%, FY 2023-24: 15.4%, FY 2024-25: 14%.

Utilities – increase FY22-24: 2%.

Vehicle Maintenance -Related Costs – increase FY22-24: 2.3%. (Avg. of replacement and non-replacement vehicle maintenance cost projections)

Fund: 140 - Fire Rescue Services

Capital Outlay & Capital Improvements – allocated per division’s capital replacement plans. A summary is below:

FUND: 140 Fire Services Fund

*Fiscal year 2021-22 taxable property value increase is 7.5% over Post VAR FY21 values

Fund: 160 – ECHO

Fund Overview

In 2000, voters elected to levy up to .2 mill of ad valorem tax for 20 years to create the ECHO program. In 2020, the ECHO program was up for vote again in which the voters elected to keep the program running until 2040. The ECHO program provides funding for Environmental, Cultural, Historical, and Outdoor recreation capital projects. Non-profit and municipal organizations within the County's boundaries, including the County, are eligible to apply for grant funding to assist with acquisition, restoration, construction or improvement of facilities to be used for any of the four criteria (ECHO) of the program. The levy of this millage will expire in fiscal year 2039-40.

On June 3, 2004, the County Council approved allocation of \$1 million dollars of ECHO funds each year for the countywide Master Trail Program for the remaining life of the ECHO program. Starting in FY 22, \$1.5 million dollars will be allocated to the countywide Master Trail Program. This amount is transferred to the Trails Capital Fund (328).

Assumptions

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by fund page 56.

Grant awards from prior years that are carried forward until project completion are not included in the forecast.

Revenues:

Ad Valorem Taxes – this revenue is based on taxable value multiplied by the millage rate per thousand. The millage rate of 0.0 was the rate for fiscal year 2020-21. Prior to this, the millage rate of 0.2000 has been authorized by Council and has remained the same since fiscal year 2001-02. The fiscal year 2021-22 taxable property values are projected to increase 7.6% over Post VAB fiscal year 2020-21 values.

Miscellaneous – investment income that comes from interest payments, dividends, capital gains collected upon the sale of security or other assets.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2020-21 rate increased by 6%; increased for estimated medical inflation, and 6% in fiscal years 2023-25.

Total Positions: 3 Funded Positions: 3

TITF (CRA) Payments – rate times increased value estimated at 4.5%.

Fund: 160 – ECHO

Expenditure of funds for ECHO is as outlined by County Council.

\$8,311,713

Fund Expenditures - FY 2021-22
\$6,492,640

Fund: 002 – Emergency Medical Services

Fund Overview

During fiscal year 2010-11, the County Council voted to assume countywide emergency ambulance transport services from the Emergency Medical Foundation, also known as EVAC and established this fund beginning October 1, 2011, to account for the costs of emergency transport services in Volusia County. Current operations are funded by revenues from ambulance billing, Public Emergency Medical Transportation (PEMT) reimbursement program revenue, special event charges, and General Fund contribution.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in Adopted Budget Document, Budget by Fund page 10.

Revenues:

Ambulance Fees Net of Required Adjustments – fiscal year 2021-22 is based on the total estimated transports of 53,173 and an average unit of \$343.79 per transport. Fiscal years 2023-25 transports are estimated to have 1.7%, 3.3% and 4.8%, respectively. Below is a summary of estimated transports for throughout FY 2021-22 and the forecasted period:

Fiscal Year	FY 2022	FY 2023	FY 2024	FY 2025
Estimated Transports	53,173	54,093	55,893	58,593

In fiscal year 2019-20 The Florida State Legislature authorized the expansion of the PEMT program, which provides supplemental payments to publicly-owned and operated emergency medical transportation providers. By expanding the PEMT program to include the managed care organization (MCO), Volusia Emergency Medical Services (EMS) is able to leverage the 61% federal share of costs by providing the state share, approximately 39% through an intergovernmental transfer. Under this program, the County receives reimbursement by the MCO providers for the supplemental payments totaling 100%. Total fiscal year 2021-22 reimbursement projected at \$2,938,242, flat throughout the forecast period.

Miscellaneous Revenue – fiscal years 2022-25 reflect estimated charges for special events and educational training. Volusia County performs all billing functions for transports done by both the County and the municipalities.

The management fee for ambulance billing services performed for other municipalities is also included.

General Fund Contribution:

The chart below shows the history of General Fund contributions:

	FY 2016	FY 2017	FY 2018	FY 2019	FY 2020	FY 2021	FY 2022
General Fund	4,524,290	4,870,300	6,065,654	5,897,416	8,314,285	7,584,835	7,169,252
Equates to Millage Rate	0.1736	0.1745	0.2024	0.1808	0.2361	0.1981	0.1745

Fund: 002 – Emergency Medical Services

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate increased by 6%; increased for estimated medical inflation, and 6% in fiscal years 2023-25.

Worker’s Compensation – fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 243

Funded Positions: 243

Unfunded Positions: 0

Operating Expenditures:

Fuel – 8% increase in fiscal year 2021-22, increase fiscal year 2023-25: 2%.

Insurance-Liability – increase in fiscal years 2023-25: 6%.

Medicine and Medical Surgical Supplies – increase fiscal years 2023-25: 5%.

Other Maintenance of buildings and grounds – increase fiscal years 2023-25: 2.3%.

Postage – increase fiscal years 2023-25: 5%.

Property Insurance – increase fiscal years 2023-25: 6%.

Utilities – increase fiscal years 2023-25: 2%.

Vehicle Maintenance-Related Costs – increase fiscal years 2023-25: 1.4%.

Vehicle Lease Service Charge – remains flat in forecasted fiscal years 2023-25.

Fund: 002 – Emergency Medical Services

Capital Outlay – allocated per division’s capital replacement plan. A summary is below:

Fund: 002 Emergency Medical Services

Adopted Budget

County of Volusia

Fund: 003 – Coronavirus Transition Fund

Fund Overview

This fund was created in fiscal year 2020-21 to account for the use of the General Fund’s fund balance that was created by using CARES Act funding to pay for the salaries of Public Protection employees. In total, \$30 million that was previously allocated for personnel services in the General Fund was paid by the CARES Act which left the money unappropriated. This fund will provide full transparency on how the unappropriated balance is used.

Revenues:

Transfer of unappropriated fund balance from the General Fund as well as minor investment earnings.

Expenditures:

Capital Outlay & Capital Improvements - allocated per capital plan presented to Council on June 22nd, 2021. A summary is below:

Capital Outlay

Category Summary	FY2020-21	FY2021-22	FY2022-23	FY2023-24	FY2024-25
Radio Backbone Infrastructure	\$5,524,307	\$0	\$0	\$0	\$0

Fund: 103 – County Transportation Trust

Fund Overview

The County Transportation Trust is comprised of Public Works Services, Engineering & Construction, Road and Bridge, and Traffic Engineering Divisions. Revenue sources for the County Transportation Trust fund include: the 6 cents local option gas tax; 5 cents second local option gas tax; the 5th and 6th cent constitutional gas tax; 7th cent county gas tax; the 9th cent gas tax, and utility taxes transferred from the Municipal Service District Fund to be used for maintenance services provided in the unincorporated areas of the County.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in Adopted Budget Document, Budget by Fund page 11.

Revenues:

For the purpose of this forecast, all gas tax revenues are combined under the Gas Taxes category. Gas Tax collections for the forecast period are based on historical trends and U.S. Energy Information Administration (EIA) Short-Term Energy Outlook. Collections are based on the number of motor and diesel gallons sold in Volusia County. Operating revenues generated from gas tax revenues are expected to start to recover from the reductions realized during the COVID-19 pandemic. This decline required the use of all of the Revenue Stabilization reserves and some Future Capital Reserves to offset expected revenue losses. Operating revenues are projected to slowly recover beginning in fiscal year 2021-22 and continue through the remainder of the forecast period at an average growth rate of 1%.

Miscellaneous – based on increased earnings trends.

