General Standards

Each Emergency Solutions Grant (ESG) and Continuum of Care (CoC) funded service provider shall comply with the minimum written standards established by the Commission on Homelessness and Housing for Volusia and Flagler Counties (FL-504 Continuum of Care). Each provider may decide to set standards on their provision of ESG/CoC that exceed these minimum standards, but will at the very least comply with the following:

I. General Standards

- a. **Fair Housing/Equal Opportunity and Equal Access to HUD Assisted or Inured Housing** It is the policy of the Commission on Homelessness and Housing for Volusia and Flagler Counties (CoHH) that the CoC, other Permanent Programs and Housing Recipients and subrecipients as well as other emergency shelter, transitional housing, housing and service providers who participate in the CoC, must comply with the accessibility requirements of the Fair Housing Act (24CFR part 100), Section 504 of the Rehabilitation Act of 1973 (24 CFR part 8), and Titles II and III of the Americans with Disabilities Act, as applicable (28 CFR parts 35 and 36), Comply with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4) (Nondiscrimination in Federally Assisted Programs), Equal Access In Accordance with a Person's Gender identity (CFR 24 5art 5); and other Federal civil rights statutes and regulations.

In accordance with the requirements of 24 CFR 8.4(d), recipients must ensure that their program's housing and supportive services are provided in the most integrated setting appropriate to the needs of persons with disabilities.

i. Nondiscrimination: It is the policy of CoHH to comply with all Civil Rights Laws.

- 1. Civil rights laws protect the rights of applicants and residents to equal treatment by CoHH in all of the programs operating under its purview. It is the policy of the CoHH to comply with all Civil Rights laws now in effect and subsequently enacted, including but not limited to:
 - a. Title VI of the Civil Rights Act of 1964, which forbids discrimination on the basis of race, color, religion, national origin or sex; 24 CFR § 1 and 100
 - b. Title VIII of the Civil Rights Act of 1968 (as amended by the

1974 HCDA and the Fair Housing Amendments Act of 1988), which extends protection against discrimination based on disability and familial status, and spell out forms of prohibited discrimination; 24 CFR § 100

- c. Executive Order 11063; 24 CFR § 107
- d. Section 504 of the Rehabilitation Act of 1973, which describes specific housing rights of persons with disabilities; 24 CFR § 8
- e. Age Discrimination Act of 1975, which establishes certain rights of the elderly; 24 CFR § 146
- f. Title II of the Americans with Disabilities Act, otherwise Section 504 and the Fair Housing Amendments govern (Title II deals with common areas and public space, not living units.); and
- g. Any applicable State laws or local ordinances.

ii. Procedure

1. Volusia Flagler County Coalition for the Homeless, as the Collaborative Applicant and lead agency for the CoHH, will monitor CoC participating agencies for adherence to Fair Housing/Equal Opportunity and Equal Access to HUD Assisted or Insured shelter and housing projects.
2. Volusia Flagler County Coalition for the Homeless will provide oversight so that all persons engaged for services are prioritized and referred through the FL-504 Coordinated Entry System – regardless of their race, color, national origin, age, religion, sex, sexual orientation/LBGTO, disability, or family status – are considered for services to include Prevention, Emergency Shelter, Transitional Housing and Permanent Housing opportunities.

iii. § 578.93 Fair Housing and Equal Opportunity

1. Nondiscrimination and equal opportunity requirements. The nondiscrimination and equal opportunity requirements set forth in 24 CFR 5.105(a) are applicable.
2. Housing for specific subpopulations. Recipients and subrecipients may exclusively serve a particular homeless subpopulation in transitional or permanent housing if the housing addresses a need identified by the Continuum of Care for the geographic area and meets one of the following:
 - a. The housing may be limited to one sex where such housing consists of a single structure with shared bedrooms or bathing facilities such that the considerations of personal privacy and

the physical limitations of the configuration of the housing make it appropriate for the housing to be limited to one sex;

