

Waiver for Concurrent Review

Changes in Florida Statute affect the County's ability to provide a concurrent review service to applicants required by Chapter 72, Code of Ordinances, as well as the information required to issue a building permit pursuant to the Florida Building Code, section 553.79(16), F.S. As such, the local government's ability to concurrently review your application is limited, unless the applicant waives the limitation in writing.

I, _____, the applicant for the subject permit, hereby understand and acknowledge the request for a waiver to allow for concurrent review of my application for compliance with Chapter 72 of the Code of Ordinances and for review for issuance of a building permit under the Florida Building Code with the timeframes for review for compliance with Chapter 72 of the Code, and declare as follows:

I waive the timeframe limitation in section 553.79(16), F.S., for the local government to conduct concurrent review on my application for a single-family building permit.