Transfer In – transfer of a portion of utility tax collected in the Municipal Service District Fund (MSD) based on deferred maintenance needs of local transportation infrastructure in unincorporated Volusia County. Over 60% of roadways are located in municipal service area. The forecasted period, fiscal years 2022-25, includes \$4.0 million annually.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates increase an average of 2.7% in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate will increase 6% over the fiscal year 2020-21 rate; increased for estimated medical inflation, by 6% in fiscal years 2023 through 2025.

Worker's Compensation - fiscal year 2021-22 based upon 5 year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 184

Funded Positions: 168

Unfunded Positions: 16

Fund: 103 – County Transportation Trust

Operating Expenditures:

- Contracted Services – increase fiscal years 2023-25: 1.4%.
- Fuel – increase in fiscal years 2023-25: 2%.
- Insurance-Liability – increase 6% fiscal years 2023-2025.
- Janitorial Services – increase 2% in fiscal years 2023-2025.
- Other Maintenance and Chemicals – increase fiscal years 2023-25: 1.4%.
- Postage – increase fiscal years 2023-25: 5%.
- Property Insurance – increase in fiscal years 2023-25: 6%.
- Utilities – increase fiscal years 2023-25: 2%.
- Vehicle Maintenance-Related Costs – increase fiscal years 2023-25: 1.4%.
- Vehicle Lease Service Charge – remain flat throughout the forecast period.

Capital Outlay & Capital Improvements - are allocated per division’s capital replacement plans. A summary is below:

Capital Outlay

	FY 2022	FY 2023	FY 2024	FY 2025
Automotive	\$587,000	\$746,000	\$285,000	\$685,000

Total	\$7,117,850	\$6,310,000	\$6,375,000	\$4,235,000

* \$1,437,850 carry forward from prior year appropriations

** Pursuing grant funding \$2.4m for FY2024

Interfund Transfers:

Transfer to Williamson Boulevard Capital Improvement Revenue Note, Series 2015 Debt Service Fund (209).

Reserves:

- Future Capital – set aside for planned transportation related projects.
- Revenue Stabilization – reserves are set aside to offset volatility in various revenue streams.
- Contingency – to address unexpected one-time priority expenditures related to unplanned operational expenses.

FUND: 103 County Transportation Trust

Fund: 106 – Tourist Development Tax

Fund Overview

The Tourist Development/Resort Tax was enacted in 1978 levying a two percent tax on short term rentals of living accommodations for six months or less. On April 24, 2003 the Volusia County Council adopted Ordinance 2003-07 raising the tax to three percent effective July 1, 2003. Revenue from these funds are pledged to secure and liquidate revenue bonds for the acquisition, construction, extension, enlargement, remodeling, repair, improvement, maintenance, operation or promotion of one or more publicly owned and operated convention centers, sports stadiums, sports arenas, coliseums, or auditoriums within Volusia County. These funds provide for debt service expenditures on the 2004 Tourist Development Tax Bond issue and the Tourist Development Tax Refunding Revenue Notes, Series 2014A and 2014B for the construction and expansion of the Ocean Center.

Volusia County, as a charter county, was authorized by state statute and local ordinance to self-administer and collect the tax. There is a 2% service charge for this activity on two of the three cents.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in Adopted Budget Document, Budget by Fund page 18.

Revenues:

Tourist Development Tax – For fiscal year 2021-22 resort tax collections are based on economic trend analysis. For fiscal year 2022-23, growth is estimated at 3%, for fiscal year 2023-24, growth is estimated at 2.5%, and for fiscal year 2024-25, growth is estimated at 2%.

Expenditures:

Interfund Transfers for Debt Service are based on debt service schedules per bond covenants.

- Tourist Development Tax Refunding Revenue Bonds, Series 2004 (Fund 203).
- Tourist Development Tax Refunding Revenue Notes, Series 2014A and 2014B (Fund 202).
- Ocean Center Operations - net of the above debt requirements and collection fee.

Collection and administrative fee – 2% of applicable collections.

County of Volusia

Fund: 106 Tourist Development Tax

Fund: 108 – Half Cent Sales Tax

Fund Overview

The primary purpose for the Sales Tax Fund is to record the County's receipt of the Half-Cent Sales Tax that is received from the State of Florida on a monthly basis. Funds are authorized by F.S. 212.20(6) and 218.60-.67 for countywide purposes, including debt service. The Half-Cent Sales Tax is allocated per statutory formula based on population.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund Page 19.

Revenues:

For fiscal year 2021-22, the Sales Tax revenue is budgeted with a 1% increase over the 2020-21 estimate as recovery from COVID-19 is expected to continue.

For fiscal years 2023-25, Sales Tax revenues forecasted at an annual growth rate of 1.5%.

FUND: 108 Half Cent Sales Tax

Fund: 118 – Ocean Center

Fund Overview

The Ocean Center provides convention and tourism visitors with a quality convention, entertainment and sports venue in Volusia County. The Ocean Center is funded primarily by the three cent Tourist Development Tax (per F.S. § 125.0104) which is primarily used to pay for the construction and expansion of the Ocean Center. Taxes after debt service and service charge requirements are satisfied, are transferred to the Ocean Center Fund.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 26.

Revenues:

Charges for Services – event-related revenues which include arena, equipment, conference room, and concession fees.

- Fiscal year 2020-21 Estimate – based on historical analysis and YTD collections.
- Fiscal year 2021-22 – based on booked events and historical analysis.
- Fiscal years 2022-23, 2023-24, and 2024-25 – projected with a 1.5% increase throughout the forecast period.

Coordinated Marketing – agreement with Halifax Advertising Authority, which provides funding for coordinated marketing at \$400,000 per year.

Transfer from Tourist Development Tax – based on anticipated collections, net of debt service and service charges for each year.

	FY 2017	FY 2018	FY 2019	FY 2020	FY 2021 Est.	FY 2022	FY 2023	FY 2024	FY 2025
Transfer from 106	\$7,044,048	\$7,145,865	\$7,567,367	\$5,789,352	\$7,352,948	\$7,535,544	\$8,127,379	\$8,428,788	\$8,688,022

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2020-21 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2020-21 rate increased by 6%; increased for estimated medical inflation, and 6% in fiscal years 2023-25.

Worker's Compensation - fiscal year 2020-21 based upon 5 year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 41

Funded Positions: 37

Unfunded: 4

Fund: 118 – Ocean Center

Operating Expenditures:

- Contracted Services – increase fiscal years 2023-25: 4%.
- Fuel – increase fiscal years 2023-25: 2%.
- Property Insurance – increase in fiscal years 2023-25: 6%.
- Insurance-Liability – increase in fiscal years 2023-25: 6%.
- Other Maintenance and Chemicals – increase fiscal years 2023-25: 1.4%.
- Postage – increase fiscal years 2023-25: 5%.
- Utilities – increase fiscal years 2023-25: 2%.
- Vehicle-Maintenance Related Costs – increase fiscal years 2023-25: 1.4%.

Capital Outlay and Capital Improvements – are allocated per division’s capital replacement plan. A summary is below:

Capital Outlay & Improvements

	FY 2022	FY 2023	FY 2024	FY 2025

Fund: 118 – Ocean Center

Interfund Transfers:

Ocean Center Debt Service: This obligation consists of the Ocean Center piece of the Capital Improvement Revenue Note, Series 2010. This debt was incurred to finance the Ocean Center expansion project. The fiscal year 2020-21 transfer to Debt Service Fund 208 is \$698,136. The Ocean Center segment of this note matures in December of 2030.

For fiscal year 2020-21, there is a one-time loan to the Parking Garage in the amount of \$500,000 for capital projects. In fiscal year 2021-22, there is a one-time loan to the Parking Garage in the amount of \$1,200,000 for the Garage Deck Rehab.

Transfer to 318 – construction, renovation, and significant improvements of building and grounds (see Fund 318 for detailed project list).

Year	FY 2017	FY 2018	FY 2019	FY 2020	FY 2021 Est.	FY 2022	FY 2023	FY 2024	FY 2025
Transfer to 318	\$2,432,178	\$2,007,078	\$2,821,296	\$500,000	\$1,000,000	\$2,000,000	\$3,000,000	\$3,000,000	\$3,500,000

Reserves:

Revenue Stabilization - are set aside to offset volatility in various revenue streams such as various revenues related to event bookings and the TDT transfer, and to provide for unexpected expenditures.