- b. The housing may be limited to a specific subpopulation, so long as admission does not discriminate against any protected class under federal nondiscrimination laws in 24 CFR 5.105 (e.g., the housing may be limited to homeless veterans, victims of domestic violence and their children, or chronically homeless persons and families).
 - c. The housing may be limited to families with children.
 - d. If the housing has in residence at least one family with a child under the age of 18, the housing may exclude registered sex offenders and persons with a criminal record that includes a violent crime from the project so long as the child resides in the housing.
 - e. Sober housing may exclude persons who refuse to sign an occupancy agreement or lease that prohibits program participants from possessing, using, or being under the influence of illegal substances and/or alcohol on the premises.
 - f. If the housing is assisted with funds under a federal program that is limited by federal statute or Executive Order to a specific subpopulation, the housing may be limited to that subpopulation (e.g., housing also assisted with funding from the Housing Opportunities for Persons with AIDS program under 24 CFR part 574 may be limited to persons with acquired immunodeficiency syndrome or related diseases).
 - g. Recipients may limit admission to or provide a preference for the housing to subpopulations of homeless persons and families who need the specialized supportive services that are provided in the housing (e.g., substance abuse addiction treatment, domestic violence services, or a high intensity package designed to meet the needs of hard-to-reach homeless persons). While the housing may offer services for a particular type of disability, no otherwise eligible individuals with disabilities or families including an individual with a disability, who may benefit from the services provided, may be excluded on the grounds that they do not have a particular disability.
3. Affirmatively furthering fair housing. A recipient must implement its programs in a manner that affirmatively furthers fair housing, which means that the recipient must:

- a. Affirmatively market their housing and supportive services to eligible persons regardless of race, color, national origin, religion, sex, sexual orientation, age, familial status, or handicap who are least likely to apply in the absence of special outreach, and maintain records of those marketing activities;
- b. Where a recipient encounters a condition or action that impedes fair housing choice for current or prospective program participants, provide such information to the jurisdiction that provided the certification of consistency with the Consolidated Plan;
- c. Provide program participants with information on rights and remedies available under applicable federal, State and local fair housing and civil rights laws.
- d. Accessibility and integrative housing and services for persons with disabilities.
- e. Volusia Flagler County Coalition for the Homeless, Inc. will ensure compliance with Title II and Title III of the ADA regulations as referenced in Volusia Flagler County Coalition's Section 504 Self Evaluation.

4. Visitability / Design

- a. Volusia Flagler County Coalition for the Homeless, Inc. will address visitability/design should new construction be an option; or if proposed rehabilitation can accommodate the visitability concept.
- b. New Construction: NA however should the agency pursue new construction, plans for new construction will address accessibility issues for persons with disabilities (including mobility impairment), and be located in areas that are accessible and that prohibit discrimination.
- c. Rehabilitation/Alterations: Not currently applicable. See above.

 - c. No other documentation is required to qualify the tenant for an emergency transfer.
- 15. The Project Recipients/Housing Providers must keep a record of all emergency transfers requested under its emergency transfer plan, and the outcomes of such requests, and retain these records for a period of three years, or for a period of time as specified in program regulations. Requests and outcomes of such requests must be reported to [HUD](#) annually.
- c. In accordance with Violence Against Women's Act (VAWA) Rule, the grants that are awarded by the HUD CoC Program must comply with this Rule as 24CFR 578.7(a)(9)(ii), (iii) and (v) as follows:
 - i. In consultation with Program Recipients/Housing Providers of [Emergency Solutions Grants](#) and CoC program funds as well as other housing providers within the geographic area, the FL-504 CoC has updated its CoC and ESG Written standards to include:
 - 1. Policies and procedures for determining and prioritizing eligible individuals and families who are identified through the Emergency Transfer Plan for Domestic Victims of Domestic Violence who will receive transitional housing assistance required under § 578.99(j)(8));
 - 2. If HP has no safe and available units for which a tenant who needs an emergency is eligible, HP will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move.
 - 3. At the tenant's request, HP will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.
 - 4. Policies and procedures for determining and prioritizing eligible individuals and families who are identified through the Emergency Transfer Plan for Domestic Victims of Domestic Violence who will

receive rapid rehousing assistance (these policies must include the emergency transfer priority required under [§ 578.99\(j\)\(8\)](#));

