DISCUSSION OF MATTERS NOT ON THE AGENDA

Dr. Bud Fleuchaus complimented Chair Brown for efficient and well-run meetings.

Chair Brown stated that the reason for the success had been the quality of the Commission and teamwork. He thanked all of the members for the good work they had done, the county staff for the many hours of work, as well as Volusia Growth Management Commission representatives Gerald Brandon, Jim Wachtel, and Heather Ramos.

Dr. Bud Fleuchaus also complimented Dan Eckert for his work on assisting the Commission.

Jim Dinneen thanked the Commission on behalf of the county council members.

Dan Eckert reminded the Commission that the process will continue. The final report will be taken to the county council, three informational public hearings will be held, and a resolution will be adopted to call the special election on November 8, 2016. Chair Brown asked if he would need to attend the meetings. Mr. Eckert responded that it would be helpful for Chair Brown, as well as members of the Commission, to attend to answer any questions that may arise.

Jim Dinneen thanked the Commission for giving him the opportunity to suggest the change regarding payment of in-county expenses for county council members. He stated that many would be surprised in how much council members spend personally on county related activities. He felt, as a citizen, that it was not fair for elected officials not to be compensated for expenditures.

ADJOURNMENT

There being no further business for discussion, Chair Brown adjourned the meeting at 5:43 p.m.