Reserve for Future Capital – are to be utilized to fund the Ocean Center’s capital improvements.

Fund: 123 – Inmate Welfare Trust Fund

Fund Overview

The Corrections Welfare Trust Fund, commonly referred to as the Inmate Welfare Trust Fund, established in compliance with statutory authority (Chapter 951.23(9), F.S.). Resources in the fund are to provide and maintain services that benefit the inmates at the County Jail and Correctional Facility.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 36.

Revenues:

Revenue in this fund is generated from commissary sales profits, telephone commissions, video visitation commissions, tablet commissions and an inmate mowing program. Revenue has a very conservative growth factor of 1% throughout the forecasted years. The inmate mowing contract is flat through the forecasted years due to unknowns in the renewal of contracts.

The County Council at the 7/01/19 meeting approved an agreement for a new inmate and public telephone and video visitation system. The new systems will include enhanced features, such as providing inmates with access to educational content through tablets, and will help the public by providing the capability of remote inmate video visitation via smart phones and computers.

This agreement provides a minimum annual guarantee (MAG) of \$880,000. At the end of each year, if the revenue received as inmate phone commissions by the County has not reached this minimum amount the vendor is responsible for paying the variance to the County. The revenues for phone commissions, video visitation commissions, tablet/entertainment commissions, and commissary commissions are in separate revenue lines.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate will remain flat with the fiscal year 2019-20 rate; increased for estimated medical inflation, by 6% in forecast fiscal years 2023-25.

Worker's Compensation - fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 13

Funded Positions: 13

Unfunded Positions: 0

Fund: 123 – Inmate Welfare Trust Fund

Operating Expenditures:

Contracted Services – increase fiscal years 2023-25: 3%.

Maintenance of Bldgs & Grounds – increase fiscal years: 2.3%.

Fuel – remains flat fiscal years 2023-25.

Insurance-Liability – increase in fiscal years 2023-25: 6%.

Capital Outlay - allocated per division’s capital replacement plan. A summary is below:

Capital Outlay

	FY 2022	FY 2023	FY 2024	FY 2025
Dump Trailer	\$16,000	\$0	\$0	\$0
Fork Lift/Lull	\$100,000	\$0	\$0	\$0

County of Volusia

FUND: 123 - Inmate Welfare Trust

Adopted Budget

County of Volusia

Fund: 130 - Economic Development

Fund Overview

The Economic Development fund was created in 2001 to promote and implement the County Council's goals for a countywide economic development program. The Division of Economic Development (DOED) receives funding from the General Fund to support all economic development programs and services, including the County's legislative efforts related to state and federal issues of importance. Economic development programming focuses on the expansion and retention of existing Volusia County businesses through collaboration with local municipalities and key community stakeholders such as CareerSource Flagler/Volusia. The Division funds business recruitment by the Team Volusia Economic Development Corporation and supports, as appropriate, the efforts of the CEO Business Alliance. Local funds are leveraged through state incentive programs such as the Qualified Targeted Industry (QTI) Tax Refund program, which generates state incentive funding, when needed, to assist the expansion of qualifying Volusia County manufacturers and other higher wage businesses.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 41.

Revenues:

The chart below is a history of the General Fund's efforts towards economic development:

	FY 2018	FY 2019	FY 2020	FY 2021	FY 2022
General Fund	\$4,269,997	\$4,290,225	\$4,310,252	\$4,330,372	\$4,350,587
Equates to Millage Rate	0.1429	0.1322	0.1225	0.1132	0.1057
Total	\$4,269,997	\$4,290,225	\$4,310,252	\$4,330,372	\$4,350,587

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 employer contribution increased to \$9,540, an increase of 6% over the FY 2020-21 rate. Increased for estimated medical inflation, by 6% in fiscal years 2023-25.

Worker's Compensation – fiscal year 2021-22 based upon 5 year claim experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 10

Funded Positions: 8

Unfunded Positions: 2

Fund: 130 - Economic Development

Operating Expenditures:

- Contracted Services – increased in fiscal years 2023-25: 4%.
- Fuel – increased in fiscal years 2023-2025: 2%.
- Insurance-Liability & Property – increased fiscal years 2023-25: 6%.
- Maintenance and Chemicals – increased in fiscal years 2023-25: 1.4%.
- Postage – increased in fiscal years 2023-25: 5%.
- Utilities – increased fiscal years 2023-25: 2%.
- Vehicle Maintenance Related Costs – increased in fiscal years 2023-25: 1.4%.
- Publications – increased in fiscal years 2023-25: 3%.
- All Other Operating Expenses – increased in fiscal years 2023-25: 1.4%.

Legislative program includes the salary for one employee and the contracts for the state lobbyist and federal lobbyist approved by County Council annually.

Incentive Program:

Team Volusia – the contract with Team Volusia for recruiting new businesses to Volusia County is subject to annual funding reaffirmation by County Council. (Budgeted at **\$250,000** annually)

Volusia County Small Business Incubator –A new program developed to help provide information and resources to small businesses in Volusia County. (Budgeted at **\$250,000** annually)

Incentive Program – approximately **\$9.8 million** for award incentive grants as approved on a case-by-case basis by Council.

Carry Forward Incentives – total available, at the end of fiscal year 2020-21 and rolled over to fiscal year 2021-22, unobligated Prior Year Incentive Funds are estimated to be **\$7,616,296** available in fiscal year 2021-22.

All operations outside of incentive program or incentive grant funding is budgeted at \$1,601,884, which represents 37% of budgeted operating revenue in FY 2021-22. This leaves an additional **\$2,194,230** of new funding for incentives.

A reserve for grant match is budgeted in FY 2021-22 as a set aside local match for a possible Economic Development Agency (EDA) grant opportunity. If this grant is not awarded the **\$1,000,000** will become unobligated incentive funding.

FUND: 130 Economic Development

Fund: 159-Stormwater Utility

Fund Overview

Stormwater Utility is operated under the authority of Volusia County Ordinance Chapter 122, Article IV. The Stormwater Utility Fund was established in 1993 and is funded by a special assessment fee on parcels in unincorporated Volusia County. The Stormwater Fee was originally assessed in fiscal year 1993-94, as established by Ordinance 92-89. The fee is collected on developed lots or parcels, based on the impervious surface calculated for an Equivalent Residential Unit (ERU). The fee was revised in 2005 to \$72 per year per ERU. The fee is to fund the Stormwater Management System is designed to control discharges from rainfall and runoff, and to collect, store, treat or reuse water to prevent or reduce flooding, environmental degradation and water pollution.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 60.

Revenues:

Stormwater Assessment Charges are anticipated to remain flat throughout the forecast period.

Charges for Labor for services outside of County government are forecasted at \$45,000 throughout the forecast period.

Miscellaneous revenues are projected at \$30,744 throughout the forecast period.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates increase an average of 2.7% in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate will increase 6% over the fiscal year 2020-21 rate; increased for estimated medical inflation, by 6% in fiscal years 2023 through 2025.

Worker's Compensation - fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

County of Volusia

FUND: 159 Stormwater Utility

Adopted Budget

County of Volusia

Fund: 450 – Solid Waste

Fund Overview

The Solid Waste Division operates under the authority of F.S. § 403.706 for local government solid waste management responsibilities, and Volusia County Ordinance Chapter 106, Solid Waste. The primary function of the Solid Waste Division is to provide safe and efficient transfer and disposal of solid waste at two facilities: West Volusia Transfer Station and Tomoka Farms Road Landfill. Multiple services include Class I, Class III, and construction/demolition waste disposal. Public-private partnership programs include recycling, and other special wastes services including household hazardous waste disposal and electronics and fluorescent bulb recycling.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 95.

Revenues:

Landfill Charges - Tipping Fees – fiscal year 2022 increases 7% over fiscal year 2021 and then increases 3% over the forecast period.

Franchise Fees and Hauling Permits – are anticipated to increase 17% in fiscal year 2022 and remain flat throughout the forecast period.