- d. For families living in units receiving tenant-based rental assistance (assisted units), if a program participant qualifies for an emergency transfer, but a safe unit is not immediately available for an internal transfer, that program participant shall have the priority over all other applicants for tenant based rental assistance, utility assistance and units for which tenant based rental assistance is provided.
- e. For families receiving tenant-based rental assistance, the non-transferring family members(s) will continue to receive tenant-based rental assistance through the end of the term of the lease, if the family separates in order to effect an emergency transfer and the non-transferring family member(s) did not engage in criminal activity directly related to domestic violence dating violence, sexual assault or stalking.
- f. Policies and procedures for determining and prioritizing eligible individuals and families who are identified through the Emergency Transfer Plan for Domestic Victims of Domestic Violence who will receive permanent supportive housing assistance (these policies must include the emergency transfer priority required under § 578.99(j)(8));
- g. For families living in units that are otherwise assisted under this part, (assisted units), the required policies must provide that for program participants who qualify for an emergency transfer but a safe unit is not immediately available for an internal emergency transfer, the individual or family shall have priority over all other applicants for rental assistance, transitional housing, and permanent supportive housing projects funded under this part provided that: The individual or family member meets all the eligibility criteria required by Federal law or regulation or HUD NOFA; and the individual or family meets criteria or preferences established in accordance with 24 CFR 578.93(b)(1), (4), (6), or (7). The individual or family shall not be required to meet any other eligibility criteria or preference for the project. The individual or family shall retain their original homeless or chronically homeless status for the purposes of the transfer.
- h. The HUD Emergency Transfer Plan Model contains only general provisions of an emergency transfer plan that apply across the covered HUD programs. Adoption of this model plan without further information will not be sufficient to meet a housing provider's responsibility to adopt an emergency transfer plan. Project Recipients/Housing must consult applicable regulations and program-specific HUD guidance when developing their own emergency transfer plans to ensure their plans contain all required elements.
- i. The Collaborative Applicant, responsible for monitoring all HUD CoC and ESG funded programs will include the following as part of their monitoring:
 - i. Existence of an Emergency Transfer Plan by funded agencies
 - ii. Modification of the HUD 5381 Model Emergency transfer Plan specific to the

- program being implements
- iii. Implementation of HUD form: **Notice of Occupancy Rights under the Violence Against Women Act**
 - iv. Form 91067: Lease Addendum/Violence Against Women and Justice Department Reauthorization Act 2005

Equal access/ Gender Identify Rule

XXV. Policy on Gender Inclusion and Non-Discrimination with Respect to Sexual Orientation or Gender Identity

All programs funded or regulated by the U.S. Department of Housing and Urban Development (HUD) must comply with regulations that guarantee equal access to housing in HUD programs regardless of sexual orientation or gender identity.¹² In an effort to achieve full compliance, the Volusia Flagler Continuum of Care (CoC FL-504) adopts the following policy:

a. Definitions.

For purposes of this policy:

1. *Sexual orientation* means one's emotional or physical attraction to the same and/or opposite sex (e.g. homosexuality, heterosexuality, or bisexuality).
2. *Perceived gender identity* means the gender with which a person is perceived to identify, based on that person's appearance, behavior, expression, other gender related characteristics, or the sex assigned to the individual at birth or identified in documents.
3. *Gender identity* means the gender with which a person identifies, if any, regardless of the sex assigned to that person at birth and regardless of that person's perceived gender identity.
4. *Equal access* means housing programs are open to all eligible individuals and families regardless of sexual orientation or, gender identity, and individuals will not be discriminated against based on actual or perceived gender identity, and where legitimate consideration of sex or gender is appropriate, such as in a facility providing temporary, or short term shelter that is not covered by the Fair Housing Act and which is legally permitted to operate as a single sex facility, the individual's own self-identified gender identity will govern.³

³ <https://www.hudexchange.info/resources/documents/Equal-Access-Final-Rule-2016.pdf>

b. Intent and Applicability.

1. The CoC FL-504 is directed by HUD to facilitate the development of a comprehensive system of housing and services for persons experiencing homelessness in Volusia and Flagler Counties, specifically including the use of funding made available under the HUD Continuum of Care Program and other homelessness assistance programs. Accordingly, it is the intent of CoC FL-504 to guarantee equal access to housing and services in homelessness assistance programs regardless of sexual orientation or gender identity (Equal Access).
2. The adoption of this Equal Access policy is a direct reflection of CoC FL-504's commitment to Housing First and to low-barrier access to housing and services.
3. All agencies receiving funding through HUD or that is otherwise made available through CoC FL-504 must promote and ensure Equal Access.
4. Although not required, all non-HUD/CoC-funded member agencies are strongly encouraged to adopt internal policies and best practices that promote and ensure Equal Access.

c. Equal Access Standard.

