RECYCLING FOR BUSINESSES IN VOLUSIA COUNTY

Did you know that recycling is required if you own or operate a business or own nonresidential property in Volusia County?

If you need assistance in determining your recycling waste stream, call 386-943-7889 to request a Solid Waste Assessment at your property or business.

- **Business owners:** Work with your employees to determine the waste stream your business generates. You may be surprised to find that much of it may be recyclable.
- **Nonresidential property owners:** Work with your tenants to determine the waste streams they generate. Plastics numbered 1 & 2, newspaper, plastic bags, junk mail and glass (green, clear and brown) are all recyclable.
- The collection of recycling for businesses is an open market, and you can choose from an extensive list of reputable haulers.

To learn more about nonresidential recycling, visit volusia.org/recycling.