Miscellaneous revenues – rent, sales, and interest reflect increases in rental agreements and one-time revenues realized from sale of surplus equipment.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates increase an average of 2.7% in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate will increase 6% over the fiscal year 2020-21 rate; increased for estimated medical inflation, by 6% in fiscal years 2023 through 2025.

Worker's Compensation – fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 68

Funded Positions: 68

Unfunded Positions: 0

Fund: 450 – Solid Waste

Operating Expenditures:

- Contracted Services – increase fiscal years 2023-25: 1.4%.
- Fuel – fiscal years 2023-25: 2%.
- Insurance-Liability – increase in fiscal years 2023-25: 6%.
- Janitorial Services – increase in fiscal years 2023-25: 2%.
- Other Maintenance and Chemicals – increase fiscal years 2023-25: 1.4%.
- Postage – increase fiscal years 2023-25: 5%.
- Property Insurance – increase in fiscal years 2023-25: 6%.
- Utilities – increase fiscal years 2023-25: 2%

Long-Term Care – Increased 5% in fiscal year 2022 and 3% throughout the remainder of the forecast period. The County is required to provide long-term care for a period of 30 years for closed disposal sites at the landfill. Projection is based on the current Implicit Price Deflator for Gross National Product published by the US Department of Commerce as included in the Financial Responsibility Closure and Long-Term Care Report, 2018.

FUND: 450 Solid Waste Fund

Fund: 451 - Daytona Beach International Airport

Fund Overview

Daytona Beach Municipal Airport became part of Volusia County government in 1969, as the Daytona Beach Regional Airport. In 1992, a \$46 million expansion transformed the facility into the Daytona Beach International Airport (DBIA). The operations are authorized under Chapter 18 of the Volusia County Code. Three commercial airlines and seven rental car companies, providing passengers with premiere customer service, convenience and hassle-free travel, serve the airport. Airline fees, passenger fees and rental income generate the operating revenues for the airport. DBIA provides facilities and services to NASCAR, Embry-Riddle Aeronautical University and many other local industries. The terminal also contains space for meetings, banquets and many corporate events. DBIA offers and maintains leases for land and buildings for hotel, restaurant, office, cargo, hangar, and industrial spaces on airport property. Capital Improvement projects are funded primarily through Federal Aviation Administration and Florida Department of Transportation grants and are appropriated via Council-adopted budget resolutions when the grants are awarded.

Assumptions

Fiscal year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 98.

Revenues:

Business Income – Due to the Impact of the COVID-19 on the local travel industry airline and passenger traffic remained depressed compared to pre-pandemic levels. However, a faster than expected improvement in airline and passenger traffic has prompted staff to budget most business income related to airlines, terminal concessions, airfield rentals, hangar rentals, and special events at approximately 75% of their FY19 pre-pandemic levels. Business income for building and land rentals are budgeted at 100% of their pre-pandemic levels as all tenants are currently paying per their leases. Due to the unknowns associated with the area's economic recovery the business income revenues are projected flat throughout the forecast period.

Federal Airport Aid – annual support from the Federal Aviation Administration (FAA) as an entitlement grant that funds capital projects now that all bond debt has been retired. (This entitlement grant is based on passenger enplanements and is awarded annually)

Miscellaneous Revenues – interest and other miscellaneous revenue such as payment in lieu of taxes and stormwater assessment charges are flat throughout the forecast period.

As part of the federal CARES Act approved by Congress in response to the economic situation created by the COVID-19 crisis the Daytona Beach International Airport became eligible for grant funding through Title XII of Division B of that act. These grant funds were allocated in the legislation to support U.S. airports experiencing severe economic disruption caused by the COVID-19 public health emergency. As part of this federal program, DBIA was awarded a reimbursable grant for up to \$21,053,492. The Federal Aviation Administration will distribute grant funds as reimbursements for actual expenses deemed eligible under the grant guidelines. Per grant stipulations, the airport will have four years to qualify for reimbursement under this grant.

Fund: 451 - Daytona Beach International Airport

In FY 2020-21 the Daytona Beach International Airport became available for federal grant funds under the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA Act) through Division M of the Consolidated Appropriations Act, 2021; Public Law 116-260. The first allocation of funding (\$2,668,019) is for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments. However, any airport development (capital) must be directly related to combating the spread of pathogens at the airport. Additionally, Daytona Beach International Airport is also eligible for a second round of funding for concessions' relief funds (\$72,994) under the CRRSA Act. These funds have been budgeted in FY 2021-22.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 employer contribution increased to \$9,540, an increase of 6% over the FY 2020-21 rate. Increased for estimated medical inflation, by 6% in fiscal years 2023-25.

Worker's Compensation – fiscal year 2021-22 based upon 5 year claim experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 49 Funded Positions: 49 Unfunded Positions: 0

Operating Expenditures:

Contracted Services – increased in fiscal years 2023-25: 4%.

Fuel – increased in fiscal years 2023-2025: 2%.

Insurance-Liability & Property – increased fiscal years 2023-25: 6%.

Maintenance and Chemicals – increased in fiscal years 2023-25: 1.4%.

Postage – increased in fiscal years 2023-25: 5%.

Utilities – increased fiscal years 2023-25: 2%.

Vehicle Maintenance Related Costs – increased in fiscal years 2023-25: 1.4%.

Publications – increased in fiscal years 2023-25: 3%.

Sheriff Security Contract – increased in fiscal years 2023-25: 5%

All Other Operating Expenses – increased in fiscal years 2023-25: 1.4%.

Transfers:

In FY 2021-22 in an effort to restructure the airport fund to better segregate the Passenger Facility Charge (PFC) and the Customer Facility Charge (CFC) as revenues with specified and restricted uses

Fund: 451 - Daytona Beach International Airport

these revenue streams and their residual balances will be transferred to new funds. These funds are the Passenger Facility Charge Fund (452), and the Customer Facility Charge Fund (453). The transfers to each fund are one-time events as the revenue for each source will be collected going forward in the new funds.

FY 2021-22 Transfer to Passenger Facility Charge Fund 452 – (One-Time)	FY 2021-22 Transfer to Customer Facility Charge Fund 453 – (One-Time)
\$2,178,601	\$1,702,855

Projects that were previously part of the airport operating fund (451) capital plan that were being funded 100% by the PFC revenues have been moved to the newly created PFC fund (452). A summary of those projects can be seen below:

(PFC funded) Capital Outlay & Improvements (452 Fund)

	FY 2022	FY 2023	FY 2024	FY 2025
Pre-conditioned Air for PBB	\$750,000	\$0	\$0	\$0
Passenger Boarding Bridge Replace	\$0	\$0	\$6,000,000	\$0
Sweeper Truck	\$0	\$500,000	\$0	\$0
Terminal High Mast Lighting Replace	\$0	\$0	\$1,500,000	\$0
Total	\$1,725,454	\$500,000	\$7,500,000	\$0

Also in FY 2021-22 the airport will have a third new fund dedicated to housing the airport’s many grant-funded projects. This new fund will be the Airport Grant Projects Fund (454), and each year depending on the airport’s current project schedule a transfer from the airport operating fund (451) to the airport grant projects fund (454) will occur to meet the local match obligations required of the various grant projects. The transfers budgeted in the forecast can be seen broken down below by planned project and fiscal year.

Grant Local Match Obligations

Year	*FY 2022	FY 2023	FY 2024	FY 2025
Security System Replacement*	\$1,500,000	\$0	\$0	\$0
Taxiway Tango Rehabilitation	\$0	\$0	\$0	\$500,000
Taxiway Sierra	\$0	\$0	\$2,000,000	\$0
Terminal Chillers	\$0	\$0	\$90,000	\$800,000
Runway 7R-25L	\$0	\$2,000,000	\$0	\$0
Runway 25R RSA / ROFA	\$5,450	\$54,500	\$0	\$0
Roof Rehabilitation*	\$300,000	\$0	\$0	\$0
Airfield Lighting Sys – LED Conversion	\$22,795	\$0	\$0	\$0
Parking Lot Improvements*	\$1,180,000	\$0	\$0	\$0
Rnwy 7R-25L, Tango, Sierra Design*	\$500,000	\$0	\$0	\$0
Stormwater Retention Pond	\$0	\$197,500	\$452,500	\$0
Future Capital Projects	\$0	\$15,000	\$64,220	\$502,500
Total Transfer Amount:	\$3,508,245	\$2,267,000	\$2,606,720	\$1,802,500

*\$3,230,000 carry forward from prior year appropriations.