CoC FL-504 will assess whether an agency and its programs and services promote and ensure Equal Access by the extent to which it:

1. Determines client eligibility for housing, programs and services regardless of their sexual orientation, gender identity, perceived gender identity, or marital status, and will not discriminate against anyone because they do not conform to gender or sex stereotypes;
2. Grants client's equal access to housing, programs and services in a manner consistent with their gender identity;
3. Declines to ask clients to provide anatomical information, documentation of (including ID), or physical or medical evidence of their gender identity;
4. Whenever necessary, takes steps to address privacy concerns raised by any residents or occupants, including persons in question, in an appropriate and non-discriminatory way;
5. Ensures that individuals are made aware of their right to Equal Access by providing notice of such rights, using methods such as by posting in public spaces, amending program forms and documentation; and *rights and responsibilities*
6. Participates in annual CoC training on service inclusion and non-discrimination (which many be incorporated into Housing First training).

d. Implementation Timeline.

CoC FL-504 will implement this policy with the following actions:

- a. Add an additional non-scoring question to the 2020 NOFA application asking if the applicant has adopted internal policies and practices that indicate adherence to the above CoC policy on gender inclusion and non-discrimination.
- b. CoC FL-504 will continue to offer training opportunities for providers building towards full compliance with regard to the above policy.

This document is a tool:

It can help recipients establish guidelines for providers to use to carry out their program in a standardized way, consistent with HUD requirements. In some places the document establishes recommended approaches and policies for use but ultimately recipients need to document the policy in their local ESG written standards and policies and procedures, which should be consistent to the policies established in these program guidelines. In some places there are prompts to insert the local policies. It can be customized and incorporated into local ESG written standards and policies and procedures.

Program Overview

Rapid Unsheltered Survivor Housing, under the Emergency Solutions Grants Program (RUSH) Rapid Rehousing (RRH), is administered through the **Neighborhood Center of West Volusia and Halifax Urban Ministries**, sub recipients of the Volusia County /FL-504 CoC . The RUSH RRH funding is designed to assist households experiencing homelessness or housing instability in certain areas impacted by Hurricane Ian. The program provides time-limited housing support, financial assistance, and stabilization services. This funding is provided by the U.S. Department of Housing and Urban Development (HUD) and activated as a result of the President’s major disaster declaration DR-4673-FL, dated September 29, 2022, in response to Hurricane Ian and the Federal Emergency Management Agency’s (FEMA’s) activation of its Transitional Sheltering Assistance (TSA) program.

The RUSH RRH program utilizes five key principles to guide program operations:

- Housing focused—understanding and eliminating immediate barriers to obtaining and maintaining housing.
- Housing comes first—identifying permanent housing and connecting clients to resources necessary to stabilize households.
- Choice and respect—empowering and respecting client-centered decision-making concerning housing and services offered.
- Rent assistance—offering financial subsidies to qualified households.
- Rapid implementation—modifying systems, processes, and structures to respond quickly to the housing crisis caused by Hurricane Ian.

Eligibility

RUSH RRH program-eligible households **must**:

- Meet ESG RRH eligibility: 1) Meet the criteria under Category 1 of the “Homeless” definition; or 2) Meet the criteria under Category 4 of the “Homeless” definition and live in a place described in paragraph 1 of the “Homeless” definition;
- Have been residing in an area affected by a major disaster declared pursuant to the Stafford Act on or after December 20, 2019 (e.g., an area covered by DR-4673-FL, dated September 29, 2022); **and**
- Have needs that will not be served or fully met by the TSA Program (42 USC 5170b) and other existing federal disaster relief programs (including both federal and non-federal cost share). For purposes of RUSH funding, HUD understands “existing federal disaster relief programs” to mean federal programs that provide assistance for the purpose of disaster relief and are permanently authorized as of the date of the RUSH award.

Additionally, a household will not be required to re-qualify as homeless or at risk of homelessness to receive RUSH funds if the household was already determined to meet the ESG definition of “homeless” or “at risk of homelessness” and was receiving ESG assistance when the disaster occurred.

RUSH RRH program providers will receive referrals directly from the
FL-504 CoC Coordinated Entry System for all households requiring assistance.

The RUSH RRH program will be set up as a new program in the local CES.

Coordinated Entry

The following is the RUSH RRH program prioritization that CESs should use to serve households requiring RUSH RRH program assistance.*

Location	Circumstance	Housing Status	Subpopulation Considerations
1. Disaster-Impacted County	People who: 1) Were literally homeless prior to the disaster or have become literally homeless as a result of the disaster. 2) Were forced to leave the place they were staying because of the hurricane. 3) Are not TSA eligible.	Unsheltered	• Unaccompanied youth • Family with minor children • Adult
		Sheltered	• Unaccompanied youth • Family with minor children • Adult
2. Disaster-Impacted County	People who: 1) Have utilized TSA and those services have ended. 2) Are at risk of homelessness or are literally homeless as a result of the disaster. 3) Were forced to leave the place they were staying because of the hurricane.	Sheltered	• Unaccompanied youth • Family with minor children • Adult

***Note to recipients/sub recipients** - RUSH eligibility criteria should inform local prioritization. This may mean that RUSH eligibility may be different from CoC and ESG-CV prioritization strategies. A sample Coordinated Entry Policy: RUSH Funding Overlay is included in the appendix.

