Removal of Precautionary Boil Water Notice Volusia County Utilities Customers in Spruce Creek Fly-In

YOUR WATER IS SAFE TO DRINK

DATE: March 14, 2018

TIME: Effective Immediately

RESIDENTS OF: Spruce Creek Fly-In Community

Lab analysis of recent bacteriological sampling performed by Volusia County Water Resources and Utilities indicate that your water is absent of total coliform bacteria and is safe to drink. The Precautionary Boil Water Notice issued on 3-13-18 has been rescinded and is no longer in effect.

We are sorry for any inconvenience this may have caused. Our mission is to employ best management, operations, engineering and financial practices necessary to produce and deliver safe drinking water while offering competitively priced products and high quality services for all Volusia County Water Resources and Utilities customers.

BOILING OF YOUR WATER IS NO LONGER NECESSARY

If you have any questions, please call Volusia County Water Resources and Utilities at: 386-822-6465 or 800-255-2069
