- **Non-county residents**
\$25.00 per hour

Ballfields with lights

- **Volusia County residents**
\$30.00 per hour
- **Non-county residents**
\$35.00 per hour

Procedure for booking practices

1. Each Coach or team representative can book a maximum of 2 practices at a time per team.
2. After completing the second practice, you will then be allowed to call the following day and book two more practices.
3. Once the second practice is done, repeat the process of booking.
4. This system helps to ensure that all teams have equal access to practice times and maintains fairness in scheduling.

Additional booking information

- A 24-hour notice is required to cancel or reschedule games or practices.
- Cancellations:
 - If Volusia County cancels a field reservation, a rental credit or refund will be issued.
 - If the renter determines on-site that they cannot play, they have 24 hours after the rental to request a credit or refund. Requests made after 24 hours will not receive a credit or refund.
- Each reservation is 1.5 hours. A renter who wants a 3-hour block must book two reservations (two rentals for one team).
- Only the coach or team representative is authorized to make reservations for a team. Team parents and other individuals associated with a team may not call to book extra practices.
- Deceptive booking and subletting are prohibited and may result in canceled reservations, forfeited booking fees and revoked reservation privileges.