Ensuring Equity

RUSH RRH program providers must ensure that the delivery of services does not perpetuate existing disparities. Every effort must be made to ensure that over-represented populations have access to and are receiving RUSH RRH program assistance.

To ensure [equitable service delivery](#), the FL-504 CE system can:

- Modify its coordinated entry policies and procedures and written standards to include RUSH RRH prioritization. Resource: [Understand the Prioritization and Data Connection: Prioritization](#)
- [Integrate periodic equity reviews](#) to ensure over-represented populations are adequately served.
- Identify and prioritize areas of disaster-impacted geography where over-represented populations have historically been living.
- Fund enhanced supportive service and outreach support to connect over-represented populations to RUSH RRH program services.

The FL-504 is prepared to move at a rapid pace to make housing referrals for the RUSH RRH program, and urgency does not have to be in conflict with equity. The FL-504 CE has incorporated people with lived experience and diverse partners into the planning process and service delivery systems, to refine service approaches and outreach efforts that can save lives and house people at the same time.

The strategies that will be considered as part of your RUSH program include:

- ☒ Report out quarterly (or more regularly) on RUSH RRH program usage by race. Analyze data to ensure that you are serving all populations equitably.
- ☒ Review RUSH RRH program guidelines and CES policies with an equity lens; adjust as needed to ensure equity. (This may include adding access points for CES in underserved neighborhoods.)

- ☒ Invest in dedicated street outreach focused on geographies that have over-represented populations
- ☒ Hiring people from over-represented communities to provide supportive services or to provide peer support

**Note – FL-504 CoC is in alignment with CES policies and procedures regarding equity.*

Verification of Eligibility

FL-504 RUSH RRH program providers are required to document the household's eligibility when applying for assistance. [See Section 1 Eligibility.](#)

Duplication of Benefits review

The Duplication of Benefits (DOB) questions in the RUSH RRH intake form are used to document the DOB determination for financial assistance or rental assistance under the RUSH RRH program.

If a household has applied for and received financial assistance or rental assistance from other entities, the RUSH RRH provider should ensure that the proposed RUSH RRH program assistance will not result in a DOB. If a household has applied for and not yet received a response from another source of assistance, the RUSH RRH provider should identify which applications, if approved, would constitute a DOB. The household shall withdraw those applications prior to receiving RUSH RRH program assistance.

For more information on DOB, see the following [ESG CV guidelines](#).

Intake Process

RUSH service providers, in coordination with Coordinated Entry, will identify potentially eligible households according to RUSH RRH program prioritization. Once preliminary eligibility for the program is established, an intake form must be completed per HUD ESG data standards.

A RUSH RRH intake packet is in the Appendix of this guide.

As part of the intake process, all applicants must sign an Authorization for Release of Information (see Appendix 2) authorizing the RUSH RRH provider to obtain and verify all information necessary for eligibility determination. Once the intake form is completed, it is then forwarded to the CES access points. Volusia County and the FL-504 CoC CES will review the intake form to ensure the eligibility and priority criteria are met. The CES should confirm the final eligibility determination within five calendar days after receipt of the intake.

Households determined to be ineligible for assistance will be provided with a Notice of Ineligibility; a sample is found in the Appendix.

After Eligibility Determination:

Households determined to be eligible for assistance will be issued a RUSH RRH program acceptance letter and the Unit Approval Form (included in the Appendix). The RUSH RRH program acceptance letter provides the household with the qualifying unit size, time to find a unit, program overview, leasing and move-in terms, and program participation guidelines.

Supportive services must be in place to support RUSH RRH households to:

- Select an appropriate housing unit in a timely manner and complete the necessary steps to lease up and move into the selected unit.
- Timely payment of the household's share of the monthly rent (if applicable).
- Applying for all public benefits and other housing assistance for which the applicant is eligible, if applicable.

**Case management although required, can be minimal to meet the requirements (i.e., brief check-call by the case manager, even if program participants aren't very responsive or fully engaged).*

RUSH RRH program households are encouraged to secure housing as quickly as possible. Housing search and placement services should be provided to help households identify a unit.

