

Get ready for an exciting summer of exploration and adventure at the Marine Science Center!

Campers will experience seine netting, exploring the estuary and beach, fishing, canoeing and snorkeling. They will also meet a live reptile and raptor, participate in an owl pellet and squid dissection lab, and learn about Florida's amazing ecosystems through games and crafts.

All camps currently full

100 Lighthouse Drive
Ponce Inlet, FL 32127
386-304-5545

Children should have closed-toe water shoes and be prepared to get wet. Wearing a bathing suit under their clothes is a great idea. Please bring sunscreen, a packed lunch and water for the day.

Summer camps fill up fast! To reserve your space, please contact Education Coordinator Shell Webster at 386-304-5529 or mscedu@volusia.org.
