By signing below, you are agreeing to the following conditions

The meter deposit is \$ _____ and is to be paid by cash or check.
Checks should be made payable to County of Volusia

If meter is dismantled, relocated or tampered with in any way , the deposit will be forfeited
and an additional tampering fee will be assessed.

Meter readings are to be called into the billing section on or before the first of every month. The
number to call is (386) 736-5971. Failure to call in the meter reading will result in a minimum usage
charge of 100,000 gallons each month. When the meter is returned, adjustments will be made to the
account as needed. Payment must be received in the billing office no later than
20 days past the due date to avoid automatic confiscation of our meter.

Installation of the meter will take place within 48 hours of receiving deposit.