Please indicate the local RUSH RRH program extension policy here: 90 days with 30 day extension

Once the household selects a unit, the property owner/manager must complete the Unit Approval Form (see Appendix 4) to let the RUSH RRH provider know the household has identified a potential unit. The Unit Approval Form contains specifics of the housing unit, the current rental/leasing rate, and rental/leasing inclusions and exclusions. The Unit Approval Form is also used to help complete the rent reasonableness determination and the Rental Assistance Contract. Both the household and the prospective property owner/manager sign the form in agreement with the provisions.

Lease

A lease between the household and the landlord must be signed before move-in.

Annual Re-evaluation

Providers must annually re-evaluate households' income and the availability of resources and support networks to confirm eligibility and continue assistance. Income at annual re-evaluation must be at or below 30% of the area median income, and the household must still be ineligible for and are not receiving TSA and other duplicative federal assistance in order to continue receiving RUSH RRH program assistance. The re-evaluation process shall begin at least 30 days prior to the re-evaluation month to allow the household to submit the required documentation.

Households must provide:

a) Earned income information:

- Current pay stubs for the last 30 days.
- Federal/state income tax documents or W2.
- Verification of Income statement completed by employer.
- SNAP (food stamps) printout.
- A signed and dated statement verifying the type of work, number of hours worked, rate of pay, payment frequency, and method of payment for odd jobs.

b) Unearned income information:

- Supplemental Security Income (SSI)/Social Security Disability Insurance (SSDI) award letter.
- Unemployment compensation award letter.
- Child support court order.
- SNAP (food stamps) printout.
- Pension/retirement award letter.
- Worker's compensation award letter.
- A signed and dated statement verifying the contribution amount, frequency of the contribution, and the expected end date.

The following information must be verified in order to complete re-evaluation:

- Household income.
- Household composition.
- Rental Calculation Worksheet.
- Rental Assistance Agreement Amendment (if applicable).
- Lacking sufficient resources and support networks necessary to retain housing without RUSH assistance.

Depending on the ESG recipient's written standards, the amount of rent a household is required to contribute (if any) toward their rent may be impacted by any change in income documented by the recertification process. Notice of changes must be sent to the household 30 days prior to the effective date of the change. The FL-504 CoC / ESG written standards define the standards for determining and what percentage or amount of rent each program participant must pay while receiving rapid re-housing assistance.

RUSH RRH program participant rent contribution standard: Participants may receive 100% of allowable assistance based on income and a declining percentage at recertification, consistent with FL-504 CoC/ESG Written Standards.

Program Components

In addition to the five key principles to guide program operations, the RUSH RRH program is designed with five essential components integral to program services for households:

- *Coordinated intake, screening, and housing-based assessment*—RUSH RRH program referrals will originate from the local CES. Local case conferencing will assist in deciding which households are referred to the RUSH RRH program.
- *Housing search, landlord recruitment, and moving assistance*—RUSH RRH program providers and staff shall work aggressively to identify housing options and cultivate quality relationships with property owners through ongoing housing searches in subsidized/public housing or the private industry.
- *Unit Selection*—Households will work in partnership with the RUSH RRH program staff to identify an appropriate housing unit based on the unit qualifications for which the household is eligible. [Housing navigation](#) is an essential activity for RUSH RRH program funding and should be individualized to the household. RUSH RRH program assistance shall only be provided for housing units located within the United States and its territories.
 - Units funded by RUSH must meet [rent reasonableness](#)¹ standards as set forth by HUD.
- *Unit Inspection*—Upon identification of a unit, RUSH RRH program staff are responsible for conducting an inspection to ensure the unit meets habitability standards, unless the Recipient is using the waiver to [ESG Housing Standards](#) outlined in the [CPD memo regarding Hurricane Ian](#). If the Recipient is using the waiver, then units are not required to meet ESG Housing Standards; however, the following conditions apply:
 - Each unit must still meet applicable state and local standards;
 - Each unit must be free of life-threatening conditions as defined in Notice PIH 2017-20 (HA); and
 - Recipients must make sure all units in which program participants are assisted meet the ESG housing standards within 60 days of the date of the memorandum (December 3, 2023).

Lease Signing & Rental Assistance Agreement

Once the RUSH RRH program provider determines the unit meets habitability and rent reasonableness requirements, the property owner/manager and the household can sign a lease. At this point, the RUSH RRH program provider enters into a rental assistance agreement with the owner, establishing the terms under which rental assistance will be provided.

