

# Growing Strawberries in the Home Garden

While most of the rest of the contiguous United States is celebrating the harvest, in Florida, we are celebrating the Fall Planting Season! Learn about preparing for and planting strawberries in the home garden, building better soil, pest control, new varieties, and alternative ways to grow your own strawberries, no matter where you live.

**Where:** UF/IFAS Extension,  
Volusia County  
3100 E. New York Ave.  
DeLand, FL 32724

**When:** Saturday, October 12, 2019

**Time:** 10 a.m. to noon

**What:** Registration is \$7.50 per person. Register on Eventbrite:  
<https://www.eventbrite.com/e/growing-strawberries-in-your-garden-tickets-67602243129>

**There will be a drawing for door prizes! \$7.50 registration includes one door prize ticket. Additional tickets can be purchased at the door for \$2 each or six for \$10.**

**We will be taking pre-orders for strawberry plants. Strawberry plants will be \$8 per bundle of 10 plants. Maximum of 2 bundles per person. Order forms may be submitted until October 5<sup>th</sup>. Payment must be submitted with order. Cash or Check only.**

Please call Cyndi at the UF/IFAS Extension, Volusia County at 386-822-5778 with any questions.