Fund: 451 - Daytona Beach International Airport

Capital Outlay & Improvements – are allocated per division’s capital replacement plans. A summary of the remaining capital outlay and improvements in the airport operating fund (451) is below:

Capital Outlay & Improvements

Year	FY 2022	FY 2023	FY 2024	FY 2025
800 MHz Handheld Radios	\$37,464	\$0	\$0	\$0
Elevator Control/Cab Upgrades	\$200,000	\$0	\$0	\$0
Hangar Roof Replacement	\$0	\$0	\$0	\$250,000
NextGen Bldg Window Replacement	\$0	\$90,000	\$0	\$0
Parking Lot Pond Rehabilitation	\$0	\$250,000	\$0	\$0
Terminal EFIS Repairs & Painting	\$250,000	\$0	\$0	\$0
Terminal Renovations	\$385,000	\$0	\$0	\$0
Bobcat Compact Track Loader	\$70,000	\$0	\$0	\$0
Bobcat Sprayer	\$3,000	\$0	\$0	\$0
Compact High Speed Tractor w/bucket	\$0	\$45,000	\$0	\$0
FIS Generator (Customs)	\$0	\$100,000	\$0	\$0
Forklift	\$50,000	\$0	\$0	\$0
Fiber Optic Cable	\$0	\$25,000	\$0	\$0
Gator Utility Vehicle	\$18,000	\$0	\$0	\$0
Lightning Detection Equipment	\$25,000	\$0	\$0	\$0
Stand-Up Mowers	\$20,000	\$0	\$0	\$0
Portable Generator	\$0	\$2,000	\$0	\$0
Small Mower	\$0	\$6,000	\$0	\$0
Light Cart Towers	\$0	\$48,000	\$48,000	\$48,000
Mowing Deck 15’ Batwing	\$0	\$0	\$0	\$42,000
Utility Trailers	\$0	\$0	\$10,000	\$0
Walk-Behind Brush Mower	\$0	\$4,000	\$0	\$0
Sweeper Truck	\$300,000	\$0	\$0	\$0
Plane Skate	\$35,000	\$0	\$0	\$0
Foreign Object Debris (FOD) Sweeper	\$8,000	\$0	\$0	\$0
Fire Equipment	\$28,490	\$0	\$0	\$0
Total	\$1,429,954	\$570,000	\$58,000	\$340,000

Debt Service:

Previous bond debt was retired in FY20 with the receipt of CARES Act funding directly by the airport. The only debt remaining in airport operating fund is a 2019 Capital Improvement Revenue Note that was taken out in FY19 to finance the majority of the terminal renovation project in the amount of \$12,000,000. The remaining principal, interest, and other debt service costs are forecasted according to the official debt amortization schedule. This note is scheduled to reach maturity in FY35.

Type of Financing	Original Amount	Fiscal Year 2021-22 budgeted debt service	Final Maturity
2019 Capital Improvement Revenue Note	\$12,000,000	\$971,500	December 1, 2034

Fund: 451 - Daytona Beach International Airport

Reserves:

Reserve for Maintenance and Operations – reserve set aside for the purpose of unexpected costs and contingencies within the general maintenance and operations of the airport. Set aside at 10% of Personnel Services, Operating Expenses, and Debt Service.

Reserves for Revenue Stabilization – reserves are set aside to offset volatility in various revenue streams such as: in the event of loss of a major carrier, the airport would lose approximately \$6 million per year in airline related revenue, including rent, landing fees, parking, rental car and other concessions, and passenger facility charges. As it can take multiple years to recruit new airline service, this reserve is set aside at 20% of business related income budgeted each fiscal year.

Reserves for Future Capital – are to be utilized to fund the Daytona Beach International Airport’s non-grant capital improvements and other projects that have not yet been identified as grant applicable.

Reserves for Local Grant Match – set aside local match for potential grant awards for all grant projects in forecasted years.

FUND: 451 Daytona Beach International Airport

Fund: 456 – Volusia Transportation Authority (VOTRAN)

Fund Overview

The Volusia County Council created Volusia County's Public Transportation System (VOTRAN) in 1975 to provide a bus transportation system serving all citizens in the county. VOTRAN also provides its Gold Service to clients who, because of physical or mental disability or age, are unable to transport themselves and cannot use the fixed-route service. VOTRAN's fleet includes 82 fixed-route buses and 72 paratransit vehicles. Three Sunrail (commuter rail) feeder bus routes, started in fiscal year 2013-14, are supported by funding from the Florida Department of Transportation as well as passenger fares (four routes were merged into three in fiscal year 2018-19). This budget is funded through passenger fares, ad valorem taxes, Federal Transit Administration and Florida Department of Transportation expenditures. Additional funds are derived from bus advertising and charges for services. VOTRAN's capital grants require no local funding and are appropriated when grant funds are awarded and, therefore, are not included in this forecast.

Assumptions

Fiscal year 2020-21 Budget – As outlined in Adopted Budget Document, Budget by Fund page 98.

Revenues (operating sources only):

Federal Mass Transit – is through the Federal Transit Administration and provides transit formula grants for urban areas to be used for planning, improvements, maintenance of equipment and facilities, and other operating costs. Reoccurring federal funding has and will remain flat throughout the forecast period. As a result of the COVID 19 pandemic Votran has received CARES act funding in FY 2019-20 amounting to approximately \$24 million dollars which will be used to help support operating costs and reduce the reliance on ad valorem tax over the next 3 years. In addition, in FY 2020-21 Votran received approximately \$10 million dollars of funding through the ARP act that will also be used to help offset operating costs.

State Mass Transit – Florida Department of Transportation provides block grants for public transit as well as grants for Transportation of the Disadvantaged, Commuter Assistance/Rideshare Programs, SunRail, Transit Corridor Programs and Transportation System Operations. Funding throughout the forecast period is expected to remain the same with slight increases.

Mass Transit Fare – the Federal Transit Administration requires a fare equity analysis and outreach plan, public hearings and community involvement for any rate change. Fares were down significantly approximately 33% in FY 2019-20 as a result of the pandemic. Because of the ongoing pandemic ridership levels remain below projections. This ridership decrease continues to affect fare revenues. Fiscal year 2021-22 continues to remain flat with FY 2020-21 projections. The slow return to normal ridership has been pushed out to FY 2022-23 and beyond.

Miscellaneous Revenues – revenues are projected as flat. The general fund contribution is evaluated each year. The forecasted increase reflects projected increases of operating assistance as the results of the CARES and ARP funding are used up.

Fund: 456 – Volusia Transportation Authority (VOTRAN)

The Volusia County Council approved the following service changes that will be implemented in June of 2021 and will impact the FY 2021-22 budget.

Route 25 – Howland, Deltona will be eliminated. This was a low ridership route. Passengers who were able to access Route 25 may be eligible for Transportation Disadvantaged services through Votran's Gold program.

Route 24 – Pierson, Seville will be eliminated and replace with Transportation Disadvantaged services through Votran's Gold service.

Route 44 – NSB will be replaced with Flex service that will continue to provide transportation to the area Wal-Mart

Below is a seven year history of the general fund contribution for transportation services. In fiscal years 2018 and 2019 the increase in General Fund contributions was attributed to the expansion of routes in New Smyrna Beach, Route 44, Deltona and Route 25.