Housing stabilization, sustainability supports, and linkages to community services— RUSH RRH program providers must provide housing stabilization, sustainability supports, and linkages to other needed community services (commonly referred to as case management or supportive services) for households. Providers must ensure households are aware of these services at the time of intake and routinely throughout their participation in the program. One important purpose of case management under a Housing First approach

¹ ESG Program regulations require that units meet both Fair Market Rent (FMR) and rent reasonableness requirements; however, the [CPD memo regarding Hurricane Ian](#) provides a waiver of the FMR requirement for ESG recipients located in the counties included in the declared disaster areas. This waiver also applies to RUSH.

should be to engage the program participant; monthly case management is required. However, a program participant must not be terminated from the program for failure to meet with the case manager. RUSH RRH program providers are expected to maintain regular contact with households and document all contacts and efforts made to persistently engage the program participant on a monthly basis.

The following are examples of the services that should be offered by the RUSH RRH program provider:

- Linkage to community and public benefits programs.
- Referrals for employment, behavioral health, and family support programs.
- Referrals for crisis and trauma services for survivors of domestic violence.
- Landlord and tenant mediation.
- Access and referral to community-based resources/training programs.
- Household counseling.
- Referrals to permanent housing.

RUSH RRH staff and the participating RRH household will collaboratively develop a housing stabilization plan. The primary focus of this plan will be examining the issues that may affect housing retention, any previous episodes of housing instability, as well as identifying the most pressing needs that affect the current housing situation and the activities needed to overcome any barriers to stability. RUSH RRH program staff will support the household in prioritizing the necessary steps to be taken by each party and setting time frames for the steps to be accomplished.

RRH RUSH program staff should be knowledgeable about [trauma informed approaches](#) to providing assistance to survivors of domestic violence. [Safety planning](#) is an essential part of working with survivors, and RRH RUSH staff should work with survivors to create a plan for them to increase safety.

FL-504 CoC/ ESG written standards define the standards for determining duration of housing stabilization and sustainability support provided to program participants while receiving rapid re-housing assistance.

FL-504 Written Standards: XXIc. Rental Assistance Duration and Adjustment: Minimum standards for determining how long a particular program participant shall be provided with rental assistance and whether and how the amount of that assistance shall be adjusted over time are:

- Participants receive approval for the minimum amount of financial assistance necessary to prevent homelessness. Documentation of financial need shall be kept in the participant's file for each month of financial assistance received. Participants shall not be approved for more rental assistance than can be justified given their income and expenses at a given time.**
- Approval for rental assistance shall be granted in three month increments. Providers must re-assess the continuing need for rental assistance before approving an additional three month increment. In no event will assistance under rapid rehousing exceed 24 months in any 36 month period.**
- Any additional requirements regarding how long a program participant shall be provided with rental assistance and whether and how the amount of that assistance shall be adjusted over time shall be determined by the individual service provider's policies and clearly communicated to program participants.**

XXI.J.vi. Payment shall not exceed the Fair Market Rent established by HUD and shall comply with HUD's standard of rent reasonableness (24 CFR 982.507). Consistent with FL-504 CoC/ESG Written Standards .

RUSH RRH program staff must be knowledgeable and have effective working relationships with conventional programs and services available in the community to create connections for households needing assistance.

- Financial assistance—The RUSH RRH program shall provide financial assistance to eligible households. Eligible costs consist of the first and last month’s rent, security, and utility deposits.
- Rental assistance - The rental assistance may be structured as a flat or declining subsidy, shortened or extended based upon the household need and rental unit size. The RUSH RRH Provider will approve extensions on a case-by-case basis.
- Flat subsidy - the amount of rental assistance remains the same throughout participation, usually determined based on household level of income. This approach requires the RUSH provider to collect income documentation and monitor changes in income throughout the period of participation.
- Declining subsidy - The amount of rental assistance provided decreases across the length of participation. The subsidy structure can be based on a percentage of the rental amount (i.e. 100% of rent, 75% of rent, 50% of rent, 25% of rent). This approach does not require the collection of income documentation and monitoring following determination of eligibility.

The FL-504 CoC / ESG written standards define the standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time.

FL-504 Written Standards: XXIc. Rental Assistance Duration and Adjustment: Minimum standards for determining how long a particular program participant shall be provided with rental assistance and whether and how the amount of that assistance shall be adjusted over time are:

- Participants receive approval for the minimum amount of financial assistance necessary to prevent homelessness. XXI.J.vi. Payment shall not exceed the Fair Market Rent established by HUD and shall comply with HUD’s standard of rent reasonableness (24 CFR 982.507) and note whether this standard is different for RUSH versus annual ESG. Standards are Consistent with the FL-504 CoC/ESG written standards. .

