

In May 2017, the Volusia County Council appointed a committee to study and make recommendations pertaining to making the beachside in Daytona Beach, Daytona Beach Shores and Ormond Beach more viable for residents, businesses and tourists.

In response to the County's request, the Beachside Redevelopment Committee has held monthly meetings beginning in June 2017, heard the concerns and observations of _____ citizens (fill in the count of the number of citizens who spoke at our meetings), and heard presentations made by the following individuals (list names of presenters and topics).