	FY 2016	FY 2017	FY 2018	FY 2019	FY 2020	FY 2021	FY 2022
General Fund	\$7,035,653	\$8,400,131	\$11,111,109	\$11,901,612	\$7,703,615	\$5,000,000	\$5,000,000
Equates to Millage Rate	0.2698	0.3030	0.3707	0.3648	0.2189	0.1304	0.1244

Expenditures (excluding capital costs):

Contracted Services (personnel services):

Votran employees are not part of the Volusia County workforce and do not receive County benefits. In fiscal year 2021-22, one county employee is being partially charged to the Votran Fund.

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

Group Insurance – fiscal year 2021-22 shows a flat rate based on the current RFP process that is under way for the FY 2021-22 renewal period then after that a 3% for fiscal years 2023-25.

Total Positions: 335

Fund: 456 – Volusia Transportation Authority (VOTRAN)

Operating Expenditures:

Increases in operating costs, including vehicle maintenance and fuel are mainly due to the increased cost of those commodities. Contracted services (paratransit, management fees, and security) show a reduction in fiscal year 2021-22 and then an increase in the forecast period, mainly due to the reduction in trips for Paratransit services due to the COVID 19 Pandemic. Previous service levels are not anticipated to resume to full service until fiscal year 2022-23 or beyond.

Reserves:

Revenue for Revenue Stabilization – set aside to offset volatility of transit revenue streams.

Fuel Reserve – set aside for future fluctuation in fuel costs.

Transition Reserves – prior year’s fund balance to be used annually for smooth transition of local funding efforts.

Adopted Budget

County of Volusia

Page 555

FUND: 456 Volusia Transportation Authority (VOTRAN)

Fund: 457– Water & Sewer Utilities

Fund Overview

Water and Sewer Utilities are operated under the authority of Volusia County Ordinance, Chapter 122, Articles II, III and V. The Water Resources and Utilities (WRU) division is responsible for the operation of seven utility service areas providing water, wastewater, and reclaimed water services. This allows the division to generate its operating revenue through user fees. The organization owns and operates a total of nine water treatment facilities, seven wastewater treatment facilities, and four (4) consecutive water systems in compliance with all regulatory standards as established under the federal Safe Drinking Water Act and Clean Water Acts. The division also maintains 13 smaller water and wastewater facilities on behalf of other agencies.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 102.

Revenues:

Operating revenues generated from water and sewer services are expected to recover in fiscal year 2021-22 as a result of accelerated population growth and residential construction. Water and Sewer sales are expected to grow at a rate of 3.5% per year for the remainder of the forecast period with all other revenue increasing between 2% and 2.5%.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2021-22 increased per legislative action; rates increase an average of 2.7% in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2021-22 rate will increase 6% over the fiscal year 2020-21 rate; increased for estimated medical inflation, by 6% in fiscal years 2023 through 2025.

Worker's Compensation – fiscal year 2021-22 based upon 5-year claims experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 60 Funded Positions: 58 Unfunded Positions: 2

Operating Expenses:

Contracted Services – increase fiscal years 2023-25: 1.4%.

Fuel – fiscal years 2023-25: 2%.

Insurance-Liability – increase in fiscal years 2023-25: 6%.

Janitorial Services – increase 2% in fiscal years 2023-25.

Other Maintenance and Chemicals – increase fiscal years 2023-25: 1.4%.

Postage – increase fiscal years 2023-25: 5%.

Property Insurance – increase in fiscal years 2023-25: 6%.

Utilities – increase fiscal years 2023-25: 2%

Fund: 457– Water & Sewer Utilities

Capital Outlay & Capital Improvements - are allocated per division’s capital replacement plans. A summary is below:

Capital Outlay

	FY 2022	FY 2023	FY 2024	FY 2025
Various Replacement Equipment	\$175,000	\$275,000	\$300,000	\$325,000
TCU Upgrades (Telemetry)	\$25,000	\$50,000	\$50,000	\$25,000

Adopted Budget

County of Volusia

Page 559

Fund: 457 Water & Sewer Utilities

Fund: 475 – Parking Garage

Fund Overview

The Parking Garage was constructed in 2000 and operated as public-private partnership until the County assumed full ownership, management and operational responsibilities for it in fiscal year 2007-08. The major revenue sources for the Parking Garage fund are daily and special event parking receipts. The forecast includes principal and interest payments on debt that was issued to construct the garage and was assumed by the County when it acquired the facility.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page.

Revenues:

Trend analysis demonstrates minimal growth in Parking Garage revenues. Therefore, a conservative approach is used in this forecast. The maximum daily rate and the special events rate for parking fees were last adjusted by County Council on 10/15/2019.

Parking revenues – fiscal year 2021-22 is based on the YTD collections and the increased parking fee rates; fiscal years 2023-25 are forecasted to increase 0.5% respectively.

Transfer from Other Funds – For fiscal year 2020-21, there is a one-time transfer from the Ocean Center fund in the amount of \$500,000. In fiscal year 2021-22, there is a one-time transfer from the Ocean Center fund in the amount of \$1,200,000 for Garage Deck Rehab.

Expenditures:

Personnel Services:

Salaries – an annual wage adjustment equivalent to 4% or \$1.00 per hour is factored in to fiscal year 2021-22 and the forecast years in order to address compression and achieve the minimum wage mandate of \$15.00 per hour by 2026.

FRS – fiscal year 2020-21 increased per legislative action; rates remain flat in forecasted fiscal years 2023-25.

Group Insurance – fiscal year 2020-21 rate increased by 6%; increased for estimated medical inflation, and 6% in fiscal years 2023-25.

Worker's Compensation - fiscal year 2020-21 based upon 5 year claim experience, fiscal years 2023-25 increased 5% throughout forecast period.

Total Positions: 5

Funded Positions: 1

Unfunded Positions: 4

Fund: 475 – Parking Garage

Operating Expenditures:

- Contracted Services – increase fiscal years 2023-25: 4%.
- Utilities – increase fiscal years 2023-25: 2%.
- Postage – increase fiscal years 2023-25: 5%.
- Insurance-Liability – increase fiscal years 2023-25: 6%.
- Fuel – increase fiscal years 2023-25: 2%.
- Property Insurance – increase fiscal years 2023-25: 6%.
- Vehicle Maintenance Related Costs – increase fiscal years 2023-25: 1.4% (Avg. of replacement and non-replacement vehicle maintenance cost projections).

Capital Outlay and Capital Improvements – are allocated per division’s capital replacement plans. A summary is below:

Capital Outlay & Improvements

	FY 2022	FY 2023	FY 2024	FY 2025
Security Cameras	\$5,000	\$2,500	\$2,500	\$2,500
Display Monitors	\$1,800	\$0	1,800	\$0
Switches	\$0	\$5,000	\$5,000	\$7,500
Reseal & Restripe Parking Lots	\$0	\$0	\$30,000	\$0

Garage Deck Levels 3,4,5 Rehab	\$0	\$506,100	\$0	\$0
Design of Deck Rehab	\$165,000	\$180,000	\$0	\$0
Total	\$790,540	\$693,600	\$39,300	\$10,000

Debt Service:

Capital Improvement Revenue Note, Series 2013 (Parking Facility). This bond matures April 1, 2024.

Interfund Transfers:

General Fund loan repayment of \$298,655 is allocated over a 10 year period at \$29,866 per year. Payment to be completed in 2023.

Ocean Center loan repayment for a one-time amount of \$250,000 to be paid in fiscal year 2023-24, and for a one-time amount of \$1,000,000 to be paid in fiscal year 2024-25.

Reserves:

Revenue Stabilization - are set aside to offset volatility in various revenue streams such as various revenues related to special events, and to provide for unexpected expenditures.

Reserve for Future Capital – are to be utilized to fund the Parking Garage’s capital improvements.

Fund: 475 Parking Garage

Fund: 305 – 800 MHz Capital Fund

Fund Overview

This fund is used to account for the construction and upgrade of the 800 MHz public safety radio system. This includes technology upgrades consisting of software, equipment, GPS Simulcast, and radio towers. This upgrade will modernize the system to the P25 industry standard that allows different radio systems to communicate with one another. A modernization project for the County’s Fire Alerting System will occur later in the forecast time period.

Assumptions

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 80.

Revenues:

A portion of civil penalties received resulting from traffic infractions, as outlined in F.S. 318, is used for intergovernmental radio communication programs. This resource is used to fund local automation and is projected flat throughout the forecasted periods.

