Dear Honorable members of the Volusia County Council,

Attached please find the 2015-16 Charter Review Commission Final Report which was approved by the Commission at their final meeting on May 9, 2016.

The Volusia County Charter calls for three public hearings to enable the public to provide comment on the three proposed amendments. The dates for those hearings are June 16, 2016, July 7, 2016, and July 21, 2016, all at 9:05 a.m. as part of regularly scheduled County Council meetings.

I will be in attendance at the first public hearing to address any comments regarding these proposed amendments.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Hyatt Brown".

J. Hyatt Brown
