

Hello,

Thank you for your interest in volunteering at the Lyonia Environmental Center. We are excited to have you join our team!

Volunteering at the LEC provides individuals with opportunities to gain valuable experience learning about our unique facility, our resident animals, and the importance of the Lyonia Preserve. We strive to offer volunteer opportunities that meet your skills and interests, while meeting the diverse needs of our facility.

Your application packet includes a description of our current volunteer opportunities, an application form, a liability and photo release form, and a background check authorization form. A US issued social security number is required for the background check. There is no cost to you to apply. Please be sure to sign and date all forms. If you have any questions, please contact us.

Once you have your application packet completed, please contact us to set up a date and time to come to the LEC and meet with the Volunteer Coordinator or the Manager.

We look forward to meeting you!

Laura Albert-Volunteer Coordinator