Expenditures:

Capital Improvements - are allocated per Information Technology’s capital improvement plan. A summary is below:

Capital Improvements				
	FY 2022	FY 2023	FY 2024	FY 2025
Deleon Springs Radio Tower	\$0	\$910,000	\$0	\$0
Backbone Infrastructure/Tower Upgrades	\$450,000	\$0	\$0	\$0
Total	\$450,000	\$910,000	\$0	\$0

Fund: 309 – Correctional Facilities

Fund Overview

This fund is to account for various capital projects at the Correctional Facility and Branch Jail. A data, voice, and security network assessment for these facilities at the end of fiscal year 2015-16 identified general plans and costs for infrastructure upgrades. These upgrades are required in order to move forward with the replacement of computer systems such as video visitation, inmate phone system and the jail management system.

Assumptions

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 81.

Anticipated network upgrades began in fiscal year 2018-19.

Revenues:

Interfund transfers from General Fund in fiscal year 2017-18 through fiscal year 2021-22 are allocated for Correctional Facility’s portion of the network infrastructure upgrade. The total contribution through the five fiscal years will total \$10,164,000.

General Fund Contribution:

The chart below shows past and future projections of General Fund contributions:

	FY 2018	FY 2019	FY 2020	FY 2021	FY 2022	FY 2023
General Fund	\$396,000	\$600,000	\$2,868,000	\$4,523,271	\$1,776,729	\$0
Total	\$396,000	\$600,000	\$2,868,000	\$4,523,271	\$1,776,729	\$0

Expenditures:

Capital Outlay & Capital Improvements – are allocated per the Correction Division’s capital replacement plans. A summary is below:

Capital Improvement/Capital Outlay

	FY 2021	FY 2022	FY 2023	FY 2024
Security System Upgrade	\$464,490	\$9,079,410	\$0	\$0
Total	\$4,708,931	\$9,079,410	\$0	\$0

Fund: 313 – Beach Capital Projects

Fund Overview

This fund is used to account for various beach related capital projects. Such projects may include parking development, maintaining current infrastructure of the beach, and beach ramps. Annual revenue collected from the vehicular access fee is deposited here for beach projects.

Assumptions

Fiscal Year 2020-21 Budget – As outlined in the Adopted Budget Document, Budget by Fund page 82.

Revenues:

Vehicular access fees (Beach Access Fees) were adopted by Council on November 16, 2017, via Ordinance 2017-28, with an allocation of \$4 per pass sold to be used for beach capital improvements. Revenue was adversely affected in fiscal year 2019-20 due to the Covid 19 Pandemic, but is expected to recover in fiscal year 2020-21 and for the remainder of the forecast period, with a 3% growth anticipated each year.

Fiscal 2022-2025 - A transfer in the amount of \$150,000 in fiscal year 2021-22 is allocated to fund an Artificial Reef Exhibit at the Marine Science Center.

Interfund Transfers: The chart below is the history of contributions from other funds:

	FY 2018	FY 2019	FY 2020	FY 2021	FY 2022
ECHO	\$800,000	\$0	\$0	\$0	\$0
Port District Fund	\$433,546	\$347,471	\$2,330,655	\$500,000	\$150,000
Total:	\$1,233,546	\$347,471	\$2,330,655	\$500,000	\$150,000

Beach Infrastructure funding is provided by vehicular access fee revenue as part of the adopted budget for each fiscal year.

Fund: 313 – Beach Capital Projects

Expenditures:

Capital Outlay & Capital Improvements – are allocated per division’s capital improvement plans. A summary is below:

Capital Outlay/Capital Improvement

	FY 2022*	FY 2023	FY 2024	FY 2025
Beach Infrastructure	\$272,939	\$152,061	\$50,000	\$50,000
Marine Science Center/Port Collaboration	\$150,000	\$0	\$0	\$0
Parking Development/Land for Future Parking	\$1,200,098	\$0	\$520,035	\$70,035
Beach Ramps	\$1,670,376	\$1,167,974	\$750,000	\$1,200,000
Total	\$3,293,413	\$1,320,035	\$1,320,035	\$1,320,035

*\$1,923,378 carry forward from prior year appropriations

Interfund Transfer – In fiscal year 2021-22, an interfund transfer in the amount of \$2,809,277 will transfer funds for the Lighthouse Point Park Boardwalk Renovations project from the Beach Capital Projects Fund to the newly established Port Capital Projects Fund.

Fund: 317 – Library Construction

Fund Overview

This fund is to be used for the facility renovations, expansions, and new construction of Volusia County Libraries. The Port Orange Regional Library and Pierson Public Library user statistics demonstrate the need for additional space for youth services (children and teens), including additional space for informal study, collaborative meetings and tutor space, dedicated program rooms, and lighting improvements.

Revenue:

The revenue consists of a planned transfer from the Library Fund (104) for future major capital projects. A summary of the planned transfer can be seen below:

	FY 2022	FY 2023	FY 2024	FY 2025
Transfer from Library Fund (104)	\$2,000,000	\$1,500,000	\$2,000,000	\$1,000,000

Expenditures:

Capital Improvements – are allocated per the Library’s capital improvement plan. A summary is below:

Capital Improvements

	FY 2022*	FY 2023	FY 2024	FY 2025
Pierson Public Library Relocation/Renovation	\$296,199	\$0	\$0	\$0
Port Orange Library Expansion (Design)	\$1,173,600	\$0	\$0	\$0
Port Orange Library Expansion (Construction)	\$0	\$0	\$5,250,000	\$0
Port Orange Library Lighting	\$70,000	\$0	\$0	\$0
Total	\$1,539,799	\$0	\$5,250,000	\$0

*\$1,173,600 carry forward from prior year appropriations.

Reserves:

Reserve for Future Capital – the funds in this account are accumulated for the construction, renovation, and large capital replacement for library facilities. The planned project includes the construction of the Port Orange Regional Library expansion.

Fund: 318 – Ocean Center Capital Projects

Fund Overview

This fund is used to account for the fiscal activity relating to the construction, renovation, and significant improvements of the Ocean Center facility.

Assumptions:

Fiscal Year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 84.

Revenues:

Revenues are transferred annually from the Ocean Center Fund (118) for current and near future capital projects.

Transfer from Ocean Center

	FY 2021	FY2021 Est.	FY 2022	FY 2023	FY 2024	FY 2025
Transfer from 118 Fund	\$1,000,000	\$1,000,000	\$2,000,000	\$3,000,000	\$3,000,000	\$3,500,000

Expenditures:

Capital Improvements – are allocated per the Ocean Center’s capital replacement plan. Major projects slated in current plans and future are to maintain the building integrity and improve services for clients.

A summary is below:

Capital Improvement

	FY 2022	FY 2023	FY 2024	FY 2025
Ballroom Airwall Replacement	\$400,000	\$0	\$0	\$0
Arena Seat Replacement Engineering	\$0	\$800,000	\$3,000,000	\$3,000,000

Fund: 326 – Parks Projects

Fund Overview

The purpose of this fund is to account for capital improvement projects for the County's park system. This fund includes revenue from the Florida Boating Improvement Program (FBIP) for providing, maintaining or operating recreational channel marking, public boat ramps, public launching facilities and removal of derelict vessels.

Currently, the projects in this fund are Highbridge Park and a future boat ramp design project. Highbridge Park is a one-acre site with a free canoe launch and boat ramp on the Halifax River. The boat ramp catwalk and floating dock are currently under construction and set to be done this year. Landscaping and paving for Highbridge Park is forecasted in FY 22.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 83.

Revenues:

Vessel registration fees from the FBIP are the primary revenue source for this fund. This revenue source is collected as outlined in Florida Statute 328.66. Monies received from this fee are expended for the patrol, regulation and maintenance of lakes, rivers, and waters as wells as other boating-related activities. 3% growth is assumed throughout the forecasted years.

The other revenue source for this fund is investment income which is budgeted at \$6,000 throughout the forecast period.

