

WHAT HAPPENS NEXT?

Notice to all summer camp scholarship applicants

Now that you have submitted your application for a Summer Camp Scholarship, you need to know what happens next. The voucher process has changed from previous years, please review the information below on what to expect.

1. County staff will review your application and determine if your child is eligible to receive a summer camp scholarship.
2. You will receive a letter from the county, mailed to the address provided on the application, advising you of your application status.

There are three different situations that could occur with your application:

Eligible and Approved for a Scholarship: You will receive a letter from the county informing you that your child is approved for a scholarship. Your approval letter is your scholarship voucher, do not lose or discard. Please note the expiration date on your voucher; you must register for an approved camp prior to that date.

OR

Eligible for a Scholarship but space/funding is not available: You will receive a letter from the county informing you that your child's name will be placed on a waiting list and you will be notified if a slot becomes available.

OR

Denied a Scholarship: You will receive a letter from the county informing you that your child is **NOT** eligible for a scholarship and the reasons why.

3. If approved, your voucher letter will include a legal waiver.
 - You must provide your letter and signed waiver to the camp when registering to receive the scholarship rate.
 - The list of approved providers will be located online at <https://www.volusia.org/services/community-services/community-assistance/>
 - Registration, contact and fee information will be included on the online provider list.
 - Receiving a scholarship does not guarantee a spot in any camps.
 - Register with the camp you want as early as possible because camps fill up fast. You may want to register early to save your spot, but if you have not yet received a letter, you may be responsible for initial fees.
 - If you have selected a Volusia County Parks, Recreation & Culture camp, contact them at (386)736-5953 for registration information

THANK YOU!