Homeless Management Information System

Each RUSH RRH program provider is required to enter household data in the local Homeless Management Information System (HMIS) continually. HMIS is the database for the homelessness information maintained by each Continuum of Care.

The RUSH RRH program provider shall establish systems to collect all required HMIS data from program households and enter the data into the HMIS system on a timely basis.

HUD mandates that certain data be entered into HMIS. RUSH RRH program data collection and project setup for RRH projects should follow the instructions for annual ESG in the [ESG Program HMIS Manual](#) and the [HMIS Data Standards](#). Questions about data collection should be submitted to the [HMIS AAQ](#). Set up ESG-RUSH projects using existing ESG Program HMIS Manual guidance. The HMIS data standards will be updated to include a new funding source “HUD: ESG – RUSH”. Projects should be set up with this funding

source, and if this source is not yet available in HMIS, add a funding source of “HUD: ESG” and “Other” with the text “ESG-RUSH” while waiting for the new funding source to come online in HMIS.

Involuntary Program Exits

The FL-504 CoC and Volusia County expects the RUSH RRH program provider and staff to work closely with the household from day one to make an exit plan where permanent housing can be maintained. The program will aim to exit households with the goal of maintaining their housing stability. However, there may be circumstances in which households violate program requirements; see [24 CFR 576.402](#). These types of program exits should be rare and only happen in the most severe cases, like fraud. The RUSH RRH program provider must provide due process regarding program exits from the RUSH RRH program.

A written notice will be sent to the household including the following information:

- A statement of the reason(s) for the exit.
- The effective date of the exit/termination.
- An outline of the appeals process.

A review of the exit decision is available to all households, where the household has the opportunity to present objections before someone other than the person(s) or their subordinate who made or approved the termination decision. A ten-day written notice of the final decision will be issued to the household.

Discrimination Policy

ESG recipients (or sub recipients) need to establish a discrimination policy and grievance process for households. The ESG recipient or sub recipient must ensure that households are made aware of the process for filing a complaint.

The following information may be helpful to RUSH RRH households: Individuals who believe they have been discriminated against based on race, color, national origin, religion, sex, disability, and/or familial status may file a complaint with Volusia County and follow up with the HUD Fair Housing Hotline **1-800-669-9777** e-mail: Fheowebmanager@hud.gov or the [Florida Commission on Human Relations](#) **800-342-8170** e-mail: chrinfo@fchr.myflorida.com.

Complaints should be in writing. If a household is unable to write and can only make a verbal complaint, the RUSH RRH program provider should offer assistance to put the complaint in writing.

All complaints should include the following information:

- Name of the complainant or alternate contact person to receive or provide information.
- Address and telephone number of the complainant or alternate contact person.
- A description of the discrimination.

Grievance and Appeal Process

All RUSH RRH program providers must have a documented grievance and appeal process for cases where a household disagrees with the program eligibility decision, amount, or duration of assistance to be provided. If a household disagrees with the decision made on their assistance, the household must submit a signed and dated written statement to the RUSH RRH program provider within 10 days of the notice of change. The RUSH RRH program provider will proceed with evaluating the request, collecting the evidence, and making a determination within 20 days of the original notice.

Once the RUSH RRH program provider completes the review and if the household still disagrees with the decision made, the household must submit a request for a formal hearing to Volusia County within 10 working days of the notice from the provider. During this process, rental assistance will continue at the current level until the hearing decision is issued.

If a hearing request is submitted within the time required, Volusia County will send a Hearing Notification Letter and schedule the date, time, and place of the hearing.

Rights at the informal hearing

The household retains:

- The right to be represented by an attorney and/or accompanied by a family member or other advocate.
- The right to present any evidence on the household's behalf, including the right to bring and question witnesses, and the right to cross-examine witnesses summoned by the provider and/or Volusia County.
- The right to review all the documents and evidence on which Volusia County will rely at the hearing, prior to the hearing. A household may contact Volusia County at least five days prior to the hearing to review the documents.

The hearing officer must determine whether the RUSH RRH program provider's rejection or other determination is reasonable and in accordance with the **Neighborhood Center of West Volusia and Halifax Urban Ministries**'s program requirements and policies. The hearing officer's decision must be in writing, briefly stating the findings and the basis of the decision within five business days of the hearing.

Record Maintenance