Expenditures:

Capital Improvements – are allocated per Park’s capital replacement plans. A summary is below:

Capital Improvements				
	FY 2022	FY 2023	FY 2024	FY 2025
Highbridge Park – Landscaping & Paving	\$350,000	\$0	\$0	\$0
Boat Ramp Design	\$0	\$0	\$200,000	\$0
Total	\$350,000	\$0	\$200,000	\$0

Reserves:

Reserve for Future Capital – are to be utilized to fund Park’s waterway projects.

County of Volusia

Fund: 373 – Medical Examiner Facility

Fund Overview

This fund is for the development and construction of a medical examiner facility. The existing medical examiner facility does not have the capacity for the current workload, which includes over 600 autopsies and 900 death investigations, annually. A new facility is required to provide adequate morgue, autopsy, and laboratory space. The planned facility will be hurricane hardened and able to continue functions in a disaster event. The facility design will provide separate space for public, medical examiner, and law enforcement.

Assumptions

Fiscal Year 2020-21 Budget – As outlined in the Adopted Budget Document, Budget by Fund page 93.

Revenues:

Interfund transfers from the General Fund scheduled to be complete in FY21. Total amount transferred from the General Fund between FY18-21: \$1,182,000.

General Fund Contribution:

The chart below shows the past history of General Fund contributions:

	FY 2018	FY 2019	FY 2020	FY 2021
Transfers from General Fund	\$500,000	\$1,900,000	\$3,000,000	\$8,782,000
Total	\$500,000	\$1,900,000	\$3,000,000	\$8,782,000

There is an additional interfund transfer from the Coronavirus Transition Fund for \$7 million.

Expenditures:

Capital Improvements – are allocated per Medical Examiner Facility capital replacement plan. Design and Engineering started in FY 2019-20.

Capital Improvements

	FY 2021*	FY 2022	FY 2023	FY 2024
Engineering of the ME Facility	\$1,102,702	\$159,106	\$0	\$0
Design of the ME facility	\$0	\$812,156	\$0	\$0
Construction of the ME Facility	\$0	\$9,994,844	\$0	\$0
Owner Direct Costs of the ME facility	\$0	\$750,000	\$0	\$0
Total	\$1,102,702	\$11,716,106	\$0	\$0

\$5,885,748 in carry forward from prior year appropriations for FY 2021-22

Debt Service Funds Summary

Management continues to monitor changes in revenues and their potential impact on bond covenants and debt service requirements. The County's overall debt profile is characterized by good debt service coverage with its debt burden low. An objective measure of the County's fiscal performance is evidenced by the latest financial analysis and review performed by Fitch Rating Agency in 2017, in which they assert:

- Volusia County has an extended history of sound financial operations with prudent management practices that contribute to its strong reserves and liquidity.
- The county continues to operate with conservative assumptions and moderate periodic revenue increases leading to historically sound reserve levels.
- Debt levels are low and future capital needs manageable.

In addition, Moody's Investor Services, in April 2018 increased the County's user rating from Aa3 to Aa2, re-affirming the assertions made by Fitch in the prior year.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in the adopted budget document, Budget by Fund pages 73-79

Revenues:

Various revenue sources provide funding for the County's debt service expenditures.

Transfers from the municipal service district for (Sheriff Evidence facility) debt for Capital Improvement Note, Series 2017 (Fund 215) is forecasted fiscal years 2022-25.

Transfers of Tourist Development Tax revenue within the Ocean Center fund for debt service are forecasted to increase significantly in Fund 202 to allow for the commencement of the 2004 issuance, providing for sufficient fund balance reserves to meet debt obligations as well as principal and interest payments in the forecast period. This increase is offset by the final payment in the 203 Fund in fiscal year 2021-22. The Ocean Center's debt obligation in Fund 208, Capital Improvement Revenue Note, 210, for the Ocean Center expansion debt payments are included for principal and interest throughout the forecast period.

Transfers from Echo revenue within the Trails fund for debt service (Fund 208) is forecasted for fiscal years 2021-22 at which time the trails debt will be satisfied.

Debt Service Funds Summary

Funding for the Gas Tax Revenue Refunding Bond, Series 2013 is shared by road impact fees and gas taxes. Trend analysis of road impact fees is challenging based on the volatility of development activity in the County. For this forecast, road impact fees are forecasted flat for 2021-22 and will remain nearly flat throughout the forecast period, showing a slight 1% decrease. Gas taxes from the Transportation Trust Fund (103) are forecasted to fund the debt payments for the Capital Improvement Revenue Note, Series 2015 for all forecasted years.

An interfund transfer from the General Fund for the Sunrail DOT SIB Loan, 2021 Fund (295) is included in fiscal year 2021-22 and 2022-23 for interest only, with the first principal payment beginning in fiscal year 2023-24 and continuing through the remainder of the forecast period.

Expenditures:

Debt Service payments are based on debt service schedules for annual principal and interest. Other Debt Service costs are based on historical expenditure trends for arbitrage, reporting requirements and other related costs.

Fund: 202 – TDT Refunding Revenue Bond, Series 2014A & B

Fund Overview

The Tourist Development Tax Refunding Revenue Bonds, Series 2014A and 2014B were issued to refinance a portion of the Tourist Development Tax Revenue Bonds, Series 2004 which were originally issued to fund the Ocean Center expansion and renovation project.

Issue Date: April 15, 2014

Par Amount: \$46,380,000 (2014A - \$21,380,000; 2014B - \$25,000,000)

Interest Rate: 3.510%

Final Maturity: December 1, 2034

Pledge Source: Tourist development tax, Ocean Center operating revenues, and related investment earnings.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 73.

Revenues:

Interfund transfer from Tourist Development Fund (106) to meet annual debt service obligations.

Expenditures:

Principal payments are made on or before December 1st, annually. Interest payments are split into two payments, on or before December 1st and June 1st, annually. Fiscal year 2022-23 planned increase of debt due to the commencement of 2004 issuance.

Reserves:

Reserves are accumulated for the following year's principal and interest payments, as required by debt covenants.

Fund: 203 – Tourist Development Tax Revenue Bonds, Series 2004

Fund Overview

The Tourist Development Tax Revenue Bonds, Series 2004 were issued to fund the Ocean Center expansion and renovation project. An additional one-cent tourist development tax was levied and pledged as security for these bonds. In fiscal year 2013-14, a portion of these bonds were refinanced and are budgeted in the Tourist Development Tax (TDT) Refunding Revenue Bonds, Series 2014A and 2014B (Fund 202).

Issue Date: September 2, 2004

Par Amount: \$55,451,336

Interest Rate: 3.00% - 5.03%

Final Maturity: December 1, 2021

Pledge Source: Tourist development tax, Ocean Center operating revenues and related investment earnings.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 74.

Revenues:

Interfund transfer from Resort Tax Fund (106) to meet annual debt service obligations.

Expenditures:

Principal and interest payments are made on or before December 1st, annually. The final payment is budgeted in fiscal year 2021-22.

Reserves:

Reserves are accumulated for the following year's principal and interest payments, as required by debt covenants.

Fund: 213 – Gas Tax Refunding Bond, Series 2013

Fund Overview

The Gas Tax Refunding Revenue Bond, Series 2013 was issued to refinance a portion of the Gas Tax Revenue Bonds, Series 2004, originally issued to finance the acquisition, reconstruction of roads, bridges, and other transportation improvements.

Issue Date: January 9, 2013

Par Amount: \$41,505,000

Interest Rate: 2.035%

Final Maturity: October 1, 2024

Pledge Source: Six cent local option fuel tax and related investment earnings.

Assumptions:

Fiscal year 2020-21 Budget – as outlined in the Adopted Budget Document, Budget by Fund page 77.

Revenues:

Interfund transfers from Road Impact Fee Funds (131,132,133,134) to meet annual debt service obligations. Impact fee revenue is analyzed annually; if a shortfall is anticipated in a particular zone, the County Transportation Trust Fund (103) will be used to cover that shortfall.

Expenditures:

Principal payments are made on or before October 1st, annually. Interest payments are split into two payments, on or before October 1st and April 1st, annually.
