MANAGEMENT LETTER OF INDEPENDENT AUDITORS' REQUIRED BY CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

To the Honorable County Council Members
of the County of Volusia, Florida:

We have audited the basic financial statements of the County of Volusia, Florida, as of and for the fiscal year ended September 30, 2006, and have issued our report thereon dated February 7, 2007. We did not audit the financial statements of the Clerk of the Circuit Court, County of Volusia, Florida or Emergency Medical Foundation, Inc., which represent ninety-eight percent and ninety-nine percent of the assets and revenues, respectively, of the aggregate discretely presented component units. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar as it relates to the amounts included for Clerk of the Circuit Court, County of Volusia, Florida and Emergency Medical Foundation, Inc., is based on the reports of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the provisions of Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, and *Passenger Facility Charge Audit Guide for Public Agencies*, issued by the Federal Aviation Administration. Additionally, our audit was conducted in accordance with the provisions of chapter 10.550, Rules of the Auditor General, which govern the conduct of local governmental entity audits performed in the state of Florida and require that certain items be addressed in this letter.

We have issued our Report on Internal Control Over Financial Reporting and on Compliance and Other Matters, Report on Compliance With Requirements Applicable to Each Major Federal Program, Each Major State Project, and Passenger Facility Charge Program and on Internal Control Over Compliance in Accordance with OMB Circular A-133, Chapter 10.550, Rules of The Auditor General, and Passenger Facility Charge Audit Guide for Public Agencies, and Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated February 7, 2007, should be considered in conjunction with this management letter.

In addition, separate audits were performed on the Halifax Advertising Authority, Southeast Volusia Advertising Authority, and West Volusia Advertising Authority, which comprise the nonmajor Convention Development Tax special revenue fund. Management comments in those reports should be considered in conjunction with this management letter.

The Rules of the Auditor General (Section 10.554 (1)(h) 1.) require that we comment as to whether or not corrective actions have been taken to address significant findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

As required by the Rules of the Auditor General (Section 10.554 (1)(h) 2.), the scope of our audit included a review of the provisions of Section 218.415, Florida Statutes, regarding the investment of public funds. In connection with our audit, we determined that the County of Volusia, Florida, complied with Section 218.415, Florida Statutes.

The Rules of the Auditor General (Section 10.554(1)(h) 3. and 4.) require disclosure in the management letter of the following matters if not already addressed in our report on internal control over financial reporting and on compliance and other matters or in the schedule of findings and questioned costs and are not clearly inconsequential: (1) recommendations to improve financial management, accounting procedures, and internal controls; (2) violations of laws, rules, regulations, and contractual provisions or abuse that have occurred, or were likely to have occurred, and were discovered within the scope of the audit; (3) improper or illegal expenditures discovered within the scope of the audit that may or may not materially affect the financial statements; (4) improper or inadequate accounting procedures (e.g., the omission of required disclosures from the annual financial statements); (5) failures to properly record financial transactions; and (5) other inaccuracies, shortages, defalcations, and instances of fraud discovered by, or that come to the attention of, the auditor. There were no matters that require disclosure pursuant to the Rules of the Auditor General (Sections 10.554(1)(h) 3 and 4) not already addressed in our report on internal control over financial reporting and on compliance and other matters.

The Rules of the Auditor General (Section 10.554 (1)(h) 5.) also require that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in the management letter, unless disclosed in the notes to the financial statements. The legal authority for the primary government and each component unit of the reporting entity is disclosed in Note 1 of the basic financial statements.

The Rules of the Auditor General (Section 10.554(1)(h) 6.a.) require that we comment as to whether or not one or more conditions described in Section 218.503(1), Florida Statutes, regarding determination of financial emergency have been met. In connection with our audit, we determined that the County of Volusia, Florida did not meet any of the conditions described in Section 218.503(1), Florida Statutes, regarding determination of financial emergency.

As required by the Rules of the Auditor General (Section 10.554 (1)(h) 6.b.), we determined that the annual financial report for the County of Volusia, Florida, for the fiscal year ended September 30, 2006, filed with the Florida Department of Banking and Finance pursuant to Section 218.32, Florida Statutes, is in agreement with the annual financial audit report for the fiscal year ended September 30, 2006.

As required by the Rules of the Auditor General (Sections 10.554 (1)(h) 6.c.), the scope of our audit included application of financial condition assessment procedures pursuant to Rule 10.556(7) of the Auditor General. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by the same.

This management letter is intended solely for the information and use of the County Council and management, the Auditor General of the State of Florida, and respective federal and state awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
