CDBG-CV Funds Available for Local Governments and Nonprofits

VOLUSIA COUNTY, FLORIDA – Volusia County’s Community Assistance Division has remaining funds available from a previous award from the U.S. Department of Housing and Urban Development’s Community Development Block Grant– Coronavirus Program (CDBG-CV) to help local governments and not-for-profit agencies 501(c)(3) respond to the coronavirus pandemic.

The funds – which were authorized by the Coronavirus Aid, Relief, and Economic Security (CARES) Act – include $625,000 for eligible public facility improvements and public services. Funds must be used to serve clients or groups that are presumed to be low- or moderate-income. Proposed projects must be eligible under CDBG and prevent, prepare for, or respond to the coronavirus pandemic. All proposed capital projects should be shovel ready and must be completed by June 30, 2025.

These funds may not be used by the cities of Daytona Beach, Port Orange and Deltona because they are eligible to receive their own Community Development Block Grant allocation.

For more information about eligible uses and to receive an application, contact Eva Colee at 386-736-5955 ext. 15593 or ecolee@volusia.org. Applications will be accepted until 2 p.m. Dec. 1.
