

Volusia County

Invites you to attend a

Public Information Meeting

On August 2, 2018 from 5:30 to 7:00 PM

At the Sanborn Activity Center in Earl Brown Park

815 S. Alabama Ave., DeLand, FL 32726

To Present the Orange Camp Road Widening Design

Volusia County Engineering and Construction will be hosting a Public Information Meeting regarding the proposed widening of Orange Camp Road. The limits of the proposed 4-lane widening project extend from just West of Dr. Martin Luther King Jr. Beltway to the I-4 interchange. The purpose of the meeting is to inform interested citizens of the progress and findings of the initial design phase and outline the final design phase.

Exhibits depicting the proposed improvements will be on display. Public comment forms will also be available that can be submitted at the meeting or mailed or electronically mailed to the County Project Manager at the location below. The public is encouraged to attend this meeting and to offer input regarding this proposed road widening project.

AGENDA

5:30 to 6:00 Open House – opportunity to review conceptual graphics with design team members on a one-on-one basis. Team members will also be available to answer questions, listen to your suggestions and address particular comments you may have.

6:00 to 6:30 Presentation – team members will provide a short formal presentation of the progress and findings of the traffic analysis and design concept to date.

6:30 to 7:00 Open House – additional opportunity to review project materials and discuss your comments with individual team members.
