

STATISTICAL SECTION

The Statistical Section includes financial presentations which provide detailed data on the physical, economic, social, and political characteristics of the County of Volusia, Florida. They are intended to provide a broader and more complete understanding of the government and its financial affairs than is possible from the basic financial statements and supporting schedules included in the "Financial Section." Many of these tables cover more than two fiscal years and present data from outside the accounting records. Therefore, the Statistical Section data has not been subjected to independent audit.
