Stucco Contractor - BLE1V
Volusia County

Scope

Stucco contractor means any person or firm qualified and certified by the Board to perform any work to coat surfaces with a mixture of sand or other aggregate, gypsum, plaster, Portland cement or quick lime, and water, or any combination of such material so as to create a permanent surface coating. Such contractors may apply and affix gypsum or metal lath or any other product prepared or manufactured, including the placing of metal studs and runners to which lath is to be applied, to provide key or suction bases for the support of the stucco coating.

Examination Content Outline

The Stucco Contractor examination is based on trade-specific information pertaining to materials, tools, equipment, practices, terminology, and relevant laws. The examination is a two (2) hour, open book exam that consists of 50 questions.

Subjects:	No. of Items
Safety	7
Plaster Substrate	5
Cement Plaster	5
Gypsum Plaster	5
Gypsum Board	3
Stucco Plaster	5
Metal Lathing	6
Lightweight Metal Framing	5
Structural Metal Framing	4
Estimating and Plan Reading	5
Total:	50
